

Chapter 237

Charlie felt a little unhappy at this moment.

Coming here is to give Warnia face, otherwise, as the young master of the Wade family, his status is beyond the Song family. What qualifications do they have to let him come?

Warnia was also a little angry at this time and said, "Brother, you can disbelieve some things, but you can't disrespect them!"

Honor snorted coldly: "Respect? I only respect those masters who have real talents and learning. As for swindlers, they don't deserve Honor's respect!"

After that, he pointed to the Old Master next to him, and proudly introduced: "This is Tianqi Shi and his granddaughter, the most famous doctor in Aurous Hill."

Charlie looked up and was taken aback.

These two people are one old and one young, and they look like grandparents.

But their clothes are obviously different from others.

The Old Master is over sixty years old, wearing a green bamboo cloth robe, a pair of old-fashioned black-framed reading glasses, and a long white beard. His eyes are gleaming.

The girl standing next to him, about eighteen or nineteen years old, was wearing a loose student cheongsam, with short haircut with bangs, bright eyes and white teeth, and she exuded a cold and classical atmosphere.

However, the appearance of this girl made Charlie pay more attention, because in Aurous Hill City, her appearance was comparable to Claire, the "first beauty", and he hadn't seen a few.

Compared to Claire, the girl's eyes were sharper, and she was vaguely arrogant, and she didn't look close.

Seeing Charlie looking over, Tianqi nodded faintly, but the girl was extremely cold and didn't look at all.

Honor again said to Warnia: "Sister, I think the person you're looking for is only in his early twenties. Maybe the yin and yang, the five elements, and the warm and cold may not be memorized, but he claims to be a master. People would laugh at our Song family for being so fainted, not believing in medical skills, but in superstition?"

The spear and stick in Honor's words were pointed at Charlie. Charlie was also shocked. How could he become a liar?

At this time, Honor clasped his fist to the Old Master again and said, "Old Shi, it is my sister who is ignorant and has gone to conclusions in a hurry. Don't care about her in general."

Tianqi said very modestly: "You don't necessarily have no real talents when you are young, and Mr. Song doesn't have to doubt this little friend so much."

Honor sighed and said, "You don't know anything about it Mr. Shi, my younger sister, who is always scammed when she is ill, she is always deceived."

Warnia's expression was a bit ugly at this time, and she blurted out: "Brother, what do you mean by this?"

Honor asked, "Am I wrong? I heard that you were deceived by a so-called Feng Shui master from Hong Kong before, and you still haven't realized it yet?"

"You" Warnia couldn't hold her face.

The "Mr. Lai" incident was indeed a failure of her own. She did not expect that she would be fooled by a liar from Hong Kong. Fortunately, Charlie was present, otherwise she would be in bad luck.

However, Honor obviously didn't know Charlie's ability, so he dared to speak out whatever came to his mouth.

At this time, Honor said to Charlie again: "Boy, I don't know how you lied to Warnia, but I don't want you to trick my Song family. This old Shi, the three generations of court doctors from the ancestors, you are a young man. Little liar, I advise you to leave as soon as possible, so as not to ask for trouble!"

Warnia's face was extremely ugly, but she couldn't find a reason to refute it. After all, Charlie really looked too young. This alone couldn't convince people. If she hadn't seen Charlie's extraordinary things, she would not believe it as well.

However, she didn't expect that Charlie was very calm about this, and said with a smile: "Haha, it's okay, a small person like me, just watching and observing, never disturb this Xinglin Sage Hand to heal and save people."

Chapter 238

"Count you acquaintance.

At this time, a middle-aged man came out of the house and said: "Warnia, Honor, your grandpa is going to die soon!"

Tianqi quickly asked, "Where is the Old Master Song? Let the Old Master come and have a look!"

"In the back house, please follow me." Honor hurriedly led the way and led the grandson to the backyard.

Warnia hurriedly pulled Charlie to follow.

When everyone came to a luxurious and classical room in the back house, they saw a dying Old Master lying on a big bed made of yellow rosewood.

The Old Master's face was haggard, his face was golden paper, and his brows were tightly frowned, as if he was enduring great pain.

Tianqi said immediately: "Mr. Song is in a critical condition. Please allow my granddaughter and me to begin treatment immediately."

Honor hurriedly said: “Old Shi, please do it!”

Tianqi nodded, but did not heal it himself, but stood by the bed and pointed the young woman to take action.

There was a silver needle on the bedside table, and the woman was holding the silver needle and piercing Song Lao’s body.

She is very proficient in the needle technique, even better than an old traditional medicine practitioner who has practiced medicine for 20 to 30 years. It is no wonder that although she is young, the people of the Song family are relieved to let her heal.

This young woman is indeed good-looking. Not only is she beautiful and charming, but she also has heroism between her eyebrows. Both her looks and temperament can be called the best.

However, what Charlie looked at was not the beauty of this woman, but her inner body.

Because he had already seen that when this woman was under the needle, she could actually use a little invigorating cooperation, which can be regarded as half a fellow.

According to the records of the classical Chinese Taoism has passed down five branches, namely mountain, medicine, life, Xiang, and Bu.

In the cultivation of these five branches, there is a little real energy, which can be regarded as a little cultivation.

Charlie could tell at a glance that Tianqi and his granddaughter were descendants of the word “mountain”.

The Shanzi pulse is mainly based on medical skills, first learning medicine, then martial arts, and then practicing medical martial arts.

However, even if Shi Tianqiye and Sun Yiwu were co-cultivators, they were still fleshy mortals, and all mortals could exert only true energy.

But Charlie had already reborn through the reincarnation of spiritual energy, and his physique had long surpassed that of a mortal.

The “True Qi” cultivated by Taoist Five Vessels was only one word behind the “Spirit Qi” in Charlie’s body, but it was actually different from the cloud and mud, which was a complete difference.

In layman’s terms, it is the difference between coal and diamonds. Although the two are the same in origin, coal can only be used as raw material, with limited energy and low price, while diamonds are the essence after tempering, drawing a lot of energy and being hard. Incomparable, the price has also increased thousands of times.

Many descendants of the Taoist Five Channels have cultivated hard for a lifetime, hoping to cultivate a trace of “aura”.

Because once you have aura, even a little bit can greatly improve your cultivation level and achieve the purpose of prolonging your life.

However, 99 disciples of the Taoist Five Channels, can't cultivate a little spiritual energy until they die.
