

Chapter 2499– 2500 of A Dish Best Served Cold Novel

Chapter 2499

“Lu Hua, what did you do?”

“How did you provoke this group of people?”

On the way, Kong Ming, who was beaten with a bruised nose and swollen face, asked Lv Hua in grief and indignation.

After the confrontation just now, Kong Ming realized that none of the five people in front of him was weaker than him.

In other words, the five peaks of Jinhua!

This lineup is also powerful against the strongest master.

It is conceivable to be able to dispatch such a powerful person, and the other party must be a big force.

“Old Kong, I don’t know either~”

“I don’t even know them.”

Lu Hua was almost crying, wondering what this is all about.

He was beaten inexplicably, and now he was arrested by a person like a dog, and he didn’t know where to send him.

The so-called flying disaster, but so?

Soon, the three of Lu Hua were taken to a hill outside the rain forest.

There, a handsome man, sitting in front of the long case, drank strong tea.

This handsome man, naturally, has been sitting here, Chu Qitian.

“Don’t kneel down yet?”

At this time, an angry shout came, and then Lu Hua was kicked on his knee and forced to kneel.

“Son of a bitch!”

“Let go of me~”

“Who are you guys who dare to start with my hot summer martial arts?”

“The Yanxia Wushen Temple, I will definitely not let you go!”

“The anger of my God of War is not something you can bear.”

Being forced to kneel in public, Lu Hua was naturally extremely angry.

With blood in his mouth, he yelled unwillingly.

“War God Temple?”

“Mars?”

Listening to Lu Hua’s roar, Chu Qitian shook his head and sneered.

“What you said may be of some use to others.”

“But unfortunately, using these to scare me is not enough.”

“Don’t talk about the God of War, it’s your entire hot summer martial arts world, I’m not afraid of it.”

“Nyma bullshit! Anyone can say big things, but you think I can believe it? The whole world, who can be against me in the summer martial arts, can you have a lot of things, you, a bastard, dare to speak up here?” Lu Hua cursed.

Chu Qitian ignored him, just waved his hand and told an old man behind him: “Lian old, teach him a lesson.”

“Yes, master.”

The old man bowed and agreed, and then stepped out.

The next moment, I saw the old man suddenly release his power.

The blood is surging, and it is as strong as a dragon!

“The blood is like a dragon, and the power is like an abyss.”

“This...this is...”

“Master of Budo!”

At that time, Lu Hua and others were scared to pee. They did not expect that they would meet the Grand Master here.

Of course, what shocked them even more was that the great master in front of him, in front of this young man, was actually respectful and humble as a slave?

“You...who are you?”

“We have no grievances in the past, and we have no grudges recently, why arrest me?”

Lu Hua finally started to feel a little scared.

It was not only because of the great master in front of him, he was afraid, but also because of the background of the young man in front of him.

“It doesn’t matter who I am.”

“The important thing is that you are Lu Hua.”

“For so many years, you dare to snatch things in my hands, Lu Hua, you are the first.”

At this moment, Chu Qitian smiled softly while holding the tea cup.

That playful look, like a hungry wolf, admiring its prey.

But Lu Hua was a little dazed, he had no idea what Chu Qitian was talking about.

Chapter 2500

“robbing?”

“When did I snatch your things?”

“I have never seen you before!”

Lu Hua was puzzled.

“Still pretending?”

“Since you dare to snatch my soul fruit, why don’t you dare to admit it now?”

“Actually, I don’t want to embarrass you either.”

“Well, if you hand over the Dollar Ling Guo, I will let you go safely.”

“how is it?”

Chu Qitian was holding a teacup and looked at Lu Hua with a smile.

And the more Lu Hua listened, the more confusing: “Essential Lingguo?”

“What are you talking about?”

“We haven’t found the soul tree, where did the soul fruit come from?”

Lu Hua asked rhetorically.

When he heard this, Chu Qitian’s expression was completely cold.

With a bang, the tea cup in his hand was smashed to the ground by him.

“Toast and not eat fine wine, right?”

“In that case, don’t blame me for being impolite!”

“Come on, search me.”

“If you can’t find it, just hit me hard.”

“Keep fighting until he handed it over.”

Chu Qitian shouted angrily.

He has never had much patience.

Especially when facing such an unknown little role.

For Chu Qitian, it would be a waste of time to say a word with people like Lu Hua.

“Ah~”

“pain!”

....

“Asshole, are you really fighting?”

“Ciao, it hurts me to death~”

.....

“Wait, wait, wait for me to return to the summer, my family will not let you go~”

....

“Ah~”

“my face!”

“stop!”

“Asshole, don’t fight~”

....

“Please, don’t fight.”

“I really didn’t grab the Dollar Ling Guo~”

....

“Please, let me go, I really haven’t seen it~”

...

In the beginning, faced with the beatings by Chu Qitian’s men, Lu Hua still looked like a clank and iron bone.

But in the end, he couldn’t hold it anymore.

With a nose and tears, I couldn’t help begging for mercy.

The embarrassed look, where is the demeanor of the previous half.

“Give me back?”

“It looks like the bones are quite hard!”

“Keep hitting, hang me up, hit me to death.”

“And his two accomplices, also hang up and fight with me.”

“When do I think their mouths can be so hard?”

Chu Qitian was also angry.

He doesn’t believe it anymore. He is the Young Patriarch of the Chu Family, can’t heal this group of scum?

“stop!”

“I am the president of the Southwest Budo Association in the Summer. How dare you insult me?”

....

In this way, Kong Ming and Lu Yanxi were also tragically implicated, and Leonard Chu's subordinates hung from the tree like dogs, and slammed them fiercely with an iron whip.

.....

“Xiaohua, if you really take it, hand it over~”

“Otherwise, we will really be killed by you.”

After a long time, Kong Ming and others couldn't hold it anymore, and persuaded Lv Hua.

Lu Yanxi was also beaten with bruises all over her body. She didn't know if it was because of panic or because of pain.

She has been spoiled since she was a child and has always been under the shadow of her father.

Nowadays, not only her life is at stake, but she is also suffering from such physical and physical suffering. As a weak woman, she can't bear it naturally, and she is crying.

She suddenly regretted it. If she had listened to Mark and stayed away from Lu Hua, she might not have been involved.

“Old Kong, I really didn't take it~”

“Whether I can take the Dollar Lingguo, don't you know?”

“by!”

“Why don't you believe me~”

Lu Hua was aggrieved and cried.

If he had taken it, it would have been beaten now.

But the point is that he has never seen the Primordial Spirit Fruit, but these people don't think he took it.

Tiao, what's all this?
