I' m Sorry My Love Novel Alternative

Chapter 2370

“Big Brother, Second Brother, Third Brother!” Shu Ming looked at the three brothers with an expression of hatred for iron.

There was a look of despair on his face.

The three brothers did something wrong, and Darius knew very well.

But, after all, it's his brother!

My own brother!

Why didn't he want his brothers to have a way to survive?

But Arron, Darius saw him growing up.

You can't offend him. Although he is ruthless, he won't hurt you. Even if the third brother offends Arron, Arron will not implicate him and his parents.

However, based on Darius's understanding of Arron, his three brothers may die in Jiuquan.

Arron will not let his three brothers go.

As early as in the hospital, Darius and his parents had already pleaded with Arron bitterly.

As a result, within five minutes, Arron controlled him and his parents, and even confiscated his mobile phone.

Arron's expression was very calm: “Azhen, Uncle Shu and Aunt Min, I, Arron, have never been soft-hearted in my life, and I am so ruthless to my biological brother, you all know that.

However, since I had a wife , Having three children, my temper has been restrained a lot.

I have made up my mind to put down the butcher's knife.

Not for anything else, just for my three children.

Uncle Shu, Aunt Min, I want to ask you, if my child is in a dangerous situation and someone threatens my child's safety, do you think I will massacre the city? “

Arron's words were very calm. But

Darius and his parents could hear a strong smell of blood.

All three of them were shaking in shock.

But even so, Darius's parents still desperately begged Arron:”
Shaoqin, I know that the only one was wronged, but now the only one is not back, she is safe and sound, a false alarm.

Shaoqin, I beg you to spare the three of them this time for the sake of your three children.

Even if you beat them to death.

We were all speechless.

Just spare their lives, Shaoqin?

good or not?

After all, the only one has come back...”

“Aunt Min. Arron shook his head: “You don't seem to understand what I said. What I'm saying is, I will lay down the butcher knife for my three children, and I will bloody slaughter the city for my three children!

My only one has returned.

We are relatives, very close, very close relatives.

As long as my only one can come back, I won't bother with them. “

Darius's parents breathed a sigh of relief immediately.

Darius immediately smiled: "Brother Shaoqin, you, you have changed a lot now. You are much more tolerant than before. Brother Shaoqin, thank you, thank you! I, Darius, would like to use my whole life to thank you for your kindness without accountability.

But Brother Shaoqin, why do you want to control us? "

Shu Ming stuck Arron puzzled. It

stands to reason that Arron never killed innocent people indiscriminately.

Arron sneered: "If your three brothers give up, I will let them go, I will do what I say! I will never hold the three brothers accountable in my life, who made us kiss like this!

But!

If Your three older brothers are now conspiring to kidnap my other two children?

If this is the case, it means that your three older brothers have failed and will have another plan.

Your three older brothers are thinking about it. I have three children.

There is an old saying, don't be afraid of thieves!

But, be afraid of thieves!

Ah Zhen!

With my Arron's temperament, how can I tolerate three robbers and think about my three children all the time?

Chapter 2371

Don't say it's me.

Even a kind-hearted person like you is probably going to kill them all, right? Shu Ming was

speechless when he said these words.

He really wanted to remind the three older brothers not to make trouble!

Don't make trouble again!

Come back obediently and admit your mistake, everything is easy to say.

He really wanted to remind the three Brother.

However, both his and his parents' mobile phones have been confiscated by Arron.

It was not until that moment that Darius really realized that Arron was not only ruthless, but also thoughtful and thoughtful, with a super-high IQ

! He

just begged his three brothers not to act like Arron guessed, and try to kidnap Arron's other two children during the chaos.

However, the more he worried, the more he felt that the three My elder brother would do such a thing.

The result was not what Arron expected.

Arron set up a net in front of his house, just waiting for the three elder brothers to throw themselves into the net.

"Brother! You are really looking for your own death! Find your own death!

Let's not say that the Fu family has no hatred with us! The Fu family is helping us! Even if the Fu family has hatred with us! Great hatred! But, what does it have to do with children?

Why do you want to kidnap Arron's children again and again!

why!

You are so shameless!

So despicable!

So sleazy! “

Fourth...” Shu Mingxia almost burst into tears: “Now is not the time for you to scold us, go home and scold us whatever you want to scold us!” You are trying to beg for mercy now!

A dead horse is a living horse doctor, and you have to beg for mercy! “

Only when people are really facing death can they truly panic.

Shu Ming shook his head: “It’s impossible, brother, it’s impossible!” “

“You are a dead man!” selfish person! We are brothers! Are you bewitched by them? One mind and one mind with them! Killing a few brothers, what good is it for you! “Shu Mingxia became furious.

“Crack!” “Shu Mingxia was slapped suddenly.

The slap was very hard. Shu Mingxia raised his hand to cover his face in pain. Golden flowers flashed in his eyes. The person turned out to be Galia.

That younger sister-in-law, Galia, whom he did not recognize.

“You...you hit me? “Shu Mingxia glared at Galia in disbelief.

“Shu Mingxia!” Shu Mingtian! Shu Minglei! You three listen to me! I don’t care what Fu will do with you! First of all, Galia will beat you half to death! Mutilate you! From now on, you will never be able to enter Shu’s door! Even if you are crawling to beg for food, don’t even think about crawling to our Shu house!

Three conscienceless things!

elder brother!

give me a call!

Fight to death! “Galia shouted Christopher’s name very angrily.

She was really angry.

Galia's love for Shen Wei was no less than Sanford's love for Shen Wei.

Galia was full of anger these days.

First, it was because they saw the three brothers making things difficult for Suzi and the little aunt in every possible way. Second, there were three brothers who didn't even admit her, the younger sister-in-law, and had to chase them out. The most important thing was that these three dehumanizing things actually kidnapped them. After Shen Weiyi, go to kidnap Fu Liuyi and Fu Xingyi.

This really angered Galia completely.

"Galia, calm down." Christopher hugged Galia and forcibly took her away.

"Brother! I'm going to kill these three bastards! Otherwise, the Shu family and the Fu family will not have a good life in the future!" Galia roared frantically.

Galia's words were extremely harsh in the ears of the three Shu Mingxia brothers.

At that moment, the three brothers transferred all their anger and hatred to Galia.
