

Chapter 245

Tianqi was so shocked by Charlie's description that he couldn't even speak.

The whole body, even the white beard, is trembling

He couldn't believe that he thought it was the magic medicine refined by Grand Master Hidden, but it was actually refined by the young Charlie who was standing in front of him.

And, in his words, this can only be regarded as a semi-finished product?!

The semi-finished products are so powerful, then if the pill is refined for 800, wouldn't the effect be at least twice as good as the current one?!

The middle-aged man in the Song family was dumbfounded, and suddenly a burst of ecstasy surged in his heart!

He never dreamed that Warnia could find such a great god!

If the Song family could hold such a thigh, it would be a golden thigh!

But what is it that most rich and powerful people are afraid of? It's death!

No matter how much money, no matter how great the momentum, lifeless enjoyment can only be in vain!

If you know this kind of master who can take out the magic medicine at hand, prolonging your life is not a luxury!

Let Song Lao say, if Song Lao can live for another five years, it will be a blessing to the entire Song family!

Because Song Lao's face, Song Lao's foundation, and Song Lao's contacts are impossible to compare to any descendant in the family!

The Old Master is alive, many people must give face, but if the Old Master is gone, many people will no longer give the Song family any importance.

Therefore, the Song family also hoped that the Old Master could live as many years as possible.

With him protecting the sons of the Song family, they will get twice the result with half the effort!

Honor, who had been looking down upon Charlie, was also shocked at this time.

At the same time, he couldn't help feeling a little panicked.

Just now, he was desperately ridiculing him, but he didn't want to know that he is the real hidden master!

Tianqi couldn't help holding his fists and bowed, begging: "Mr. Wade, the Old Master has been plagued by old injuries. If you can be kind and make a magical medicine, the Old Master would like to give you 10 million in cash!"

The middle-aged man from the Song family couldn't help but stepped forward to salute, and said with a trembling, "Mr. Wade, if you can refine the magic medicine again, please give me a gift to the Song family. The Song family is also willing to give you ten million in cash! "

Charlie said indifferently: "I don't lack money, and I can prepare medicine again. It's not troublesome. Since you are sincere, I will prepare some more in the future. I will give you one at that time."

"Mr. Wade, you are really a distinguished person from my Song family." The middle-aged man from the Song family was so excited that he saw Charlie standing, and quickly moved a stool over and wiped it with his sleeve: "Mr. Wade Sit down."

Honor also hurriedly held a cup of tea and presented it to Charlie respectfully: "Mr. Wade, take a sip of tea."

Warnia watched silently, shocked in her heart with nothing to add!

She didn't expect Charlie to have such strength!

Moreover, he is a superfluous son-in-law, and his 20 million cash is unmoved. Why?

Could it be that his own energy is stronger than what she can currently see?

But why should such a powerful person be willing to be a son-in-law?

Tianqi, known as a genius doctor, also sighed from the bottom of his heart at this time: "Mr. Wade, you are really an immortal master! Your strength, your heart, and atmosphere, I am afraid that if I live for a hundred years, I may not be able to catch up with you."

Chapter 246

In Tianqi's view, even if he lived another fifty years, he would still not be able to touch Charlie's current heel at most.

This man's medical skills are unfathomable, and what's more magical is that he can refine such powerful magical medicine. This is simply a godlike existence!

Tianqi's granddaughter, Zhovia, was already blushing at this time. She was not convinced of Charlie just now, but now she is completely convinced!

Charlie said to Tianqi indifferently at this time: "Old Shi, although the medicine you bought is really effective for your internal injuries, it lacks a few prescriptions after all, and the effect is 20%. Wait for me. I will give you a complete pill, then you just have to take it, and the internal injury will be cured immediately."

"Mr. Wade, thank you next!"

Tianqi was grateful, and the Old Master knelt and clasped his fists in tears.

Zhovia also bowed down with Tianqi, blushing, and said to Charlie: "Mr. Wade, thank you!"

Tianqi also said: "Mr. Wade, you are not in Nanguang Traditional traditional medical field, but I have been in contact for decades, and I have some connections. With Mr. Wade's kindness, I have no

retribution. If you need any medicinal materials in the future, Or if you want to do something, just ask me for it.”

Charlie nodded slightly.

Don't think that Tianqi is only a traditional medicine doctor, but the Shi family has practiced medicine for generations and is the number one genius doctor in the south of the Yangtze River. His connections and resources in medicinal materials are probably not as good as the Song family.

With the help of the Shi family, it will be easier to find medicinal materials for cultivation in the future.

At this moment, Song Lao, who had not been moving, suddenly coughed and opened his eyes!

Everyone's eyes were attracted by him. Under this look, he was suddenly surprised!

Old Song, who had been unconscious, sat up from the bed by himself!

This this

The middle-aged man in the Song family didn't even dare to breathe, he was afraid that all this was just his own illusion.

The doctor had already given the Old Master a critical illness notice, thinking that the Old Master would not survive for a few days.

Honor specially invited the genius doctor Tianqi, but after Tianqi's granddaughter gave the injection, it only made the Old Master's complexion slightly restored, but he could do nothing about Song Lao's condition.

He thought that he could even prepare for the Old Master's funeral, and Charlie went up silently and gave the Old Master an injection.

And he did not expect that Charlie said that the Old Master would wake up in half an hour, and the Old Master would actually wake up in half an hour!

Moreover, the Old Master seems to have clear eyes, a strong complexion, and a ruddy complexion that is much better than before he fell ill!

This is really amazing!

Tianqi exclaimed, and said, “Mr. Wade said half an hour, but even a minute is not wasted!”

The Song family members were amazed, as said, a genius doctor! Sure enough, a genius doctor!

The middle-aged man from the Song family hurriedly stepped forward and asked the Old Master: “Dad, how are you feeling?”

Lao Song looked at his beloved son with complicated eyes, and his eyes were full of rejoicing after the disaster, and exclaimed: “I thought I was dead, I really didn't expect to wake up again.”

The middle-aged man from the Song family pointed to Charlie and said excitedly, “Dad, thanks to Mr. Wade for saving you this time!”

Old Song turned his head to look at Charlie. Seeing that he was so young, he couldn't help but be startled slightly. Then he recovered and said, "The life-saving grace of the genius doctor is unforgettable!"

Charlie smiled slightly and said, "It's not enough to raise your hand."

Having said that, Charlie pointed to Tianqi and his granddaughter Zhovia next to him and said: "Mr. Shi and his granddaughter have done a lot to save you. It is not my credit alone."
