

# PUNISHED BY HIS LOVE

## I' m Sorry My Love Novel Alternative

### Chapter 2368

The

three brothers of the Shu family were instantly stunned on the spot.

They were speechless for a long time.

When he came back to his senses, Arron was already standing in front of their car.

“Get out of the car, three cousins.” Arron’s tone was very calm.

The three brothers of the Shu family: “...”

They were no longer able to walk, but were dragged out of the car by others with their arms crossed, like a dead dog.

As soon as they got out of the car, the three brothers saw their parents and the youngest brother.

“Dad, Mom... Fourth, fourth brother, save us, save us, you... You have the best relationship with Suzi, Mom and Dad...” At this moment, the boss of the Shu family, Darius, has completely lost the arrogance he used to be.

The three brothers really did not expect that Arron would be so powerful.

For so many years abroad, they have always heard about Arron, and they know that he has influence at home and abroad, but the three brothers only heard about it, after all, they did not see it with their own eyes. Remember that

the Fushi Group has deep pockets?

But, does that have anything to do with Arron?

That is clearly the wealth accumulated by the Fu family over the past 100 years and several lifetimes. To say where Arron's greatest ability is, he is at most an illegitimate child of a junior. He can only be in the nest, so he killed several of his own brothers.

Such an illegitimate child, in the eyes of the three brothers of the Shu family, is nothing but shit.

Over the years, the three Shu brothers have returned from abroad very rarely.

Occasionally come back and hear their parents, grandfather and fourth brother talking about Arron, they also scoffed.

They would never agree with grandfather and younger brother's praise of Arron.

Even when they saw Arron standing inside the gate of the Shu family and helping the Shu family to preside over the funeral, when all the people who came and went gave Arron absolute respect, they still felt that Arron was a fox and a tiger.

Until, they kidnapped Shen Weiyi.

No matter what, the three brothers never expected that such a small child, who pretended to be timid and frightened on the surface, was not panic at all, but such a small child was extremely calm. Not only did she deceive the three of them, but she was able to discredit them and escape from the cave.

At that moment, the three brothers were afraid in their hearts.

In fact, when they decided to kidnap Shen's only two younger brothers for the second time, they called countless friends for help.

Domestic and foreign.

All help.

However, no one dared to help them.

Just because the person they offended was Arron.

At that moment, the three brothers truly realized Arron's strength, Arron's ruthlessness, and Arron's heartlessness.

A fear began to spread more and more in their hearts.

The plan to kidnap Shen's only two younger brothers was their desperate decision to give up.

However, what made them even more unexpected was that they had just approached the periphery of this residential area, and they were already surrounded by Arron's people.

This shows that Arron has even guessed what they want to do.

This is too scary, right?

At this moment, if the three brothers want to survive, their only hope is to ask for help from their parents and the fourth brother, Darius.

Because, parents and fourth brother have a good relationship with Suzi.

My parents and that... little aunt are also very close.

Ask your parents, ask your fourth brother.

Let them intercede in front of Arron, maybe Arron can save the lives of their three brothers.

However, the parents and fourth brother they saw were sighing and sighing.

Especially the fourth brother.

## **Chapter 2369**

He stared at the three brothers with red eyes: "Please, please! Let us say what is good about you!"

When Darius spoke, two lines of clear tears also fell out: “Big brother! Second brother! Third brother! Do you know! The only, the only one who returned to her parents last night!

Did you know that a Child, how frightened!

How much suffering did she endure before she walked down the mountain!

She was still a child!

Her foot was bruised ! She

didn't eat for a day!

The wicked devoured food and cried while eating!

How could you bear it? Kidnap your own niece!

How can you bear it!”

Hearing Darius say this, the three brothers were stunned.

They did not expect that Shen Weiyi would use his senior wisdom to return to his parents.

This is hilarious!

The children have already returned to their parents, and they are still pretending to call Arron to raise the price.

That's ridiculous!

Darius continued: “Brother! No matter what! No matter what! The only one is back, it's safe, this is already the biggest surprise for Suzi and fourth brother Fu!

Everyone is fine, it's a false alarm.

Dad and I Mom can also go to Fourth Brother Fu to beg you for mercy.”

“You...you already interceded for us yesterday?” Shu Mingxia asked.

“Of course!” Darius scolded his own brother hysterically: “Otherwise what do you think? You bunch of idiots! Stupid people!” The

three brothers: “...”

Darius’s tone was extremely desperate: “Mom and Dad have already sacrificed their old faces. , I personally plead for you in front of fourth brother Fu, I can’t wait to kneel!

I also plead for you!

As long as fourth brother Fu promises not to hold you accountable, to tell the truth, let us do what, even if we are deported, we have nothing to do. I have no regrets.

But brother, do you know what Brother Shaoqin told us?”

Shu Mingxia said angrily, “What else can I say! I have already felt Arron’s coldness, viciousness, and heartlessness! We are indeed kidnapping. He killed his daughter, but his daughter is safe and sound! If he is really a conscientious person, he should not hold us accountable! For

a person like him, his own brother can be destroyed by him.

Even if you kneel If I give him a hundred kowtows, he might not be willing to let me go!

Isn’t he!”

“Ha!” Darius wished he could spit on his eldest brother’s face.

“Big brother! You are courting death yourself! You are really courting death yourself! You...you three, you spent so many years abroad in vain! Grandpa and parents spent so much effort to straighten you up abroad, but in the end you all Let the white-haired people send the black-haired people!”

Upon hearing this, the three brothers were immediately frightened and slumped to the ground.

After a while, the third brother, Shu Minglei, stammered and asked: “Fu...Arron really... really wants to kill us?”

Darius's tone was extremely sad: "Originally, he was the I don't intend to hold you accountable."

"What?" The three brothers were stunned!

"Yes! You heard it right!" Darius collapsed and roared: "Originally! Fourth brother Fu saw that his daughter came back safe and sound, and he did not intend to hold you accountable! My parents and I stood in the hospital and begged fourth brother Fu for mercy. At that time, do you know what Fourth Brother Fu said!" The

three brothers looked at Darius at the same time, and they asked in unison, "What did you say?" "Fourth Brother

Fu said that if you go back to Shu's house honestly, he promises I won't hold you accountable! But, I'm afraid you won't be so honest, he said, if he guessed you right, you are now conspiring to kidnap his two sons!" Darius said in despair.

The faces of the three brothers turned pale in an instant: "..."
