

Chapter 243

Zhovia finally understood what Charlie meant by “almost mean”.

People still give her face, she doesn’t “almost mean”, but “much worse”!

Tianqi was also shocked.

He saw that Charlie was controlling his internal breath, deliberately letting the true energy flow backward in his body, creating the illusion of “heart disease”, so his granddaughter was fooled.

However, the reverse flow of true Qi in the body can make people extremely painful.

But Charlie can not only control the true Qi flow in his body, but also retract and unwind freely, and his complexion is as usual, without any pain, this cultivation base is probably more than 50 years, at least more than a hundred years of learning! !

Tianqi knew that he had met an expert in the hidden world.

His granddaughter is still dying, constantly provoking him. Fortunately, Charlie is a gentleman. If she angers him, then he and his granddaughter will have to return to the West with only one move, and they will not even have the strength to fight back.

So, he glared at Zhovia, and said, “Mr. Charlie’s cultivation level is extraordinary. You have taken a look at it by yourself and don’t apologize.”

After finishing speaking, Tianqi quickly clasped his fists and arched his hands to Charlie: “The Old Master has no way to discipline his granddaughter. Please master Wade, you must punish her well when you return.”

Zhovia also recovered and understood that the other party’s medical skills were several grades higher than her own, and had to be convinced. She bowed her head and said, “I admit that your medical skills are better than mine.”

Charlie smiled and waved his hand, and said: “Practicing medicine is to save the world and save people. There is nothing strong or not strong. If I encounter some intractable diseases that I haven’t seen, I might have to ask Mr. Tianqi for more advice.”

This speech made Tianqi look ashamed, but he was even more admired.

Obviously, the other party’s medical skills are much higher than his own, but he deliberately gave himself a step-down. This mind is definitely not owned by ordinary people!

Moreover, his medical skills have reached a superb level, so much so that throughout China, there will be no second person to be found like him!

Tianqi arched his hand to Charlie and said with a serious face: “I didn’t expect that in my lifetime, I would meet a master like Mr. Wade, and I will ask Master Wade for advice in the future.”

Charlie held his hand and nodded slightly.

Tianqi was surprised and quickly said, “Thank you, Mr. Wade.”

Seeing the conversation between the two, everyone in the room was shocked.

He was already the number one genius doctor in Aurous Hill, so he condescended to ask Charlie for advice.

Everyone in the room was shocked.

The No. 1 genius doctor in Aurous Hill is highly respected no matter where he goes, and the major hospitals also treat Tianqi as a guest. He actually looks like a pupil in front of Charlie and asks the “master” for advice. This is incredible!

Zhovia was also stunned, but she didn’t dare to ask more.

Charlie glanced at Tianqi and said, “Old Shi, I think you have an internal injury, so you let your granddaughter take care of the illness, right?”

“You actually saw my grandpa’s internal injury?”

A look of surprise flashed across Zhovia’s face.

However, she quickly regained her composure.

With Charlie’s medical skills, it can be seen that it is also normal.

Zhovia said: “My grandfather was in retreat and healed his wounds. This year, he did not treat others anymore. When Honor came to find him, my grandfather also declined. But two days ago, a friend of my grandfather sold him a magical medicine. I heard that magic medicine was obtained in Aurous Hill. My grandfather wanted to come and have a look, so he stopped by to see Mr. Song as well.”

Chapter 244

“What magical medicine?” Charlie was also surprised.

There was even a magical medicine that made Tianqi fascinated, and he didn’t know what rare treasure it was.

Tianqi quickly took out a jade box from his arms, opened it cautiously, and said, “This magical medicine cost me five million, but it’s absolutely worth it! I have taken half of it, and I am refining this half of the medicine. I am carrying it with me, Mr. Wade, please have a look.”

Seeing that this “magic medicine” turned Tianqi into a treasure, the crowd gathered around to see what the “magic medicine” was that fascinated the doctor.

As soon as the jade box was opened, a smell of medicine suddenly popped out.

Seeing half a black traditional medicine pill in the box, Tianqi took a jade knife, carefully cut off a large piece the size of a nail, and handed it to the middle-aged man in the Song family and Honor to let them both try.

The two hesitated and put the medicine slag into their mouths.

The medicine slag melted in the mouth, and the expression of the middle-aged man from the Song family became more and more surprised.

“Old Shi, what kind of medicine is this? I often have a dull pain in the fracture of my left chest, but now the pain is gone!”

Honor was also stunned: “My lungs have always been uncomfortable, but after eating this little medicine residue, I feel better immediately!”

Tianqi smiled and said, “Now you know its efficacy.”

The middle-aged man from the Song family looked surprised and said to Mr. Shi, “This elixir is really amazing. If Mr. Shi can make it, I’d like to spend a lot of money on it!”

Tianqi smiled bitterly: “I have also studied its prescription, but I can’t make it at all. I only know that it is an alchemy that has long been lost. I’m afraid this half-magic medicine is a gem in the world.”

Charlie saw the half pill and was stunned on the spot, followed by a wry smile.

“Old Shi, you bought this medicine for five million?”

“Yes.”

Tianqi smiled and said, “Five million is not too much. It is worth 10 million to buy such a long-lost elixir.”

Mr. Wade, you can also see that this pill comes from a good source. My friend said that the person who made this pill was Grand Mr. Yin Shi, who was more than 150 years old. My friend knelt at the gate of Grand Mr.’s residence for three days. It was only three nights that moved Master and bought it for five million pieces. The day after he bought the medicine, the grandmaster left his home and wandered around, I am afraid it will be hard to see him again in this life. “

The middle-aged man of the Song family sighed: “This old master, I am afraid it is an immortal master! Spend five million to buy an elixir, which is really not much.”

Zhovia apologized to Charlie just now, although she was convinced of his medical skills when she thought that his medical skills were better than Grandpa, she was uncomfortable anyway.

Seeing Charlie’s face at this moment weird, as if holding back a smile, she immediately became a little angry and couldn’t help but said: “Hey, what are you laughing. Don’t you even look down on the elixir, you can practice?”

Charlie was stunned for a moment and seeing everyone looking at him, he had to say: “I made this pill, Mr. Shi, you were cheated on by your friend.”

As soon as his voice fell, the whole room was silent.

Dozens of eyes stared at him, everyone was stunned.

Tianqi was stunned on the spot, unable to return to God. After a while, he said in astonishment: “Mr. Wade, you really cultivated these peerless magical medicines?”

Zhovia opened her mouth wide as if her body was frozen.

Charlie nodded and said faintly: “This thing is not a magical medicine, but I got it out and treated my father-in-law for the bruises, and I was afraid that his body would not be able to bear it. I also deliberately reduced the potency of these medicines, which are only semi-finished products. .”

As soon as Charlie finished speaking, the crowd was silent again!
