Chapter 2460

Galia at the forefront looked closely, it was Darius.

Galia's eyes suddenly turned red.

"Mingzhen, you..."

Before he could finish the question, Darius's throat was choked up: "Galia, did you know that when I was in the hospital, the three older brothers held me down and controlled me. You went back to Shu's house just now. They covered my mouth and didn't make a sound. In fact, I could hear what you said. I was in the inner room.

Galia, you said it very well.

Then you left. After that, my parents let me out.

I hurried over to find you.

Galia, I just want to tell you that I will support you in everything you do.

You are right, your parents' past events, That's their business, you are not obliged to honor the Shu family.

You don't owe the Shu family. Remember that

you want to be an actor, and I will support you if you want to be a star."

Galia burst into Darius's arms with tears in her eyes. : "Husband..."

"Let's go and have dinner!" Darius wiped away Galia's tears and said, "Today I will treat my parents to surprise."

"Okay."

Galia's family of six Together with Darius and Alyce's aunt and nephew, they went to a very conspicuous and very noisy restaurant for dinner.

Naturally, wherever they go, there will be internet celebrities following them.

It must be said that today's Internet celebrities are really pervasive.

They really do everything they can to gain fans for their video accounts.

Some internet celebrities can even stay in the same place for several days without eating or drinking.

These netizens saw that Galia's parents came into the public eye. Not only Galia's parents, but even Darius, the young son of the Shu family, came out. This is really an unprecedented big melon.

All the internet celebrities scrambled to surround Galia, Darius and Yan Weimin and Luo Jin.

"Mr. Yan, may I ask what's going on with your son in the detention center now? Have you seen your son? How are you feeling now?"

"Ms. Luo Jin, I heard that you were a three-year-old boy, so you took it seriously. A bunch of married couples broke up. What do you think of what you have done?"

Have you ever felt guilty or sad?

I don't think you have any guilt in your appearance now.

Ms. Luo, have you ever thought about it ? , you are having dinner with your daughter and son-in-law now, your husband and ex-wife's son are still in custody, are you so peaceful?"

"By the way, Fourth Young Master Shu, as a top nobleman in Nancheng, you have such an identity. Eminent person, have you ever thought about erasing this for your mother-in-law and mother-in-law?"

I think you should have done so already?

Because the short videos that were reported in the media yesterday were basically deleted. Now, this is really enviable.

For someone like you who can cover the sky with one hand, your father-in-law and mother-in-law will definitely be more unscrupulous...”

These Internet celebrities, you say every word.

Everyone’s questions are sharper than the previous one.

Because they know that they are Internet celebrities from all over the country gathered here, dozens or hundreds of them. There is a saying that they do not suppress the crowd. They are collectively greeting some juniors who are concerned by the whole people, and the issue of protection from wealthy families. Who cares? How can I get them?

These people all looked at Galia’s parents and Shu Ming with bright eyes.

They all want to see them faltering, or dodging.

Wow!

So exciting.

Not to mention so many video sources, it is not so easy to delete one by one, even if you delete it, it will take a few minutes and a half hours or even an hour or two, right?

Totally enough!

A large group of Internet celebrities held up their cameras, all gearing up.

However, what made them wait was that Galia’s mother nodded to a group of Internet celebrities and reporters with a smile.

“Thank you, thank you for paying so much attention to me, I was originally an unknown person, and through your media, you made me a public figure all of a sudden, this is something I can’t buy with money, I’m really grateful. “

A large group of Internet celebrities: "..."

Chapter 2461

Is incredible.

Just yesterday, Galia's mother Luo Jin was crying like a tearful person, and she didn't answer directly at all.

Today she seems to be a different person?

Yesterday, these internet celebrities chose to back off without saying a word, which was due to Galia's pressure.

But today, these internet celebrities are really all confused by Luo Jin's calmness and Luo Jin's 'thank you'.

Seeing this group of people being dumbfounded, Luo Jin continued to ask the group of internet celebrities and media reporters: "Excuse me, what do I need to look like? What kind of look will make me more photogenic?"

I'm not professional in this regard, you guys. Remind me."

All the internet celebrities + reporters: "..."

"Are you filming? I'll set the shape in advance." While speaking, Logic has already begun to pose.

Some of her actions really shocked a group of Internet celebrities, and they didn't know what to do.

To shoot or not to shoot?

If it is filmed, these Internet celebrities are not stupid, they can see it, there is no doubt that Luo Jin wants to make a video very much today, then the effect of the next video will be so powerful so that the audience will be separated from each other. You can feel that Luo Jin is not angry, let alone angry.

Rather enjoy it.

In that case, how can the audience buy it? "

Don't take pictures?

If you don't take pictures, they waited for so long, but it was really in vain. The

air seemed to freeze.

So many internet celebrities and so many reporters look at me and I look at you.

Finally, one of the reporters couldn't help but said: "I told you at the time that Luo Jin and Yan Weimin were childhood sweethearts, and it was the woman

who got involved. Life was destroyed because the woman was pregnant. No one took over

.

If she didn't find someone to take over, her life would not be saved, and the life of the child in her belly would not be saved.

That woman is not for the child, she is for herself. The life of the child must be born, and the child must be born, and a husband must be found as a pick-up man.

That woman is eyeing Yan Weimin, and Yan Weimin and Luo Jin are separated.

This is it, my parents, Anyone who has lived in that city, anyone who has studied in that university, knows about it.

You...

you don't listen. You

have to dig out some lustful news. Why

? This matter involves the Shu family, so once this matter spreads, every small internet celebrity will surely turn into a huge wave of fans.

But what we didn't expect is that Luo Jin accepted it calmly, and especially hoped that he would be exposed.

This shows that the incident at that time really has nothing to do with Luo Jin.

Whoever wants to shoot here, just shoot, anyway, Luo Jin is also cooperating, so I will not accompany him for now.

Bye...”

The name The internet celebrity finally couldn't stand the condemnation of conscience, and told the truth about 30 years ago.

Seeing that the Internet celebrity reporters were all attentively listening to the reporter's analysis, Galia knew that she had won.

She finally used her own power to control these Internet celebrities and make them retreat automatically.

In the future, it is estimated that parents will no longer be sleepless at night by such little things.

very nice!

Galia smiled.

Those net red reporters slipped away in minutes.

The door of the restaurant where they were located became clean and returned to its previous atmosphere, and it was not very lively.

The whole family had just sat in the private room when Galia's cell phone rang again.

She picked it up and saw that it was an unfamiliar number. After a moment of hesitation, she connected: "Hello, who are you?"
