I' m Sorry My Love Novel Alternative

Chapter 2484

Suzi: "Galia, maybe, is it a misunderstanding?"

Galia shook her head, her voice weak and hoarse, Despair, but also interesting to see through the feeling of Hongchen: "Suzi, I have always admired your six-year escape career, I admire you even more, you have such a powerful husband, but you never rely on your husband, but Choose to be self-reliant.

What I admired most about you was that Arron loved you so much, but you never bowed to him.

But now, I finally understand.

In your heart, you really don't want to step into a wealthy family.

Because you have lived since you were young In the Lin family, they have suffered miserably. Although the Lin family is not a wealthy family, they are already intriguing to each other. What 's more, what about the real, authentic wealthy family

? Yan's tragic explanation made Suzi feel sad: "Galia, I think this may be a misunderstanding, Ming Zhen has been in love with you for seven or eight years, and you are his wife. How could he? Possibly? What if you were framed and used by someone?" Suzi really didn't want Galia and Darius to be used. Galia smiled miserably: "Suzi, I know that your persuasion is all kind of good intentions, I understand, but even a man who used to be kind and generous, if the opposite is his three brothers, his close relatives . The woman who has been his wife for less than five years is simply an outsider.

What's more, we are not in the right place.

The Shu family is an out-and-out wealthy aristocrat in Nancheng, and our Yan family is the most typical commoner.

His three brothers didn't want to see me.

It was me who broke up their Shu family, so Darius should hate me.

He said that he bought me a birthday present in Hong Kong, but it was actually a pretense, just to deceive him, because of his status in Nancheng, he couldn't take the face and hit me to death in Nancheng.

Therefore, it is estimated that I was tricked into this small border town, which is more than a thousand miles away, and it is difficult to be found.

Ha ha!

What he did was really good.

Absolutely..."

When she said this, Galia's hoarse voice choked and said that she couldn't continue, her throat was so choked, and the whole person looked extremely painful. It was so

painful that Suzi, who was watching from the side, didn't know what to do . What is good.

After choking for a while, Galia smiled miserably: "Suzi, you know, I'm in so much pain... I don't want to live anymore.

I think the world is so disgusting.

It makes me sick, I don't want to miss it at all.

I don't want to miss. "

Suzi heard tears like rain.

Suzi understands Galia's state of mind very well.

Because she really knows Galia too well, Galia has a simple nature, and at the age of thirty years, she has always been sweet and sweet. Honey, when she was a child, her parents protected her. When she grew up, her brother protected her. She made friends with Suzi and

Rayna. Later, she fell in love with Darius. In the past few years, Darius has always protected her.

In her world, she has always been protected. All are pure.

Such a sudden fall from a pure and simple world to such a point of being calculated in every possible way, how can a simple Galia accept it?

step by step.

Originally, she had become stronger, and she had taken a big step.

But she found out that maybe this was also a conspiracy. This conspiracy was to deceive her trust in the first place, and she believed that Darius really bought birthday gifts for her.

Then he tricked her into a small southern town step by step.

And then in a foreign country, she was knocked into ashes in one fell swoop.

This is so vicious!

“Galia, don’t talk about Galia like that, we love you very much, you still have me and Rayna, you still have your parents.” Originally, Suzi still wanted to comfort Galia, and you still have Ming Zhen.

However, seeing Galia so excited, Suzi didn’t dare to mention Darius’s name again.

Chapter 2485

Galia shook her head again in a world-weary way: “No, my parents, my cousin will take good care of them. Theirs, I don’t need to worry about them, Suzi, I’m so tired...”

Suzi: “...”

Just when she didn’t know how to persuade Galia, her phone rang.

Suzi didn’t even look at it, so he hurriedly connected: “Shaoqin, have you paid the fee? You bought some nutritional supplements from

outside, remember to be soft, Galia just finished the operation and just got out of danger, she I can't eat hard things.

Hurry up, you!"

It was because she was too impatient.

In addition, Galia felt that Arron should be calling her in a different place.

However, just after she finished speaking, Darius's extremely calm voice came from there: "Suzi, what did you just say, you said that Galia was in the hospital and was just out of danger?"

What do you mean? What happened

to Galia!

You Hurry up and tell me!

Suzi!"

At the other end, Darius's voice was anxious as if he wanted to eat people.

Suzi: "Mingzhen, is that you?"

"Tell me, what happened to Galia!" Darius asked angrily.

At this end, Galia, who was lying on the hospital bed, was trembling. Although her face was tied with gauze, she could still see the painful twist.

Galia said with a big mouth: "Suzi, Suzi, don't...you're my friend, so don't hurt me, Suzi...I beg you... Suzi!"

Suzi glanced at Galia, and then calmly said to Darius: "I'm sorry Mingzhen, I have nothing to say!" At

the other end, Darius sneered: "Suzi, you have treated me as Darius for so many years. Is it made of mud? Although I am not as big as your husband's sphere of influence! But with my ability, Darius, I think it is not difficult for me to find my wife

!“

Suzi : “...”

“He... what did he say?” Galia asked Suzi weakly.

Suzi shook his head: “Don’t worry Galia, I didn’t tell Ming Zhen you were here, I hung up the phone, of course he was a little annoyed... So Galia, until now I feel that Ming Zhen is him.. “...”

“Stop talking! I don’t want to hear it!” Galia almost got angry.

“Okay! Okay Galia, I won’t say it, I won’t say it, don’t get excited, calm down, you’ve just gotten out of danger, don’t get excited, Shaoqin will come back after buying something to eat, I’ll help you up, Shall we eat a little?” Suzi comforted Galia gently.

Galia nodded: “Okay Suzi.”

After a while, Arron came back, although no one told Arron what to do, but both of his hands were carrying food.

It’s all fluffy liquid food.

And they are all nutrient-dense foods.

It was Suzi who hugged Galia and helped her up, Galia who tasted every bite.

Galia was extremely obedient and docile. After eating, she slept for a while.

At this time, Suzi and Arron were too sleepy. After all, they hadn’t slept for a long time.

Seeing Galia fast asleep, the couple sat on the sofa in the VIP ward and squinted for a while.

It doesn’t matter this time, when they woke up, Suzi and Arron both stared at the VIP hospital bed, which was empty.

What about Galia?

“Galia, where is Galia?” Suzi shouted in the corridor, and when he met someone, he asked, “Have you seen Galia?” No one saw it

.

At this moment, a person suddenly walked over to the corridor, and Suzi and Arron saw it only after they walked in.

That person turned out to be Darius.

Darius is really powerful, he was able to find this place.

“Where’s Galia, how is she injured?” Darius looked anxious.

Suzi looked at Darius with mixed feelings: “Galia... disappeared.”
