I' m Sorry My Love Novel

Chapter 2330 - 2331

## Chapter 2330

Four hours later, Mr. Shu was pushed out of the high-risk emergency room.

Darius's parents, Darius and Galia were waiting outside the door, and next to them were Alyce, Suzi and Arron.

"What's wrong with my grandpa?" Darius immediately stepped forward, grabbed the doctor's arm and asked.

There was concern in his voice.

The doctor sighed.

Shaking his head, as if he had made up his mind, he said to Darius, "The old man is already old, and he is considered exhausted. His lifespan can last for a week at most, you guys... ..prepare for the funeral."

"No!" Darius burst into tears: "Grandpa..."

"Dad..."

"Dad, you have always been in good health..."

Darius's parents rushed up and cried.

Not far away, Alyce bit his lip and watched all this.

To be honest, she felt guilty at this moment. She felt that she shouldn't have said such a stimulating thing to such an old man.

Seeing the family cry like this, the old man was still in a coma, Alyce took a step forward and said apologetically, "Yes... I'm sorry."

Darius immediately got up and looked at Alyce: "Little aunt... "..."

"I'm sorry." Alyce said again.

At this time, the eldest brother and sister-in-law also got up and looked at Alyce.

Alyce raised his eyebrows, pursed his lips desolately, and said, "If you are so angry with your old man, your life will not last, and I will take full responsibility. Whether you hit me, scold me, or sue me, I will accept it. Just

, don't implicate my daughter in this matter, my daughter has nothing to do with this matter."

"Little aunt, what are you talking about! It's none of your business!" Darius said immediately.

The eldest brother also looked at Alyce: "Xiaosheng, Dad is at the end of his life. Even if he doesn't quarrel with you, his life has reached the limit... This has nothing to do with you."

Alyce: "Thank you... "

At this time, Mr. Shu suddenly woke up leisurely.

"I... where am I?" The old man's voice was like gossamer.

"Dad!"

"Dad, are you awake?"

"Grandpa, grandpa..." Darius leaned down even more and hugged Mr. Shu.

The old man also struggled to sit up, but Darius immediately supported the old man and helped him to get up slowly.

I... am I... in the hospital? She looked at the snow-white walls all around.

Darius nodded: "Grandpa, you have a little illness, and you can be discharged after a few days of hospitalization. After leaving the hospital, you can walk around with crutches, grandpa." "

Grandpa Shu suddenly smiled sadly: "Azhen, don't lie to grandpa, grandpa..."

He smiled sadly, speaking very weakly: "Grandpa... How old is grandpa?" Now, Grandpa himself knows... Grandpa is afraid that it will be soon..." The

old man's body collapsed, it collapsed really fast.

Sitting on the bed, he didn't even have the strength to speak. If you don't say a few words, you have to stop, rest for a while, and then continue.

"Grandpa doesn't...don't want to wait to die in the hospital, now...I will send grandpa... now, send it home, okay?"

"Okay! Good grandpa! "Shu Ming burst into tears.

"He...the three of them..." The old man has three grandsons, all of whom are Darius's older brothers. The three brothers have been sent abroad since they were teenagers, and they seldom come back. .

"Grandpa, my three brothers have come back and are on the plane. Grandpa, don't worry." Darius said to Mr. Shu.

"Okay, okay...Xiao...Where'sAlyce?" the old man said again.

Alyce, who was standing by the door, came to Mr. Shu and said, "I'm sorry...I asked you to..."

"Xiaosheng, follow...me back... .Go home, Dad... Dad has something to tell me, come home with me... OK? That home, you haven't been here once, go home, okay? "Master Shu said to Alyce in an almost pleading tone.

Alyce nodded: "Okay."

"Also...and..." After saying that, Mr. Shu looked at Suzi who was standing by the door: "And SuziSuzi... ...."

Suzi smiled slightly and nodded: "Okay."

## Chapter 2331

Both mother and daughter have really stepped into the Shu family mansion.

When they came to the outside of this solemn and dignified mansion, Alyce suddenly stopped.

"Mom." Suzi raised his arm and tied his mother's shoulder.

Alyce looked at his daughter: "Mom is afraid, do you know?"

Suzi nodded: "Yes."

"That's a kind of fear that is imprinted in my heart and can't be removed for a lifetime." As soon as Alyce approached the gate of the house, You can think of the situation when she was standing outside this magnificent house when she was a child, and was kicked out of the house by her classmate Gu Jianing, the very noble little princess who was wearing a princess dress.

And...

my own brother.

Although they are half-brothers, they are also brothers.

Alyce still can't forget that his own brother kicked him out several meters away.

That time, Alyce was kicked, and when he returned home, he was in bed for a long time, vomiting blood and coughing up blood every day.

The frightened mother cried every day beside Alyce's bed.

For fear that Alyce would be kicked to death.

Nowadays, the elder brother is always shouting from the younger sister and the younger sister, and Alyce can also see the guilt on his face.

But, no amount of guilt, what can make up for it?

Can turn back time.

Can you make it happen?

No one knows, her childhood, such a small grade, what she should bear or not, whether her age group can bear it, she endured all of it.

No one is going to pay for her childhood.

Childhood is only once.

Even Gu Jianing, she had a happy childhood, was loved by the stars, loved by her uncle, aunt, and cousin.

But what about her?

In her childhood, she had a biological father who was a high-ranking official, and a biological brother.

These were her childhood nightmares.

Now, they have her back in this nightmare environment.

It was a torment for Alyce.

“Mom, if you really don’t want to go in, don’t go in. It doesn’t matter if you are called unfilial or stingy, if you don’t forgive others, it doesn’t matter. I will accompany you. As long as you are happy, don’t torture yourself.” Suzi said to his mother arrive.

Alyce shook his head: “Forget it, people are about to die, just bear with it. I can overcome it, how about you, Alyce? If you don’t want to go in, mom doesn’t force you, go back, child.”

Alyce felt more distressed for her daughter.

If the old man just abused her as a daughter, that’s fine.

But the old man was beheading Suzi at one time, and at one time he wanted to smash Suzi’s body into ten thousand pieces. Suzi shook

his head: "Mom, no matter where you are, your daughter will accompany you. Even if it is a sea of swords

and flames, I will accompany you? Don't worry. I will be fine." "Thank you, good daughter." Alyce said gratefully, looking at her daughter. "Mom, go in." Suzi embraced his mother with one arm. The mother and daughter stepped into this huge house one by one, and some servants shouted in unison: "Welcome home, Miss Sun, and welcome home Miss Sun."

Miss, Miss Sun.

This is really Alyce's mother and daughter, as part of this Shu family.

"Thank you." Alyce nodded slightly and smiled.

Led by the servants, the mother and daughter walked all the way through the corridor, through the garden, and came to the bedroom in the main hall where Mr. Shu was.

This bedroom is so big and so luxurious.

That kind of luxury is still unremarkable, and it looks antique from some years ago.

"Xiaosheng, you...you're here. Dad thought you weren't coming. Come here. Dad has something to say to you...Tell SuziSuzi." Mr. Shu raised his withered arm, feeling weak. Greeting Alyce and Suzi.
