I'm Sorry My Love Novel alternative...

Chapter 2374 - 2375

Chapter 2374

Arron gently shouted: "Mom."

Alyce shed two lines of tears: "Qiner, you know.Mom has never had a relationship in her life...from childhood to adulthood.

Abandoned by her father, married when she grew up, abandoned by her husband, and then wandered around with a snakeskin bag I live a life of no fixed place.

Don't look at my mother who has never wanted to admit Suzi's grandfather.

But do you know what my mother desires most?

Family love!

My mother has longed for family love in this life, my mother's greatest wish in this life. , In fact, it is really living in the Shu family, which is recognized by the Shu family. Being

able to live in the Shu family has become the biggest fantasy of Alyce in this life. However, the more this is the case, the more

Alyce can't forgive Mr. Shu.

In this way, Alyce became more stubborn and did not step into the Shu family for half a step.

Until the old man passed away,

she suddenly lost her relatives.

Although this relative did not love her like that, but the old man passed away, Alyce's heart is still extremely desolate.

At least the old man has been repenting and making up for the last seven or eight years of his life. There

are also brothers and sisters.

They really love her.

When she was an aunt, Ming Zhen was very filial to her little aunt.

Alyce saw all of these.

She couldn't be indifferent.

Finally, she, her brother and sister-in-law, and her little nephew were reconciled as before, and they lived in Shu's house and helped each other.

After all, she is old.

She just wants to live a stable life and doesn't want to have any more troubles.

However, no one thought that three nephews would turn out, such unreasonable, such bullying.

In all fairness, Alyce didn't want to forgive these three nephews at all, and even if the three nephews died on the spot, she would not shed a single tear.

But what about Ming Zhen?

What about brother and sister-in-law?

She is in trouble.

The hardest time of my life.

It's even harder than when she was kicked out of the house by her husband and abandoned by her biological father.

Because it was his own granddaughter who was kidnapped. The kidnapper was his nephew.

This is how to do?

No matter how difficult it was, Alyce had to do this. She looked at Arron in an extremely embarrassed way: "Qin'er, if you feel embarrassed..."

"Mom." Arron said immediately.

Alyce:

"Qin'er?" "I'm not embarrassed." Arron said calmly.

Alyce: "What?"

"I won't hold the three of them accountable. After all, my three children are safe."

"What!"

"What did you say, Shaoqin?"

"Fourth brother Fu, you... ..really willing...willing not to hold my three brothers accountable, you...fourth brother." Darius cried.

He never expected that Arron would agree so easily.

Even the three brothers who were limp on the ground looked at Arron in disbelief.

Not to mention the three brothers, even Suzi looked at Arron dumbfounded.

She even called Arron resentfully: "Shaoqin!"

Chapter 2375

Arron's expression is very calm: "Suzi, mother's life is too hard!"

Suzi: "I know, I Mom's life is not easy, I know better than you!"

"I have never done a thing for my mother. In recent years, I have been busy with the Fu Group, and the daily life of the elderly has always been taken care of by A Zhen. Being a son-in-law is half a son, and you are an only daughter, we should take care of everything about the old man.

We didn't do anything to my mother.

Do you understand Suzi?"

Suzi burst into tears.

Isn't she impressed?

I was moved by what Arron did to his mother.

It's just that her heart is unbalanced, after all, they are her three children.

She suddenly threw herself into Arron's arms and burst into tears: "Shaoqin, I love you Shaoqin, I love you!"

Arron put his arms around Suzi, then looked at the three brothers of the Shu family: "I can spare you all. It's all for the sake of your little aunt, the woman you didn't let her in, you looked down on her, and said she was the illegitimate daughter of a junior!

Once your grandfather's life was saved by her mother Yes .

Now, your lives are also saved by her.

three Shu family brothers nodded like chickens pecking rice: "Yes, yes... "

"Also, in the future, the Shu family will be your little aunt and A Zhen! As for the three of you, go out of the house! Don't stay at the Shu

family, but honestly go back to your foreign country!” Arron said it lightly.

However, everyone can hear that he is a hard order.

If you dare not obey, I will kill you in minutes!

The three brothers and colleagues were taken aback.

Now it’s not easy to get along abroad. Originally, it was to take advantage of the death of grandfather and the three brothers to come back.

But now, Arron doesn’t let them stay in the country?

The three brothers said in unison, “I’m afraid...”

“This matter is not negotiable!” Arron said mercilessly: “In the future, none of you three brothers from the Shu family have any share! The entire Shu family mansion is only It could be Ming Zhen and Galia, their husband and wife!”

Since he said this, Arron must establish Galia’s position in the Shu family in front of everyone.

Galia looked at Arron gratefully: “Mr. Fu, thank you.” Fu

Shaoqin smiled warmly: “You don’t need to thank me, you are the well-deserved future mistress of the Shu family!”

Even Darius’s parents looked at Galia with a smile: “Galia Yan, your fourth brother Fu is right, you are the future master of the Shu family. Good boy.”

Galia nodded: “Don’t worry, Mom and Dad, I will definitely act on self-discipline.” What

he said was unintentional, But listening to the ears of the three brothers, they even glanced at Galia Amo for a second.

Various complicated looks, as far as the three of them know.

At this time, the three brothers came to Arron on their knees and shouted in unison: "Shaoqin, let's stay in Nancheng for a while. Grandpa has just passed away, and we want to accompany our parents."

Arron is not the one who is really ruthless and unreasonable, he nodded: "Yes."

A kidnapping incident ended with Arron's concession.

Everyone present, including those in the entire Nancheng who knew about this incident, couldn't believe that Arron could do such a thing of letting others out and opening the door.

They admire Arron's tolerance immensely.

At the same time, the entire Nancheng is accusing the three brothers of the Shu family. Whenever the three brothers go out, they will make people chew their tongues, and when they return home, they have to look at Galia's face.

This really annoyed them.

They never imagined that in just a week, the feng shui had already turned around, and the place where the three brothers grew up would become the world of Alyce and Galia.

Especially Galia, it is not pleasing to the eyes of the three of them.

Galia often hangs a sentence on the very edge: "You three, now we are the guests of our Shu family! You have a little sense of what you want to do or don't want to do, don't always be as casual as your own family.

Especially when you treat your little aunt . . . , the little aunt is the old lady of our Shu family!"

This made Galia even more disliked by the three brothers.

Finally, a week after Arron did not pursue the three brothers, Shu Mingxia, who had been indignant in his heart, made another call: "Hey, Yiyun, come back and I'll introduce you to a boyfriend."
