Chapter 2398

At this moment, Galia is sipping red wine in a cafe.

She was accompanied by Suzi and Rayna.

“Suzi, Rong Rong, I have never had the troubles like yours all this time. I have always sympathized with Suzi’s situation, as well as Rong Rong’s housework. Really, I always felt that it was actually my turn. When I was there, the Shu family was very open-minded.

Grandpa Shu was extra tolerant to me because of Suzi and Aunt Alyce.

It could even be regarded as doting.

My parents-in-law and my mother-in-law have always loved me very much. I live in

Shu’s house without any grievances, and I live very freely.

I think I am really lucky and happy.

But I never imagined that this kind of luck and happiness would be broken so quickly.

I really understand it now, What does it mean to enter a wealthy family as deep as the sea.

It’s really as deep as the sea.

Moreover, right and wrong are constant.”

Speaking of this, Galia's face had a sad look on her face.

Suzi observed carefully, only to realize that there were still tears in the corners of the girl's eyes, but she stubbornly forced the tears back.

Suzi patted Galia's shoulder distressedly: "Girl, don't be sad, what kind of contradiction is your contradiction? You don't know how Rayna and I came here.

From the day I had a relationship with Arron, Counted by the Fu family.
Counted

by the Lin family. Counted

by your grandfather, Mr. Shu.

I was calculated by my great mother-in-law Qin Wen.

Almost everyone you can count on me has counted.

I'm still alive, I tell you, as long as you look for it, you and Ming Zhen are in love.

Ming Zhen loves you, that's all.

Believe me, and believe in yourself, Ming Zhen is a responsible man, baby. "

Yes, yes, Galia." "Rayna followed suit.

In fact, Rayna is not a woman who can comfort others. She has always spoken rudely and her words are incomprehensible.

However, her concern for Galia is no less than Suzi 's. Rayna also said earnestly :

"Yeah Galia, at least my uncle and aunt love you and treat you as a daughter.

The grandfather of the Shu family even treats you as a granddaughter just like Suzi.

The main thing is my cousin Ming Zhen.

My brother Ming Zhen is really a good man in a thousand miles. He has the power and ability to run the DuoJia company. The Shu family now has most of the source of income, and the support of such a large family actually depends on Brother Ming Zhen alone. in support.

Brother Mingzhen has always been steady in the shopping mall, and Wener is stable.

Not only that, he has always been peaceful in dealing with people and things, and he really can't find faults.

The most important thing is that this man who can't find fault, he loves you very much.

Galia, these are enough.

For the rest, you and Brother Ming Zhen will fight side by side, Suzi and I, and Mr. Fu, we will not sit idly by, so these troubles are temporary.

Galia looked at her two good sisters gratefully. In

this life, it is a blessing for Galia to be able to meet such two women .

Thinking of this, Galia's tears suddenly fell.

Then, she cried with a 'wow'.

Then the whole person collapsed: "woohoo, I... am I very useless. Now, I'm really aggrieved and frightened.

How do I know that Yi Yun's grandfather is them? The savior of the family.

Why are there so many close relatives in the Shu family?

They are not even close relatives of the Shu family. The

Shu family does have serious relatives, my little aunt Sheng, she is the Shu family The only eldest young lady, but she has been wandering all her life.

And you, Rong Rong.

You are my mother-in-law's niece.

Have you enjoyed a good day at Shu's house? You have never even entered the Shu's door.

But What about those who can't fight?

They all call themselves eldest misses.

Yes!

Chapter 2399

That's right!

Yi Yun's grandfather was the grandmother who rescued Ming Zhen, but when the old man was in his generation, it was already over.

It's over!

The Shu family had all kinds of gold and silver jewelry, silk and satin, and Grandpa Shu gave them a lot.

Also for Yi Yun to go to the best school abroad.

What else are they going to do?

They just don't have enough human hearts to swallow elephants, and they will pay it back for a lifetime!

In the end, I still owe them!

I can't stand it! Speaking of

this, Galia burst into tears.

She was very wronged. She

never vented.

Now it's like a dyke has finally burst, and her whole body has vented.

“You haven’t seen that Yi Yun!” When I didn’t know her identity, I just thought she was a sell! Her behavior, her impulsiveness, her shamelessness, I saw her seduce Mr. Fu with my own eyes! Having

said that, Galia glanced at Suzi: “I’m sorry Suzi, I didn’t mean to provoke you.

I saw that Yi Yun with my own eyes, standing outside the door of President Fu’s office, that nympho looking like a mental patient, and shameless!

When I saw her pestering President Fu, of course I had to stop it.

Don’t say I hit her.

I hate to step on her underfoot!

Guess hard!

So annoying!

The family has a wife and three children! Have you inquired? Why did he just get off the plane and ran outside Mr. Fu’s office, all kinds of entanglements!

What is this called!

This kind of woman who appeared out of nowhere, seduced my friend’s husband as soon as she came up. I couldn’t bear this kind of thing, and she told me that she was the eldest lady of the Shu family, the eldest princess!

I’m mad you know what!

I just slapped her!

But in that case, who would not be angry if it was replaced by someone?

The results of it?

I was called by Yi Yun’s parents from abroad and sued my parents-in-law. Hearing this, Rayna was incredulous: “

It's just a domestic servant, why are they so unruly?" Galia sneered helplessly: "

The Shu family has been passed down for more than 100 years, almost 200 years, and the legacy passed down is that you must treat domestic servants the same as your own family."

Because domestic workers are people too.

Only the division of labor is different. "

Master Shu is absolutely right.

He is also a very decent person.

But that's why the Shu family has been taken advantage of by those who can't beat him so many times!

"Hey, sometimes I think, Shu Grandpa wants face too much, he wants face all his life, he really made him popular and hurt his family! Rayna said helplessly.

Galia smiled sadly: "It doesn't matter, I don't care about it. I am a commoner, and I originally thought that all living beings are equal." "

"Then why are you still uncomfortable?" Rayna smiled relaxedly: "Be happy, baby, have a few more drinks, I'll call my cousin and ask him to pick you up, and let's discuss a good strategy to deal with that surname. Yi's! It's

a mother*er! The old

lady still doesn't believe

a domestic helper, she can beat the old lady's shrewd me!

This tone, I will do it for you!"

Galia knew that Rayna was telling the truth.

The more this happened, the more Galia cried, she leaned her head on Rayna's shoulder, crying extremely sadly: "Rayna, I just heard

Ming Zhen's phone call, and I was impatient with me, Do you think Ming Zhen doesn't love me anymore?"

Rayna + Suzi: "..."

At this moment, Galia's cell phone rang.

She thought it was Darius's beating, she couldn't care to cry, she picked up the phone and connected: "Mingzhen, are you not busy now?"

"I'm sorry, Miss Galia, I'm not Mingzhen's younger brother, I It's Yiyun." On the other end of the phone, Yiyun's tone was obviously showing off.
