

PUNISHED BY HIS LOVE

I' m Sorry My Love Novel Alternative

Chapter 2444

Galia turned around and saw Yi Yun in elegant fashion standing in front of her.

That spirit head didn't look like a sick woman at all, but her arrogance was written all over her face.

"Miss Yi, what a coincidence?" Galia asked calmly.

Overnight, Galia seemed to have grown up.

In the past 30 years, she has lived a very happy life.

Her parents protected her, her uncle and aunt protected her, and her brother protected her.

Later, she joined the work and she has been very smooth.

Until she met Suzi, Suzi was an incomparably powerful woman.

In the past few years of being with Suzi and Rayna, although she also experienced some things about Suzi and Rayna, it was not her personal experience after all, she just followed the injustice.

Instead, Suzi and Min Qing tolerated the two of them and protected her a little more.

She has always been protected, and now, she is finally starting to face something herself.

Since she had to face it, why should she be weak?

Even if she loses, she should not lose.

"Don't you think it's too coincidental?" Yi Yun asked bluntly.

“So, is this your deliberate arrangement?” Galia smiled indifferently.

At this moment, she was extremely grateful for Suzi.

It's true that she has seen Suzi's situation where she doesn't change, and Taishan never changes color when the top of the mountain is pressed. She has learned it.

“Haha!” Yi Yun laughed complacently: “I can't arrange it by myself. To be exact, I am a little girl, how can I have such great ability to arrange myself to meet you? What's more, I also It's just the daughter of a domestic servant in our Shu family?”

There is no doubt that I came here at the behest of my brother.

He really doesn't want to see you.

He can't stop you from pestering him, so let me come.

You If you have something to say, just say it.”

After Yi Yun finished speaking, she sat opposite Galia and caressed her fingernails leisurely.

Like that, he just wanted to piss Galia to death.

Galia smiled indifferently, raised her eyes to look into the distance, and shouted, “Waiter!”

“Here!” The waiter over there responded.

Yi Yun really didn't understand Galia's way, she raised her eyes and looked at Galia and asked, “Why don't you tell me your demands, why are you calling the waiter? Don't tell me you want to invite me to drink coffee here?”

I'm sorry, I grew up abroad, the coffee in China is really bad, and this cafe is not very high-end, so there must be no good coffee.

You don't have to order it for me.

Besides, you flatter me It's no use!

Even if you flatter me, you can't erase the scandals of your parents!

You'd better tell me concisely, if you want to see my brother, what are your requirements.

I tell you, you It's best not to..." The

waiter came to Galia: "Mrs. Shu, do you want to order food or coffee?"

"Call me this ignorant family servant." Galia said The words were flat and cold.

The cold can't hear the temperature, but also can't hear the anger.

But Yi Yun was suddenly surprised.

More than that, she felt the insult.

"What the hell are you doing!" Yi Yun, who was still very salty and showy just now, immediately blushed with anger and had a thick neck.

Galia didn't look at Evian, but just looked at the waiter: "I'm sorry, I made you laugh, my servant, it's because I didn't set the rules well, and I'm so sorry for her to curse in such a public place.

In this way, you call a few people here, and kick out the minions of this family first.

I'll count the money back to you later."

Chapter 2445

"Okay Mrs. Shu." The waiter turned around and went to call someone.

"You! You're too bold. You know this is a public place. How dare you ask someone to shoot me out?" Yi Yun stood up and looked at Galia with wide eyes.

She came here today to demonstrate with an absolute advantage.

On the way she came, she had been fantasizing, if Galia saw that it was her who came to the appointment, not Shu Mingzhen, with Galia's personality, Galia would definitely cry.

But never thought, this woman is not only angry.

She was still calm.

Not only did she look calm, but this woman was the first to attack, and she was going to attack her directly in this public place!

"Galia! Do you think our Shu family gave it for nothing! I'm the Shu family's domestic servant! But I'm also nobler than the average person! There is a saying that it depends on the master to beat a dog! Not to mention our Yi family I have been a loyal dog in the Shu family for several lifetimes! If you touch me, the Shu family will not let you go!" Yi Yun was so angry that she didn't even know what she said when she spoke.

As soon as her voice fell, a couple sitting not far away couldn't help laughing.

"There is still such a stupid woman in this world. She even said that she grew up abroad."

"What happened to growing up abroad? Is it better to be abroad than at home? This is Nancheng, the largest city in the country, in It is also one of the top five cities in the world, okay? If this woman grew up in a small town abroad, how can she compare to Nancheng?"

Look at her, she is also a country

bumpkin.

Are there no bunnies abroad?

Much is! "

Yi Yun: "..."

She was so angry that she almost fainted.

When she came, she was full of fighting spirit, and she promised to cry Galia, let Galia lose her temper, and let Internet celebrities and reporters record Galia. At this moment, Yi Yun had forgotten all about the video of Yan Po's scolding.

She looked at the pair of lovers angrily.

Two 20-year-old boys and girls didn't care what kind of dog she was from the Shu family or the Fu family. The dog.

Little boys and little girls are not afraid of everything.

"Hey, dog, can you understand human words? "

I'm sure you don't understand. No matter how smart a dog in this world is, they can't be compared with people. If you call her, she will naturally not understand. Stop shouting, don't watch!" Look at me digging your eyeballs again, what a beautiful b***!

Turn your head over to me! "

Yi Yun went crazy.

She clenched her fists in both hands, then took out her mobile phone and smashed it at the pair of young people: "Get out of here!" Get out! Do you think our Shu family is so good to offend? "

She smashed the phone, and the young couple who smashed it were stunned.

However, they were not frightened at all.

Instead, they just stood up and watched the fun.

At this time, the waiter just now had already put a few standing The security guard outside the park called in, came to Yi Yun, and the waiter said, "Hey, it's her. "

"You dare, I see who dares!" I'm Shu's housemaid! I came here to consume, if you dare to touch me, my Shu family will not spare you! Although the Shu family in Nancheng is not as powerful as the Fu family, they are not weak! You must have heard of it! "At this moment,

Yi Yun still carried the Shu family out, and she was extremely arrogant.

At this time, Galia, who had been sitting the whole time, sneered calmly and spit out three words: "You are so stupid."

Yi Yun: "You..."

Galia looked at the security guards coldly and said: "I'm the young grandmother of the Shu family. I can testify that this dog in my family is a little abnormal these days. Not

only did she not come here to consume, but she also came here to destroy.

This is where people consume.

She frequently calls herself a dog, and swears swear words.

She even smashes people with her mobile phone.

It's true that our Shu family is not strictly disciplined . . , I'll ask the security guards to send her directly to the police station. As for the loss here, I'll pay for it. It's

a joke."

Yu Bi. Galia looked at Yi Yun again: "Dog, I'm sorry, please move to the police station!"
