

Catch Me If You Love Me

Chapter 25

Zoey Gu bit her lip and didn't speak. The scene of her being crushed by Liam Lu on the floor in disguise flashed through her mind, and her whole body collapsed tightly into a line.

Aware of her tightness, everyone on her paused, "Afraid of me?"

After asking, Liam Lu suddenly smiled.

"Of course you should be afraid of me. In this world, where are there prostitutes-women who are not afraid of prostitutes-customers, and debtors who are not afraid of debt collection?"

Stabbed!

The moment the clothes were suddenly torn apart, the man's eyes, which were a little blurred because of drunkenness, suddenly became dark and bloodthirsty, and his big hands stuck her chin firmly and bowed his head and kissed it fiercely.

Say it is a kiss, it is better to bite.

"Zoey Gu."

It seemed that he was really drunk. He bit her over and over again, and kept asking in her ear, "Five years, since I have left with other men, why do you want to come back? How dare you come back?"

Zoey Gu firmly grasped the sofa under him, his face pale as wax.

almost.

Everything is coming soon, as long as father and brother return safely, she can tell him all the truth.

"speak!"

The man let out a low growl, his knees pushed in strongly, and the whole person was strongly pressed down, and he was about to—

A rush of telephone ringing suddenly rang.

Liam Lu paused for a while, picked up the phone and answered, his voice softened a bit unconsciously, "Xiao Shu, what's the matter?"

“Okay, I see, come here right away.”

He hung up the phone and seemed to wake up a lot of alcohol. He coldly scanned Zoey Gu under his eyes, got up and pushed her away, stood up, arranged himself, turned and walked out.

“Liam Lu.”

Zoey Gu sat up, clutching his messy clothes, and seemed to have taken a lot of effort to ask.

“I mean if. If there was nothing like that back then, if everything was an illusion. Can we go back?”

Liam Lu had a pause, but smiled coldly.

“Zoey Gu, are you too naive?”

He slowly turned around, squinted his eyes and looked at Zoey Gu with a smile, but his eyes were full of coldness.

“There is something, you may not know yet. On the night that you dumped, I slept with a girl, a virgin, clean.”

Zoey Gu suffocated his breath, and his whole body was involuntarily pained.

She remembered the terrible night five years ago, when she was crushed by a strange man and brutally snatched her clean body.

Unexpectedly, when she was suffering under others, he also slept in another girl's bed, tossing and turning.

This is really the best revenge.

Seeing the pale look on her face, Liam Lu smiled with satisfaction.

“Zoey Gu, even if you are clean and innocent. From the moment I slept with someone else, I was destined to never love you again. It is impossible for us to go back.”

A nightmare.

Zoey Gu didn't know how she got back to the apartment, or how she fell asleep. When she woke up, he had a splitting headache.

Thinking of what Liam Lu said last night, she sat on the bedside in a daze for a long time before she got up to wash.

Just after getting out of bed, the phone rang suddenly.

Seeing the note on the screen, Zoey Gu breathed, and his whole body collapsed subconsciously.

“How’s it going? Did my father and brother have any news?”

The man over there was silent before speaking in a low voice.

“I found the people, and they are in Berven City. But the situation is a bit complicated and I can’t take them out immediately. Strange, how come you guys always feel like someone is following me today?”

“In this way, you go to the old place and wait for me. After I get rid of the people, I will come over and talk to you.”

Zoey Gu’s hand holding the phone was shaking for a long time before opening his mouth and responding, “Okay...”

There is news.

Dad and younger brother are in Berven City.

As long as she meets the missing person detective, the rest will be...

Bang!

There was a loud noise across the phone, and Zoey Gu’s hand holding the phone trembled.

In the next second, she suddenly raised her head, “Looking for someone?”

“Hello? Are you still there, sir? Are you listening? You speak!”
