I' m Sorry My Love Novel Alternative

Chapter 2364

The only thing I came out of myself.

Apart from a slight bruise on her left foot, she is now alive and well and in good spirits.

Suzi hugged his daughter: "My daughter is fine, you scared mother to death, tell mother, how did you escape?"

Everyone looked at Shen Weiyi.

Many people were crying and laughing.

Especially my uncle Sanford.

Tears flowed uncontrollably.

The only one that Sanford watched grow up. From the moment she was born, he protected the only one like he was protecting his own life.

He changed her diaper, wiped her shit and pee.

Feed her milk powder one by one.

In Sanford's heart, the only one equivalent to his biological daughter.

"Uncle, don't cry uncle." Shen Weiyi got up from his mother's arms and came to Sanford.

Sanford hugged Weiyi: "Promise uncle, never go out alone in the future, it's too dangerous!"

Shen Weiyi shook his head: "Uncle, I've grown up now, with my IQ, no one will hurt me ." The

little girl escaped and immediately became stinky.

"Tell uncle, how did you escape? How did you escape?" Sanford asked again.

Shen Weiyi's gurgling eyes rolled: "the three of them are so stupid, they even thought I was scared and thought I was asleep. But this is also thanks to Dad, they were afraid of Dad first, so they didn't dare to put I was tied too tightly, and I was deliberately afraid in front of them, crying in fear, making them look like I was timid."

Shen Weiyi's remarks about his dangerous experience made the presence very quiet.

The little girl is indeed resourceful.

After she was kidnapped by her three uncles, she pretended to be terrified, shivering, and her tears never stopped.

In front of the three brothers, that appearance was not at all lethal.

In the end, the three brothers were afraid of Arron's forces.

They just wanted to use Shen Weiwei to negotiate terms with Arron, and wanted Arron to apologize to their three brothers in front of Quan Nancheng, and they would only be able to relieve their hatred by kicking Alyce, Suzi, and even Galia out of the Shu family. !

In view of this purpose, the three brothers actually did not dare to do anything to Shen Wei.

Even tying Shen's only hand, they didn't dare to explain too much.

Afraid of hurting the child.

On the other hand, the third eldest, Shu Minglei, was the most cruel: "Boss! Is it so expensive to treat her like this, the child of our enemy!"

Shu Mingtian said, "Even if it is the child of our enemy, we can't completely offend Arron and want Arron to make concessions. It's one

thing, as long as his daughter is in our hands, he will make any kind of concessions. If the child is a little bit bumpy, then Arron will really chase us from the ends of the earth.

Do you want such a mortal enemy?"

Shu Minglei not talking anymore.

Obviously, the eldest brother and the second brother are right.

After thinking for a while, the three brothers decided not to tie Shen Wei too tightly, as long as she couldn't run.

a child.

Besides, three big men are watching, can they run?

I was already scared out of my mind.

Besides, in this deep mountain, a 12- or 13-year-old child might have lost his way a long time ago?

She didn't dare.

Figured this out, the three brothers were extra polite to their children.

Shen Weiyi also pretended to be less hostile to the three of them.

Every time she slept for a while, she woke the three brothers, one time this way, one time that way, another time she said that the wolf was coming, another time she said there was the sound of wild beasts, all kinds of disturbance to the three brothers.

The three brothers were extremely nervous.

Until the middle of the night, the three brothers fell asleep.

However, Shen Weiyi didn't sleep.

She was also very sleepy, very sleepy.

But Shen Weiyi told himself that he must not fall asleep, he must persevere.

When he wanted to sleep the most, Shen Weiyi bit his tongue hard.

Even, she put her hand on the sharp stone to grind it.

Finally, the three brothers fell asleep.

The little girl escaped quickly.

The loose ends of the ropes could not tie her at all. She quickly untied it and walked out of the cave, which was a black hole outside.

Shen Weiyi immediately burst into tears.

But, in order to see her parents earlier, in order not to let the bad guys control her.

No matter how afraid, Shen Weiyi had to be brave enough to go out.

All the routes, although she closed her eyes, she remembered all the routes.

She touched the road at night, and she didn't walk for a while. After determining the left and right directions, she was accurate when it came to turning.

In this way, it took Shen Weiyi a full three hours to go down the mountain quietly and come to the road that is right. Remember the URL

At this time, the sky is already bright.

Shen Weiyi was behind an inconspicuous tree, watching the vehicles passing by the city.

Many vehicles passed by, but she didn't stop them.

Sometimes, big trucks.

Sometimes a car driver.

very many.

Shen Weiyi was very calm and never came down to stop the car.

She knew that she was already 1.6 meters tall and thirteen years old.

If there is another bad guy in the case of blocking the car, it would be better to be kidnapped by the three uncles of the Shu family.

Shen Wei is not stupid.

She just waited.

After waiting for several more hours, finally, she saw a car approaching from a distance. The car was a small box car, and the car was green with very eye-catching characters on it.

The No. 3 Middle School Vegetable Basket Team in the City Center.

This is the grocery shopping cart of No. 3 Middle School.

Shen Weiyi immediately ran out from behind the big tree, stood in the middle of the road, raised his hands to stop the car.

The driver was an uncle.

Uncle saw that although the child had grown, but he was still a child, he immediately asked: "Child, you ran out of there, what's wrong with you, what help do you need? Don't be afraid, I'm the logistics of No. 3 Middle School. Staff."

"Uncle." Shen Weiyi suddenly cried.

She didn't say she was kidnapped.

She bluntly said that she and her classmates got separated, and her home is near No. 3 Middle School.

The uncle who was driving immediately let her in the car, then let her sleep in the single resting place behind the car, and covered her with a quilt.

Along the way, she bumped and bumped to the third middle school.

After getting out of the car, Shen Weiyi called his mother without stopping.

She wanted to tell her mother as soon as possible that she was out of danger.

Hearing Shen Weiyi's experience like this, the whole family broke out in a cold sweat.

But the child was safe and sound, and everyone laughed again.

Especially Darius, and Darius's parents, a stone in his heart fell to the ground.

Darius came to Shen Weiyi and asked Shen Weiyi gently from time to time: "Only, Uncle Mingzhen asked you one thing, you mean, those three uncles... bad guys, they didn't actually kill you very much. , and said that I won't tie you too tightly, for fear of hurting your skin, right?"

Shen Weiyi didn't understand why Darius asked her like that.

She just nodded: "Well, that's true. However, they still kidnapped me, and the kidnappers are not good people!"

"The only thing is right." Darius said.

He said, he looked up at Arron: "Brother Shaoqin, look, the only one is back, after all my three brothers didn't..."

At this moment, Arron's cell phone rang.

He picked it up and glanced at it, then connected with a sneer: "Hello?"

"Arron! Prepare 100 billion for our three brothers to redeem your daughter!" On the other end, was Shu Mingxia's vicious voice.
