## **I'm Sorry My Love Novel Alternative**

### **Chapter 2490**

"How can this be me?" Darius murmured these words all the time.

Suzi and Arron next to them did not speak for a long time.

Seeing Darius muttering to himself for several minutes, Suzi couldn't help but look up at Arron: "Shaoqin, have you verified the technology?"

Arron shook his head: "The local technical level can only identify Mingzhen, and it's clearer. I can't tell the difference."

"Do you believe it is Ming Zhen?" Suzi asked.

Arron shook his head: "Of course I don't believe it."

From beginning to end, he never believed it.

And he concluded that there was a bigger conspiracy behind this matter, but he came to visit Galia in this city with Suzi these few days, and did not care about the query results from Nancheng, but even if Arron was not there, what he had already ordered, Nancheng will also be diligent in inquiries.

He believed that there would be results.

Darius grabbed Arron: "Fourth Brother Fu, you don't believe it's me, do you?"

Arron sighed and said, "Mingzhen, I will send people all over the country to find Galia, as long as she is still alive, one day sooner or later. , I will find her, just like Suzi, I searched for her for six years, and finally found her.

I will do my best to help you find Galia."

Many things are still uncertain, so at this time, Arron did not Say more.

He was just comforting Darius: "Mingzhen, let's go back to Nancheng first. I will send someone to look for Galia."

"Thank you, Brother Shaoqin." Darius sincerely thanked Arron.

Although the Shu family has half of the country in Nancheng, when it comes to Darius's generation, he cannot compete with Arron, but Arron has always taken good care of the Shu family.

Grandpa's funeral was presided over by Arron.

Now, Arron and Suzi are again presiding over the overall situation here.

There was an indescribable gratitude in Darius's heart.

"Brother Shaoqin, I will remember your kindness for a lifetime, no matter if I can find Galia or not." Darius said to Arron sincerely.

"Go back to Nancheng first." Arron patted Darius on the shoulder.

He couldn't tell Darius about his suspicions and investigations. If there was really a force coming against his Fu family or even Arron himself, then the Shu family would become a shield for Arron to die for him.

In other words, that force is provoking the relationship between the Fu family and the Shu family?

Arron is not sure yet.

However, no matter what it is, the Shu family is too innocent.

What's more, Galia is too innocent.

The anger accumulated in Arron's heart is getting heavier and heavier. Once he is thoroughly investigated for that force, he will not hesitate to kill without mercy at all costs.

Must be killed without mercy.

After the group returned to Nancheng, everyone was very busy.

Especially Darius.

Losing Galia was equivalent to losing his life to him, not to mention that he knew that Galia was pregnant with his child.

The entire Shu family fell into an incomparable grief, and Shu's father and Shu's mother washed their faces in tears every day.

However, it was not the Shu family who suffered the most.

But the Yan family.

Yan's father, Yan's mother, is such a daughter as Galia. Hearing this bad news, Yan's father and Yan's mother were directly admitted to the hospital.

For thirty years, their lives have been extremely stable.

They never thought about a rich and noble life, they just thought that life could be comfortable and happy, and that they could live in peace.

But, things are so impermanent.

Just like what the world often says.

Humans are born to suffer.

But, their husband and wife have already gone through hardships, why should this kind of hardship continue to their daughter, why should they be in their fifties to bear the pain of losing their daughter?

## Chapter 2491

Why!

The couple cried many times in the hospital and fell into a coma.

It has always been Suzi, Rayna, Christopher, and Christopher's parents taking care of Yan Weimin and Luo Jin and his wife.

Suzi repeatedly comforted Yan Weimin and Luo Jin and his wife: "Uncle and aunt, Shaoqin will make every effort to find Galia. There is no news about Galia, which is the best news. You two must ensure your health

. When Galia comes back with a pair of twin daughters, you still need your two elders to take care of your grandsons and granddaughters.

If your body is worn down, who will Galia rely on?"

He said, but it eased the spirit of the old couple. a lot.

Even, they are willing to eat.

Yan Weimin said energetically: "Suzi is right, we have to take good care of our body and look at our grandson in the future."

Luo Jin also nodded heavily: "Yeah!"

This is hope.

People, as long as they have thoughts, they have the energy to live.

Even if this hope is very slim, it is a belief that supports everything.

Seeing such an old couple, Suzi burst into tears.

Originally, she was a kind woman who didn't even dare to kill a chicken.

But now, at this moment, Suzi, like Arron, has a very ruthless urge to kill.

She hid her tears, hugged Luo Jin with a smile and comforted her: "Auntie, you must eat more and exercise more, when you see your two grandchildren and granddaughters in the future, and you are busy, two little naughty can make you I'm so tired I'm gasping for breath."

Luo Jin immediately laughed out loud: "Well, good boy, auntie remembered."  
Coaxed

the old couple and stayed with them in the hospital for a few days until Yan Weimin and Luo Jin and the old couple were discharged from the hospital, and Suzi's Busy, only temporarily come to an end.

Fortunately, her children are more obedient.

Shen Wei's ability to take care of himself is already very good.

The two little ones are also very sensible little gentlemen, and they don't need Suzi to worry much.

After Suzi went to work, he went home to take his children and spent a lot of time searching for information about missing persons.

But if there are any physical features like Galia, Suzi should pay special attention.

Although there has been no news yet.

However, Suzi never gave up.

Originally, she and Arron's sweet two-person life three or four times a week was put on hold because of this matter, but the relationship between the husband and wife has never faded. Arron has been very busy recently.

Suzi never disturbed his husband.

She knew that her husband's pressure was greater than her.

The husband is responsible for the life and death of the entire Fu family, and even the entire Nancheng. As long as this powerful enemy does not appear, who will wait for Arron to wait for the Fu family next, no one knows what the result will be.

Until one day, Darius, who had been decadent and had not shown up for a long time, suddenly met with Suzi and Arron at the same time.

When calling Suzi, Darius's tone was extremely calm: "SuziSuzi, I want to meet you, in the cafe near Galia's house."

Suzi sincerely cared: "Mingzhen, how are you? ?" The

other end of the phone hung up.

Suzi took care of the work at hand and went to the cafe. Outside the cafe, she saw her husband Arron.

"Ming Zhen also asked you to come?" Suzi asked.

Arron nodded calmly.

Suzi climbed to hold Arron's arm: "Go in Shaoqin, we have to face it together."

"Okay." Arron said.

When the two entered the cafe, they saw that Darius was already sitting on the booth. When they approached him, Suzi shouted, "Azhen..."

Without saying a word, he saw Darius. He stood up and came to Arron, raised his fist and smashed it on Arron's face: "Fu, I will fight with you!"
