## I' m Sorry My Love Novel Alternative

### Chapter 2446

Yi Yun did not expect Galia to be so powerful.

“You damn small family! What qualifications do you have to marry into our Shu family, today my brother didn't come to the appointment at all, which is enough to show that he doesn't want you anymore! You dare to touch me, I think you dare Move me!” Yi Yun was in a hurry, raising her foot as if to kick Galia.

They were held down by several security guards.

One of the security guards was very stern: “Miss Yi! This is a public place, not a place for you to splash! Although we are not the police, we have an obligation to assist. Domestic law, disturbing and causing trouble in a public place is not a small crime! You better stay at the police station!”

Yu Bi, several security guards joined forces and directly pressed Yi Yun to the ground.

This time, Yi Yun was really like a dog, lying on the ground, unable to move.

Galia got up and came to Yi Yun.

Condescendingly, he looked at Yi Yun very calmly: “Yi Gou, I've seen stupid people, but I've never seen you such a stupid person who treats yourself as a dog, you're so stupid, how did your teammates choose you to take the lead

There is a saying that you said well, you are the dog of the Shu family. You

carry out the Shu family everywhere to back you up. Remember the website

, you are right, the Shu family is indeed very strong in Nancheng.

Therefore, as the Shu family Young mistress, how can I be weak?

Yiyun, even if you are a dog, a dog that bites its master, I can't keep you, can I?

Go to the police station and stay, ah.

I see who can do it this time . redeem you.”

Galia left immediately.

“Galia, you have to die. If you dare to plot against me like this, the Shu family will never let you go! You say I'm stupid, why don't you think about it, how do I know you are here, how do I know that you are here to make an appointment with Shu Mingzhen ?” By this time, Yi Yun was still extremely frantic.

She thought that this sentence would definitely make Galia angry.

Yes.

If Shu Mingzhen hadn't told her, how would she know that she came here to make an appointment with Galia?

But never thought about it, Galia looked back at Yi Yun with a smile: “That can only show that you are not only a dog, a dog that bites people, you are also an eavesdropping dog. Otherwise, how would you know that I am here with my man on a date

? Now, what I'm waiting for is my man, but it's not.

How did you know I was here. How did

you come here to find fault with me, it doesn't matter to me.

You just need to admit that you are here to find fault , come to sabotage, that's all, as for your purpose and motive, these are all questioned by the police.

I also tell you Yiyun!

Before I see my husband, go to anyone

! Be

good!

” Surely, Galia strode out of here.

Except for the moment in the cafe, Galia was not unhappy.

But it was very sad, and tears fell.

She knew that the road ahead would not be easy.

But she also had to be supported.

This is the price of being an adult!

After going out, Galia called Shu Mingzhen, but the other end was turned off.

Tears fell unexpectedly.

The mood is also lonely to the extreme.

The mobile phone in his hand immediately called Suzi again.

Suzi on the other end was connected very quickly: “Galia, I’m Suzi, how are you now, I’m still in Shaoqin’s company, all the network managers in the company are working overtime, you can rest assured Galia, no matter how many sources there are, we can remove them one by one for you.

You can reassure your parents that the impact will not be too great.

Don’t let them have a psychological burden.”

At this moment, Suzi was working overtime in the company. Add some points to deal with those videos that have been uploaded with bad influence.

For this reason, she was too busy to come to Galia’s side.

She didn't hear Galia's voice on the phone, so she shouted in doubt: "Galia, Galia, are you listening? Galia, what's the matter with you?"

Galia on this end was crying.

How strong he was against Yi Yun in the cafe just now, how weak Galia is now.

## Chapter 2447

She cried out of breath, that is, unable to speak.

After a while, Suzi finally heard the faint and suppressed crying on the phone, Suzi whispered, "Galia?"

"Shen...Suzi..." Galia wowed For a moment, cry loudly.

"Suzi... woo woo, I miss you, especially miss you, am I useless Suzi, why can't I be as calm as you, you have suffered more than me Yes, but I just encountered such a little difficulty, and I feel like it's a hurdle that I can't get through.

Suzi, do you think I can get past this hurdle?"

Suzi: "..."

After a few moments In seconds, she asked: "Galia, where are you? I'll drive over to pick you up now."

Galia: "Woo woo woo, Suzi... woo woo woo."

She was like a child, Very aggrieved.

This moment is almost completely relaxed.

"Galia, don't cry Galia, don't cry, be obedient, don't cry, tell me where you are, I'll come right over! Be obedient!" Suzi on the other end of the phone was anxious again, but couldn't be too anxious.

At this moment, she was really afraid that something would happen to Galia.

After all, Galia was different from her and Rayna.

Galia was really protected from childhood to adulthood.

At home, mom and dad love.

She has friends to protect her when she goes out to work.

When she arrived at her husband's house, the Shu family treated her well.

Everyone was reluctant to let her go through the storm.

But, no matter how reluctant it is, the storms that should come are still coming, and without mercy, they whistled and greeted Galia.

When the strong wind and rain fell on Galia, Suzi actually thought about a question.

Isn't it, they usually protect Galia too well?

All overlooked a question.

It is the wind and rain that everyone should go through in life, and it cannot be stopped by any external force. Even if an external force intervenes to block Galia from the wind and rain for a while, when the more violent wind and rain hit her again, she will not. ability to cope.

Just like this moment, she was helpless like a child.

Suzi's distress can't be added.

"I'm sorry Galia, it's our fault. We shouldn't be overly protective of you and reluctant to make you suffer a little. Galia, listen to me, it's not a big deal. Really Galia, whether it's the past of her parents, Or maybe what you are going through right now is not a major event.

In this world, there is only one thing that is a major event.

That is, people are gone.

Now that everyone is fine and they are still there, it is not a major event

.

At this critical juncture, you must persevere. If you can persevere, you will win, understand Galia. Be

obedient! Be

good!

Be strong!”

Galia cried and nodded: “Suzi, woo woo woo, I understand. I Be strong, but I miss you...”

“I’ll be right here!” Suzi said without hesitation.

“I’ll wait for you in the cafe near our house that we often go to.” Galia said.

“Okay!” Suzi smiled: “Good, order yourself the sweetest cup of coffee. Sweet, it can make you feel better. You and a cup of coffee will make me come here.”

“Thank you Suzi . . .” Galia also smiled.

It’s nice to have Suzi.

In her life, the most valuable thing she did was to befriend Suzi.

There is a saying that adversity sees true love. Back then, when Suzi was in trouble, Galia helped Suzi again and again, but now, when she was in trouble, Suzi spared no effort to help her.

Thinking of Suzi, and Suzi’s strength and tenacity, Galia’s mood really improved a lot.

When she was sitting in the cafe and waiting for Suzi, she was no longer so helpless, and her whole person became elegant and calm, with a slightly sad and elegant temperament, which was reflected in the afterglow of hope, and the strictness was even more reflected. Yan has an extraordinary beauty.

It is the kind of beauty that is lightly sad but calm.

“Hello, miss, can I ask you to dance?” A male voice entered Galia’s ears
