

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2474

Suzi's heart stunned.

Arron just told her last night to find a few people to protect Galia, but Galia went out of town today.

How is it so coincidental?

For some reason, there was a very ominous omen in my heart.

"Galia, you...Where have you been? Come back quickly! Come back quickly!" Suzi blurted out.

Galia asked inexplicably: "What's wrong with you, Suzi, is there something urgent? But even if you are in a hurry, I won't be able to come back for the time being, because I've already arrived at the place, and the train ticket I bought will be worth it. It's a plane ticket, and I won't be able to come back in a while.

If you have anything, let Rong Rong help you, I will come back as soon as possible, and come back as quickly as possible.

Don't worry, Suzi."

Hearing Galia's turn back Worrying about himself and comforting himself, Suzi suddenly blamed himself.

She shouldn't be in such a hurry. Remember that

although Galia has grown a lot because of this incident, in Suzi's eyes, Galia is still the pure and kind Galia. Now, if you tell her about Arron's worries now, it will only cause her a negative psychological burden.

Maybe it will frighten Galia.

Don't startle Galia.

Maybe...

nothing will happen.

She was overthinking.

"It's alright, Galia, it's alright, I just saw that you weren't in the company, I was a little uncomfortable, I forgot, you are about to resign and go to make a movie, you are normal in other places.

That.

When are you coming back?

I originally wanted to invite you to a meal, to shock you, and then to invest in your director Jin.

Well, Mr. Fu, our family, plans to invest the full amount in your film At

that time, I will bring you the world's leading protagonist and play a supporting role for you!

How about it.

Are you big enough for this row?" At

that end, Galia was surprised beyond words: "You.... .. is what you said true? Suzi? I'm so happy. When I was talking with Director Jin about the script last night, Director Jin also talked about this matter. He was thinking about where to get sponsors.

You know , Director Jin is not too aggressive about fame and fortune.

He doesn't want to cooperate with companies that are too bad.

However, for companies that are too big, he is not sure whether they will cooperate with him, because his filming is not entirely commercial. In

fact, Director Jin knows my relationship with you, and even more that you and President Fu are husband and wife, but he is a very real

person. She doesn't want to make it difficult for me to ask me to find President Fu. She

doesn't want to put too much burden on you.

So , never said anything.

I told him all the time, if he sponsored me to go to President Fu's place, he would not agree.

I didn't expect that you, Suzi, would take the initiative to invest in my film, which is really great

. It's urgent.”

Galia danced with joy, she said to Suzi cheerfully: “Suzi, I did not suffer this disaster in vain, not only did the Shu family treat me better, but my husband treated me better, even my movie investment. , also has the whereabouts, wait for me, I will be back by train tomorrow.

When I come back, I will treat you to a big meal!”

“Galia, can you tell me, what are you going for?

It's a business trip . Is it?

Or did you follow Director Jin to film the scene?”

If she goes on a business trip, she will also know that she went to the city.

If she went to film with Director Jin, she would secretly arrange for Director Jin to protect Galia.

Who knew Galia would say: “I won't tell you! I'll keep it a secret for now! However, I can tell you that it's a good thing, a very good thing!”

Suzi: “...” On

the other end, Galia hurriedly said: “Suzi, I won't talk to you anymore, I'll hang up first! For nothing!”

Chapter 2475

must be said, Galia hung up the phone.

At that end, Suzi's worries were even heavier than before.

The bad premonition in my heart was just about to come out.

She immediately called and asked Darius: "Azhen, are you with Galia?" On

the other end, Darius replied immediately: "No, Suzi, you are looking for Galia, didn't she go to work today?"

Suzi : "..."

Even Ming Zhen didn't know what Galia was doing?

How could she even hide Ming Zhen?

Could it be that Galia and other men went privately?

But when Suzi thought about it, it was impossible, Galia would not be that kind of person.

Galia and Darius have a good relationship, no worse than her and Arron.

What did Galia do?

The worry in her heart made her unable to do anything, but she didn't dare to Jingdong Galia, she was afraid of Galia's fear, and she was in chaos. If any gangsters really follow Galia, Galia's nervousness and fear will only harm Galia.

will be all right.

Should be fine.

Nothing will happen.

All day, Suzi couldn't do anything, and she didn't approve any of the design drafts that should be approved.

Most of the things that were corrected were corrected by Rayna.

“What’s wrong with you, Suzi?” Rayna could see that Suzi was absent-minded.

Suzi looked at Rayna, shook his head and smiled: “It’s okay,

Rayna.” Rayna smiled apologetically at Suzi: “I’m sorry, Suzi, I see that you have lost a lot of weight recently, and you can’t eat well and sleep well. No, you see, you are either worried about me or Galia. The divorce between Jun’s family and I has not been resolved, and Galia’s business has come out again.

To be honest, the two of us are you My friend didn’t bring you much benefit, it’s all for you to worry about us.”

Suzi raised his head and scratched Rayna’s nose: “What are you talking about, how good you are now, alone with two A child, you can still take care of the child so well, and you can still work in the company with a salary of 20,000 to 30,000 yuan a month.

You are a working woman. You do

n’t lose your BMW instinct.

You are a very strong mother, I I’m proud of you.

You’re great now.

If I didn’t have your help today, I’d really be in trouble.

You’re fine,

Rayna.” Rayna asked seriously: “Suzi, what happened? Can you tell me something? What if I can help?”

You can’t!

You have two children now. Although you are in a divorce with Jun’s family, it’s all a small fight. There is a high possibility that you will reconcile. In fact, you are very happy, Rayna, so don’t get involved.

don’t want!

“It’s okay, go get busy.” Suzi said lightly.

Rayna nodded.

She knew that Suzi's nature is deep, and all his thoughts will not be exposed. As long as Suzi doesn't want to say, even if you ask ten thousand times, Suzi will not say it.

The only thing Rayna can do is to help Suzi deal with his work.

After Rayna returned to work, Suzi called Galia's cell phone again.

She was really panicking.

She knew her husband. When they were so close to each other last night, her husband suddenly let go of her and sent an email, which showed that Shaoqin had a very clear realization that things were not that simple.

Shaoqin has always been calm and thoughtful.

What he was worried about must be a big thing.

After pressing down a series of numbers, Suzi muttered: "Galia, quickly pick up, fast pick up."

However, a mechanical voice came from the other end: "The user you dialed has been turned off."
