Chapter 2394 - 2395

Chapter 2394

Seeing Yi Yun's cheap appearance, the three brothers are not too angry.

Some people are born scumbags!

Even if she is gilded abroad, even if she has lived abroad since she was a child, she can speak multiple languages.

But she's still a *.

Just like Yi Yun now.

She even opened her mouth to say the word 'seduce'.

The three brothers sneered at the same time.

Shu Mingxia gave Yi Yun an even more disgusting look: "If you stripped naked and climbed onto my brother's bed today, within a minute, you would be kicked out by my brother!"

Yi Yun suddenly felt aggrieved: "Am I that ugly? I'm a returnee sect."

"Returnee sect? Turtle girl support girl!" Shu Mingxia asked unceremoniously.

Yi Yun burst into tears: "Brother Mingxia, how can you say that I am a female support girl? Woohoo..."

“I just met for a day, and I hurriedly said seduction before I got home. Seduced, saying that you stripped naked and climbed onto my brother’s bed, you are not even a bit shy, what are you saying that you are not a girl! You say it yourself!

A *!”

Shu Mingxia didn’t save face at all.

Yi Yun also felt that she might be really in a hurry, and the food looks ugly.

She cried and said with reason: “I don’t think the three of you are outsiders, I just told the truth, what I did is the truth, I just want to seduce brother Ming Zhen, I know I am a little bit. Hurry up, then tell me, what should I do?”

The three brothers rolled their eyes and looked at Yi Yun angrily.

I really want to kick this maid out!

However, they have no suitable candidates.

In this world, who could listen to the arrangement of the three of them in such a way.

That is, this maid who wants to climb up!

Three people, you say a word, and I explain it to Yi Yun in a word.

Yi Yun smiled for a while.

He blushed for a while.

It wasn’t until half an hour later that she, accompanied by her three brothers, entered the door of Shu’s house.

At this moment, in the hall of the Shu family, the parents of the author Darius and Darius.

Darius looked at the three older brothers angrily: “Why are you so slow in traffic jams on the road! You are clearly behind me, but you came back so late and called abroad, right?”

Uncle Yi and Aunt Yi who were abroad knew it right away! “

Originally, I still feel bad for these three brothers.

Now Darius really wished that his three brothers died.

For a moment, Darius even suddenly understood why Arron was so ruthless at that time, he was able to accept all his own brothers in the area!

He felt that anger, that torture more and more now.

Really, if people are forced to rush, they can really do anything!

How much did Arron and Aunt Xia live abroad in those days?

When Arron was young, Aunt Xia just wanted to give Arron a complete family and to have a father. She never thought about coveting Fu's family.

But he was forced by Qin Wenyu again and again, and he almost died.

In the end, he was sent directly to prison.

Thinking about it now, it's no wonder that Arron in such a situation is not driven crazy.

For his own survival, for his mother not to suffer humiliation, what can he do?

Urgent!

Now Darius feels this way.

Since I was a child, I haven't seen what contribution my three brothers have made to the family!

I didn't see my brother being a grandfather and filial piety to my parents, but now it's better.

Chapter 2395

The

three people's coquettish operation almost caused grandpa's bones to be exposed to the sun and could not be buried in the ground. Finally, grandpa was buried. They Another demon, kidnapping the only one.

Finally, the only one came back.

They have to do it again and again.

Now, with the little aunt's pleas, everything is calm. It will be fine later.

The Shu family is still the complete Shu family.

How good is this?

But Yi Yun came back.

Even a stupid pig can guess. Yi Yun's return this time must have something to do with her three brothers.

Otherwise, how could Yi Yun come back at this juncture?

Moreover, he went to Arron's office as soon as he came back?

It's not that the three brothers want to take revenge on Suzi in another way, but what is revenge on Arron!

At this moment, Darius just thought that the three brothers asked Yi Yun to come back as a means of revenge against Arron and Suzi, but he didn't think that the three brothers were actually Yi Yun who came to deal with him and Galia.

Dear!

How could he guess?

In order not to let the three brothers and Yi Yun go to Arron to cause trouble.

In order for the three older brothers to live safely and not to cause trouble, Darius reluctantly agreed to Galia to go back to her parents' home first.

He just wanted to personally send his brothers back abroad and Yi Yun back abroad.

In this way, he can rest assured.

He looked at the three brothers with embarrassed expressions.

The three older brothers gave their parents and younger brother a smile on their faces.

Of course, the eldest brother is the leader of the small group of four, and it is the eldest brother Shu Mingxia who speaks first: "Fourth brother, Ming Zhen, the eldest brother knows, you will definitely think that Yi Yun was called back by us, but it is not.

You think, What kind of stupidity are we, we just escaped from Arron, we are pretending once, do we still want to live?"

Darius: "..."

It is true after thinking about it.

"Then what happened when Yiyun came back? Why did Yiyun go to Fourth Brother Fu's office as soon as she came back?" Darius asked with a gloomy face.

"I'm sorry, brother Mingzhen. It's my fault. I admit that it's all my fault. I was on the plane all the way, and the most I heard was other people's discussions, what happened to Arron in Nancheng. When I got

off the plane and took a taxi , the taxi driver also told me a lot of Arron's legendary life.

I was a little unconvinced at the time.

I thought to myself, when I left Nancheng, Arron was a little beggar who couldn't even enter Fu's house.

Why has it become so powerful now?

I still remember that when I was five years old with Grandpa Shu as a guest at Fu's house, Arron and his mother were just outside the door of Fu's house. They were like little beggars, and it was me who gave alms. What about the dim sum for him.

I still remember that I put the dim sum at his feet so kindly.

He held his head up proudly and didn't even look at me.

I was curious about how such a person would inherit

I also want to ask him if he still remembers the kindness I gave him snacks back then. You know, the kindness of dripping water should be reciprocated by springs !

I was just curious, so I went to his company to have a look.

I didn't expect that he... Arron, like a robber, abruptly asked the security guard to push me out, and then called the police to arrest me in a fit of anger.

In fact, later, after I entered the detention center, I wanted to understand why Arron was so embarrassed and angry. "

Darius was almost confused by Yi Yun's words.

How could they find out the reason why Arron became angry

? Tell me, why is Arron so angry?

After Yi Yun glanced at everyone present, she stammered and said, "Because, he is in a hurry to meet Galia in the office, stealing Qing! " "
