

Catch Me If You Love Me

Chapter 24

After hanging up the phone, Zoey Gu almost flew all the way to the gilt coffee shop.

Following the designated position, he saw a slender man with a peaked cap sitting there, most of his face was deliberately hidden by the brim of his hat.

The man raised his head slightly, saw Zoey Gu who also wears sunglasses and a peaked cap, and smiled.

“Miss Gu, it’s a tacit understanding.”

Zoey Gu lowered his head and pulled out the chair to sit down, and went straight in.

“Sir, I only have one requirement in the contract. If you do find my family, please keep it secret and ensure their safety.”

Once things were revealed, what Lydia Lin would do to her father and younger brother, she couldn’t even think about it.

The man chuckled, “It’s still a trouble.”

Zoey Gu pursed his lips and pushed the remaining two million bank cards to the man.

“please.”

The man walked along, took the bank card and put it in his pocket.

“It’s the first time I’ve seen you pay the full amount in advance. For the sake of Miss Gu’s trust, I will bring people out for you.”

“But it’s not easy, I need time, so...”

Snapped.

The one million bank card was again photographed on the table by Zoey Gu.

Zoey Gu stared at each other with red eyes, and said slowly.

“At most a week, I don’t want to wait for a day.”

.

Half an hour later, Zoey Gu and the man walked out of the cafe one after another, each lowered the brim of their hats, and quickly disappeared in the busy street.

On the corner of the street not far from the cafe, a black car was parked quietly.

Anna Yun sat in the back seat, squinting her eyes to look in the direction where Zoey Gu left, and the corners of his mouth showed a cold arc.

Not long after, someone hurried in, opened the car door and sat in.

“Miss, the other party is a well-known tracing detective all over the country. He doesn’t do anything else. He specializes in finding someone to make a profit. Zoey Gu sought him out to find his missing father and brother.

Upon hearing this, Anna Yun was a little surprised.

“Looking for someone? Aren’t her father and younger brother both abroad? Could it be that her stepmother said...”

Anna Yun frowned slightly, before finishing the question, she was silent for a moment, and then reacted, a strange smile filled his eyebrows, “So it is.”

“Miss, do you want me to change someone privately and then look up Zoey Gu?”

“No need.”

Anna Yun gently shook his head.

“Liam has already found a new blood donor. Since I don’t have to bother about that. Right now, I only need to solve the big problem of his predecessor, and I will be my wife Lu in the future.”

“Find someone to follow that man. I have to find out what he found before Zoey Gu.”

A few days passed quickly.

At eleven o’clock in the evening, Zoey Gu curled up on the sofa and looked up at the time, subconsciously relieved.

Liam Lu would come over at ten o’clock every night. After pressing her on the floor and torturing her harder, he pulled away and never stayed overnight.

This time, I am afraid it will not come.

Just about to get up, the phone on hand rang.

Time is more.

As soon as he was connected, he said apologetically.

“Miss Gu, Liam had a drink tonight, I can’t take him away. He called for you to come and pick him up in person. Look...”

Hearing this, Zoey Gu gave a wry smile, “Do I have the right to refuse?”

When she hung up the phone, she did not dare to delay for a moment, and went out to take a taxi and went straight to the position she had come to.

When she arrived, the waiter led her all the way through the corridor and stopped in front of the last box.

Pushing open the door, a breath of alcohol rushed into his face.

A group of men leaned slantingly on the sofa, each holding wine glasses, cigarettes between their fingertips, and the alcohol was smoky.

Liam Lu was trapped in the innermost sofa, his legs crossed, and his face could not be seen clearly in the shadows.

Seeing Zoey Gu, someone in the crowd immediately blew a loud whistle.

“Oh! No wonder Liam is looking for a little one, and we also selected an ex. This little looks really good. It is thinner, but it can be mastered with one hand. Liam, it should be good, right?”

Liam Lu’s mocking chuckle sounded in the corner.

“Next time I will try it out. Our fixed posture is on the floor, back-in, which she actively requested.”

A group of people suddenly burst into laughter.

“I can’t tell, this little girl has a special taste.”

Zoey Gu’s hand hanging beside him slowly tightened, and there was no trace of blood on the face under the light.

He was humiliating her on purpose.

She pursed her lips, tried to block the ridicule, looked towards the shadows, and said softly.

“It’s late, let’s go.”

Snapped.

A wine bottle was thrown out from the dark and hit Zoey Gu's feet fiercely.

"Zoey Gu, this is your attitude towards the employer? Don't forget your identity!"

Senhan's voice sounded and then fell, and a group of people suddenly fell silent, winked at each other, and retired with interest.

The door closed behind him.

Zoey Gu turned slightly to one side, the man suddenly got up from the shadows and sat up, grabbed her arm and dragged her into his arms, turned and pressed her on the sofa, opened her skirt neatly with his fingers, bowed his head lightly Bit her shoulder.

"How about trying here tonight?"
