

Chapter 235

At this moment, facing Claire's questioning, mother Elaine said angrily: "After all, you are also blood from the Willson family! Besides, your grandma has already apologized to me and said it was a moment of confusion. Harold instigated the discord and made her angry, and now Harold has been severely punished by her. What else are you dissatisfied with?"

Claire said angrily: "What about an apology? My grandmother, I can't know better. Even if she apologizes, she is definitely not out of sincerity! She just wants me to go back and help her fix the Emgrand's cooperation, there is nothing else."

Elaine hurriedly persuaded: "Don't think your grandma thinks so badly. It's all a family. How can there be overnight hatred?"

"We are not in the same family anymore." Claire said angrily: "I can't go back to work in the Willson Group."

"What are you talking about?" Elaine said dissatisfiedly: "Your grandma has realized her mistake. Do you ask an elder to pull her face down to apologize to you?"

After speaking, Elaine said again: "In order to show sincerity, your grandma gave me a gold necklace and two jade bracelets."

"Mom, just says the jewelry that grandma gave you, you just want it."

Claire finished talking angrily, ignored Elaine, turned around and walked into the bedroom.

Charlie also quickly followed in.

Elaine said angrily in the living room: "Look at your daughter."

Unexpectedly, Jacob ignored her and turned away.

In the bedroom, Claire was still angry and complained to Charlie: "I didn't expect that the Willson family would use jewelry to buy my mother. Didn't you know that my mom saw the money open? So did the Willson family. Some jewelry was given by them, say a few good things, she became confused and forgot how they insulted us back then."

Although Charlie was unhappy, he was inconvenient to say bad things about his mother-in-law. He could only persuade: "When we broke with the Willson family, Mom didn't follow it, so maybe she didn't know the despicable methods of the Willson family."

Claire said, "Then what if she insists on me going back to work?"

Charlie said: "You think about it yourself, and I support any decision you make."

Claire nodded and said firmly: "I still want to start my own business!"

Charlie smiled slightly: "I think so too. If you start a business well, you will be able to succeed!"

While talking, Charlie thought to himself that he should take the time to call Qin Gang from the Qin family, Issac from Shangri-La, Orvel from the Taoist family, Warnia from the Song family, and Solmon

White from the White family to call out to have a meal and talk with them. Say hello, and let them take care of his wife's career in the future.

Thinking about this, Charlie suddenly received a call from Warnia. On the phone, she respectfully said: "Mr. Wade, it's me, Warnia. I wonder if you are busy?"

Charlie said indifferently: "No, Miss Song, we can speak."

Warnia said: "Mr. Wade, my grandfather has been suffering from a physical illness recently and has not seen what is wrong. I don't know if you have time, can you come to my grandfather's house and see him?"

After that, Warnia said again: "Don't worry, you will not be treated badly in the consultation fee."

Charlie thought, Warnia was the daughter of a top family in Aurous Hill. In the future, his wife would start a business, and she might have to ask her to help, so she readily agreed and said, "Then tonight."

Warnia immediately said gratefully: "Well, I'll pick you up at night!"

"It is good."

After hanging up Warnia's phone, Charlie said to Claire: "If a friend finds me tonight, I won't eat at home."

Claire nodded and didn't ask much, but just told: "When you are outside, don't always make feng shui stuff with others, if they treat you as a liar, it will cause trouble."

Charlie smiled slightly and said, "Don't worry, I know it in my heart."

Chapter 236

In the evening, Warnia drove to the community to pick up Charlie.

Seeing Charlie, she bowed her hands respectfully and said, "Mr. Wade, I'm causing you trouble."

Charlie smiled slightly: "Miss Song doesn't have to be so polite."

After speaking, he saw a diamond bracelet on her wrist and asked curiously, "Is this the bracelet you lost last time?"

Warnia hurriedly nodded and said, "This is the one that my mother left to me before her death. It is as important as life to me. Thanks to Mr. Wade, otherwise, I might never get it back."

Charlie smiled and said, "You are still in love with it, even if I didn't help you, it had returned to your hands after a while."

Warnia knew that Charlie was being modest, and hurriedly said: "Mr. Wade, you are rarely seen as a master with real skills, and it is unheard of to be so humble and low-key."

Charlie smiled and said, "Miss Song doesn't have to slap me, let's get to business quickly."

Warnia nodded hurriedly and said, "Mr. Wade, please get in the car!"

Sitting in Warnia's Rolls-Royce, the driver drove the car quickly to the Song's mansion in Aurous Hill.

This is a typical Chinese-style villa with magnificent shapes and seven-layered gardens. It is full of classical beauty and poetry, showing the owner's elegant taste.

Moreover, this manor occupies a very large area, and being able to own such a large piece of land in Aurous Hill is enough to see the wealth of the family.

Under Warnia's leadership, Charlie came to the main courtyard. As soon as he entered the door, he saw a young man in a suit and leather shoes walking here with an old-looking man and a young girl.

"Sister, this is"

The handsome young man looked at Charlie suspiciously.

"This is Mr. Wade." Warnia's expression was slightly uneasy, but she still put up her temper and introduced, "This is my cousin Honor Song."

"Hello." Charlie nodded.

"Mr. Wade?"

The youth scanned Charlie up and down, and then sarcastically said, "Sister, would you invite a so-called master who is younger than me to see Grandpa? It's a little tricky, right?"

Charlie listened, and his heart moved slightly.

On the way here, Warnia mentioned that Grandpa Song is now dying and his life is hanging by a thread.

The younger generations in the family are all eight immortals who cross the sea to show their magical powers. During this time, they have invited countless famous doctors to come over, hoping to cure the Old Master Song, so as to make great contributions, or get more shares in the future when sharing the property.

Especially Warnia and her cousin Honor.

But it is a pity that all of these famous doctors who have been invited have come back unwillingly.

This Honor seems to be a bit hostile to Warnia, so even the look in his eyes is full of discomfort.

Warnia said at this moment: "Brother, Mr. Wade is very powerful. I used to have bad luck. It was Mr. Wade who helped me resolve the reversal. He has a supernatural power."

Honor said with contempt: "Sister, for grandpa's treatment, what you need is a genius doctor, not Mr. Feng Shui who pretends to be a god, you know?"
