

# PUNISHED BY HIS LOVE

## I'm Sorry My Love Novel Alternative....

### Chapter 2458

When talking about this, Galia solemnly looked at the people present: "No matter what you put Mingzhen on now Where is it, listen to me, the entire Shu family has been supported by Mingzhen for so many years, and the operation of the company outside the home is all Mingzhen.

If you want the glory of the Shu family to continue, please send Ming Zhen is released. If you don't want the Shu

family to continue to be brilliant, I don't care.

I came from a small family. I can live a rich life, and I can live a poor life.

My family's reputation, to sacrifice myself, to wrong my family.

My words are finished."

Galia turned around and left.

"Galia..." The mother-in-law's tone was quite reluctant: "Where are you going, child?"

Galia smiled: "Mom, on my parents' side, I have to prepare, maybe I have become a Ming person in the past two days. I have to quickly open a short video account for them. As fans accumulate, I will be able to do business in the future . There

is nothing wrong with the Shu family.

The only thing is that Yi Yun is ill. Now that she is sick, how can she go to the cafe to find fault with me?

This means that she is not sick.

At least she is not seriously sick.

So, the Shu family is fine. If there is anything wrong, they are the ones who made it.

I'm very busy and can't accompany them here. I'm leaving Mom. Ming Zhen is your son. If you decide to release him, let me know in advance.

I want to be back with my man. "

After saying that, Galia left the Shu house without knowing it

. The moment he stepped out of the gate of Shu's house, Galia was extremely relaxed. He

had never felt so relieved before.

Suzi and Jin Jiaming were right. In

this world, no one can Being strong has nothing to do with you, including the strength of your husband's family, it has nothing to do with yourself. If

you want to prevent yourself from being bullied, you must be strong.

Once you become strong, the little bullies and insults from others are nothing at all. It can be ignored.

Although she is not strong yet, she is psychologically able to accept any adversity calmly.

This is progress.

She has to prepare, first resign from the company, then join the group, and study systematically Come on.

She believes in herself and Director Jin Jiaming. The cooperation between the two will definitely produce very good works.

Thinking of this, she is very happy, and she almost went out humming a song. As soon as she went

out, someone stopped her. “Galia...”

Galia raised her head and saw Alyce, she walked over to hold Alyce’s hand and shouted, “Little aunt, you...why are you at Shu’s house? outside the door? Why don’t you go in? “

Alyce shook his head: “I’m worried about your father-in-law and mother-in-law, but there are three of your brothers inside, and I don’t want to go in. I’ve been standing outside for a long time, Galia, tell me, nothing happened at home, right?”

I haven’t seen Ming Zhen for two days. “

Galia’s warm eye sockets are sour.

What the little aunt said she was worried about was actually Ming Zhen.

In this family, when the little aunt was suffering the most, the only person who really warmed the little aunt was Ming Zhen

## **Chapter 2459**

Galia immediately patted the little aunt on the shoulder and comforted her: “Little aunt, you don’t have to worry, Ming Zhen He is the youngest son of the Shu family, and lives beside the Shu family all the year-round. Ming Zhen is in charge outside the home.

What’s more, although the three brothers above are abroad and have small achievements, in Nancheng, They can’t even handle a funeral. How could my parents-in-law give the huge Shu family to those three brothers?

They know very well that the only person who can manage this family is Ming Zhen.

So, my parents-in-law, I won’t do anything to Ming Zhen.

Don’t worry.

Look, I’m not worried, let alone you.”

Alyce's expression softened a little, she saw that Galia was in good spirits, and asked her: "You're doing well, how are your parents? Can you delete all those reports and videos? I heard Suzi say that both SuziSuzi and Shaoqin are busy checking the source of those videos?"

Galia Nodding moved: "It's okay little aunt, I don't need it in the future, all the videos don't need to be checked, it's good to continue like this. My parents can become Mingren."

"Your parents are willing to think so, only Okay. They're old, let's go, I'll go back to your house with you now to comfort your parents." Alyce said with great concern.

"Alright, let's go, little aunt, come back to my house with me." Galia took Alyce back to Yan's house.

My parents, my uncles and aunts are still at home, my cousin Christopher is not there, and Christopher is also checking and deleting the source of the video at the Fu Group at this moment.

Seeing Alyce as a guest at home, both Yan Weimin and Luo Jin were quite surprised, since they were very apologetic.

Especially Luo Jin, who was in a relatively low mood, saw Alyce, and she said, "Look at Ming Zhen's aunt, all of us are here. We...were not well entertained. I'm sorry..."

My father-in-law, my mother, it's fine, I'm fine. I am very entertaining.

Let me tell you, I have lived in the channel of the sewer pipe for many years. In

those years, I carried a snakeskin bag every day . , I was looking for garbage everywhere, and there were often people behind me at that time, and there were people who sang and sang..."

Luo Jin heard this, tears could not help falling: "I didn't expect, Shu The eldest lady of the family has been in such pain?"

"So, my mother, it's fine.

Everything will pass.

I think Galia is right. Since many things can't be stopped or destroyed, it's better to be calm. Accept, when short videos are so popular now, otherwise, let the Internet celebrities hype it up, which is very good. It is very

good.

Now is the era of national stars, and we will be stars once again!

I tell you, maybe At that time, there will be very unexpected gains.

You think, after all, this kind of thing exposed is not true, and there are many people who knew about your situation back then. If you blindly let those reports ferment, the Internet will be one-sided. Cursing people.

As long as you can withstand the pressure, it won't be long before those old friends, old colleagues, and classmates of yours who can't stand it will come forward.

The effect will definitely be a big rebound. Yes .”

Yan Weimin and Luo Jin also nodded.

They are very clear about the truth of the clear.

“That's it! Don't worry about it! Old lady, from now on, we should eat, drink, and health is important!” Yan Weimin patted his wife's shoulder and said.

Luo Jin nodded with tears in his eyes, and he really didn't look as sad as before. At this moment, the 60-year-old man laughed: “Let my old woman become an internet celebrity!

Maybe, it will bring great help to my daughter's career!”

After reaching this consensus, the whole family relaxed. stand up.

The family plans to invite Alyce, his in-law aunt, to dinner, and Quan Dang everyone gets together.

At this time, someone knocked on the door outside.

There was a knock on the door, and the door was opened.

Everyone looked at the door, and someone came in and said, “When you go out to dinner, you have to take me with you! Otherwise, who will pay for you?”
