## Chapter 2430

“Ten million more than thirty years ago, if it is placed at this time, it is estimated to be more than one hundred million. “Yan Weimin’s old voice told his daughter Galia about his past thirty years ago.

This is a dusty past.

Neither Yan Weimin nor Luo Jin are willing to mention it.

But more than 30 years later, there are still people who maliciously dig out this past.

Now that it’s revealed, Yan Weimin and Luo Jin have nothing to hide.

“Dad, did you divorce her because of that woman, your ex-wife Jiang Meiruo has 10 million, and you think she should live without worries?” Galia asked.

Yan Weimin shook his head: “No.”

Galia was curious: “Why?”

“Galia, listen to your father.” At this time, uncle Yan Chongwu interjected.

Galia nodded and continued to look at her father.

Yan Weimin fell into memory again.

More than 30 years ago, when Jiang Meiruo heard that the child’s father, the 80-year-old old thing, left 10 million for her and the child, Jiang Meiruo went crazy with joy.

When she was happy, the first thing she did was to slap Yan Weimin backhand.

Yan Weimin was stunned at the time: “You, why did you beat me?”

Jiang Meiruo sneered: “You deceitful thing! You have no ability, you force your wife to go out and do hard labor every day! I marry a man like you, it’s me After eight lifetimes of bad luck, I’m fine now, I’m rich, and I’m finally proud of myself!

Madam, I finally have my own assets now! Seeing

Jiang Meiruo being so complacent, Yan Weimin sneered: “You’re so changeable.

He turned around and left. When he reached the door, he turned around and said to Jiang Meiruo, “

Since you think marrying me is unlucky, let’s get a divorce!” Also please give me the indecent photos of my sister! From now on we are clear.

You don’t need a nominal husband anymore anyway. “

“Think beautifully!” Jiang Meiruo turned back and sneered at Yan Weimin.

She came to Yan Weimin and grabbed Yan Weimin’s collar: “Yan Weimin, you have never loved me!” You know what a shame this is for me? do you want a divorce?

Do you want to marry that Luo Jin?

I lied to your heart!

I will not divorce you!

Everyone in this city knows that I gave birth to your child, and now the school is still secretive. If you want to finish your studies smoothly, if you dare to divorce me, I will spread the word all over the city. All are!

I also want to expose the indecent photos of your sister! “

“You!” “Yan Weimin was so angry with this woman that he really had no temper.

He tried his best to hold back his anger and asked, “What do you want!” “

“What do I think?” Give me back everything you bullied me during this time! I’m going to double the sets back! You poor dead man! Forcing me to wash dishes and dishes all day long, how gloomy your heart must be!

I tell you!

From now on, we will not divorce!

However, you don’t even want to get a penny of my money!

don't you love me? "

Yan Weimin: "You, this money is the child's money. Since I am the child's father, I have the right to keep it for the child! And you! We are husband and wife, and your money is mine!

" In a moment of anger, he said that.

But never thought, that sentence completely made Jiang Meiruo seize the handle.

"Finally revealed your true face, didn't you? I said, who wouldn't be jealous or heart-wrenching when they saw 10 million? You still pretended that you don't love money, yes, you poor!

You have long been Stare at my kilowatt, right!

You just die, I won't give you a cent!

Poor and bitter!"

After scolding Yan Weimin, Jiang Meiruo went out in a big way.

## Chapter 2431

Finally have money.

She doesn't have to wash dishes and dishes anymore. She wants to go out and have a good beauty. She is not yet 30 years old, and her life has just begun.

She will never get back all the grievances and injustices she has suffered.

Jiang Meiruo did not come back this afternoon and evening.

Until the next morning, Jiang Meiruo, who came back, looked like a different person, with jewels and a noble smell all over her body.

She didn't even look at Yan Weimin, she just glanced at him with contempt: "You'd better not get angry with me, and don't think about divorce.

It's impossible for the old lady to get married again in this life.

Because who is the old lady with? When I get married, I'm afraid that person will covet my money.

Since you don't want to remarry with another man, then you must be the best candidate.

But don't stop the old lady from looking for happiness!

As long as you dare, I will definitely destroy your sister. It's over!"

These words really calmed Yan Weimin.

He is not afraid of anything, he is afraid that Luo Jin's happy life will be really ruined by this crazy woman.

This crazy woman can do anything. "

Since then, Yan Weimin has become more unhappy than before. He doesn't love that home anymore. He

leaves early and returns late every day, and is immersed in his studies every day.

He has everything about what Jiang Meiruo has done and when he will return home. But ask.

Live like a walking dead.

However, there are things that make him happy.

The younger sister Luo Jin is in love, and the internship unit is also looking good.

And the elder brother is married to his sister-in-law. The two are loving and loving. The sister-in-law is still pregnant. In the future, he will have a little nephew or a little niece.

Life is still good.

Sometimes when Yan Weimin is alone, he will think about this, and his eyes will get wet.

If he sacrificed himself, in exchange for the happiness of his brother and sister, it would be worth it.

Therefore, even if Yan Weimin knew that Jiang Meiruo was fooling around outside, often hanging out with different men, he would still be numb.

I didn't love it.

Originally, he and Jiang Meiruo had never been in the same room.

If Jiang Mei goes out to find any man, it doesn't matter to him.

He won't suffer, and it won't last.

It's just that, alone, he's getting more and more lonely.

When approaching graduation, Yan Weimin stayed at the school to teach because his academic performance was excellent and he had to be honest and kind.

Receiving such great news, Yan Weimin's face was not even half happy.

Really can't be happy.

Such an abnormal appearance was seen by Luo Jin. Luo Jin stopped Yan Weimin at the door of the school office: "Brother, why are you still holding your head when you are so happy. What's on your mind?"

Yan Weimin, who couldn't bear it, told Luo Jin what happened recently.

After he finished speaking, Yan Weimin sighed and said, "Jin Jin, I've been like this all my life, but as long as you are fine, brother and sister-in-law are fine, I will be very satisfied. You will live a good life in the future, you know?"

Luo Jin but cried.

She looked at Yan Weimin tearfully: "Brother, that boyfriend of mine is fake!"

"What!" Yan Weimin looked at Luo Jin puzzled.

Luo Jin smiled sadly: "In order to reassure you, I found someone to pretend to be my boyfriend. I told him very clearly. He also agreed to help me. We are nothing, just ordinary. If you are happy, I will Bless you, but you are not happy now..." After a

pause, she gathered up her courage and said, "For the people, I only have you in my heart."
