

Super Rich Dad Chapter 241-243

Chapter 241 - Blowing Up

Hearing Wang Jiani's words, Cousin Xue Yuning and Fan Deng both froze at once.

They looked at each other, and their faces couldn't help but have a subtle change in expression.

Fan Deng peeked at Jiang Hao, seemingly pondering something in his mind, and then he said to Wang Jiani, 'Don't make up your mind, what are you talking about? Jiang Hao's family is Chu Jiang's what bullsh*t!'

It was obvious that Fan Deng had some suspicions, and when he spoke, he deliberately brought up the fact that Jiang Hao was a second generation rich man, in order to hear how Wang Jiani would react when she heard about it.

Soon Fan Deng's purpose was achieved.

He saw that Wang Jiani was laughing after hearing his words.

Wang Jiani pointed at Jiang Hao and asked with a smile, 'What did you say? You said he was a top rich kid? Or the top rich kid in Chu Jiang? Let me ask, are you two local to Chu Jiang?'

Fan Deng looked at cousin Xue Yu Ning and frowned and nodded, 'We are not ah'

Wang Jiani gave a bitter laugh, 'That's right, please don't say such things in Chujiang, otherwise you are going to be laughed to death, just him? And the top rich kid in Chujiang? He told you guys that?'

This time cousin Xue Yu Ning hurriedly nodded, because she found that what she had been muttering about since last night, it seemed that Wang Jiani was able to give herself a true and credible answer.

'Snorting such words you guys even believe, I say are you guys brainy?' Wang Jiani had a speechless expression on her face as she continued, 'To tell you the truth, Chu Jiang's real top rich second generation, that are counted, there are only a few, but you go all over Chu Jiang to inquire and inquire, in the end is there one named Jiang Hao? You all dare to believe such low-level bullsh*t from such people, what do you want me to say?'

Hearing Wang Jiani's words, cousin Xue Yuning and Fan Deng also did not nearly have some thorough understanding.

Yes, they had always just been suspicious of Jiang Hao's identity, so why didn't they go and inquire about it?

If it really came to the kind of top-level big shot that even Qiao Dong had to nod and bow and send famous wine, I guess any random person in Chujiang could know about it!

Fan Deng slapped his forehead, simply a bit chagrined by his own IQ deficit.

At this moment, because several people over here were arguing so much, there were already quite a few onlookers scattered around the area.

And at this moment, Fan Deng and Cousin Xue Yu Ning were just able to hear the murmurs coming from those mouths.

‘Pfft what what? Chu Jiang’s top rich second generation? Aren’t the top rich kids in Chujiang the three youngsters known as the three youngsters of Chujiang? When did such a new one come along?’

‘Hahahaha funny, but also the top rich generation, I think he does not look like this small appearance ah.’

‘I’m afraid he didn’t pretend to be a good one, and he got torn down on the spot, right? If it were me, I would have run away a long time ago, how could I still be poking around like nothing happened?’

The chatter of the crowd was almost clear to Fan Deng and Cousin Xue Yu Ning’s ears.

Passers-by couldn’t lie, and without exception, all these people were now laughing at Jiang Hao.

Even some of them even ridiculed the couple as well.

Cousin Xue Yu Ning couldn’t hold back any longer, she looked at Fan Deng with a red face and said indignantly, ‘Husband, now you hear it, I’m not wrong, right? This kid this kid has been lying to us all along!’

Cousin Xue Yu Ning completely erupted, she suddenly pointed at Jiang Hao and shouted, ‘All along, he was the one who followed us around for food and drinks, only for people to give us a free bill for our sake, yet he shamelessly said it was all because of him? And that bottle of wine.’

As soon as the bottle of 300,000 yuan red wine was mentioned, Cousin Xue Yu Ning’s emotions got even more out of control.

Her eyes were almost dripping with anger.

And Fan Deng also felt that he had come to his senses at this moment and looked angrily at Jiang Hao, saying angrily, 'This Jiang Hao, what else do you have to say now?'

Seeing that the two people who had just mentioned Jiang Hao's words had turned their heads and started firing at him, Wang Jiani's heart was as happy as if it had blossomed.

She continued to laugh happily and said, 'Oh, you people, you still think that because you're older, you're smarter than others, now you're all clear, right? Do you now know how ignorant you are? Even this kind of cheap lies you guys can fall for, I really feel sad for you guys too!'

Now that Cousin Xue Yuning and Fan Deng seemed to be dying to eat Jiang Hao, Wang Jiani naturally thought of adding a little more fuel and vinegar to make the fire in their hearts burn a little brighter!

'Son of a b*tch, your conscience has been eaten by dogs!' Cousin Xue Yuning suddenly pointed at Jiang Hao and cursed bitterly, she even remembered what happened yesterday when Jiang Hao slapped herself and kicked her hard.

Now her stomach was still all sore!

Cousin Xue Yu Ning seemed to have reached a point where she could not stand it anymore and was about to charge straight at Jiang Hao, ready to return the favour of yesterday!

But at that moment, Xue Yuning, who saw that the situation was not good, hurriedly stepped forward and stood between her cousin and Jiang Hao, stretching out her arms to block her way.

‘Sister, what are you doing? Don’t listen to her nonsense!’ Xue Yu Ning advised, ‘Wouldn’t you rather believe this person’s nonsense than Jiang Hao?’

Cousin Xue Yuning could not listen to these words at this moment, not to mention that she did not treat Xue Yuning well in the first place.

The more she hated someone, the more she was standing in front of her at this moment, going to slyly plead for someone she hated even more.

How could Cousin Xue Yu Ning possibly listen to her.

Suddenly, she raised her hand and slapped Xue Yuning directly on the face, and cursed under her breath: ‘Get lost, you are all the same virtue, what are you still sophistry what are you sophistry? You still want to lie to us when things are so clear? Do you really take us for idiots? Get the hell out of my way!’

Although Xue Yuning subconsciously reached out to block the slap, she still received it solidly, which immediately caused her a painful blow.

Seeing Xue Yuning being beaten, Wang Jiani was so happy that she laughed and jumped to her feet, pointing at Xue Yuning’s cousin and saying loudly, ‘Good job, this kind of scum. You should teach him a good lesson!’

Wang Jiani was even happier in her heart, saying, ‘Go ahead and fight, it’s better if you beat each other to death, you trash deserve to be killed!’

Wang Jiani had long wanted to see Jiang Hao and Xue Yuning being cleaned up, and the person who cleaned them up today was even a relative of theirs, which couldn't help but make Wang Jiani feel even more exhilarated.

And when Jiang Hao saw that Xue Yuning had been beaten up, he was also on fire and rushed over to help Xue Yuning, pointing at his cousin and shouting, 'You crazy bastard!'

Without saying a word, Jiang Hao also raised his hand and slapped her back!

But this time Jiang Hao had just raised his hand. Before his hand could fall, it was violently grabbed by a hand.

'What do you want to do? To start a fight? Who gave you the courage!'

Jiang Hao looked up and saw that the one holding his wrist was none other than Fan Deng.

At this moment, Fan Deng also had a furious look on his face, fiercely glaring at Jiang Hao and said, 'You really disgust me, I can't imagine that you are so hypocritical, do you know that because of you, I've lost all my face. What's the matter, now that you've been exposed for what you really are, you still want to hit someone? You can try it!'

Fan Deng was tall and broad, and when he faced Jiang Hao, he had a natural power of suppression.

Not to mention more, for a small body like Jiang Hao's, Fan Deng would have no problem at all beating two or three people by himself.

Jiang Hao's arm was gripped to death, and no matter how much he struggled, it was useless.

Jiang Hao became even more furious and he shouted, 'You let go of me, you people, you are simply idiots, did you believe her with one or two words? Don't you think that's what will get you all laughed at?'

Jiang Hao snorted coldly and suddenly used all his strength to violently pull his arm back from Fan Deng's hand.

Jiang Hao then hurriedly went to hold Xue Yuning and asked worriedly, 'Yuning, are you alright?'

Xue Yuning shook her head slightly, but kept her other hand over her face.

Her cousin had slapped her face so hard that it was impossible to say that it didn't hurt.

But there was nothing she could do except for some anger in her heart.

And she knew that in the eyes of her narrow-minded cousin, her slapping herself was only the beginning of the page.

Soon, seeing her own side accounted for, 'Honey, anyway, now this stupid identity is clear to us. Don't be afraid, just give me a good clean up today, but don't forget, yesterday he slapped me and kicked me!'

Cousin Xue Yuning looked righteously indignant, and then said, 'Also, since this is already the case today, let's just talk about it all, the red wine that was given to us yesterday at the Grand Hyatt Hotel must be returned today!'

Cousin Xue Yu Ning seemed to have a flash of something in her head and immediately got nervous, pointing at Jiang Hao and questioning, 'Damn, you wouldn't have opened that bottle of wine, would you? I'm warning you, if you dare to open that

bottle of wine, I'll fight with you, you poor bastard, do you know how much that bottle of wine costs, 300,000 yuan, that wine is much more expensive than this trash of yours, if you dare to hit him, if you dare to damage that bottle of wine, wait until you pay me 300,000 yuan!

As Cousin Xue Yu Ning spoke, she gritted her teeth with hatred, she was really afraid that Jiang Hao would be curious and open the wine directly.

The wine was worth three hundred thousand before it was opened, but if it was opened, then the price would definitely drop instantly, and then one would lose, not knowing how much money one would lose!

She saw that Jiang Hao hadn't answered her question, so she hurriedly asked again: 'I'm asking you, where's my wine? Did you unwrap it or not? Hurry up and bring it out to me!'

Jiang Hao glared fiercely at the other party, he hated cousin Xue Yuning's wallflower, two-faced, three-dimensional character.

In fact, when Jiang Hao returned to his dorm room yesterday, he put the bottle of wine directly into the wardrobe of his dorm room in Chu Jiang University.

But the way Cousin Xue Yu Ning treated himself was just too bad, and the fact that this guy was so brain-dead that he chose to listen to someone else and make a move on Xue Yu Ning just made him really angry.

Jiang Hao raised his head abruptly and said indifferently, 'That bottle of wine? I'm sorry, I've already opened it, I drank one glass, it was hard to drink, I poured out all the rest, what can you do to me?'

Jiang Hao just wanted to provoke the other party, to see what he could do to himself!

He even returned the red wine to you, Jiang Hao really had some idea what was going on in this cousin Xue Yuning's head?

You beat up my woman and now you still want to ask for favours from me, who do you really think you are? Dream on!

At Jiang Hao's words, Cousin Xue Yuning's entire body was about to boil over.

She let out a scream from her throat and said loudly, 'What did you say? Drank it? And poured out the rest?'

Cousin Xue Yu Ning was dumbfounded, saying to herself, 'Are these two crazy?'

The wine was 300,000 yuan a bottle, and she hadn't even warmed it up yet, so Jiang Hao had spoiled it.

Cousin Xue Yuning's heart felt as painful as if she had been bitten by ten thousand ants.

She glared at Jiang Hao harshly and cursed angrily, 'What right do you have to pour my wine? Do you know how much that is worth? You're a loser!'

Jiang Hao looked at the other party with a cold smile and an indifferent face and said, 'I just poured it out, I'm a loser, what can you do to me? Didn't you say that I was waived yesterday because of you guys? You are right, but what can you do to me? Oh.'

Jiang Hao was deliberately provoking the other party, didn't you guys not believe in my identity? Then I will simply go along with your words and make you even angrier.

But even if you are more angry, what can you do to me?

This just made Jiang Hao see the true faces of Cousin Xue Yuning and Fan Deng more and more clearly.

‘You him,’ Cousin Xue Yu Ning was trembling with anger and said to Fan Deng’s, ‘Did you hear that, husband? This son of a b*tch admitted it, he admitted it, no, today I will not let him go, you watch, I will make him look good today’

As she spoke, Cousin Xue Yu Ning encouraged Fan Deng to go and fight with Jiang Hao.

Only compared to Cousin Xue Yuning, Fan Deng still retained more or less a trace of sanity.

Although he could not wait to kill Jiang Hao in order to relieve his anger.

But here, in broad daylight, and there were police cars on duty, he could not say what to do to Jiang Hao, even if he hit him a few times, then he would probably have to stay in the detention center in the afternoon.

But Fan Deng didn’t want to let it go, so he turned his mind around and said to his wife, ‘This kind of person, even if we beat him up, it’s considered dirty, so why don’t we do this?’

As he said that, Fan Deng attached himself to his wife’s ear and muttered in a low voice.

Hearing Fan Deng finish his words, Cousin Xue Yu Ning also seemed to be more satisfied with what he said, and then nodded her head.

‘You have a point, just this idiot probably can’t afford to pay us for that bottle of red wine, so that’s the only way to do it!’

Cousin Xue Yu Ning narrowed her eyes and looked at Jiang Hao with an equally sinister smile, murmuring in a low voice, ‘Son of a b*tch, since you dare to make things so desperate, then don’t blame me for being ungracious!’

Then she said loudly to Jiang Hao, ‘Idiot, you continue to embarrass yourselves here, my grandmother will not play with you, but don’t worry, this matter today, definitely will not just let it go, you dare to pour my red wine, then wine don’t blame me to turn my face merciless!’

After saying that, cousin Xue Yu Ning turned around and left.

Fan Deng also looked at Jiang Hao with a contemptuous smile at the corners of his mouth and said in a low tone, ‘Kid, don’t f*cking think you’re smart, what you did today, we’ll definitely pay you back ten times a hundred times!’

Jiang Hao didn’t panic for a moment when he heard these words from the other side.

This was Chu Jiang, his own turf.

Did the other side really think they could make much of a splash? They also said that they wanted to take revenge on themselves, huh, do you really consider yourselves as wrists?

And compared to those two dispensable people, Jiang Hao was more concerned about Xue Yuning at this moment.

The slap her cousin had just given her was not a light one, and now a clear slap mark could be clearly seen on Xue Yu Ning's face.

'Does it still hurt?' Jiang Hao looked at Xue Yu Ning with some heartache, and then looked at the direction where Xue Yu Ning's cousin had left, gritting his teeth and saying, 'Don't worry Yu Ning, I'll make them pay for it!'

'I can see that they must have bullied you a lot in the past, but now don't worry, with me here, I'll make them all pay back with interest sooner or later!'

Xue Yuning was touched by Jiang Hao's words, but shook her head and said helplessly, 'Forget it Jiang Hao, they are my relatives after all, let's forget about this matter today, let's not come into contact with them in the future, let's stay away from such people in the future.'

Xue Yu Ning said apologetically, 'I'm sorry, I made you suffer so much today because of me, hey, it's all my fault, I shouldn't have let you follow me to pick them up in the first place, otherwise all this wouldn't have happened, it's all my fault.'

'What are you saying Yu Ning, how can you be blamed for this!' Jiang Hao hurriedly consoled, 'It's all their fault, you can't take the blame for all the wrong things other people do, can you?'

Jiang Hao smiled at Xue Yu Ning and said, 'Alright, alright, don't think about so many unhappy things, it's better if they're gone, the concert will start later, let's go in, the tickets will be delivered soon.'

Xue Yu Ning nodded at her words and seemed to be about to say something when she suddenly heard Wang Jiani beside the two of them let out a loud laugh.

‘Haha, still acting? People have already left, what kind of drama are you still acting? Who are you showing it to? Me? Oh, do you really think that I would believe your poor acting skills?’

After Wang Jiani finished speaking, she gave Jiang Hao a contemptuous smile, and then walked towards the stadium’s main entrance.

At this moment, there was less than an hour left before the concert started, and many people had already started to check their tickets for entry.

Wang Jiani soon disappeared into the tidal wave of people at the entrance.

Jiang Hao sighed as he recalled the scene from the party and was still angry in his heart.

But what he was even more curious about was how Xue Yuning’s ticket could have disappeared.

Jiang Hao hurriedly asked, ‘Right Yu Ning, where did you put the tickets yesterday? And ah, why did you ask me to deliver the tickets to you so late yesterday?’

In fact, Jiang Hao was curious about this matter yesterday, after all, Xue Yuning’s action was too abnormal, the concert was starting tomorrow, and it had been agreed that the tickets would be delivered early the next morning, so how come Xue Yuning couldn’t wait that long?

And the most crucial thing is, how come the tickets were delivered and then lost immediately afterwards?

Jiang Hao certainly didn't doubt Xue Yuning, but he still felt that there must be something here.

Xue Yuning couldn't help but stammer a little when she heard Jiang Hao's words.

'I had put something in my bag yesterday, but but'

'Then you had nothing insisting on me sending the tickets last night, huh?' Jiang Hao inquired with a frown.

'I,' Xue Yu Ning hesitated, she didn't want to say anything, she didn't want Jiang Hao to know that she was often bullied in the dormitory, so Jiang Hao would definitely worry more about herself.

'What's wrong?' Jiang Hao hurriedly pursued the question, he had already heard a hint of a problem from Xue Yu Ning's flickering words.

Xue Yu Ning's signs had been very abnormal yesterday, and now she wouldn't answer her own questions positively, so something must have happened.

'Is it that you've been bullied again?' Jiang Hao suddenly asked, 'Or did something happen? Yu Ning, why are you hiding this from me, I know you don't want to say anything to me because you're afraid I'll worry about you for your sake, I'll only worry about you more if you do!'

Xue Yuning smiled and lifted her head to look at Jiang Hao with affection and a complicated expression on her face.

She felt that what Jiang Hao said seemed to have a point. If she didn't say anything like this, and just let Jiang Hao think and suspect things on his own, then he would only worry more.

Instead of that, it would be better to just say what was clear.

Xue Yu Ning sighed and said, 'Alright Jiang Hao, I'll tell you everything, but but I ask you not to get excited after listening'

Xue Yu Ning quickly told Jiang Hao everything that happened yesterday, and finally sighed, 'As a result of the result I found out that the tickets were lost.'

When Xue Yuning said those things that happened yesterday, of course, she was also avoiding saying the important things, she was afraid that Jiang Hao would get angry and do something impulsive.

But even so, when Jiang Hao heard that Xue Yuning had been bullied like this in her dorm room, he still clenched his fist in anger and hammered himself hard.

'Why didn't you tell me earlier?' Jiang Hao said indignantly, 'That Feng Pingping is simply too much, if she dares to treat you like this again, I definitely won't spare her!'

Xue Yuning frowned and worried, 'Oh forget it, that Feng Pingping has connections with people outside the school, you should not be impulsive, just don't provoke her later, I know you're not afraid, but it's easy to hide from a gun and hard to guard against a hidden arrow, we can't be on guard against that kind of person everywhere, right?'

What Xue Yuning was really worried about was this very thing. Although Jiang Hao's background is strong, but as the saying goes, it is difficult for a strong dragon to suppress a snake on the ground, in case these people make a stumble behind the back, it is definitely Jiang Hao who will suffer!
