

Chapter 247:

Tianqi did not expect that Charlie would still be able to say good things to him and his granddaughter at this time. He was grateful and humbly said: "Song Lao, Mr. Wade is humble. In fact, Song Lao can turn the crisis into safety. It's not him, and we may not wake you up."

Song Lao nodded but said politely: "I've heard of the reputation of being a genius doctor, so please don't belittle yourself. In any case, you are already kind to me if you can come this time."

After finishing speaking, he looked at Charlie and said seriously: "Mr. Charlie, my life-saving grace is unforgettable! If there is anything that can be of any use for you in the Song family, it belongs to you!"

Charlie smiled slightly and said, "Mr. Song is polite."

After speaking, when it was late, Charlie said: "Song Lao, you have recovered from a serious illness, and it is not suitable to spend more energy. It is better for you to have some rest, and I will too leave now."

Old Song hurriedly said: "Mr. Charlie, I don't know how much consultation fee should be paid for saving Lao Fu's life this time? Lao Fu will definitely pay twice!"

Charlie said indifferently: "There is no need for the consultation fee. This time I came here for Warnia, it is the help between friends."

Warnia was shocked both physically and mentally when she heard this!

Charlie is giving credit to her in front of grandpa! After all, grandpa can decide how many properties each Song family can inherit and what role they can play in the family business in the future!

If she can get his love, she may even become the future leader of the Song family, which is what she has been looking forward to.

Charlie gave her such a big credit this time, and it seems that she is one step closer to this goal!

Elder Song couldn't help but look at his granddaughter Warnia, nodded slightly, and even said: "Okay! Very good! Warnia, even if you save your grandfather, you must not treat Mr. Wade badly!"

Warnia hurriedly bowed, and said seriously: "Grandpa, don't worry, I will repay Mr. Wade well!"

"Good." Song Lao nodded in satisfaction and laughed heartily.

Honor standing not far away, his expression became extremely ugly.

This credit was completely robbed by Warnia, so it seems that he will be very passive in the future

Charlie didn't stay in Song's house for too long. Seeing that Song Lao was almost recovered, he proposed to leave.

So, Song Lao asked the Song family member to see him off to the door in person.

Tianqi also decided to leave with his granddaughter. To Charlie, he said that in the next few days, he would find a hotel to stay in Aurous Hill, and he would contact him when he finished refining the medicine.

Tianqi was naturally thankful, watching Charlie respectfully get into Warnia's car.

Later, Warnia drove Charlie back to the city.

On the way, Warnia said to him: "Mr. Wade, thank you so much today."

Charlie smiled slightly and said, "Little things, you don't need to be so polite, maybe I will need Miss Song's help in the future!"

Warnia hurriedly said, "Mr. Wade can rest assured, in your need, Warnia will never refuse to go through fire and water!"

After all, Warnia looked at Charlie's profile and asked tentatively: "Mr. Wade, I wonder if you can find a place to sit and have a drink?"

She had ten thousand doubts about Charlie in her heart, waiting for the mystery to be solved, and she also found that Charlie seemed to have a strong magnetic force on his body and began to exude an irresistible attraction to herself, which made her unable to help it. She wants to get in touch with him more and learn more about the secrets in his heart.

Chapter 248

Charlie looked at the time, it wasn't too late, and it was true that he hadn't drunk happily for a long time, so he nodded and said, "Okay, you can choose the place!"

Warnia was overjoyed on her face and hurriedly said: "I know a bar, it's a great place!"

After that, she stepped on the accelerator and drove quickly towards the city center.

In the city center, a bar named sunny.

Warnia parked the car at the door, and directly threw the car key to the little brother standing there, and took Charlie through the steps.

When the waiter saw her, he immediately said respectfully: "Miss Song, good evening! Are you still in your old seat?"

Warnia nodded, and the other party immediately said, "Please follow me."

On the first floor of this bar, there is a dance floor and a DJ, which is quite lively, but the waiter took them directly to the second floor. On the second floor, beside the empty railing, there is a seat with no seats around. Not only can you watch the lively scene below, and there is no influence around, and the music is not so loud, it can be quiet in the noise.

As soon as Warnia sat down, she immediately said to the waiter: "Two bottles of the best 82 Lafite."

"OK, Miss Song!"

The waiter bowed very respectfully, and then quickly brought up two bottles of red wine.

The wine was opened, and part of it was poured into the decanter. The waiter wanted to wait there. Warnia said to him, "Go down and say hello to your boss. Don't bring other guests on the second floor today."

“OK, Miss Song!” The other party bowed respectfully and retreated.

Charlie asked curiously: “Do you have shares here?”

Warnia smiled slightly and said, “This bar was opened by a member of the Song family branch.”

Charlie nodded and said with a smile: “The Song family is really a big family.”

Warnia laughed at herself and said, “It’s okay. In Aurous Hill, this one-third of acres, there is really no family that can match it, but after leaving Aurous Hill, it is actually nothing. Just Eastcliff has a big Big family with much better votes than the Song family. The Lan family, the Huang family, the Ou family, and the Dong family are the most powerful, and the Su family and the Wade family. Big families like the Wade family can match dozens of us. We can only look up.”

Charlie smiled without saying a word.

Wade family? Isn’t it his family?

It’s just that he hasn’t figured out whether he wants to go back yet.

To be honest, life is actually pretty good now. Not only does he have the Emgrand Group and tens of billions of cash, but also have the infinite possibilities that the Nine Profound Heavenly Scriptures give me.

In contrast, if he goes back to Wade’s house, he will be subject to many constraints. How can he be so free then?

Warnia poured a glass of red wine for Charlie and herself at this time, handed one of them to him, smiled, and said, “Come on, Mr. Wade, I toast you a glass!”

The lights on the second floor were dim, and the waiter placed two candles on the table. Warnia’s face looked pink and tender under the candlelight.

Charlie took the wine, looked at Warnia, who was rosy and tender, and said with a smile: “Miss Song, whenever you drink, you must have a reason to drink, such as what we want to celebrate, or what we want to remember or forget, to be upset or happy about something, so before we drink each glass of wine, we have to talk about why this glass of wine was drunk, what do you think?”
