

# PUNISHED BY HIS LOVE

## **I'm Sorry My Love** Novel alternative...

### **Chapter 2382**

Yi Yun sneered: "What happened to you? What are you? Where did you come from? You actually said that I am your home My domestic helper! Do you know who I am!

I am the domestic servant of the Shu family in Nancheng!

The child of the domestic servant! I

grew up abroad!"

Yi Yun said these words to Galia.

It was also told to Arron.

She wants to indirectly let Arron know her background!

As for the woman in front of her, Yi Yun felt that even if she beat the woman to death, it wouldn't matter.

Anyway, the Shu family can handle everything for her.

Galia covered her face, becoming more and more aggrieved, aggrieved and harsh: "Yes, you are my housemaid, am I wrong? The Shu family's family style is so good, and the family style is so strict, why did you come out? Such a domineering thing!" Remember that the website

is the young mistress of the Shu family!

She needs to be worthy of the title of mistress all the time!

“Yi Yun! I don’t know how you came to the door of Mr. Fu’s office! But I’ll tell you now! Don’t make a fool of yourself here, go home immediately!” Galia ordered extremely coldly.

Her beating was humiliating though.

But this kind of thing is resolved at home.

And now, the housemaid of the Shu family is making trouble at Mr. Fu’s door. What is this called!

Again and again!

First the three brothers of the Shu family, and then the housemaid of the Shu family.

There is no end!

Galia wanted to slap Yi Yun in the face.

A shameless thing!

“You, who the hell are you!” Yi Yun was also pissed off.

She was clearly here for a blind date, but when she came here, Arron didn’t care if she loved her, but what happened now? Dare to manage her Yi Yun.

You must know that Yi Yun was sent abroad by the Shu family since she was a child.

Although he is a domestic servant, he still depends on the owner to beat the dog!

“Who the hell are you! Do you know who I belong to! You look like a food delivery woman? Can a food delivery man afford a domestic helper? Even if you can afford a domestic helper, so what? Maybe invite me? I grew up abroad, I have been studying abroad since I was a child, and I received a Western education!

How could I be a domestic servant for your family!

It’s ridiculous!

You are so ridiculous!” .

Her plausible words made Galiyaqi laugh again.

Galiaxiao was ironic and helpless.

This is the Shu family.

This is the Shu family that values reputation and family style above everything else.

In the whole life that Mr. Shu has lived, he is good to everyone, and he can be so kind to a domestic servant, but only to his own daughter, and to the woman who once saved himself, he is so heartless to the point of inhumanity!

It's ridiculous!

Aunt Alyce is the down-to-earth Miss Shu family!

The roots are red!

But how did Aunt Alyce come here all her life?

Not to mention that I was sent abroad to study since I was a child, and received a Western education.

Aunt Alyce likes the piano the most, but she has no money to go to the music school, so she can only drop out.

Aunt Alyce had no choice but to be adopted by a farmer.

That farmer's family wasn't very good either, but fortunately Aunt Alyce finally had the love of her parents.

But, even so, Aunt Alyce still went to work in the factory.

Be the hardest and hardest worker.

An eldest lady of the Shu family has been reduced to this, and what about the relatives of the Shu family?

There was that dead woman, Walton!

Then there are Gu Jianing and Gu Xiaoqing's wonderful mother and daughter!

Now here comes another Yi Yun!

"Mass!" At this moment, Galia exclaimed directly.

## **Chapter 2383**

Yi Yun and Arron were stunned.

"It's you people! What the damned Walton, what a slut Gu Jianing, Gu Xiaoqing! And you! It's you people, these people who have nothing to do with the Shu family, who are arrogant here, take me Alyce My aunt's good fortune has all been taken away!

Damn it!

You damn woman!

How did you get to my brother-in-law's office, I don't know!

I'll call the police now and take you away! Get out

of here, you nympho Damn woman!

Don't think I don't know what you're thinking!

You came to my brother-in-law's office, didn't you just want to seduce my brother-in-law!

Look at you sassy! You are so

coquettish!"

Arron + Yi Yun: "..."

Galia was immediately stunned.

In Arron's impression, Galia has always been a little sweet, she was well protected by her parents, her brother, Suzi, and later Darius.

This little girl has always been a Buddhist, not comparing, not attacking.

Very good.

At this moment, she looked like she was going crazy, she was even more shrewd than Rayna.

Arron, who has always been cold and serious, almost laughed.

The reason why he wanted to laugh was because Galia suddenly called him 'brother-in-law'.

That's right!

It should be called brother-in-law!

She looks so cute and tight.

I should have picked up my phone and took a photo for Suzi to take a look at.

"Arron, you don't even care that there are such shrews in your office?" Yi Yun, who was in a hurry, could see that she couldn't surpass the woman who didn't know where she came from in front of her when it came to quarreling.

Therefore, she could only ask Arron for help.

After arguing for two or three minutes, Yi Yun had forgotten that Arron had called the security guard to expel her.

Arron was very calm and indifferent: "Look over there."

Yi Yun turned around and saw the security guard rushing over.

Headed by the security captain, he came to Arron and apologized: "I'm sorry, Mr. Fu, when Secretary Zhuo called me, we were training. This one put down the continuing tools and integrated the team and came back a little late, you, are you all right?"

Who are you going to drive away?"

“She!” Yi Yun pointed at Galia: “This is a takeaway, you’d better take her to the police station!”

Galia rolled her eyes angrily.

Just don’t speak.

The security is here anyway.

However, she was really sorry: “I’m sorry, Mr. Fu, our family... is just causing you trouble.”

Arron raised his eyebrows: “What delicious food are your mother and your aunt cooking in the future? , let your brother bring it to me, and let me have some food, I won’t blame your family.”

Galia smiled: “Well, definitely!”

Yi Yun was stunned when she saw it: “You... .”

The secretary Zhuo next to the security said: “Please shoot this woman out immediately! It’s better to hand it over to the police, and ask why she broke into other people’s companies and offices! I’m checking to see if she has secretly photographed anything! By the way, Didn’t she come back from abroad, and deport her directly!”

Xiao Zhuo’s voice was not loud, but it was very powerful.

The security immediately responded: “Yes, Secretary Zhuo!” The

four security guards drove away Yi Yun with all their hands.

Yi Yun: “...” At this moment, she was petrified.

He even forgot to resist and struggle, and just stared blankly at Secretary Zhuo. Secretary Zhuo was on the phone: “The personnel department, dismiss the front desk lady immediately, yes!”

Xiao Zhuo took the colleague on the line, and Yi Yun came back to her senses. .

She had been dragged out by the security guard for several steps, and she suddenly turned around and shouted loudly, “I am from the

Shu family, and my four brothers are Shu Ming, Shannag, Tian Shu Ming, and Lei Shu Ming Zhen! You...you just need to Just call the Shu family and you'll know, we caught the wrong person!"

Arron immediately raised his hand to signal the security to stop.

Tears of surprise came out of Yi Yun, she asked Arron eagerly: "Is it a misunderstanding, do you know if I am?"

Arron sneered, pointed to Galia and said to Yi Yun, "Do you know who this is? The young mistress of the Shu family, you are her domestic servant."
