I' m Sorry My Love Novel Alternative Chapter 2332 - 2333

Chapter 2332

Alyce and Suzi came to Mr. Shu's bed.

"Alyce, Dad... Dad first... Talk to Suzi first."

Alyce nodded: "Okay."

Both Alyce and Suzi were indifferent to the cries behind them. .

Sometimes the mother and daughter will think in their hearts, could it be that their mother and daughter are too cruel?

But what about being cruel?

How about not being cruel?

I can't, I really don't want to cry, I really don't feel sad, instead of pretending to be sad.

It's just that in this sad situation for the whole family, the mother and daughter are embarrassed by their broken shoes.

An embarrassed Suzi came to Mr. Shu and said, "Sir, say whatever you need to tell me. I will do what I can do."

This is the only comfort Suzi can give an elderly man.

If she was asked to kneel in front of the window and cry in tears, "Grandpa, I love you so much, you can't die", she really couldn't do it.

"SuziSuzi." Elder Shu's withered hand came to Suzi.

Suzi: "..."

"I, I'm sorry for you."

"You are not in good health now, don't be so hard, old man, I... I don't blame you for a long time." Suzi Said with a smile.

"No!" Mr. Shu said, "That's not what you meant."

Suzi: "You... what do you mean?"

She doesn't understand.

"I mean, when I was young, I was too messed up. I wasn't a human being," said Mr. Shu.

Suzi: "..."

The old man sighed and said, "Since I was very young, I have been high-spirited and arrogant, always distinguishing right from wrong from my standpoint.

Always take me as self-centered, Come to judge the pros and cons of affairs.

Besides, it is always right from my starting point."

Suzi suddenly raised his eyes and looked at Mr. Shu.

Suddenly, there was a kind of sourness in her heart.

With a bitter smile on his lips: "You...you finally understand, you are such a person?" The old man

also smiled bitterly: "Yeah, I'm going to die soon, and if I don't understand, how can I look down on the ground? Those of my ancestors.

How can I have the face to see your grandmother, Alyce's mother?"

Speaking of which, the old man sighed heavily again.

After resting for a while, he continued to say: "I am young, promising, and high-spirited. Looking at the people around me, as long as I am not like-minded, I think he is wrong and she is not pleasing to the eye.

Even if Alyce's mother saves me Even after taking my life, I still feel that she should have paid for me.

She should have looked up to me all her life.

I can call her on and off.

I don't want her anymore, she should be forever Disappearing, shouldn't come to disturb my life.

This is the seriousness of my bastard.

I am such a bastard is one aspect.

I also regard this bastard behavior as a positive and responsible behavior. I have always All put my own starting point on the commanding heights.

And everything around me was wrong.

Among them, the one who suffered the most was Alyce's mother.

Hey..."

Having said this, the old man burst into tears.

"Repent! "The old man sighed: "Alyce's mother is my great nobleman and a savior." Without him, I wouldn't have lived to be fifty years old at all, and I would have died outside the country in my forties.

But I never realized this.

I put my benefactor in dire straits, suppressed her, and slandered her in various ways.

I...

After I die, how will I face her?

I don't know..."

Suzi said nothing.

Chapter 2333

Alyce crying behind her back, she didn't shed a single tear, but I heard her father treat her mother like this Alyce cried when he repented.

Not cry your own father.

Instead, she cried for her mother who died with hatred.

No matter how sincere a person's repentance is, no matter how he repents, the young and fresh life will never come back again.

"But these..." The old man's voice became weaker and weaker.

Getting dumber.

It was so dumb that Suzi couldn't bear to hold on to it: "You... take a break, my mother and I don't blame you anymore, really, take a break.

Don't be too big. Psychological burden.

You have such a good health and there is no serious illness. You will definitely live to be a hundred years old . There are

many centenarians in this world.

There is also a female writer who is 112 years old.

You are 110 years old. Twelve years old, there are still twenty years."

At this moment, Suzi had to comfort Old Master Shu.

Mr. Shu burst into tears: "I am narrow-minded. After all, I am narrow-minded. In fact, the worst, most unqualified person in the world, the person with the most bottom line.

It's me!

Even if I didn't admit wrong granddaughter.

Even if Lanita Really my granddaughter, I shouldn't have been so aggressive to you back then.

That kind of behavior was bullying.

Relying on my power, I came to suppress you, this defenseless little girl.

How shameless do I have to be?

Having lived for such a long age, it turns out that the face I have always admired is the one I have the least.

It's because I've always been a shameless person that I'm bluffing and giving the impression of being shameless everywhere.

But that's exactly what I'm missing the most.

I am the most shameless person in this world.

I sincerely apologize to you for the things I have done.

SuziSuzi, I solemnly apologize to you, a lousy old man with no bottom line, no quality, no face.

Back then, I was very bullying.

I am sorry. After the

old man apologized, he didn't look at Suzi.

Suzi often sighed with relief: "Grandpa...I forgive you." "

Speaking, Suzi shed two lines of clear tears.

She is not so cruel. The

old man is already dying, why should he compete with her?

"Hey, hey, grandpa is very... Happy, very happy. Mr. Shu suddenly smiled brightly. His

spirit became much better: “SuziSuzi, promise grandpa one thing, okay?” “

“Grandpa, you said.” Suzi said.

“Take care... take care of... you... your mother.” I...I’m sorry for your mother, I’m sorry for your grandmother, after your grandfather’s death, you must take good care of your mother. Did you hear that? Grandpa, all the properties of grandpa...” When he said this, the old man coughed suddenly.

“Grandpa, please slow down. Take a break if you are tired. “

“Dad...” Alyce also burst into tears.

Master Shu looked at Alyce gently.

Then he continued to say to Suzi: “Grandpa has already discussed with your aunt and uncle, brother Mingzhen and the rest of his family, all of Grandpa’s inheritance, all movables and real estate, are all reserved...for you. My mother...”

Suzi frowned: “What did you say?”

Alyce was also quite surprised.

She originally thought that the old man might leave one-third for her, one-third for his son, and one-third for his grandchildren.

Originally, Alyce thought so.

But she never thought that Mr. Shu had left all his property to herself.

“Dad!” Alyce was a little bit involved: “I don’t understand the operation of money, and I can’t spend so much by myself. So you don’t want to give me all your inheritance, I... I can’t spend it all.”

“Silly Child, how can there be too much money in this world. Your brother, sister-in-law, and nephew have all given up their inheritance. Dad just wants to leave all his property to you...”

“I don’t agree!” Suddenly, An extremely angry voice came from outside.
