

Chapter 249

Hearing Charlie's special request, Warnia said with a smile: "Okay, since it's the first drink, let me explain why.

With that, she cleared her throat, smiled sweetly, and said, "Of course the first drink is to thank you! You saved my grandfather today and did me a big favor!"

Charlie nodded and smiled: "Okay, then we will do this glass of wine!"

After speaking, he picked up the wine glass, touched the wine glass in Warnia's hand, and drank it in one go.

Warnia also drank all the wine in the wine glass very boldly, and then asked Charlie with a smile: "Mr. Charlie, why did you drink the second glass?"

"Okay." Charlie smiled, and said: "This second cup is just for fate! In this world, people can get to know each other because of the fate gained through thousands of years of cultivation. You and I have a fate. This cup of wine is Respect for fate!"

"Okay!" Warnia said with a smile: "Respect for fate!"

Immediately after the third cup, Warnia blushed pretty and said: "This cup of wine, to Mr. Wade's superb ability, I saw Mr. Charlie's ability to treat illnesses and save people today, and I became more and more certain that your act in Aurous Hill by lightning. It's not accidental, Mr. Charlie, would you like to talk about it yourself?"

Charlie smiled casually, and said unfathomably: "Was it not accidental? God knows it better. As for you and me mortals, you can only say that the secret is not to be revealed."

Warnia nodded and smiled, watching Charlie's beautiful eyes continue to flow, and said seriously: "In order not to reveal the secret, let's have a drink!"

"it is good!"

After a few glasses of wine, Warnia's eyes turned a bit blurred.

Although she has a good amount of alcohol tolerance, she drinks several glasses of red wine in one breath.

At this time, it was time for her to say the toast and the reason for drinking.

Warnia looked at Charlie with a pair of big eyes and a bit drunk, and suddenly said faintly: "Actually, Mr. Charlie, I recently discovered that you are actually quite good."

"Very good?" Charlie chuckled and asked curiously: "What do you mean by this?"

"Many aspects." Warnia said earnestly: "You are more interesting than the people I usually contact. Many people I usually contact, either always flatter me, hold me, follow me, or always treat me. I have some unclear attempts, and it can be said that few are good things."

"What?" Charlie asked curiously: "Do you think I have no intentions against you?"

Warnia nodded and said, "I think you seem to feel a little detached from the world."

Chapter 250

Charlie asked curiously: "Beyond the mundane world? What do you say?"

Warnia said seriously: "Mr. Charlie looks ugly, but he is actually very capable, capable but not arrogant, usually not showing up, but once someone touches your limit, you will not hesitate. The counterattack, and the decisive killing and not leaving any opportunity for the opponent to backhand, these qualities are by no means carried by the ordinary people.

After that, Warnia said again: "More importantly, I don't understand. Why do you want to be a live-in son-in-law in the Willson family because you have such a great ability? The Willson family is just a second-and third-rate ordinary family. You are a great god, stay in it?"

Charlie didn't answer her question, but asked her: "Then you think if I don't stay in the Willson family, where should I stay? Or, do you think, where can I stay in it?"

Warnia said seriously: "I think you should marry a top-notch big family. For an expert like you, countless big families will sharpen their heads and marry their daughters to you."

Charlie said with a smile: "What's the point of that? This kind of combination of interests does not have any love factor in itself. A girl from a big family is willing to marry someone she doesn't like? Or just want to be herself Is your life under the command and control of your family?"

Warnia naturally said: "Of course! Any big family has always been particularly strict with the girls in the family. For example, you must go to a very top aristocratic school, not to learn knowledge, but to learn aristocratic social etiquette. For another example, if we are under a certain age or timing, the family strictly forbids us from contacting the opposite sex, and never allows us to fall in love on our own.

"Really?" Charlie asked surprised: "This is the 21st century. How come you big families are more feudal than those in the ancient feudal society of our country?"

"This is not feudal." Warnia said earnestly: "This is the survival rule of the upper family."

"Law of survival?" Charlie asked curiously: "How to say?"

Warnia said seriously: "We need to cooperate, bind, and exchange resources with other families. Therefore, one of the family mottos of our Song family is very important: All direct members of the family must obey the family when talking about marriage."

"In the feudal society, the requirement of the Song family to intermarriage was that the marriage must be between the cousins, that is, the previous cousin married the cousin, this cousin married that cousin, this is to prevent wealth dilution or outflow, but now the country prohibits three generations blood relatives to married, but even abroad, many cousins still get married."

"Later, our family motto was gradually relaxed. We did not require marriage with a cousin, but we had to intermarry with other large families. The other side's family power can be higher than our own, but it must not be too much lower than ours."

Speaking of this, Warnia sighed and continued: “The family believes that a family has the value of cooperation, and it will find ways to let the men of the family marry the women of the other family, or marry the women of the family into the other family. All family members must focus on family interests and must not disobey any arrangements made by the family, especially major marriages.”

Charlie sighed, and said, “It seems that this big family also has the distress of the big family. The richer, the more greedy for money.”

When speaking, Charlie also sighed inwardly. It seemed that if he returned to the Wade family, the Wade family would absolutely have to exercise the same control over him, and might even look down on the Willson family and force him to divorce Claire. , And then introduce him to a wealthy daughter from another big family.

It seemed that the Wade family really couldn't return.

Thinking in his heart, Charlie asked: “By the way, I think Miss Song you are also at the age of marrying. I wonder if your family has arranged a good marriage partner for you?”

Warnia shook her head and said, “It was originally planned. First, my cousin Honor's marriage was decided. His fiancée was the daughter of a northern family designated by my grandfather. When it was my turn, my grandfather was seriously ill. So I didn't care about this matter anymore, but now my grandpa is healed from illness, I guess he will start planning my marriage soon.”
