I' m Sorry My Love Novel **alternative...**

## Chapter 2402

Galia: "..."

When people are about to be unlucky, the cold water from the estuary of the heart also jams their teeth.

How is it so coincidental?

But think about it, this is Darius's cell phone originally, it was normal for Darius to receive this call, but Yi Yun just took advantage of it.

Galia was dull for a moment, then smiled sadly: "Ming Zhen, take good care of Yi Yun."

"Galia! Galia, wait, don't blame the phone, Galia, listen to me." Darius is a smart man, He and Galia have been in love for six or seven years now, and he knows exactly who Galia is.

If Galia could say such a thing, something must have happened in the ward when he went out just now.

He went out to go through all the formalities for Yi Yun, only to find that he forgot his mobile phone when he arrived at the charging window.

He just came back to get his phone.

Because Yiyun's condition is a little serious and may be hospitalized for a while, Yiyun cannot return to China for the time being. In addition, Darius was too busy when he checked Yi Yun just now. He didn't come and said more to Galia, so he called Galia over.

I didn't expect Galia to make a lot of nonsense.

That indirectly proved one thing, when his phone was in the ward just now, Yi Yun moved his phone.

"Galia, listen to me." Shu Ming coaxed Galia: "If there is anything we need to know calmly, baby, you know me best, right? Just like I know you best, the more critical the moment, the more we can't be impulsive.

After the matter is resolved, how you want to punish your husband is fine.

Husband kneels on the washboard for you at home!

good or not?

He said this to Yi Yun. He

wanted Yi Yun to know that his relationship with Galia was unbreakable!

No one could take advantage of it.

On the other end of the phone, Galia immediately burst into tears.

Of course she knew Darius best.

Her husband!

It is impossible to do anything to hurt her.

Galia cried and laughed: "Husband, I know! Husband, come on! I believe you can handle it well. If there is anything you need to call me immediately, don't let yourself suffer, you know husband? "

Shu Ming Zhen nodded: "Okay, thank you wife. "

"Then I hang up." "

"Good. After closing the

line, Shu Ming looked at Yi Yun with sharp eyes.

Yi Yun lowered her head in a guilty conscience.

“Sister Yi Yun, did you use my mobile phone to call my wife?” “Darius asked bluntly.

Yiyun hesitated: “Well, I think I might have to trouble you for a long time, I’m embarrassed, I just called to thank her, I didn’t expect her to be so petty...”

Darius slammed out the door!

“Brother Mingzhen...” Yi Yun shouted at the top of her voice.

Darius has already gone far. Be

patient!

There is no way out! When she leaves the hospital, she will follow everything. She made it clear in the showdown!

It’s true that Yi Yun’s grandfather saved his grandmother!

However, the Shu family’s debt has already been repaid.

It can’t be because their grandfather of the Yi family saved the grandmother of the Shu family once, the Shu family will have to repay the debt of gratitude for generations!

However, now in Illinois.

With an order, she must not be stimulated, she must be encouraged, all kinds.

Darius went through various procedures for Yi Yun with a stomach full of anger and paid various fees.

By the time everything was done, it was too late.

The exhausted Darius sat on the corridor in the hospital, took out his mobile phone and called Christopher.

He rarely communicated with Christopher.

## Chapter 2403

Christopher was also surprised, why Darius would call him, he immediately connected: “Master Mingzhen, you Is there anything I’m looking for Fourth Master Fu?”

“Uncle, brother.” Darius shouted apologetically.

Christopher immediately laughed: “Oh, you’re looking for me, a personal matter?”

Darius said, “Yeah” .

Christopher’s smile was also slightly cold: “Brother-in-law, let me tell you! Our Yan family is one of the thousands of ordinary people in Nancheng. It is possible for me and us and my second uncle and our two families to add up to a year. The money you earn is only enough for your Shu family’s expenses for a day, but!

But my brother-in-law, let me tell you!

Galia is the only little princess in our Yan family!

Our two families dote on this little girl!

You can’t let my sister suffer . Aggrieved!

Otherwise!

My fist, I don’t know any brother-in-law or uncle!

My fist only recognizes our little princess!”

“I know, I know, the uncle I know, I’m so late , No other meaning, I just want to know whether Galia is happy or not, she has parents...”

Darius’s parents here refers to Galia’s parents.

“Reassure your parents, I will handle it here, I will immediately come to apologize to my parents, I have only been good to Galia in my life, Galia is the young mistress of the Shu family, and uncle, you are the seat of our Shu family. Your honored guest.” Shu Ming said in a frightened tone.

Christopher: "Pfft..." He smiled.

"Boy! I know your character. Your behavior has always been upright, kind, and gentle. I know that.

Don't worry, you don't have to worry about our family. My second uncle and second aunt are playing mahjong with my parents. , I'm waiting by the side, Galia and her little sister went out to go out and haven't come back.

Don't worry here, I'll take care of it.

Your family affairs, deal with it as soon as possible!"

"Understood! Thank you uncle!"

"It's alright." Christopher said.

"Okay!"

Darius's heart dropped a lot after closing the line.

I couldn't help but sigh in my heart. Although the Yan family are ordinary people, they are very reasonable. Yan's father and mother have always been gentle and reasonable.

He was really lucky to have a daughter-in-law like Galia.

He shouted silently in his heart: "Dad, Mom. Don't worry, as soon as Yi Yun is discharged from the hospital, I will send her abroad immediately. I will definitely be good to Galia for the rest of my life. In the future, the entire Shu family will belong to Galia.

You two elders must rest assured."

These words were sincere and silent.

However, Galia's parents at the other end seemed to be able to hear it.

In the dead of night, Yan's father sat on the bedside and said to his wife, "Our Galia has never suffered a loss since she was a child, and I am afraid that she will not be able to bear the grievance. I think that

the way the Shu family treats the domestic servants shows that they have a conscience. I understand. Thank you.”

Yan’s mother also nodded: “Who said no? Our daughter is in Shu’s house, and she is not restrained at all. Shu’s family treats Galia like her own daughter. When we get up tomorrow, we will comfort and comfort the daughter together, but we can’t let it be. The daughter is making trouble with her husband. It’s

not worth it! The

Shu family is so kind to our daughter.”

Father Yan sighed: “Actually, our daughter is a little squeamish, but when I just saw her coming back, I didn’t seem to blame the Shu family?”

Yan’s mother’s eyes suddenly turned red: “Our children are sensible, just eyes I can see the loss here. I really feel sorry for our child. Hey, in the early morning, we will go to the market together and buy her a table of delicious dishes.

Didn’t she want to eat that king crab last time?

Buy it! Also

, what does she want to call that cat shit?

I didn’t let her drink it before, so how can cat shit drink?

Now don’t care, don’t you have a friend who does logging in Indonesia ? Do you work? You call and ask if you can buy cat shit?”

Father Yan laughed angrily: “Go to sleep! Get up early tomorrow and buy a table for your daughter to guess and cook her favorite meals. Right way!”

“Well, go to bed! Get up early tomorrow.” The

next day.

The couple got up at dawn and went straight to the farmers’ market closest to them.

Halfway through the selection of dishes, I suddenly heard someone screaming and shouting: "Catch the thief! Catch the thief!"

## Chapter 2404

Yan father and mother Yan at the same time stunned.

Immediately afterwards, the thief who was running all the way came to Yan's mother. The thief was a skinny man who looked about the same age as Christopher. He only met Yan's mother, and then he accurately grasped Yan's mother's neck. Necklace, pull and run.

This situation, this action, took less than two seconds from start to finish.

When Galia's parents came back to their senses, the thief ran away again.

The panting aunt ran up to Galia's parents, leaning on her knees with her tired hands, panting and talking to Yan's father and Yan's mother: "Tell me, in this world, how can there still be stealing in the street, and still If you are robbing people in the street, report to the police!

Let's call the police!

Don't let him run away!

You can see the person clearly!"

Galia's parents didn't speak.

Although only for a second or two.

However, Galia's parents could see who the thief was.

That thief, even if he was afraid of the skin, Yan's father could recognize him to the bone.

Yan's mother and Yan's father looked at each other, and Yan's mother said worriedly: "Is this a troubled time? Why did I meet him at

this time, and he came to rob me again? Lao Yan , do you think this is a coincidence?”

Yan’s father also had a gloomy expression: “I think our family of three has lived peacefully for more than 30 years, and it has always been calm, Galia is cute, our little family is extremely happy, this Galia As soon as we encountered the Shu family’s troubles, we met him again here.

And straight to grab your necklace, if that’s all a coincidence.

Could this be called misfortune? Galia’s mother: “

Eh...”

After a while, he took Galia’s father’s arm and said, “Old Yan, let’s go, let’s go home first, we will discuss at home, no matter what happens Things, we have to deal with it ourselves. “

Father Yan nodded: “Okay. “The

husband and wife supported each other to go, and the aunt shouted from behind: “You just leave!” Don’t call the police! “

Father Yan looked at his aunt apologetically from time to time: “Eldest sister, you...how much did he steal from you?” We...we give you double back? “The

aunt’s astonished eyes: “It’s strange to cut you!” Saying that ,

Aunt Yan ignored Dad Yan and Mom Yan, but took out her mobile phone and decisively called the police.

She didn’t lose a lot of money. It was

only two or three hundred.

This kind of thing is a very dangerous person!

Yan’s father: “This...”

Yan’s mother shook her head: “Old Yan, let’s go home first. “

Just like that, he dragged Dad Yan and walked back together.

The husband and wife were both very worried.

The way they walked with each other's arms seemed a little old.

That step was a little staggering and tired.

Maybe it was because of the sudden worry . Their brains were broken, so that when someone followed them behind them, they didn't even notice. After following them

outside the house, the man left quietly, except for Galia's parents' community, the man took out his mobile phone and called Group phone.

"Both husband and wife are inseparable, and they even deliberately prevented that aunt from calling the police. I think that is the right person!" the man who called said on the phone.

At this end, Galia's parents, who had not yet entered the house, did not feel that they were being followed.

Yan's father was about to take out the key to open the door, but was stopped by Yan's mother: "We...why, how do we tell the child about this?"

## **Chapter 2405**

Galia's father lamented: "When things shouldn't come, maybe they won't come in their whole life, but When it's time to come, we can't hide. Galia is too old, so she should know about it."

Galia's mother hesitated: "But I... I'm afraid of Galia... "..."

"My child, what's there to be afraid of?" Galia's father hugged Galia's mother.

Galia's mother's eyes turned red: "Originally, we should go grocery shopping, cook a delicious meal for the child, and comfort her, but now we come back empty-handed, eh..."

"It's okay." Galia Dad still comforts his wife.

At this time, a clear voice suddenly came from behind: “Dad! Mom! You are not afraid of being seen, you are both old and married, and you are still so sticky, I am jealous! Humph!” The

couple turned their heads one by one , I saw Galia who was carrying vegetables and breakfast in his hands.

“You...Where have you been, girl?” There was obvious panic in Galia’s mother’s eyes.

If Galia also went to the farmers market, wouldn’t she have seen the scene of the vegetable market?

Galia immediately said: “Supermarket. Our house is a big supermarket. Where can I buy it, but you two, you only know how to go out for morning exercises in the early morning, and you don’t even buy breakfast, huh! I don’t love you anymore! ” When the

girl acts like a spoiled child, she is really like a child.

The provoked mother Yan immediately laughed. She smiled and said angrily: “You, you! You know supermarkets. You know that there is a farmers’ market not far from our house. There are many varieties and fresh vegetables there.”

“But why didn’t you buy them back?” Galia asked mischievously.

Galia’s mother gave her daughter an angry look.

Galia immediately rested her head on her mother’s shoulder: “Okay, okay, let’s go in for dinner, mom.”

“Are you... in a good mood?” After entering the room and sitting on a chair in the dining room, Galia’s mother again asked concerned.

Galia nodded: “It’s no big deal, Ming Zhen is with me anyway, and my parents-in-law love me so much, what am I afraid of? It’s just that something happened to the Shu family, and it’ll be fine if you deal with it.

My husband is mine, The Shu family

belongs to me! I’m sitting upright, and I’m not afraid of anyone!”

“My precious daughter is right!” Yanba immediately followed.

Galia looked at her parents and smiled confidently.

She didn’t want her parents to worry about her. She was 30 years old, and it was time to take care of the elderly.

When she looked up at her parents like this, Galia suddenly frowned: “Mom, where’s the necklace on your neck?”

Yan’s mother: “This...”

“You still have a streak on your neck, scratch it. Mark? Mom, did something happen to you? Was someone robbed? Oh, I knew I wouldn’t let you wear such a good necklace. This chain is worth more than 600,000 yuan. It is eye-catching when worn on the neck, but those who don’t know the goods It doesn’t matter, I’m afraid that those who know the goods will be bad people.

Mom, are you okay?

Tell me what happened? It

doesn’t matter if the necklace is lost, it’s important that you and Dad pay attention to safety.”

Seeing her daughter so worried about her parents , Yan mother’s eye circles are red again.

“Mom, have you suffered any grievances? Hurry up, no, we have to call the police, you know, Mom!” Galia got up and came to her mother, looking at her very anxiously.

At this time, Dad Yan’s cell phone rang. He picked it up and took a look. It was the police station.

Father Yan was stunned.

“Answering the phone dad?” Galia said.

Yan’s father still did not respond.

Galia immediately picked up the phone and connected: “Hello, hello?”

“May I ask if this is Mr. Yan Weimin? I am the police station, please come to the police station now, we have just caught a pickpocket in a special situation. He said he knew Mr. Yan.” On the other end of the phone, the policeman said in a solemn tone.

Galia: “What?”
