

Chapter 2501

Early morning.

Aurous Hill City Village.

Cynthia, who had lost at least a dozen jins, walked out of the dark alley empty-handed. ?

Five minutes ago, Orvel's men opened the door of her room and told her that she could leave.

At that moment, Cynthia cried bitterly.

She had been fed up with Aurous Hill, a cold, shabby, dark and humid city village.

She stayed in this tattered place for so many days, and there was a cheap musty smell all over her body, which made her feel sick all the time.

She could leave early, but Charlie delayed her for several days for no reason, and then added another seven days to the original deadline.

In fact, if you count it, it's past early morning, which means it's overtime again.

However, this time Cynthia had learned well, and she didn't dare to yell at Charlie, or even to those who were guarding her.

Therefore, at the moment of getting permission, she almost didn't even think about it, and went straight out.

After running out, she realized that she didn't know where to go so late.

She wants to return to Eastcliff immediately, but there can be no flights at this time. If her private plane is transferred from Eastcliff, it will take at least two or three hours, so where will she go in these two or three hours?

Thinking of this, she immediately called Issac.

She felt that Issac also had a private jet in Aurous Hill, and she could directly ask him to send her back.

However, what she didn't expect in her dream was that Issac's mobile phone turned off.

Issac knew that Orvel was going to release Cynthia tonight, so he set his phone to do not disturb mode long ago.

In this Do Not Disturb mode, only Charlie can get through his phone, and any other number calling him will prompt the user to shut down.

Seeing that the phone couldn't get through, Cynthia cursed and said, "This damn Issac, how can the phone be turned off? Is he hiding from me on purpose? What a jerk!"

In anger, Cynthia has no time to get angry with Issac. The most important thing for her now is to return to Eastcliff quickly.

So, she sent a video call to her father, Zhongquan.

At this time, the old man had already fallen asleep, and when he received the video call, he asked a little sleepily: "Cynthia, what's the matter so late?"

Cynthia cried and said, "Dad! Charlie, that little b@stard, finally let me be released, but I can't go back to Eastcliff now. Issac b@stard mobile phone is also turned off. Please take a look and arrange a one for me to come and pick me up..."

Zhongquan said, "It's Charlie to give you a set time? Then take a taxi to the airport, and I will arrange a plane to pick you up."

Cynthia choked and said, "Dad! You shouldn't let me take a taxi to the airport. I have never taken a taxi before when I grew up. The taxis are broken, and a car would be worse than the four tires on my car. It's not valuable, and everybody in it sits on top of it. It's so dirty."

Zhongquan said helplessly: "Cynthia! You are now in a special period. You have lived in the dirty and messy village for so many days. Are you afraid of taking a taxi?"

Cynthia wowed and burst into tears: "Dad! I came to Aurous Hill according to your request this time, but I really have faced all the hardship I have never experienced in my life..."

Zhongquan also had a headache, and said, "Okay, you have something to say, you are all this old, don't cry at all, crying won't solve any problems."

After speaking, he yawned and said weakly, "Hey, I'm too sleepy. This man is very old. If I don't sleep well, my body will be affected too much, so I won't follow you. Let's talk more, you can take a taxi to the airport, I'll go to bed first."

Chapter 2502

Although Cynthia was very aggrieved in her heart, it was not good to see her father say so. If she continues to force him, she can only be aggrieved and said: "Then, dad, don't forget to order the plane before you sleep... .."

Zhongquan was very tired and said, "You don't need to call me for such trivial things as dispatching airplanes. You can call Leon and let him arrange it."

Cynthia felt even more aggrieved when she heard this.

"Of course I know. I'll just talk to Leon for this kind of thing."

"But the reason why I went to the old man directly is not to pretend to be pitiful in front of him?"

"This will also make the old man's impression of Charlie worse."

"Besides, the old man knows that I have suffered such a grievance in Aurous Hill, and he will definitely give me some compensation."

"Unexpectedly, the old man does not value me so much..."

Although Cynthia was dissatisfied in her heart, she did not dare to continue to mess with the old man at this time.

She was about to say goodnight to the old man and ended the video immediately. Unexpectedly, at this moment, the landline on the bedside of the old man suddenly rang.

The landline at the head of the old man's bed is his emergency communication line.

Only when a major incident occurs and the old man is already resting, the subordinates who report the matter will find the old man through this dedicated line.

At this time, Zhongquan also realized that something important might have happened, so he couldn't care about it. After finishing the call on video, he picked up the landline and asked, "What happened?"

On the phone, Leon blurted out, "Master! Just received the message, Shoude, the second child of the Su family, went to Aurous Hill tonight, he disappeared in Aurous Hill!"

"What?!" Zhongquan, who was tired a second before, immediately sat up and asked excitedly, "Shoude disappeared in Aurous Hill?! Really?!"

Leon said, "It's true! The Su family sent many people to Aurous Hill overnight to search for his whereabouts like a carpet search!"

Zhongquan suddenly became extremely excited. He laughed and said, "It's great! It's great! Zynn went to Australia as a scapegoat. Shoude disappeared in Aurous Hill again. The Su family lost two people in a row this time, which is equivalent to the old fox Chengfeng's hands and feet half-worn!"

After speaking, he couldn't help sighing, "Shoude must have been done by Charlie! In the whole Aurous Hill, only he has this kind of strength and courage!"

Leon said: "Master, there is currently no clear evidence that Master Charlie must have done it."

Zhongquan smiled confidently: "It must be him! It must be him! Apart from him, there will be no second person!"

After speaking, Zhongquan said again: "Charlie even dares to move the second son of the Su family! It's true that a newborn calf is not afraid of tigers!"

On the phone, Leon said solemnly: "Master, Master Charlie is the son of the second son! Someone has said that the second son is the destiny of the true dragon, and the second son is the son of the second son, so he is not a newborn calf. , He is... he is a dragon!"

Zhongquan laughed loudly and said, "Yes, yes! He is the son of Changying! He is as kind as his father!"

Speaking of this, Zhongquan said excitedly: "With Charlie here, the Wade family's take off is just around the corner! Just around the corner!"

Cynthia was shocked when she heard this.

She has no energy to feel sad for the excitement of her father now.

She was completely shocked by what Charlie did now.

She was incomparably shocked, and she was terrified: "Charlie, this guy...Is this guy crazy?! Even dare to move Shoude?! That's the second son of the Su family! This guy even doesn't take Shoude seriously, and if I am tied up, what will I do to make him pay"

Chapter 2503

At this time, Zhongquan had no extra energy to care about Cynthia.

Now he is extremely excited, and there is only one thought in his mind: "The Su family has suffered heavy blows one after another, and the opportunity for the Wade family to surpass the Su family is near!"

At this point, he immediately said to Leon: "Leon, we must closely follow the movements of the entire Su family, and at the same time secretly send more people to Aurous Hill, just in case, if they find Charlie, we must not stand by!"

Leon immediately said, "Okay master, I will make arrangements!"

After that, Leon said again, "Master or I will go there myself!"

Zhongquan said sternly: "You don't go now, your identity is more sensitive. If you go to Aurous Hill at this time, the Su family will definitely think this matter is related to us, so you just stay in Eastcliff with me and watch the change."

"Okay!" Leon hurriedly agreed, and said, "Master, what other orders do you have?"

Zhongquan exhorted, "You tell others now. I will have a meeting in 20 minutes. Also, if there is any movement in Aurous Hill, you must report to me in time!"

"OK, Lord!"

Zhongquan hung up the phone, and here Cynthia said aggrieved: "Dad...what should I do..."

Zhongquan discovered that the video call with Cynthia hadn't been hung up yet, so he said, "Isn't it easy for you to do this? Just call Leon and ask him to arrange a plane to pick you up."

After speaking, Zhongquan remembered something and blurted out: "By the way, Charlie let the people under his hands release you? Then you didn't see him in person?"

"No..." Cynthia said angrily.

Zhongquan gave a hum, and said, "In this way, you call Charlie and tell him that you are leaving. You call him to apologize for the offense before. Don't forget to say one more thing. Having been in Aurous Hill for so many days has also caused him trouble."

Cynthia was stunned and said, "What?! Dad! He took me so badly, you let me apologize to him?"

"Also! He detained me in Aurous Hill for so many hard days, how come it is me that caused him trouble?!"

Zhongquan said coldly: "Your character really needs to be changed. You went to Aurous Hill this time. There were problems with many things. It is reasonable to apologize to Charlie. His senses are very bad. This may hinder him from returning to our Wade family

in the future. If you don't want to let him let go of his prejudices, don't talk about him in the future, and I won't forgive you!"

Cynthia almost collapsed.

However, when she thought of Zhongquan's tone just now, she knew that if she didn't do it, the old man would definitely not forgive her.

So, she could only say angrily: "Okay...I will call him..."

"Well, it's almost the same." Zhongquan nodded with satisfaction, and said, "Okay, so be it, I'm ready to go to the meeting."

After speaking, the old man ended the video call.

Cynthia wiped away her tears, and reluctantly found Charlie's mobile phone number and called him.

At this moment, Charlie was editing the video, and Cynthia's phone suddenly came. He couldn't help frowning, hesitated for a moment, and then connected the phone.

"Hey."

Cynthia was even more angry when she heard Charlie's cold voice, but she didn't dare to make any negligence in her mouth, so she could only smile and say, "Charlie, I am your aunt..."

Charlie asked coldly, "What's the matter?"

Cynthia hurriedly said: "I called to apologize to you... This time I came to Aurous Hill because I didn't know how to deal with it, causing you a lot of trouble, and it made you angry. I hope you can forgive me this time."

As she said, she said: "The other thing is, Auntie is going back to Eastcliff tonight. This time I am really causing you trouble."

Charlie didn't expect that this aunt would call to convince him.

Moreover, it was after she had recovered her freedom.

It stands to reason that this aunt is unlikely to really know her mistake and repent.

or the humiliation he gave me?!"

Chapter 2504

If she made this call before she regains her freedom, then 80% is to let him let her go.

However, after she regained her freedom, she called him to subdue herself, which is really incredible.

Maybe, the father forced her to apologize.

But Charlie didn't bother to talk with her too much. After all, there was still an explosive video to be released, so he said lightly: "I hope you can keep a low profile in the future, not be so arrogant and do it for yourself."

After speaking, he ended the call directly.

On the other end of the phone, Cynthia gritted her teeth angrily, stomping her feet, and said to herself: "Good boy, you fu*king wait for me, I'll let this out sooner or later!"

.....

Charlie hung up Cynthia's phone and continued to edit the video.

At this moment, he received a news feed.

When he looked at the title, he couldn't help laughing out loud immediately.

The title is: "The Su Group suffered a series of plots. Following the disappearance of Liona and Zhiyu, Shoude, the vice president of the Su Group, is also kidnapped in Aurous Hill! »

Charlie clicked on this headline curiously and found this news, it was written that Shoude was kidnapped and disappeared in Aurous Hill.

In addition, the news writer also speculated that there must be an extremely powerful company, family, or organization that is deliberately launching an attack against the Su family.

First, Liona and Zhiyu were kidnapped, and now it was Shoude who evaporated from the world. All of this came to the Su family!

He urged the majority of netizens to discern the truth and not to be misled by those who deliberately discredit the Su family on the Internet. He also kept saying that all conspiracies will eventually be broken, and the black hands behind the scenes will eventually surface and accept the law.

Originally, some netizens did not believe that the Su family was really innocent.

However, when they saw the news that Shoude was also missing in Aurous Hill, they changed their views.

In their view, this must be someone deliberately rectifying the Su family.

The Su family is really miserable. The daughter-in-law, granddaughter, and son have been kidnapped one after another, life and death are uncertain, and they are almost framed and mistaken for the murder of their daughter-in-law and granddaughter...

In a short period of time, the comment area was full of sympathy and support for the Su family.

When Charlie saw this, a smile appeared on his face.

In his opinion, the more Su family desperately seized every opportunity to cleanse, the worse it naturally fell.

However, this old dog Chengfeng is really a contemporary hero.

Ruoli, he said that she can be sold;

Liona, his daughter-in-law, he said that she could be killed.

Now that his own son has disappeared, he did not forget to take this opportunity to wash the ground for the Su family. The method is really extraordinary.

However, he must have never imagined that all these efforts he made will not only help the Su Family to reverse public opinion but will make the Su Family's death worse!

He used ten minutes to edit all the videos.

In the past ten minutes, the Su family has bought almost all of the media software, madly pushing the press release just now, and the public opinion on the Internet has completely supported the Su family.

Charlie unhurriedly turned on the short video platform and used the vest to upload the edited video.

The title he gave to the video was: "The Kidnapping Case of Aurous Hill Treasure Pavilion and the Unknown Case of the Forbidden Mountain Tunnel Car Accident! »

Chapter 2505

At this moment, the whole network is sympathetic to the Su family's suffering, but also can not wait to find out the culprit behind the scenes as soon as possible, so that the whole case can be brought to the surface.

However, at the moment, neither the Su family, nor the police, nor the general public can find any real valuable clues.

The actual fact is that if you have a little bit of the so-called clues on the internet, you will immediately get a lot of people watching.

After this video was sent out, the title mentioned the big reveal and immediately attracted many users to click on it.

This look does not matter, the whole video clearly and intuitively displayed in front of the audience's face all the facts.

At the beginning, it is the scene of a tragic car accident.

Shred was killed, Liona and Zhiyu were seriously injured and their lives were uncertain.

Immediately afterwards, Stuart faced the camera and introduced himself.

He then told the shocking secret of all!

It turns out that the reason why Liona and Zhiyu were kidnapped by Shred is not a coincidence at all.

The reason for this is that Old Su wanted this all.

The reason is that he is very dissatisfied with Liona's divorce from his son, and is very annoyed with her behavior in coming to Aurous Hill to attend the auction.

He even had to kill his own granddaughter for that!

Seeing this, all the audience could not help but have a very strong sense of disgust for Chengfeng.

At this point, Charlie changed his voice questioning, in the video appeared.

Charlie questioned him, Chengfeng, the old dog, for the sake of his own family's sh!t, why he had to create such a terrible horrible event.

At that moment, everyone remembered that Shred had tied explosives, stormed into the treasure Pavillion, and shot several hostages, all at the behest of Chengfeng!

Not only several innocent hostages died in vain because of Chengfeng's conspiracy.

More importantly, the safety of hundreds of people was constantly threatened by his explosives!

It was almost a tragic incident!

And behind this, it was all Chengfeng's idea!

This old dog, simply bad to the bone!

The next thing they saw was Shoude's video, the wretched Shoude admitted to the camera that Chengfeng, the old dog, not only wanted to harm Liona and Zhiyu, even Ruoli, was also the victim of Chengfeng's schemes!

What's even more outrageous is that Chengfeng, the old dog, not only harmed his granddaughter, but also put Zynn out to take the blame. It is simply inhumane!

In an instant, all the netizens who saw this video were enraged by Chengfeng's shameless behavior.

These netizens immediately became part of the crack propaganda, forwarding this explosive video to all their friends and family.

In an instant, the traffic to this video skyrocketed by hundreds of times!

In just 10 minutes, tens of millions of people had already watched the video.

The trend of public opinion on the Internet immediately changed 360 degrees.

The internet users used all the vicious words they could think of to curse Chengfeng.

The police were struggling to find any relevant clues and suddenly found this video and were furious.

Just an hour ago, the public relations director of the Su family made a phone call to urge the police to solve the case as soon as possible, to give the Su family an explanation, and also to rescue the three missing members of the Su family as soon as possible.

The police also felt a lot of pressure, because after all, the Su family is the most powerful family in the country, but unexpectedly, three members of the family disappeared in

Aurous Hill, which brought pressure to the Aurous Hill police, comparable to the Tokyo Police Department during the Tokyo chaos.

But they never imagined that just when they were trying their best to solve the case, this video would suddenly break out!

It turns out that the whole thing is just the Su family's thief shouting to catch a thief!

The Su family kept saying that they wanted the police to solve the case as soon as possible so that they could give them an explanation, but in fact, they were behind all the bloodshed!

What's even more unacceptable is that they chose to implicate several innocent hostages in this way, even though their own families were fighting within themselves!

This is simply a disregard for the law

Chapter 2506

The police immediately reported the situation to the higher authorities and asked them to investigate the situation seriously.

At this moment, the exhausted Chengfeng had just fallen asleep.

A sharp knock on the door woke him up from his dream.

Grandpa! Something big has happened!

The one who shouted at the door was the Su family's first butler.

Chengfeng opened his eyes violently and sat up from the bed at once.

At this moment, he was deeply nervous because what happened today was almost completely out of control for him, so much so that even his own son's whereabouts were unknown, so now he was afraid that there was suddenly some other bad news.

He hurriedly got up, put on a robe, and walked to the door to open it.

Outside the door, the housekeeper's face was pale and covered with fine beads of sweat, and it was clear that he was in a state of high tension and fear.

Chengfeng's heart thumped, looking at the stance of the housekeeper, he knew that something very serious must have happened.

So, he hurriedly asked, "What happened?"

The housekeeper said in tears: "Master Just a few minutes ago, someone on the short video platform suddenly sent a video, in this video are Stuart and the second son

What?

When Chengfeng heard that the video was of Stuart and his second son, Shoude, he panicked!

The two are missing, and there are no valuable clues yet.

When the video related to the two of them is exposed on the Internet, then this matter is definitely not simple!

So, he hurriedly asked, "What video? Let me see!"

The housekeeper trembled and took out his cell phone, opened the short video platform, and played the video, which had almost reached the 100 million click mark.

Once he saw the scene of the accident, Chengfeng panicked!

When Stuart said in front of the camera that it was Chengfeng who wanted to kill Liona at that moment, Chengfeng was as white as paper!

He had lost control of his emotions and roared in a trembling voice: "This Who filmed this? Who took this? I I'll kill him! Kill his whole family!"

The butler stammered, "Master, you You can look back first

Chengfeng subconsciously swallowed his saliva and continued to look behind him.

At this time, Stuart in front of the camera: the death of Zhiyu, he also pushed on Chengfeng's head.

Chengfeng was instantly furious!

"What is Stuart talking about? When did I want to kill Zhiyu? That son of a b!tch! I have raised him for so many years, and he betrayed me! I'll cut him into pieces!"

"And! The person who took this video must be the one who is working against me behind my back.

The first butler said, "Master, the second son is also in the hands of this mysterious person!

As soon as the words left his mouth, the video also switched to Shoude's part.

In the picture, Shoude is as miserable as he can be.

He is a fifty-year-old middle-aged fat man, his body was stripped down to a pair of pants, and it was doused with cold water, and his head was topped with ice.

And his expression, but also full of fear and pleading, where there is still a bit of the Su family's second son's aura, is completely a middle-aged iron waste otherwise.

Chengfeng heart can not help but fell some heartache.

After all, it is his own son, and after the older son was abandoned by himself, this second son has become the best person in his mind to succeed him.

However, as soon as Shoude opened his mouth in the video, Chengfeng's heartache for him disappeared without a trace!

A few moments later, he was like an active volcano erupting, roaring in anger: "This beast! How dare you betray your father for glory! I I"

Chapter 2507

Chengfeng was so emotional that he couldn't stand up, and his body fell to one side in a daze.

The butler hurriedly stepped forward to hold him, and said, "Master! Are you okay?"

Chengfeng was so angry that he couldn't even speak. There was a sudden rush of ups and downs in his chest. Seeing that he was in this state, the housekeeper hurriedly took out the walkie-talkie and shouted, "Doctor, master is uncomfortable now, come here!"

Chengfeng breathed quickly, and said with difficulty, "Quick...hurry up and help me sit on the sofa..."

The housekeeper hurriedly helped him, and carefully helped him to the sofa.

After Chengfeng sat down, the housekeeper hurriedly helped him rub his chest back and front.

At this time, the family doctor also rushed over, holding an oxygen bag and quick-acting pills in his hand.

The doctor and the housekeeper together, after Chengfeng took the Pill, helped him inhale oxygen, which made his condition slightly better.

At this time, Chengfeng was full of anger. He clenched his fists and gnashed his teeth: "This is because someone deliberately wants to fix the Su family, or deliberately wants to fix me to death!"

The housekeeper hurriedly said, "Master, leave this alone. In any case, your body is the most important thing, but you must not get angry..."

Chengfeng said in anguish, "I'm done, I'm all done! This video not only announced Ruoli and Liona's affairs, but also took Zhiyu's black pot on me, and also the charge of lashing explosives into the Jumbo Pavilion and taking hostages by Shred is also counted on my head. This is...this is to make me an enemy of the whole people!"

Thinking of this, Chengfeng was desperate!

He knows too well the Chinese people's character and character of hatred and dejection.

Those stars in the entertainment industry who have all kinds of bad deeds will be resisted by the people of the whole country, not to mention that they have stabbed such a big thing now.

What if he has money? ?

In front of the people, the richer you are, the less you can be arrogant and do whatever you want!

Although the Su family was rich and powerful, they only dared to operate many dirty things behind their backs, and never dared to get it to the face.

Sometimes people catch some clues accidentally, and a lot of money and energy must be spent on crisis public relations.

Just as many people on the Internet suspected that Chengfeng wanted to kill Liona, he put hundreds of millions in a day for his own image, and washed the whole network.

The reason is also the fear of exposing oneself, provoking criticism from the people across the country.

However, Chengfeng couldn't even dream that the situation he thought he had controlled would collapse completely in an instant!

The impact caused by this video right now is like a huge tsunami rushing toward the face.

In the face of catastrophes like the tsunami, human beings like him have no chance of escape at all.

At this moment, Chengfeng was also the same, the public opinion was extremely angry, almost as if it was rotten, leaving him no room for reversal at all.

Chengfeng said to himself in pain: "All of my previous efforts and all public relations went today all in vain..."

Speaking of this, he continued with grief and indignation: "Not only did it become a bubble, but it also had a counterproductive effect! I knew it would be today's situation and kill me. I would not choose to attack Liona... .. That was lifting a rock and hitting myself in the foot. I raised my machete and broke my hand..."

Chapter 2508

The housekeeper couldn't help sighing, "Hey! Lord, I didn't expect that Stuart would take people to do this thing personally, and he would be able to do it like this. There is also a second son. I can't imagine, master being there and people there dare to attack the second son. Are they tired of their life?"

Chengfeng roared with a splitting eye, "Check it out! Be sure to find out who is working against me! In addition, another 5 billion will be used for crisis public relations. Within 10 minutes, the video must go away from all websites and APPs. At the same time, no media is allowed to publish any opinions and article related to this video!"

The butler said embarrassedly: "Master...other platforms and apps are fine, but this short video platform, that is owned by Wade family..."

"What is it?!" Chengfeng's eyes widened, and he blurted out, "This short video platform belongs to the Wade family? When did that family start to enter the Internet industry?"

The butler opened his mouth and said: "In fact, they bought this short video platform several months ago, and it seemed to have spent more than 80 billion."

"However, I don't know what exactly their purpose is to buy this short video platform."

"Although this platform is very popular, because it is basically free for users, the profitability is relatively single."

"In addition to advertising, it is to let a bunch of Internet celebrities go up and engage in live streaming sales, and then the platform will take a profit from it. The profit margin is much lower than the industry we usually engage in.

Chengfeng looked desperate and said, "What the hel *does the Wade family do, what is it not good to buy, buy this kind of online platform?! What a fcking wicked one!*"

Both the Su family and the Wade family are top big families with a century-old history.

This kind of big family, like the Rothschild family, generally operates in traditional industries.

For example, the energy industry, financial industry, manufacturing industry, real estate industry and ocean shipping industry.

But the established families basically don't touch the Internet industry.

This is not to say that they are not interested in the Internet industry, but because they have been working in traditional industries for many years, and all their advantages, contacts, and resources are concentrated in traditional industries.

Moreover, this kind of people's way of thinking is relatively conservative, so they generally do not take the initiative to do the Internet and tech purchases and operations.

This is also why Internet bigwigs all over the world are basically emerging wealthy people. It is rare to hear of a top family with a century-old history that has created outstanding achievements in the Internet industry.

The Su family is naturally the same.

Chengfeng basically has no access to the Internet, so the Su family rarely does Internet business.

Therefore, he basically doesn't know much about short video platforms. He only knows that it is a leisure platform that some young people prefer.

In his impression, the Wade family seemed to be no different from the Su family.

But he really didn't know that the Wade family actually bought the short video platform.

If this short video platform belongs to the Wade's, then the possibility of wanting them to stop publicize this video is almost zero.

But Chengfeng was unwilling to give up.

He knew that the most important thing for him now was to quickly delete this video so that others could no longer watch it and completely interrupt its spread.

So if you want to achieve this goal, you can only ask the Wade Family for help.

So he covered his chest and said with difficulty: "Go and get my phone, I want to call Zhongquan!"

Chapter 2509

After Zhongquan heard the news of Shoude's disappearance, he immediately summoned his sons and Leon for a meeting overnight.

In this meeting, Zhongquan and his sons were very excited.

The Su family's loss was indeed heavy this time.

The eldest son was sacrificed in the last round and the fame of Master Su was preserved, but in a blink of an eye, the second son also folded in, which would definitely make the entire Su family army upset.

Moreover, the shortage of manpower is the next most serious problem for the Su family.

But at this moment, Leon suddenly received a message. He looked down at his mobile phone and said with excitement: "Master, it seems that someone has exposed Su's family on a short video platform! Now the discussion among netizens is very intense!"

"Oh?!" Zhongquan hurriedly asked, "What is exposed? Let me take a look!"

Leon immediately opened the short video platform, and the one that ranked first in the algorithm recommendation was the video uploaded by Charlie.

Everyone hurriedly gathered around, and just watched it for a few dozen seconds, and everyone was excited with no addition.

After watching the video, Zhongquan was a little trembling with excitement: "This...this...this is really God helping me! God helping me too! Chengfeng, the immortal old man, not this time. Was pressed to the ground and exploded with a hammer?! The Su family is over this time! Hahaha!"

Charlie's uncle, Changkong, couldn't help sighing: "As soon as this video came out, the Su family basically had no room for return. Not only would the people across the country attack them, but the police would also attack them, and the Du family would not let go!"

"Yeah!" Changyun said with a smile, "In my opinion, it won't be long before the strength of the Su family will be weakened in many ways. Maybe we don't need to do anything. We will become the first family in the country in a few days!"

Zhongquan nodded and said: "This time, things are extraordinary. This old thing Chengfeng dares to make fun of the lives of hundreds of people. It is impossible for the people above him to forgive him easily! This time he really caught fire!"

The boss, Changkong, couldn't help asking, "Dad, how do you think the above will punish the Su family?"

Zhongquan said seriously: "For such an important matter, and it has caused such great public outrage, the Su family might have someone to bear criminal responsibility, otherwise it would not be easy to give the general public an explanation."

Changkong exclaimed, "Take criminal responsibility?! Could that old man Chengfeng go to jail?"

Zhongquan shook his head and said, "Chengfeng is already in his seventies or eighty years old. It is basically impossible to go to jail. Even if he is sentenced, he should be executed outside prison."

Changkong asked again, "Dad, do you think Chengfeng will be arrested and sentenced this time?"

Zhongquan smiled, "It depends on whether Chengfeng can find a scapegoat this time."

Having said this, he couldn't help but said with sarcasm: "But I see, if Chengfeng wants to find someone to come out and take the blame, all the people can't agree. After all, he has already had a precedent for throwing the pot to Zynn. In this case, even if he pushes another son out to top the bag, the people will not buy it."

Changkong smiled and said, "If you say so, then he will be doomed this time."

Zhongquan nodded and said, "This time it must be impossible for him to want to dump, but you know that this kind of thing was not killed by him. Besides, Shred is also dead. There is no evidence for this kind of thing now. Chengfeng quibbled at that time and said that he just wanted Shred to help teach Liona, and did not instruct Shred to kill. Then it is impossible to directly convict him of intentional homicide."

After speaking, Zhongquan added: "After all, the Su family still has a lot of strength. Chengfeng definitely has a way to get himself out of crime and reduce punishment as much as possible. In addition, he is indeed very old. He may really be sentenced to a felony, so I estimate that he is likely to be sentenced to a serious crime and then sentenced to a few years in prison. He is indeed very old. When the time comes, he will apply for another sentence outside prison. Even if it passes."

Changkong couldn't help sighing with emotion: "Hey! It would be good if Shred hadn't died. If he was captured alive and let him tell the truth about the matter in court, then Chengfeng would not be able to escape death."

Zhongquan smiled slightly: "Changkong, you, you are still too naive in front of Chengfeng."

Changkong asked puzzledly: "Dad, what do you mean by this?"

Zhongquan said indifferently: "If Shred is really not dead, Chengfeng might have fled the country overnight!"

Chapter 2510

"How can a person like him allow himself to stay in the country and become a prisoner?"

"You know, he doesn't have more than ten years to live. If he is sentenced to more than 10 years in prison, he can only live in prison in this life!"

"In that case, why not just escape?"

"As long as he escapes, with his asset level, he can live extremely richly anywhere in the world!"

"If it's a big deal, he will give up the position of Su Family Patriarch, and then he will retire early and enjoy more than ten years of life in his later years."

"After he is dead, let his family transport his body back to the country and bury it in the ancestral grave of the Su family. It is considered the fallen leaves to return to their roots. In this case, there is no need to sit in prison for a day."

Changkong realized this when he heard this.

So, he said with some embarrassment, "Dad, you still think more comprehensively..."

Zhongquan sighed softly and said in his heart: "I have to say that among my sons Changying was really smart. The remaining three are really lackluster."

Just as he sighed deeply in his heart, his cell phone suddenly rang.

As for Zhongquan, there may be no more than 10 people who know his mobile phone number and can call him directly except for his family.

So at the moment the phone rang, he was somewhat surprised.

Looking down, Zhongquan suddenly laughed.

"Haha! Chengfeng turned out to be calling, this old guy, who called me so late, I don't know what the idea is!"

All other people were immediately curious.

You know, the Su family and the Wade family have almost no contact, especially the Patriarch of the two families, who regard each other as a thorn in the eye.

Some of the previous negotiations on the division of territory were not discussed by the two in person but were handed over to their own next generation.

Now, Chengfeng suddenly called Zhongquan, and everyone was very curious about what Chengfeng wanted to do.

Zhongquan answered the phone and turned on the speaker. Chengfeng's voice immediately came from the other end of the phone: "Oh, Brother Wade! I haven't seen you for many days. I don't know what Brother Wade is up to lately?"

Zhongquan snorted, and said with a smile: "Oh, Chengfeng, don't engage in polite greetings at this time, just tell me what's the matter."

Chengfeng hesitated for a moment, and then he said, "Okay! Since Brother Wade is so refreshing, then I won't have to ink with you. I called, hoping that Brother Wade can do me a favor!"

Zhongquan smiled and said, "Ask me for help? What can I do for you?"

Chengfeng sighed and said seriously: "Brother Wade, I know how much I have offended in the past, but this time I do have a little trouble with my brother, so I hope you can ignore the predecessors and help me connect you to the video link. The video about our Su family needs to be completely deleted."

Zhongquan pretended to be surprised and said, "Oh, you want me to delete that video?"

"Yes!" Chengfeng said hurriedly, "I don't know if Brother Wade can help? If so, Brother Wade can ask for a price!"

Zhongquan smiled and exaggeratedly said, "Oh, Chengfeng, let me just say something from my heart, you are thinking of eating a f@rt!"

Chapter 2511

Zhongquan's mockery made Chengfeng angry!

He really didn't expect that he put down his figure and came to Zhongquan to ask him to be more or less polite, right?

As a result, the old b@stard said that he was thinking of f@rt!

This is really outrageous!

But he still gritted his teeth and said, "Brother Wade! You and my family have been fighting secretly for so many years. You should also know what the mountains don't turn around. If you want to completely turn your face with me today, you will wait for Chengfeng to relax in the future. Come, don't blame my ruthlessness men!"

Zhongquan sneered, "Chengfeng, it's boring for me to say that you are a thief. If you are really capable, just think of it yourself. What's the point of running over and pretending to be ruthless?"

After he finished speaking, he continued to sneer: "At this time, you run over to me to delete the video. Think about it with your toes. I can't promise you!"

Chengfeng suffered a huge humiliation and gritted his teeth and said, "Okay! Zhongquan, if you don't want to delete the video, then I don't want to force it. Since there is no front, then we will talk about the business directly. I heard that your short video platform costs more than 80 billion to buy, so let me give you 120 billion directly, and you sell it to me and make a net profit of more than 30 billion. How about it?"

"No!" Zhongquan refused without hesitation: "You don't know how optimistic I am for the short video industry. The reason I bought this platform was to make the short video industry bigger and stronger. How could this be possible Have you shot it long ago?"

Chengfeng said coldly, "Speaking of it, isn't it just too little money? So, I won't grind with you, 150 billion! As long as you say something, I will arrange financial payment now!"

"Impossible." Zhongquan smiled slightly: "I, in principle, never have trouble with money, but today's matter is definitely not a problem that money can solve. I persuaded you to die."

After speaking, he didn't wait for Chengfeng's response, and simply ended the call.

Chengfeng on the other end of the phone was so angry that his chest fluctuated violently.

His butler hurriedly asked: "Master! Zhongquan made it clear that he wanted to see our jokes. Wouldn't it be that he was secretly instigating the affairs of Aurous Hill? Maybe, the second son is now in his hands."

Chengfeng waved his hand with a dark face, and said coldly: "Impossible, even if Aurous Hill is the site of the Wade family, it is impossible for the Wade family to deal with all this behind their backs."

After that, Chengfeng said again: "Don't forget, Shred has never been to Aurous Hill before. When he exposed himself in Aurous Hill, he had just arrived there."

"Think about it, when he arrived in Aurous Hill, he was consciously found by the police immediately, and then he rushed into the treasure pavilion and kidnapped Liona and Zhiyu."

"Immediately after that, when he drove Liona and Zhiyu to rendezvous with Stuart, something happened suddenly, and the Wade Family didn't even have an hour to prepare."

"In this time window of less than an hour, they not only need to track Shred accurately but also have the ability to directly take down Stuart and the four of them. Stuart is very strong. As far as I know, the Wade family has not a single person who can surpass him."

Speaking of this, Chengfeng continued to analyze: "There is also the disappearance of Shoude! Shoude was in the hotel, and there were more than 20 masters from Su family to protect, but the other party could unexpectedly be unaware of these more than 20 masters. Next, took him away easily. This proves that the opponent's strength is far higher than the more than twenty masters. How can there be such a powerful person in the Wade family?"

Chapter 2512

"To put it hard, if the Wade family really had this ability, they could have easily kidnapped me, or assassinated me directly at home, how could they keep being crushed by the Su family? ?"

"That's also..." The butler hesitated for a moment, and then asked: "Master, then, could it be that the Wade Family suddenly made friends with some hidden master?"

"It's unlikely..." Chengfeng shook his head, and said, "The Wade family has always paid less attention to martial arts masters than we do. Zhongquan, an old man, only has money in his eyes, and he will spend a lot of money to raise a large number of martial arts masters. In this kind of thing, he is not interested at all. So how can such a person find a real expert to help?"

With that said, Chengfeng said with a grim expression: "I can think of three possibilities now."

The butler hurriedly asked, "Master, what are the three?"

Chengfeng said, "The first possibility is that the He family is against me behind the scenes!"

"What family?!" The butler hurriedly asked, "You are talking about Ruoli's family?"

"Yes!" Chengfeng gritted his teeth: "Since Ruoli's accident, the He family has removed all the masters in our Su family, but never asked me for an explanation. The reason why they did not ask for an explanation is very important. Maybe it is planning to seek revenge in secret."

"Moreover, the He family is a family of martial arts, and there are many masters in the family. Maybe they are the ghosts behind them."

The butler asked, "Master, what about the other two possibilities?"

Chengfeng said with a solemn expression: "Ruoli's life or death is still uncertain. If this girl is dead, it will be fine. But if she really escaped, then with her personality, she will probably get revenge on me!"

The butler opened the mouth and said: "Master since Ruoli's whereabouts are unknown, I have followed your instructions and have been paying attention to the customs entry situation across the country. There has been no clue about her."

"That can't be taken lightly!" Chengfeng sighed, "Although Ruoli is very young, she is indeed very powerful. If she is really alive, she is a time bomb."

After speaking, Chengfeng slapped his lips again and continued: "However, no matter it is the whole He family or Ruoli, their strength is very strong, but they are really not strong enough to make more than 20 top masters lick the dust. I didn't notice it, so this is something I haven't figured out..."

The housekeeper nodded and said seriously: "When the He family never turned our face with us, we almost knew the situation within the family. Among their generation of young people, the strongest is Ruoli, but she does not seem to be strong either. To this point..."

Chengfeng sighed and said, "There is another possibility."

The housekeeper hurriedly asked, "Master, what's the possibility?"

Chengfeng said, "Do you remember that Zhifei and Zhiyu had an accident in Japan and were saved by a mysterious Chinese man?"

"Remember." The butler said, "Miss Zhiyu has always wanted to find the whereabouts of that mysterious person."

Chengfeng said: "That person is extremely powerful! One person can kill multiple top Japanese ninjas unharmed, which is almost equivalent to one person being able to kill multiple Chinese martial arts masters in succession! It is definitely the top of the top! If this person is capable It's really so strong, then it's very likely that he will kidnap Shoude quietly under the eyelids of more than twenty masters in the Su family!"

Chapter 2513

Chengfeng at the moment has completely lost his position.

It is precisely because of this that his thinking began to diverge, and even a little jumped off.

In the dark, he felt that the master behind this incident was probably the super master who saved Zhifei and Zhiyu in Japan.

But the housekeeper felt a bit whimsical.

He said euphemistically: "Master, the master that the eldest lady met in Japan has not confirmed his identity until now. We don't even know whether he is a Chinese or a Chinese living in Japan."

"Moreover, Kyoto and Aurous Hill are separated by thousands of kilometers. In the vast crowd, how can the two people overlap each other so coincidence. Although this possibility exists, the probability is really too low..."

Chengfeng shook his head and said seriously: "The basis for my judgment is not probability, but feeling!"

After all, Chengfeng analyzed: "In Aurous Hill, a mysterious person, gave me a feeling of power and strength. I have only experienced this feeling before."

"And the last time I felt this way was after hearing about the deeds of that super master in Japan!"

"That guy can easily kill a number of top Japanese ninjas in close hand-to-hand combat without being injured. I have never heard of such a master in so many years!"

"Although I have heard of a lot of duels between Chinese and Japanese masters, and most of them were won by Chinese masters, but to be honest, I have never heard of a Sino-Japanese master showdown. Victory without injury."

"Even if Bruce Lee competes with a Western master, it is impossible to guarantee that he will win unscathed."

"Once the opponent can be unharmed, it proves that his strength is geometrically ahead of the opponent!"

"In other words, this mysterious person can be unscathed with one enemy and seven. Then, it is not a problem to be afraid of one enemy. Even if the number of opponents doubles, maybe he can still pay a certain price to Win!"

"One person killed 14 top ninjas. How many people do you think there are in the world?!"

The butler suddenly fell into thought.

After a long time, he nodded seriously and said, "Master, you are right... He can kill seven Japanese ninjas unharmed, so his upper limit is far from seven. If you count this way, this Human strength is simply unheard of..."

Chengfeng continued: "And this time, Aurous Hill's behind-the-scenes man can not only easily capture Stuart and his four people, but also quietly take Shoude away under the eyes of more than 20 masters in the Su family. This strength, It's also unheard of."

"So, Aurous Hill, the man behind the scenes, feels like that Japanese mysterious master."

"Two mysterious people whose identities I don't know can bring me the same feeling, which makes me have to connect the two together!"

Speaking of this, Chengfeng said firmly: "Moreover! The connection between these two mysterious people not only feels the same, but the important thing is that there is a clue that completely overlaps!"

The butler hurriedly asked, "Master, what is the clue?!"

Chengfeng spit out three words coldly: "Know the fish!"

Chapter 2514

The butler looked terrified and blurted out: "You mean, the mysterious master saved the eldest lady last time in Japan, this time in Aurous Hill, or did he save the eldest lady?!"

"Yes!" Chengfeng nodded and blurted out: "I feel that way now! I always feel that Zhiyu is not dead! If she is really alive, then the person who saved her must have been saved in Japan. Her mysterious person once!"

The butler asked a little puzzled: "Master, if the man behind Aurous Hill this time is really the mysterious man in Japan, then I can understand that he saves the eldest young lady. What is his intention to kidnap the second son?"

Chengfeng said: "Knock Shoude, there is a high probability that he wants to avenge Zhiyu and her mother? After all, Shoude went to Aurous Hill to deal with this incident on behalf of the Su family. It is naturally the easiest thing to have him operated on."

The butler hesitated: "Why is that mysterious person so good to Miss? Not only did he save her twice, but also went to help her out?"

Chengfeng said sadly, "I can't tell you this. If my speculation is true, then this time he really took a stinky move..."

As he said, Chengfeng sighed and said to himself: "I knew that this mysterious master was affectionate and righteous to Zhiyu. I would kill me. I would not attack Liona. After all, she is Zhiyu's mother. She gets killed, and Zhiyu is alive, she won't forgive me in this life..."

In an instant, Chengfeng's expression became extremely annoyed, and he said in pain, "If my speculation is correct, then this mysterious person originally had the opportunity to be available to my Su family! How could it have grown to where it is today!"

The butler hurriedly asked, "Master, if this is the case, is there still room for recovery?"

"Recover it?" Chengfeng wrinkled his old face into a ball, and said angrily: "How can I recover it now? I expelled her father and killed her mother. What's more nonsense is Shoude and the damn Stuart, they also buckled Zhiyu's black pot on my head. How could Zhiyu forgive me? She didn't want my life, I burned the incense..."

The butler thought for a while, and hurriedly said, "Master, I have an idea, I don't know if it is feasible..."

Chengfeng hurriedly said, "Say it!"

The housekeeper whispered: "In my opinion, it's better to let the eldest son come back now! On the one hand, you have to apologize to him and explain that you started with Liona to protect the family's reputation. As for the eldest lady, this is simply someone who wants to plant the blame. Here you are! On the other hand, if you ask him to come back and continue to sit where he was before, it is tantamount to taking a step back and showing him good."

Chengfeng's expression immediately became very strange.

The butler continued at this time: "Master, if your speculation is correct, if the eldest lady is still alive, then her mother must be alive too. You expelled the eldest son to Australia before, and today you expelled the eldest son's family, this is almost tantamount to offending all the four members of that branch of the family..."

As he said, he remembered something, and hurriedly added: "Oh, yes, and Ruoli! If Ruoli is still missing, if this mysterious person is really in Aurous Hill, then I guess Ruoli might return alive, maybe even by his side..."

"So it seems, Master, what you offended is their family of five..."

"So, the most important thing for you now, sir, is to quickly break one by one and try to save yourself. As long as there is someone in the family of four and someone speaks for you, you will have a chance to break the game instead of being at a dead end!"

Chengfeng was silent for a long time.

He understands what this steward means.

He knew that he had really offended his eldest son Zynn's family too hard.

If Zynn is recalled, and confess to him, and reinstate his heir position, then this matter might be reversed.

Chapter 2515

At this moment, Zynn was talking on the phone with his son Zhifei.

Zhifei drove from Eastcliff to Aurous Hill late at night, but as soon as he arrived, he immediately fell into a predicament at a loss.

He came to Aurous Hill to find the whereabouts of his mother and sister. However, the Aurous Hill police sent thousands of people to search the city for a whole day without any results. Zhifei alone did not know where to proceed or even start.

He originally planned to go back to Du's old house in Aurous Hill first and ask the old housekeeper for help. In that case, he still has a place to stay.

However, when he thought that he had just offended his grandfather, and his grandfather has let people look for his whereabouts, he suddenly felt a little worried.

Therefore, he called Zynn, who was far away in Australia, for help, and said to him, "Dad, grandpa knows that grandpa has an old house in Aurous Hill. Maybe he has already sent someone there to wait for me to pass. If I go to the old butler for help, I might be caught by the Su family before I get in..."

Zynn said solemnly: "There is indeed this risk! I think you should be more cautious, don't contact the old housekeeper yet."

Zhifei hurriedly asked, "Dad, what should I do now?"

As he said, he couldn't help feeling a little agitated. He choked and said, "Dad...I don't know what to do now... Mom and Zhiyu are missing. I want to find them, but I don't have the ability to find them at all, and I don't even have a helper by my side...I...I...I feel like a complete trash..."

Zynn sighed and said with relief: "My boy, don't blame yourself too much. This kind of thing is far beyond the scope of your control. I would say something bad, even your grandpa can't grasp the whole thing, how about you?"

Zhifei cried and said, "I don't want to care about him! I just want to find Mom and Zhiyu as soon as possible, and they must be safe, otherwise, I will never forgive that old thing in my life!"

After that, Zhifei hurriedly said: "Dad! Come back and help me out, Dad! You are not here, I am too limited alone..."

Zynn hesitated for a moment and then said: "My boy, you should find a place to stay in Aurous Hill first, but don't expose your whereabouts to the outside. I will wait for your grandpa's movement to see which flag he is going to take next."

In fact, for Zynn, although he had seen the news reports and the video uploaded by Charlie, he hated Chengfeng, but he still didn't dare to turn his face with the old man directly.

The reason why he didn't dare to turn his face was also very simple. It was a complete lack of ability on his side.

This is just like when Emperor Guangxu faced the Empress Dowager Cixi, the entire Jiangshan community, military, and political power were in the hands of the Empress Dowager Cixi. Although Emperor Guangxu was the emperor, he was not her opponent at all.

What's more, Zynn doesn't even have the position of the head of the Su Family, and Chengfeng is the real decision-maker here.

Moreover, modern society is very different from feudal society.

Feudal society can seek to usurp the throne, but in modern society, everyone pays attention to the legal system. Almost all the assets of the Su Group are in the name of the father. Even if other shareholders hold the shares of the Su Group, the shares correspond to the vote. The right is completely handed over to the old man.

It is impossible to seize the power of the old man. Even if the old man is killed, the shares in the old man's name will be linked to the major trust funds. The rest of the Su family can only take some living expenses from the trust funds on a regular basis. Taking control of the Su family will be a dream.

Therefore, even if Zynn knew that the old man was going to kill his wife, he would also kill his other daughter, by the way, he would not have the guts to go back and find the old man desperately.

Because as long as he dared to leave Australia without the permission of his father, he might be put under house arrest directly.

Chapter 2516

Because of this, although he was very worried about Zhiyu's safety, he still did not dare to leave Australia for half a step until the father spoke.

He even dared not call to question the old man, because once he angered the old man, his fate would only become worse on the existing basis.

Zhifei is young and has never really experienced anything. The biggest and most serious thing he has experienced in his life was when he was kidnapped in Japan.

In fact, when he was kidnapped, he had already panicked.

The whole process was like a quail half-dead in fright. He was far less calm than his sister Zhiyu, so all the pressure at the moment was concentrated on his own shoulders, and he couldn't breathe.

He desperately longed for his father to come back and be his backbone, but unfortunately, he dared to disobey the old man, but his father did not dare.

Hearing that his father said he was waiting, Zhifei couldn't control his emotions and shouted, "Wait for more? What are you waiting for? You are waiting until the news of the death of Mom and Zhiyu Will be announced, will you be back for the funeral afterward?!"

Zynn felt that every word his son said was like a resounding slap in the face, slamming on his cheek, making him feel that his heart was bleeding.

However, he had no choice at this time.

He has experienced far more things than Zhifei.

He knows what is meant by "the courage not to be a man", and he knows what is meant by "planning and then acting."

He felt that those who knew that the opponent had a gun and rushed up with bare hands were all brave men, yet stupid.

Such people are mostly cannon fodder for others, how can they have the opportunity to become a famous player on the battlefield?

The son angered the old man. In his opinion, he was already stupid. If he disobeys the old man's intentions at this time and runs back to the country during this sensitive period, he will definitely touch the old man's inverse scales. Once the old man thinks he is rebellious, then It is impossible for him to have a chance to get up again in his life.

Therefore, he could only patiently explain: "Zhifei, you asked me to go back and help you, but you know that with your grandfather's character if I go back now, you may not see my face at all, I will lose my freedom? It's even possible that you will never have the chance to see me again in your life."

As he said, he hesitated for a few seconds and said seriously: "Zhifei, you listen to your dad once. It is too late today. You settle down in Aurous Hill first. Tomorrow, while ensuring your safety, you will contact your grandpa and let your grandpa tell your uncle and your uncle will send someone to help you find the whereabouts of your mother and your sister. You give me one day. If your grandfather doesn't contact me during this day, then I will ask him. In any case, I will let him approve of me to return home."

Zhifei wanted to scold his mother angrily.

However, after calming down, he also understood that what Dad said was not without reason.

On the contrary, Dad was deliberate, but he was a bit too impulsive.

Thinking of this, he whispered: "Dad, I know... you don't have to worry about me. I will call Grandpa in a while, and I will communicate with you again if something happens."

Zynn gave a hum, and said, "Don't call your grandfather tonight. I guess he should be planning how to find your mother and your sister now. Don't disturb him. Talk about it tomorrow!"

As he was talking, his mobile phone suddenly popped up a reminder that another call came in, and he exclaimed: "Your grandpa is calling me!"

Chapter 2517

After receiving a call from Chengfeng, Zynn felt that it was both reasonable and outside.

He reassures his son a few words quickly, ends the phone call, turns on Chengfeng's call, and can't wait to figure out his intentions.

As soon as the phone was connected, Zynn said nervously, "Dad...you... why are you calling me so late?"

Chengfeng sighed on the other side of the phone and said, "Hey, Zynn, Dad called to apologize to you."

As he said, he asked: "You have already watched the videos circulating on the Internet?"

Zynn said truthfully, "Yes, Dad, I did see it?"

As soon as his words fell, Zynn quickly added: "Dad, I know you must have some opinions on Liona, but I believe you will not have any bad intentions towards Zhiyu. Stuart and Shoude must be coerced by others, so they are talking nonsense in the video and splashing dirty water on you!"

Zynn's words instantly moved Chengfeng's heart deeply.

He really didn't expect that his eldest son, at this time, could be so rational and objective, and he even broke the truth of what he wanted to speak out most in his heart!

The truth of this matter is: "I fu*king really never thought of killing my own granddaughter! I only wanted to kill Liona!"

"However, along with Stuart and my own son, both convicted me of the crime in the video, and dumped all the black pots and unnecessary charges on me alone, and was seen by more than one billion people across the country. My mother can't argue with them!"

Human emotions are so subtle.

Even if you are quite prejudiced against a person when you are not understood by anyone and only this person can understand you, your attitude towards him will definitely undergo a 180-degree change.

Because he is your only soulmate.

Chengfeng felt this way at this time!

Unexpectedly, it was impossible to understand that his eldest son would break the secret in a word, which not only moved him but also made him a little surprised.

Zynn's words are actually intentional.

He actually hated Chengfeng very much in his heart, because even if Zhiyu's troubles were not caused by the old man, Ruoli always has no quibble?

Moreover, Zynn himself was buckled in a sh!t basin and was thrown into Australia, which was also done by the old man himself. In this case, Zynn's hatred for him would not diminish at all.

But he still cleverly concealed all the negative emotions, and from the very beginning expressed a complete understanding of the old man, and this time he won the deep heart of the old man.

The old man sighed and said, "Zynn, you know me... Zhiyu is my favorite granddaughter. How could I be cruel to her? The outsiders are really confused! They just listen to the villain's framing!"

As he said, he hurriedly said again: "By the way, there are so many major incidents happening at home now one after another. You can't stay alone in Australia and enjoy good fortune. Come back and help Dad tide over the difficulties!"

When Zynn heard what the old man said, his expression was even more ugly than eating sh!t.

Chapter 2518

“The old man does have a set...”

“Obviously he sent me to Australia, and then put me under house arrest in disguise, and now he needs me to go back to help. He even said that I am now in Australia to enjoy the good fortune, and I have the f*cking blessing in this shabby place, ah, me?”

Even though he thought so, Zynn immediately followed the old man’s words and said: “Dad, I’m so sorry, I really have been spared during this time. If you need me to come back and help, then I will be at your disposal at any time.”

Zynn wanted to go back, but he couldn’t immediately say that, so he said “if you need me, then I will set out.”

Even if the old man said it for this purpose, he must put the initiative in the old man’s hands, and finally say one more sentence, always waiting for the old man’s dispatch.

In this way, on the one hand, it appears that he has absolute respect for the old man, and on the other hand, he appears humble in front of the old man.

In this way, it can also reduce the old man’s defensive heart for himself.

Hearing this, the old man felt refreshed, and hurriedly said, “Well, let me get the plane ready for the Australian side, so you can get back as soon as possible!

After speaking, he added: “By the way, I plan to leave Eastcliff as soon as possible and go to Suhang to hide from the limelight. Otherwise, the police and Du’s family will probably come to the door before dawn. It will definitely be big trouble. .”

Zynn hurriedly asked, “Dad, why are you going to leave Eastcliff?”

Chengfeng said, “I plan to go to Suzhou. There are some of our properties and a large manor. I want to go there first and be quiet. Besides, it is also closer to Aurous Hill, so it is more convenient for me to take command.”

Zynn asked, “Dad, should I go to Eastcliff or reach Suhang?”

"Fly to Suzhou." Chengfeng said, "I hang up the phone and go directly to the airport by helicopter. I can get to Suzhou in about three hours. You will fly directly to Suzhou. I will wait for you there."

"Okay!" Zynn said immediately, "Then I will prepare."

Chengfeng opened the mouth and said: "Zynn, there are some things that trouble Dad, you must not blame me, especially Liona's affairs, Dad is also helpless to consider the reputation of the Su family..."

Zynn said without hesitation: "Don't worry, Dad, I understand you 100% on this point..."

As he said, he couldn't help sighing, and then said: "You tell me, Liona, this woman, has never forgotten Changying in her heart for so many years! She and I have not divorced yet, so she ran to Aurous Hill to buy Changying's house, when it gets smaller, it's hitting my Zynn's face, when it's bigger, it hits the face of the entire Su family! Even if you don't want to solve this trouble, once I come back, I won't let her go!"

After hearing this, Chengfeng said with great satisfaction: "Zynn, you can have this knowledge, I am very pleased that you are the son of Su's family. In the face of big things, you can see more clearly than ordinary people!"

Speaking of this, he continued: "It's getting late, you should hurry up and prepare, let's talk about specific things when you come back."

"Okay." Zynn said respectfully, "Dad, you rush on the road overnight, pay more attention to your body!"

"Okay, I see." Chengfeng replied, remembering something, and then said: "By the way, when the video came out, Zhifei came to me and made a fuss, and then I didn't know where he has gone. He contacts you, and you remember to apologize for me. As a grandfather, my temper is really hot, so please don't take it to your heart."

Zynn really did not expect that the old man would take the initiative to apologize to his son, and hurriedly said: "Dad, knowing that he just called me again. The biggest problem with this child is that he is not mature enough, and he has not encountered things in life as of yet. The information from the outside world is so obsessing that he can't see the

essence of the matter. Don't share your knowledge with him. After I come back, I must bring him to you and kowtow!"

Chengfeng was very satisfied with Zynn's remarks, and said: "If this is the case, then I can rest assured, you hurry back, I will wait for you in Suhang!"

Chapter 2519

One thing that Elder Su is better than Zynn is that he used clues to construct a general framework in his brain, and in this framework, he calculated the existence of Charlie, a mysterious person.

In fact, Chengfeng has always been a very shrewd old fox, and there are almost no loopholes in many of his plans, but only a few times because he could not foresee a variable like Charlie, so he missed a little bit and went wrong.

This time, he speculated that Zhiyu was not dead, and speculated that she must be rescued by an expert, so he decided to try his best to restore Zynn's family and its faith in him.

The first breakthrough point was naturally Zynn, the head of the family.

The call just now not only calmed Zynn but also expressed his apologies to Zhifei in front of Zynn.

If the father and son believe his words, he would gain the confidence of at least half of the family of four.

Although it is impossible for Zynn to forgive Chengfeng so easily, at this moment, his heart is indeed relieved a bit because of Father Su's initiative to admit his mistake just now.

After all, Chengfeng never bowed his head to admit his mistakes in his entire life, and suddenly apologized in person, which really surprised him.

Moreover, Chengfeng couldn't count the existence of the mysterious factor Charlie, so he didn't know the real motive of the old man's softness.

In addition, he himself was sent to Australia. Even if the old man did something sorry for him, there was no need to bow his head to him. Even the old man could completely put him under house arrest. This is also the old man's consistent behavior style.

But the old man didn't choose this method. Instead, he actively bowed his head to admit his mistake and begged for forgiveness. This made Zynn feel that the old man might really have realized that he had the idea of reforming and making up for himself.

The old man is willing to make up for him and agree to let him return to China, which is equivalent to preparing to restore his heir status.

No one would have trouble with the trillions of fortunes, so in addition to surprise, Zynn's heart also had an uncontrollable excitement.

However, on the one hand, there was the grief and worry of the unidentified life and death of his own daughter. These completely different moods mixed together, which made Zynn a little ashamed.

The reason why he was ashamed was also that he found that he couldn't stop the excitement in his heart under such circumstances.

This also made him thoroughly understand the truth.

Why was there a series of battles for the throne and power between the flesh and blood of the closest relatives in ancient times?

The history of elder brother killing younger brother, younger brother killing elder brother, father killing son, son killing father, etc. is not uncommon.

The reason is that the benefits placed in front of them are so great that they can leave their blood and affection behind.

At the expense of one's loved ones, if only one hundred can be exchanged, not many people in this world will agree.

However, if you sacrifice your loved ones, what if you can get back ten billion, or even one trillion?

I am afraid that many people will be completely confused by this huge benefit.

Zynn is also a mortal, and he also has seven emotions and six desires.

After being sent to Australia, he felt the loss of power, and this sense of loss made him unforgettable.

Now that he finally saw the opportunity to turn against the wind, how could he not be excited deep in his heart?

So he called Zhifei and told him briefly about the situation, and then told him: "Zhifei, I think your grandpa really realized his mistake this time, so you shouldn't be here either. This will resist him too much, you know?"

Chapter 2520

Zhifei said angrily: "Dad! we are unclear about the life or death of Mom and Zhiyu at his hands. Tell me not to resist him too much? Didn't you watch the video circulating on the Internet? Mom and Zhiyu were in that car What has become of it!"

"Stupid!" Zynn angrily shouted, "It has happened. What can you and your grandfather try to save?"

"Not only can nothing be saved, but you will also be gone forever!"

"You know, I am the eldest grandson of the Su family, and you are the eldest son of the Su family. Your grandfather will live for more than ten years at most. At that time, if I cannot be the head of the Su family, I will have to go away!"

"If your second uncle, your third uncle, or your fourth uncle took the seat of the head of the house, would it make our family feel better?!"

"I ask you, do you know how your grandfather's brothers ended up after your grandfather becomes the owner of the house?"

"These uncles of mine didn't have a chance to live in China! The day they failed to seize a position was the beginning of their family's departure overseas!"

Speaking of this, Zynn said emotionally: "Those who have failed to seize the princes, leave China and go overseas, and can get less than 1% of the assets of the family. The most unlucky one can't even get even that 1%. Here! Do you want to wait ten years to be kicked out of China, lose all the positions, funds, and assets given to you by the family, and bring your family several hundred million in assets to live overseas?"

Zhifei fell into silence.

As the saying goes, it is easy to change from frugality to luxury, and it is difficult to change from luxury to frugality.

Now he doesn't care about money at all. He has private jets when he goes out, and in the world's eyes, he has his own business. He can do whatever he wants. But once the father has said that he fails to seize his position and is sent overseas, he will lose everything instantly.

Better private jet costs hundreds of millions. If he really is deprived of all assets and leave only a few hundred million in for his family, what will he live on?

Zynn also knew very well that his words had touched his son's heart, so he was very wise to choose enough to stop instead of rushing for success.

So he opened his mouth and said: "Okay, I'll tell you this much first. Your grandfather asked me to go to Suzhou to meet him. You will find a place to stay in the city tonight and drive to Suzhou tomorrow morning. I will be able to arrive almost by tomorrow afternoon, when you come to the airport to see me, let's meet your grandpa together!"

Zhifei was silent for a moment, no longer showing his rebellion and confrontation, and whispered: "I know Dad after you take off, send me a WeChat, and I will find time to pick you up."

"Well, be careful and take care of yourself!"

.....

This night, the reality is extremely calm, but the online world continues to boil.

The attacks and abuses against Chengfeng have intensified.

What he did has even begun to be reported by overseas media.

And he himself is quietly hiding in Suhang overnight.

Zynn boarded the private plane of the Su family and departed from Australia for a direct flight to Suzhou.

As for Zhifei, for the sake of caution, he did not go to seek refuge with anyone known to the family, nor did he go to the hotel. Instead, he lay in his limousine with the heater on all night.

This night, the three generations of the Su family, all had no sleep.

In sharp contrast to them, Liona and Zhiyu, mother and daughter, lay on the extremely comfortable bed in the hotel and slept peacefully all night.

At 8 o'clock in the morning, Zhiyu was the first to wake up and opened her eyes slightly...

Chapter 2521

What jumped into Zhiyu's eyes was a luxurious suite in a hotel, and she was lying on a comfortable bed with a width of more than two meters.

At this moment, she thought she was the soul after death.

So she immediately wanted to find her mother's whereabouts, and when she looked around, she found that her mother was lying beside her!

At this time, she also ignored the dream and reality, and couldn't wait to reach out, shook her mother's body, and shouted: "Mom...Mom, wake up..."

Liona, who was still sleeping, woke up faintly. After she recovered, she looked at Zhiyu in front of her and exclaimed, "Zhiyu...are you okay?!"

Zhiyu hurriedly said, "Mom, I...I don't know if I have anything..."

Liona looked around and asked subconsciously, "Aren't we...in the tunnel? How come..."

Zhiyu also shook her head subconsciously, "I don't know what's going on, it seems like this is a hotel..."

With that, Zhiyu suddenly thought of Charlie's face!

Suddenly it occurred to her that before she fell into a coma, what appeared in front of her was the benefactor that she was thinking about and trying her best to find him.

So she understood one thing and exclaimed: "Mom! the benefactor must have saved us!"

"The benefactor?!" Liona asked subconsciously, "You mean, the benefactor who saved you in Japan?!"

"That's right! It's him!" Zhiyu was so excited that her voice was trembling, and her tears were completely uncontrollable, and her cheeks were completely choked. Now, the consciousness has also reached the edge of fragmentation, and...then she saw benefactor!"

Liona couldn't help asking, "Could it be the hallucinations caused by unconsciousness at that time? Isn't that person in Japan? How could he appear in Aurous Hill?"

Zhiyu unswervingly said: "Mom. It's him, it's really him! I will never remember it wrong!"

With that said, she hurriedly checked her body.

Soon, she discovered that her body, which had been severely injured in the car accident, was now unscathed, and she said excitedly: "Mom! My benefactor must have rescued us from the tunnel! There are also our injuries, they are gone now. , He must have cured it!"

Only then did Liona realize that her body does not feel any abnormality at all at this time.

You know, before that, she and her daughter faced a man-made car accident in the tunnel and suffered huge injuries.

She couldn't help exclaiming in her heart: "In such a serious car accident, it is almost impossible for anyone to survive!"

"However, you and I are unharmed now... this is incredible..."

So she hurriedly asked: "Zhiyu, why did your benefactor come to save us?"

"I don't know either." Zhiyu shook her head blankly, and said, "I have searched him for a long time, but have not found him. This is the second time I have seen him..."

As she said, she couldn't help sighing: "Mom, my dear father, he saved me again... and not only did he save me, he also saved you, and count it down, mother and brother, three I owe my benefactor four lives..."

Immediately afterward, Zhiyu couldn't help complaining: "Mom! The Feng Shui master that grandpa looked for is just nonsense! He told me not to look for my benefactor and said that my lifestyle and my lifestyle recoiled. There will be a catastrophe, but he must not have thought that it was the benefactor who rescued me again! I said at the time that his calculations were not credible, and you scolded me..."

Chapter 2522

Liona immediately stopped and said: "Zhiyu! Don't talk nonsense! How do you know that Master Lai is inaccurate? Master Lai has long said that if you were not looking for him, if you were obedient and went back to Eastcliff, naturally you would not encounter such a big thing."

Zhiyu was not convinced, and blurted out: "Then if I go back, mom, your safety would not be guaranteed!? If I was not here, my benefactor won't show up, then mom, you are more fortunate. ..."

Liona sighed, and said, "Hey, this is the world's cause and effect. Master Lai only calculated the connection between you and him. I didn't know how to get in touch with your benefactor through you. Even though I was saved by your benefactor..."

Speaking of this, she couldn't help but sigh: "This benefactor is really a noble person in our family... I don't know if I can find him and thank him in person..."

Zhiyu came back to her senses, and said with excitement, "The hotel we are staying in must have been arranged by my benefactor. I will go to the service staff and ask!"

After speaking, she hurriedly got up from the bed, rushed out of the bedroom in two steps, and went straight to the door of the executive suite.

As soon as she pushed the door open, she saw four strong young women outside the door completely blocking the way.

She hurriedly asked, "Hello, where am I?"

One of the women said, "Hello, Miss Su, you are in the hotel arranged by our young master for you and Ms. Liona."

Zhiyu asked in surprise, "Then, who is your young master?"

The woman shook her head and said, "I'm sorry Miss Su, the identity of our young master is highly confidential, and we must never disclose it to the outside world."

Zhiyu was not reconciled, and asked, "Can you take me to see him? I want to thank him in person..."

"I'm sorry." The woman continued to shake her head and said apologetically: "Our young master has ordered that if you and Miss Liona wake up, you should have a good rest in the room. You can tell us any time you need anything, but you can't leave the room."

"Ah?" Zhiyu couldn't help asking, "I don't know what your young master's intention is for this arrangement is?"

The woman explained: "That's right, our master told me that your grandpa is deliberately trying to kill your mother, and your own safety is not guaranteed. So he needs you and Ms. Liona to stay in the hotel room temporarily and not go out."

Zhiyu feels a little lost, but when she thinks that her benefactor is doing it for the safety of herself and her mother, she nodded and said helplessly, "Well then... please help me thank you, young master..."

After speaking, she hurriedly asked: "I...I have another question."

"Miss Su, please speak."

Zhiyu asked expectantly: "Will your young master come here? I...I want to see him...I don't know if there is such an honor?"

The woman smiled slightly: "Miss Su, I can't answer you exactly about this. Master didn't tell me if he will come."

Zhiyu felt even more disappointed.

Unexpectedly, she was rescued by the benefactor again and even got into a high-end hotel by benefactor, but she still couldn't see him.

At this time, she couldn't help asking: "Then, do you know where my phone is? If you know, can you return it to me?"

The woman said, "I'm sorry, Miss Su, our master has ordered that you and Ms. Liona cannot contact anyone outside for the time being, because now many people are looking for your whereabouts. Once they know that you are still alive, I am afraid they will not rest until you are not good, I hope you can understand!"

Chapter 2523

Zhiyu didn't expect that not only did the benefactor not show up, he even refused to let her communicate with the outside world, and her mood suddenly became even more disappointed.

She asked tentatively: "Will you let me report peace to my family? My grandfather must be very worried about the safety of my mother and me. Just report to him and let him know that we are all right. It's..."

The woman shook her head and said seriously: "Sorry Miss Su, our young master's order is not to let you contact anyone outside, no matter who the other party is."

Although Zhiyu was a little bit uncomprehending in her heart, she nodded gently and thought: "Benefactor arranged like this, although it looks like he put my mother under house arrest, I believe he must have his reason, and it must be in good faith."

So she said, "I understand, thank you."

The woman hurriedly said, "Ms. Su is polite. You and Ms. Liona can tell us any needs, including what you want to eat and drink, what to wear, and you can tell me. Arrangements will be in place."

"Okay..." Zhiyu bowed slightly and said gratefully, "Thank you!"

After speaking, she realized that her stomach was indeed a little hungry, and he said, "Um...Can you help me prepare some breakfast for my mother?"

The woman said without hesitation, "Of course, Miss Su, what would you like to eat?"

Zhiyu hurriedly said: "It's all right, as long as it is lighter."

"Okay." The woman said, "Miss Su, please go back to the room and rest for a while. I will tell the kitchen to prepare."

"Thank you!"

Zhiyu thanked, and then returned to the room.

When she returned to the room, Liona also walked out of the room. Seeing that her expression was a little lost, she hurriedly asked, "Zhiyu, how is it?"

Zhiyu said helplessly: "There were four female bodyguards at the door. They refused to let me go out. They said that it was the kindness of the young master who told us to let us stay here. There are many people outside now looking for our whereabouts. For the sake of safety, the benefactor will not let us have any contact with the outside world."

"I originally wanted to report peace to the foreign official, but they didn't allow it."

Liona nodded slightly and said seriously: "This is understandable. Your grandfather wants my life, and some people want your life. I don't know how complicated the situation is. If you let the outside world know that we two are still alive, I am afraid that it will really bring a lot of danger, and it will also cause a lot of trouble to your benefactor."

Zhiyu asked, "Mom, the female bodyguard at the door said, it is the Young Master, then who do you think is the young master? Is there any great family in Aurous Hill?"

"Aurous Hill?" Liona frowned for a moment and said seriously: "I don't really understand the situation in Aurous Hill. I know that there is a Song family with assets in the early hundreds of billions. This benefactor is extraordinary in strength and definitely not Song. A family of this size can be nurtured."

"In other words, if the Song family can cultivate such extraordinary talents, the strength of the Song family will never be the scale it is today."

Zhiyu asked again, "Could it be a hidden family?"

"Hidden family?" Liona thought for a while and said seriously: "I can't say this, but to be honest, Aurous Hill's economic situation is not among the top ten in China. In such a city, it is difficult to have a strong hidden family, after all, the water must be deep enough to be able to hide the giant."

Zhiyu nodded in agreement and muttered to herself, "This is..."

After that, she had an idea, and then said, "Mom, then, do you think the benefactor is the young master of a big family in Eastcliff or other first-tier cities?"

"First-tier cities?" Liona was silent for a moment, and said, "There are only a few of the top domestic families. As far as I know, none of these families have very powerful young masters, just like the Su family, including your brother. Among the male descendants of

the new generation, who can be considered a master? Other families are even more unlikely.”

Chapter 2524

Zhiyu couldn't help sighing.

She also felt that what her mother said was right.

The elder sons of these top families may be very mysterious to the outside world, but the real top family members, know the elder sons of these other families very well.

Although these top-notch family elder sons are all so-called high-achieving students who have returned from studying abroad, Zhiyu knows that most of these are glamorous straw bags.

To put it nicely, it is embroidered pillows.

To put it ugly, it's that the donkey sh!t is shiny.

Regardless of these big sons, each of them speaks fluent English. At the same time, they understand the world pattern and can talk about and give pointers to the development of the global economy. But if you really let him do it, he may immediately talk to the paper. He goes just blind.

Before that, there was a well-known son who was known as a business wizard. He made billions on his own ability in just a few years. But in a blink of an eye, the news of the company's thunder and debts spread.

Billions of assets turned into billions of liabilities in an instant.

And such people are definitely not an exception in the upper class.

Therefore, it is difficult for Zhiyu to believe that her benefactor, her omnipotent benefactor, who is like a god from the sky, will also be the son of a big family.

Thinking of this, she couldn't help but fall into deep thought again. After a long time, she said distressedly: "Mom, Blessed Man is not the son of a big family, but he is called the young master. What is his background?"

Liona smiled and said earnestly: "You have to find this benefactor. He has great magical powers and his abilities are no longer what I can imagine, so his identity is definitely not something we can easily guess."

Speaking of this, a face suddenly flashed in her mind.

It was a very familiar but somewhat strange face.

That was the young man she saw at the door of Changying's former residence, who looked exactly like Changying.

He looks so much like Changying that she can be sure that he is 100% Changying's son.

Thinking of this, Liona couldn't help but wonder: "Will the benefactor that Zhiyu was looking for is Changying's son?!"

As soon as this idea came out, Liona couldn't help but overturn her own speculation.

"I saw that young man that day. He was dressed in very ordinary clothes, and he was riding a tattered electric bike. It should be more difficult to come here. It shouldn't be the benefactor Zhiyu has been thinking about..."

Liona fell into deep thought, and another question came up in her mind: "Then...who is the person who grabbed Changying's former residence at the auction with me?"

Zhiyu saw her mother's expression sometimes dignified, sometimes tangled, and sometimes confused, so she couldn't help asking, "Mom, what are you thinking about?"

Liona came back to her senses and said hurriedly, "Oh, it's nothing... I just thought about it for a while, but didn't get any clues."

After finishing talking, she said to Zhiyu: "Zhiyu, don't worry too much. Since the benefactor arranged us here and let his subordinates protect us at all times, it is equivalent to establishing indirect contact with us. This is much more optimistic than

when you found a needle in a haystack and couldn't find any clues before, so you wait patiently, I believe he will show up sooner or later!"

Zhiyu nodded, and was about to speak when a flash of inspiration suddenly flashed in her mind: "Mom! Do you think this hotel is the property of the Benefactor?!"

Chapter 2525

Zhiyu's inspiration suddenly appeared, so that Liona was also stunned.

She nodded in agreement and said: "Since this benefactor wants to properly settle us and strictly guard the secret that we are still alive, then he will not just place us in a hotel that doesn't matter....."

"Besides, he has sent so many people at the door. This hotel is likely his property as you said."

"Even if it is not, then he and this hotel should have a deep relationship."

Zhiyu nodded and ran to the desk in the living room of the suite with some excitement, and opened the drawer in it.

Generally, hotels will put some letter paper for guests to write on their desks, and the name of the hotel will be printed on it.

When she saw the words "Aurous Hill Shangrila Hotel" above the letter paper, she couldn't help exclaiming: "Mom! The hotel we are in is called Shangrila. I remember, Shangrila seems to be the property of the Wade family?"

Liona was horrified at once: "Shangrila?! Could it be...Is it really him..."

Originally, Liona had also thought about whether the benefactor in her daughter's mouth was Changying Wade's son.

But she also overturned her own guess. After all, Changying's son went missing in the early years, and he had not returned to Wade's house. It is unlikely that a fallen master who has fallen outside has such a powerful ability.

But now, when she heard that the hotel she was in was Shangrila, she immediately began to doubt it again.

Here, Zhiyu saw her mother in shock, and even said a "him", so she subconsciously asked: "Mom, do you know what? Who are you talking about?"

Liona came back to her senses and said with a complicated expression, "Actually, there is also a young man in the Wade family who has been missing for many years..."

Zhiyu suddenly realized, and blurted out, "Mom, what you said should be the son of Uncle Wade's?"

Liona checked her head and said calmly: "Yes, it's him."

As a woman, Zhiyu knows her mother's heart very well.

She knew that her mother had always loved Changying for so many years. It could be said that she was extremely infatuated with Changying. Even if Changying had been dead for nearly 20 years, her mother still missed him.

Because of this, her mother came to Aurous Hill after learning the fact that her father had derailed, and assassination attempt was made because she wanted to buy Changying's former residence.

Liona did not hide anything from her daughter, so she was not surprised when Zhiyu mentioned it.

Zhiyu asked in surprise, "Mom, didn't that Uncle Wade's son disappear after Uncle Wade's death? I remember it seems that the Wade family never found his whereabouts. How do you think he is the benefactor?"

Liona counted and nodded and said seriously: "In your old Uncle Wade's house that day, I saw a boy who looked almost exactly the same as your Uncle Wade when he was young. He looked like six or seven years older than you. How old are you, about the same age as your brother, and the age is very similar to your Uncle Wade's son."

Zhiyu couldn't help asking, "Could it be a coincidence? After all, there are still many people who look alike..."

Chapter 2526

"No." Liona said seriously: "If everything is really just a coincidence, most of it will only happen in one dimension. For example, if you meet someone who looks very similar to me by chance, this is normal. I accidentally, it is normal to meet someone who looks very similar to your Uncle Wade..."

"but....."

When Liona said this, her tone and expression were a bit serious, and she continued: "However, I unexpectedly met this young man in Aurous Hill. Your Uncle Wade was killed in Aurous Hill, and his son also disappeared in Aurous Hill. , So this is the second coincidence."

"Also! Not only did I meet him in Aurous Hill, but I also met him at the gate of your Uncle Wade's former residence! If he has nothing to do with your Uncle Wade, why did he appear there?"

Zhiyu was silent for a moment, nodded, and said seriously: "Mom, I think your analysis makes sense. The young man you saw at the gate of Uncle Wade's former residence is very likely to be Uncle Wade's son... .."

Speaking of this, Zhiyu's conversation turned around and said: "Mom, Uncle Wade's son, if he had disappeared in Aurous Hill that year, he had been in Aurous Hill. So the one you saw may indeed be Uncle Wade's son, but Wade Uncle's son may not be the benefactor! Do you have any clear evidence of this?"

Liona shook her head and said, "I don't have any direct evidence. After all, I haven't seen the benefactor you mentioned so far. However, since the benefactor arranged us in the Wade family hotel, then I believe that he must have a deep relationship with the Wade family."

Zhiyu fell into deep thought, and muttered, "If it is like what you said, Uncle Wade's son is the benefactor, then he has been alone in Aurous Hill for so many years, how can he be so helpful? Is there such a strong strength?"

"This...it doesn't make sense! A master like this can't be cultivated even by a top martial arts family."

"You see that the He family is so powerful, and they cultivated Ruoli wholeheartedly, but Ruoli's strength is tens of thousands of miles away from the ninjas who kidnapped me in Japan, I guess Ruoli is barely able to win, and one-to-two will undoubtedly lose at best..."

Liona smiled slightly: "I can't say this, but my instinct tells me that the benefactor you are looking for is likely to be him."

Zhiyu sighed, and said, "But I still don't understand. If Benefactor is really Uncle Wade's son, then he should hate the Su family...After all, it was Dad who came forward to do it. In the anti-Wade alliance, the Su family has been unable to live with the Wade family for so many years, how could he save us? Especially my brother and I, both of us are named Su, for him, we are the children of the enemy... .."

Liona shook her head, "I don't think about these questions, but I believe that sooner or later, I will figure it out. After all, this benefactor did not save us and put us behind him. He settled us here, which is equivalent to him already maintaining a bond with us. I believe it won't be long before he will reveal the true face of himself!"

Zhiyu couldn't help getting a little excited, and muttered to herself in a low voice: "My benefactor has saved our family of three so many times. If I can see him, I will definitely be a cow and a horse in my life to repay his kindness!"

With that said, in her expression, she couldn't help showing a bit of the shyness and fascination that the girls have for their sweetheart.

She is not to blame.

Any woman who has gone through life and death two times, and the same face saved her twice, I am afraid that she will feel good in her heart.

What's more, after Zhiyu returned from Japan, she has been obsessed with Charlie.

This time, she not only saw Charlie, but was also rescued by Charlie, and even Charlie saved her mother with her. This has completely captured the proud young girl's heart.

Liona looked at her daughter's eyes and couldn't help thinking of the young man she saw outside the door of Changying's former residence.

When she thinks of him, she can't help but think of the love of her life, Changying.

For a moment, her eyes suddenly filled with tears, and she sighed in her heart: "Zhiyu, this girl, I am afraid that she has already been moved by the benefactor. If she finds a son who is really Wade's, it is really fate....."

Chapter 2527

When Charlie settled Liona and Zhiyu mother and daughter in the Shangrila Hotel, he did not expect that the hotel would reveal his identity to a certain extent.

After he posted the video on the Internet last night, he did not pay much attention to this matter.

Because he knew that this video would definitely drag Chengfeng and the entire Su family into the quagmire of the whole people's crusade.

And he posted the video to the short video platform acquired by the Wade family so that there is no need to worry that the Su family will turn this video off.

Because for the Wade family, no matter how much money they gave, it would be impossible for them to do business with Uncle Su's family.

Zhongquan Wade would never miss this opportunity to humiliate and attack the Su family.

When Charlie got up in the morning, Claire was still asleep, Charlie got out of bed gently to wash, and when he came to the first floor, Elaine was already cooking with crutches.

Although Elaine had broken her leg, she was very active during this period. As long as it was housework within her ability, she did not shirk at all.

At this time, Elaine was watching with gusto while holding her mobile phone, while guarding the egg fried rice in the wok, and under the armpit of her right arm was an aluminum crutch.

Hearing Charlie coming downstairs, she hurriedly recovered and said with joy, "Oh, my son-in-law, come and see, we have something serious in Aurous Hill!"

Charlie had basically guessed what she was talking about after hearing her words.

However, he still pretended to be curious and asked, "Mom, what's the matter?"

Elaine said solemnly, "Do you know that Eastcliff has a very powerful family? The family name is Su!"

Charlie nodded: "Oh... I've heard of it."

Elaine hurriedly said, "This old man from the Su family is so fu*king puss and shit that he hired someone to kill his daughter-in-law. Do you think this guy is a b1tch?"

Charlie smiled and said, "I heard you say that this old thing named Su is really a sc&mbag!"

"No more!" Elaine gritted her teeth and said, "Everyone can get it! Now the law is civilized, otherwise, it will be left in feudal society. Such old things must be too late!"

"Good son-in-law, do you know Ling Chi? It's just that the executioner used a knife to scratch him constantly, just like a western chef slices ham on TV. He slices a thin slice at a time and keeps a slice of three to five thousand dollars. He breathes!"

Charlie saw that Elaine was almost crushing her mouthful of teeth, and he couldn't help but curiously asked, "Mom, why are you so emotional?"

Elaine said annoyedly, "When I saw this fu*king news, I thought of that b@stard grandma at first!"

"That dead old woman was just as bad as this dead old man named Su!"

"D@mn, when she was in the detention center, do you know how cruel her heart was? The old thing couldn't walk steadily. When hitting me, they were still struggling to kill me, wishing to beat me to death in the detention center!"

"These two old things are so bad to their daughter-in-law, they are simply a pair of dog men and women who are angry at the same time!

Chapter 2528

Charlie didn't expect that Elaine thought of Mrs. Willson through what Elder Su did, and he was speechless for a while.

At this time, Elaine couldn't help but sighed, and said, "I just feel sorry for this woman named Liona! I think she must be a good woman who is as kind-hearted and smart as I am, but God does not have eyes, we are so good. A woman just can't meet a good mother-in-law and a good father-in-law."

Charlie was embarrassed and felt serious nausea.

Liona is definitely the top celebrity in the noblewoman circle after being a famous gate in Eastcliff anyway. In any respect, she is stronger than Elaine by tens of thousands, but Elaine is so bold to say that she is the same as Liona, which shows that she has thick skin with no edge.

But Charlie didn't bother to tell her more, so he smiled and said, "Mom, you are busy first, I will go to the yard to get some air."

Although Elaine was still filled with righteous indignation, when she heard this, she hurriedly said with a smile: "Good son-in-law, you can wear more clothes. It's cold outside today."

"it is good."

Charlie came out of the house and called Issac in the yard.

As soon as the phone was connected, Issac's voice came over: "Master!"

Charlie asked, "Old man, how is your situation there?"

Issac hurriedly said: "Master, the executive floor of the hotel is still strictly guarded. Except for my confidant, even ordinary waiters and security guards are not allowed to approach. As for Ms. Liona and Ms. Su, my staff just gave me feedback. Miss Su wanted

to see you and inquire about your identity, but my people didn't disclose it and asked them to stay in the room. They just sent them some breakfast."

"In addition, I received a message that the old man Chengfeng had fled Eastcliff overnight. The plane departed from Eastcliff Airport and flew east to the high seas, then circled the southern part of the Taiwan Strait, and then went all the way north. It was around 6 o'clock. After landing in Suzhou, the flight trajectory of the plane was like a big fish hook..."

Charlie asked curiously, "Why did he go to Suzhou making such a big circle? Is it because he is afraid that others will discover his true track?"

"Yes!" Issac laughed: "Some media don't know the situation. They only know that his plane took off from Eastcliff and flew east out of the country. They thought he had fled to Japan to avoid the limelight."

Charlie said with a smile: "He ran to Suhang, probably not just to avoid the limelight, Suhang is so close to Aurous Hill, I think he still misses Aurous Hill."

"I think so too." Issac said seriously: "The Su family has a bit of influence in Suzhou, and Master Su's command of Aurous Hill's side is also considered to be on the front line led by himself."

Charlie immediately ordered: "Hurry up and call Regnar to Aurous Hill, otherwise Chengfeng will probably find him to understand the situation after he gets over. Although Regnar is surrendered now, he has eaten a lot in my hands. Unfortunately, maybe he will take this opportunity to take refuge in the Su family to fight me."

Issac suddenly realized, and blurted out: "Oh, why did I forget Regnar! With the acting style of the old fox like Chengfeng, when he arrives in Suzhou, he will first sort out all the uncertain factors in Suzhou first, and then plan again. Move, maybe I will summon Regnar this morning!"

Charlie smiled and said, "It shouldn't be so fast. Chengfeng definitely didn't worry less last night. He took a big circle in the plane and probably didn't have any thoughts to rest. The plane just landed more than two hours ago. Going to the place where he is staying, I guess he will probably have to make up his sleep first this morning. When he wakes up, he may first take a look at the situation in Suzhou."

"So, you call Regnar directly now and say that I am looking for him in a hurry, and ask him and his eldest son to come by helicopter immediately. In this case, it should not be too late."

"Furthermore, Chengfeng's trip to Suzhou is so low-key, the Wu family certainly won't know his message now."

Issac hurriedly said, "Okay, Master, then I will call Regnar now!"

Chapter 2529

When Regnar was still asleep, he was woken up by Issac on the phone.

On the phone, Issac told Regnar that Charlie asked him to take Roger to Aurous Hill immediately by helicopter.

Regnar dared not delay, got up quickly, took his son straight to Aurous Hill.

At ten o'clock in the morning, Regnar's helicopter approached Issac's hotel gradually.

As the helicopter continued to descend, Regnar couldn't help but remember the scene of the father and son being shot directly by Issac's people last time here.

That time was the most humiliating day of Regnar's life.

Not only broken limbs but also very humiliating sentences were engraved on their foreheads and beaten badly by the men here.

Looking back at that moment, Regnar's fist was clenched involuntarily.

However, he suddenly thought of the Eight Heavenly Kings buried at the foot of Changbai Mountain.

Thinking of the tragic death of the Eight Heavenly Kings, he couldn't help fighting a cold war.

It was precisely because of the death of the Eight Great Kings that he realized one of the most crucial facts: Charlie had enough strength to kill him, even his whole family.

The Eight Great Heavenly Kings took their own orders against Charlie. Charlie killed them but didn't take his life. This was already his own good fortune.

In addition, he now knew Charlie's true identity, so he became a little more afraid of him.

At this time, Roger beside him said with some worry: "Dad, what do you think Charlie is looking for with us?"

Regnar hurriedly scolded: "As\$hole, can you call Master Wade's name directly?"

Roger said aggrievedly, "Dad, isn't this just a private talk? Why are you so sensitive..."

Regnar blurted out: "I'm afraid you are not stupid! What is the identity of Master Wade? Young Master Wade is the top master! He can kill the Eight Heavenly Kings by himself! Don't provoke him, even if you call him by his name. It's easy for him to get angry!"

Roger curled his lips: "Dad. Are you not a little too sensitive?"

"Sensitive?" Regnar asked him back, "Have you watched the video on the short video platform yesterday?"

"No." Roger said: "Since the incident of your brother and Liu Guang and Liu Ming's two b@stard cross talks were transmitted to the short video platform, I stopped the video from the platform, but he received the news. Pushed it, you probably know the whole story."

Hearing Roger mentioning Wu Qi and Liu Guang and Liu Ming, Regnar couldn't help feeling a little bit in his heart. He held back his anger and asked him: "Then you think, besides Master Wade, who else has the ability and courage in Aurous Hill? Dare to directly tie up the second son of the Su family?"

Roger thought for a while, his expression couldn't help but said nervously: "This...Dad, according to you, the second son of the Su family was tied up by the son of Wade's?"

Regnar said, "In my opinion, in the entire Aurous Hill, only Master Wade has the ability to do it. No one except him..."

"I'm going..." Roger couldn't help exclaiming, "Why did Young Master Wade suddenly act on the Su Family?! Isn't it about declaring war with them?!"

Regnar shook his head: "I don't know exactly why, but as far as I know, the Wade family and the Su family have always had feuds. Maybe he wants to avenge his father."

Roger shrank his neck and sighed: "The Master Wade acting style is too fierce. As soon as the second young master of the Su family arrived in Aurous Hill, he was tied up. He is not afraid of revenge after the Su family finds him... "

Regnar said earnestly: "Judging from his ability to kill the Eight Heavenly Kings by himself, he tied the second young master of the Su family, but it was as simple as a cat catching a mouse for him."

Chapter 2530

As he said, Regnar said again: "If the Su family really goes against Master Wade, maybe Master Wade can kill Chengfeng himself. With his patience, it will not be impossible for him in China to kill all the Su family one by one. I think the reason why he still keeps this old guy alive is like a cat catching a mouse but not eating it. The main reason is not to eat the mouse, but to play with him and torture him."

Roger couldn't help but panic.

Seeing him pale, Regnar reminded him sternly: "I will see Young Master later, and you must give him enough respect and keep your posture to the lowest level. I won't let you talk, you don't want to say anything. do you understand?!"

Roger nodded hurriedly: "I know Dad..."

The helicopter landed on the roof of the hotel, and Issac was already waiting here.

Regnar took Roger off the plane, and hurriedly walked to Issac, and said respectfully: "Mr. Issac, I should bother you to greet you personally. I am not really flattered..."

With that said, he gave Roger a color and said, "Won't you say hello to President Issac!"

Roger hurriedly said, "Hello, Mr. Issac..."

Issac nodded and said, "You two come with me. Master is already waiting in my office."

Regnar hurriedly followed behind Issac and came to Issac's office on the top floor of the hotel.

At this moment, Charlie was standing with his hand in front of the glass window of the office.

After Issac brought the people in, Regnar hurried forward, stepped forward, respectfully said, "Hello, Master!"

Roger also learned something, respectfully saying: "Master Wade is great!"

Charlie nodded slightly and said, "Regnar, do you know why I am looking for you today?"

Regnar couldn't help but shook his head and said: "Young Master, I really don't know what you are looking for, please tell me."

Charlie said indifferently: "I saved the Su family's eldest daughter-in-law and eldest granddaughter yesterday, and then tied Shoude, the second son of the Su family, with my hands. You should have seen these things in the news, right?"

Regnar's body was shocked, and he hurriedly said, "Master Wade, we already know what you said."

Charlie gave a hum and continued: "Early this morning, Chengfeng, the head of the Su family, went quietly to Suhang. I guess, this time he wants to go to Suhang to hide from the limelight, but also wants to use Suhang as a frontline position to come to Aurous Hill. Investigate these matters, especially the whereabouts of his second son."

Regnar asked hurriedly, "Master Wade, are you going to declare war with the Su family?"

Charlie smiled and said, "Declare war? Declaring war is boring. The Su family has always liked to play evil, so naturally, I will not tell them."

Regnar took a step forward on the sea and said with a fist, "Young Master, if there is anything that can be used up or down, please let me know!"

Charlie nodded and said, "There is something, I really need your help."

Regnar hurriedly said, "Master Wade, please tell me."

Charlie said, "I guess that Chengfeng will take the initiative to contact Suzhou-Hangzhou local big families this time, including your Wu family. They may ask you about the situation in Aurous Hill or throw an olive branch at you. Let you become an affiliated family of the Su family and work for them."

Regnar hurriedly stated: "You can rest assured, Mr. Wade, I, Regnar, will look after your head and will never contact the Su family in any form!"

Charlie waved his hand: "Don't, I just need you to establish contact with the Su family!"

Chapter 2531

In Charlie's view, the Su family is now in a critical crisis, coupled with the fact that they are being cast aside by the people of the whole country, so they must urgently need to add new assistance to their camp.

Moreover, it happened that Chengfeng had gone to Suhang now, so Charlie speculated that he would most likely take the initiative to win over Regnar Wu and turn him into a dog of the Su family.

In the eyes of the Su family before, people like Regnar couldn't get into their eyes. Even if he ran to Eastcliff himself, Chengfeng would not give him a chance to meet.

However, this time is different.

The Su family is now isolated and helpless. Whether it is in Eastcliff or Suzhou, they must win over as many new teammates as possible.

Therefore, Charlie wanted Regnar to be his undercover agent to see what Chengfeng intends to do.

When Regnar heard this, he immediately understood what Charlie meant.

However, his heart is quite worried.

"Charlie asked me to go undercover next to Su's house, isn't this just sending me as cannon fodder?"

"If the Su family finds out, why won't they fix my Wu family to death?"

"The Wu family's strength was already a lot worse than the Su family, and after returning to Charlie, they paid a lot of shares. Now the family's strength is almost cut in half. How can it withstand the Su family's toss?"

Charlie also saw his worries, and said lightly: "Regnar, I always reward and punish for things, if you do things beautifully this time, I will never treat you badly in the future, and you can rest assured that I am here, Su family can't do anything to you."

Regnar is still a little tangled in his heart.

After all, he didn't know Charlie's so-called not treating him badly, what benefits he could give him.

And he didn't know, if the Su Family really had to deal with him, would Charlie question his life and death.

Seeing that he was still hesitating, Charlie said lightly, "Regnar, how about this? If you help me get this thing done, then I will help you cure your son's disease. What do you think?"

Regnar subconsciously said, "Master Wade, my two sons...they...have some unspeakable hidden illnesses, you...you can really cure them?"

Wu Qi was given a psychological hint by Charlie. Almost no one in the country knew about the fact that he had to eat extra meals every hour, while Roger Wu had his leg broken before, although he is better now. But he became a lame man, and he could not fully recover in this life.

Charlie sneered and said, "What's your son's condition? Orvel almost died at the hands of your men at the beginning. Didn't I save him in the end?"

Yes. Ragnar's spirit was immediately lifted.

He knew that his men had gone to Classical Mansion to kill Orvel and Charlie's old father-in-law, seeing that Orvel was about to die in his hands, but Charlie rescued him with a rejuvenating pill, which was incredible.

Therefore, he couldn't help but secretly thought: "If Charlie is really willing to help, whether it is Roger's legs or Wu Qi's hidden illnesses who has to eat sh!t meals every hour, it can be cured... ."

So he asked excitedly, "Master Wade, you...do you really mean this?"

Charlie nodded and smiled: "Of course."

Regnar hurriedly said, "My eldest son, he has been limping, and the younger son's mental problem has gone wrong again...Can you cure it?"

Chapter 2532

At this moment, Roger, who stood by his side and dared not speak, couldn't help but get excited.

Charlie smiled and said, "No cure is an impossible cure, but I have to put it first. If you help me do this well, I can help you cure one of the problems with your two sons."

As soon as these words came out, Regnar's expression was a little disappointed, and he thought to himself: "Only one can be cured? Charlie, this guy made it clear that he wants to hang me with the sons!"

However, it is better to cure one than to cure none at all.

He really felt sorry for his little son. If he had a chance to cure his illness, it would really make up for his huge regret.

So he immediately agreed and said: "You can rest assured, Master Wade, I will go all out to complete the task you entrusted to me!"

Charlie smiled slightly, looked at the time, and said, "Okay, you two should go back quickly. Once the Su family finds you, let me know as soon as possible."

Regnar hurriedly said, "OK, Master Wade!"

Charlie looked at Issac and ordered: "Old man, see off the guests."

Issac pointed to the door immediately, made a gesture of please, and smiled: "Mr. Wu, please."

Regnar hurriedly said to Charlie respectfully, "Young Master Wade, then I will go back now!"

After all, he took Roger and carefully exited the room.

Issac sent the father and son to the tarmac on the roof of the building. After the father and son got on the plane, Roger hurriedly said, "Dad! If this matter is over, you must let Charlie heal my leg! "

Regnar said without hesitation: "Except for your leg being a little lame now, there is basically nothing wrong with it, but your brother is still tortured every day, of course, he must be treated first!"

Roger was anxious, and blurted out: "Dad! I am the eldest son of the Wu family! If I am limping on one leg in my life, where should I put the Wu family's face?"

Regnar sternly said: "Then have you ever thought about your brother? Have you ever thought about how he has been able to survive for so long?"

Roger was also a little anxious and quickly said, "My brother has been used to it for so long. I went to see him in his room yesterday and happened to meet someone serving him to eat. He didn't show any pain. The whole process was normal. It's like a chronically ill patient taking medicine."

As he said, Roger couldn't help saying: "Moreover, I shouldn't say something. The shame of my brother has already been completely lost. Even if he is cured, it is impossible to save ourselves from the Wu family's loss of reputation!"

"After the younger brother is cured, will you let your younger brother come out to take over the family affairs? If that is the case, as soon as he appears in the outside world, outsiders will point him and say that he was eating that thing before and it spread all over the country!"

"In that case, the reputation of our Wu family will be hit twice!"

"But I'm different, Dad!"

"I am the future heir of the Wu family and the future business card of the Wu family!"

"If I appear in front of the public every time, I am a limping man walking, then the Wu family's face will also be damaged;"

"But if I can recover from the beginning and become a normal person, then I can appear in front of the public with a perfect image that is innocent enough and without any black history!"

"When the time comes, our father and son will work together, and we will surely let the Wu family recreate the scenery before!"

Chapter 2533

Roger's words completely moved Regnar.

As a father, he felt that his second son Wu Qi was even more pitiful.

But as the head of the family, he finally realized that if he had the opportunity to cure any of the two brothers, he had to choose his eldest son Roger, which was a more cost-effective thing.

"As Roger said, Wu Qi left an extremely deep impression on the people of the whole country before. This impression can be said to be unforgettable."

"So, even if you take this opportunity to bring Wu Qi back to normal, as long as he appears in the public's field of vision, it will awaken the unforgettable memory of him..."

"After all, he can't go around explaining after healed that he doesn't need to eat that kind of food anymore."

Want to understand this level, Regnar also accepted Roger's proposal.

So, he said: "Roger, we can do this to Charlie's satisfaction. Then let him heal your leg first. If there is a chance in the future, maybe we can also ask him to give Wu Qi a cure."

Roger couldn't hide his excitement and said, "Yes, Dad! As long as we follow Charlie and do more for him, maybe he will give us a chance to heal Wu Qi."

Regnar nodded and exhorted: "Roger, you must keep this matter secret to everyone. You must never tell it, otherwise, if your brother knows about it, he will definitely hate me."

Roger said hurriedly, "Dad, don't worry! I won't say a word even if he kills me!"

Regnar sighed, "Hey! If your brother doesn't have a chance to heal in the future, you are an older brother, you must take good care of him."

Roger said firmly, "Dad, don't worry! Actually, I've already considered it. When we get through this difficult period, and when Wu Qi's mood stabilizes, we can think about it. He will be sent abroad!"

"When he arrives abroad, he can change his identity and start again, so that there will not be so much psychological pressure. It is best to go to a country with fewer Chinese. This is even better for him."

Regnar was silent for a moment and nodded softly.

He also knew that Roger did this to send his younger brother out so that he could dominate the entire Wu family.

Although there were some disappointments and losses in his heart, he did not show it.

He grew up in a wealthy family, so he understands the conflicts between the wealthy brothers too well.

Among the wealthy, there are few real brotherly affections.

In contrast, tens of billions or even hundreds of billions of assets are what they value most.

Roger wanted to send his younger brother abroad, not out of concern for his brother.

He just hopes that he will never suffer from future troubles.

Regnar didn't point it out, but he said softly with emotion, "Roger, it's not easy for your brother. You, as an older brother, must take care of him a little bit. Let's not say anything else, at least to protect him for the rest of his life Worry-free."

When Roger heard this, he immediately knew that his father understood his intention.

So he said without hesitation: "Dad, don't worry, I will take care of him for the rest of my life."

.....

When Regnar and his son returned to Suzhou, Chengfeng also woke up from his sleep.

After waking up, he immediately called the butler over and asked about the current progress of the matter.

Chapter 2534

The steward replied truthfully: "Master, the influence of video is still expanding. Now it has gradually spread from China to overseas. The overall public opinion situation is extremely detrimental to the family."

"Besides, Elijah Du from the Du family has made no less than 10 calls. I didn't dare to answer..."

"Several leaders of Eastcliff also called for questioning. They were very angry about this matter and asked the Su family to give a clear solution. I excused that you were ill and temporarily delayed, but they want you to give a clear statement within 24 hours..."

Chengfeng couldn't help sighing, gritted his teeth, and said: "The short video platform is in the hands of the Wade family. I think it is impossible to engage in public relations. As for the Du family, we don't have to care about him. Elijah can do whatever he wants. I won't see him, the big deal is I won't see him in my life."

The butler hurriedly asked, "Master, that leader..."

Chengfeng sighed, "This is what I worry about the most... That Shred actually strapped explosives to take hostages. The impact of this kind of thing is really bad. Now it's all exposed. I have to carry the pot..."

As he said, Chengfeng calmed down and said, "You give my feedback to the leaders, saying that I am recovering from illness abroad, and when my body improves slightly, I will immediately go to them and ask them for forgiveness!"

"OK master."

Chengfeng rubbed his temples, and asked a little bit weakly, "By the way, which family has the strongest overall strength in Suhang?"

The steward said seriously: "The Wu family should be the strongest, but a lot of things happened to them some time ago, and their strength is lost by nearly half. They were originally the first family in the South, but now they are no longer in the top three."

Chengfeng nodded and said: "The Su family has been focusing on the overseas market for the past few years, and has not deeply plowed the domestic market. Now is the time to quickly regain the domestic market and network resources, and I may want to stay in Suzhou for a long time, it is more convenient to get acquainted with the big local family. It is better to use this Wu family for our own use.

With that, he asked, "By the way, when will Zynn land?"

The butler checked the time and said, "Master should land around two or three o'clock in the afternoon."

Chengfeng gave a hum, and said, "In this way, you will meet the Wu family on my behalf, and tell them that the Su family wants to invite them over for dinner at night, but don't reveal my identity. Don't let people know that I'm in Suzhou, do you understand?"

The housekeeper immediately nodded and said, "Understood sir! I'm going to contact the Wu family!"

.....

At the same time, Zynn was flying over the Western Pacific in a private jet.

Although he didn't close his eyes overnight, he was a little excited.

And Zhifei, lying in his car in a complicated mood, had three pictures constantly rotating in his mind.

The first picture is Liona, his mother in the car accident;

The second picture is the younger sister Zhiyu who was also in the car accident;

The third picture is the self after becoming the head of the Su family.

Originally, these three pictures were one after another, one after another, and one after another, they were considered evenly matched.

However, with the passage of time, the first two pictures gradually became a little thin, and the third picture began to firmly occupy the main position.

After talking on the phone with his father Zynn, Zhifei discovered that the position of Su Family Patriarch, and the huge wealth that can be controlled by this position, was too strong a temptation for him.

With a wave of the hand, he can command a superfamily with assets of more than one trillion. This feeling of pointing the country is simply the ultimate power that all businessmen desire!

He analyzed the current situation carefully, and he couldn't help feeling more excited, because he felt in his heart: "The second uncle has disappeared, and grandpa's reputation is completely stinking on the street. In this way, the possibility of the father inheriting the Su family is much greater. My father only has one son, which means that my chances of becoming the Su Family Patriarch in the future are much greater!"

Chapter 2535

In order to win over Regnar Wu, Old Chengfeng Su asked his housekeeper to directly take gifts to visit Wu's house.

The chief butler of the Su family has the same qualifications and status as Leon, and even worse. Moreover, the chief steward represents not only himself but also the head of the family, Chengfeng. Therefore, let the steward visit Wu in person. It definitely gives the Wu family face.

Chengfeng attached great importance to the win over the Wu family, so he asked his butler to visit him on his behalf.

Chengfeng also knew very well that he had become a rat crossing the street right now, and it was impossible for him to return to Eastcliff in a short time.

So he must be prepared to stay in Suzhou for a long time.

This incident gave him the feeling that it was a period of history when the British and French forces invaded Eastcliff in 1860 and the Qing Emperor Xianfeng hurriedly fled to Rehe.

When the British and French forces invaded Eastcliff, Emperor Xianfeng fled in a panic like him.

However, the fate of the Emperor was a bit miserable.

He waited hard for a year in Rehe and didn't have the chance to return to the capital. As a result, he died in the second year after escaping to Rehe. He was only 31 years old.

In order not to repeat the latter of Xianfeng, Chengfeng had already made a comprehensive plan for himself from the moment he fled Eastcliff.

When he came to Suzhou, he wanted to quietly establish a foothold here. Not only would he bring all the top local families in Suzhou over, but also quickly transfer the industries of the Su family across the country to Suzhou to consolidate the family's presence in Suzhou.

He wanted to make this city the second base camp of the Su family.

In addition, he also wanted to hold his eldest son Zynn Su up again and let him serve as the acting chairman of the entire Su Group.

Once Zynn becomes the acting chairman of the board, it means that he has been formally established as the "prince" of the Su family. This will not only allow Zynn to adhere to him honestly but also reduce the outside world's attention to him to a certain extent.

What he thought was to draw Zynn over, let him be his own puppet, and show his face in the public, while he hides in Suhang to listen to politics, so as to ensure that his power will not be weakened by Zynn.

The entire Su family has been in the hands of Chengfeng for so many years. Whether it is the shares of the group, the voting rights and veto rights of the board of directors, and the management rights of family trust funds, all of them are in Chengfeng's hands alone.

Therefore, as long as he does not transfer these rights, even if Zynn sits on the position of acting chairman, he cannot have any real power, let alone take this opportunity to seek usurpation.

Moreover, Chengfeng is extremely exquisite. He has already made a will. Once he dies, all the property of the entire Su family will be automatically handed over to the trust fund established by the Swiss Bank for management. The property of more than one trillion, any one of the Su family The children have no right to call, they can only receive living expenses from the trust fund every month in accordance with the rules set by Chengfeng.

As for the standard of living expenses, Chengfeng also set it early. Each of his sons and daughters can receive 10 million per month, and his spouse can receive 5 million per month; his grandchildren can receive 6 million per month. , His spouse can receive 3 million a month. If the grandson has heirs, each heir can receive 2 million a month before the age of 18.

Counting it down, if Chengfeng didn't change his will before his death, after his death, the entire Su family's juniors would receive two to three billion in living expenses in one month.

However, the Su family's assets exceed one trillion, and its monthly net profit exceeds ten billion. No one is eligible to use the remaining money, so it can only be put into the trust fund for profit.

It seems that it is very unfair to these children and grandchildren of Zynn because even if they continue to receive living expenses until they die, the Su family will have more money.

However, Chengfeng had his own plan for the reason why he was so determined.

First of all, this will is here, which is Chengfeng's amulet.

Because no heir of the Su family would have the intention of murdering Chengfeng.

The reason is that once Chengfeng is dead, not only will they not be able to inherit the position of Patriarch, but their income will be greatly reduced.

Originally, a family can earn tens or tens of billions a year, and they can also get a lot of other resource support from the family, but once the father dies, everyone lies down and receive the dead wages, the family can receive several One hundred million is a big deal, and it shrinks ten times, even tens or hundreds of times.

Chapter 2536

And this will, in addition to the role of amulets, is also equivalent to family insurance.

The ancient emperors were worried about the faint monarchs in their heirs so that they would throw away the sacred land and leave the future generations without blessings.

And these modern rich men are also worried that their offspring will have a prodigal, ruining the family foundation.

Therefore, almost every wealthy man will set up a trust fund, and if his descendants are unwilling to succeed, they will hand over all the property to the trust fund to ensure that the descendants of the family will live forever, and they will always have money to spend and will not lose their property.

Moreover, this rule of relying on the leader for living expenses is particularly easy to stimulate the gang of children and grandchildren to multiply their offspring.

Because, as long as they give birth to one heir, it is equivalent to giving birth to a meal ticket.

What the head of the family is most worried about is the continuation of the incense. If this allows children and grandchildren to have more children, coupled with sufficient trust fund assets, the continuity and development of the family can be more ensured.

For Chengfeng, if his children and grandchildren do not satisfy him, he would not change this will until his death.

But if there are very capable children and grandchildren who can gain their own trust, then there is no time to change the will when he is about to die.

In this way, this old fox can firmly hold the power of the entire Su family and all the initiative in his own hands, and it is impossible for any offspring to threaten his rule over the family.

.....

Here, Regnar and Roger have just returned home. Before the two of them sat hot, Chengfeng's housekeeper came to the door.

Hearing that the chief butler of the Su family came to visit, Regnar's first thought was: "Charlie, this fellow, is really amazing! As soon as I came back, this family came to the door!"

Thinking of this, he hurriedly said to Roger: "Son, in order to highlight the importance, you personally go outside to greet him, and invite the chief butler of the Su family to my study!"

Roger nodded hurriedly and walked out quickly.

Regnar straightened his collar and went to his study first.

After a while, Roger walked in with a middle-aged man who was about fifty years old.

As soon as this person entered the door, Regnar greeted him immediately.

Roger hurriedly introduced, "Dad, this is the chief steward of the Eastcliff's Su family, Mr. Anson!"

Regnar immediately said with great enthusiasm: "Oh, Mr. Anson, I have been admiring you for a long time! Please sit down, please sit down!"

Anson nodded slightly, and said with a little smile: "Mr. Wu, I came here today in the place of my lord, and ask Mr. Wu to come to the house for dinner!"

Although Regnar had already guessed the other party's intentions, he still pretended to be flattered and said excitedly: "Mr. Su is going to invite me to dinner?! This...is this true?"

"Of course!" Anson smiled slightly and said, "I wonder if Mr. Wu has time tonight?"

Regnar said without hesitation: "Yes! Of course! Are we going to Eastcliff? If yes, I will quickly get the crew ready for flight!"

Anson shook his head and said with a smile: "Mr. Chengfeng is in Suzhou, and he wants to host a banquet at Suhang's house tonight."

After speaking, he reminded him with a very serious expression: "Mr. Wu, only you father, and son know about the information that my master came to Suzhou. You must remember this matter and never disclose it to anyone!"

Chapter 2537

At four o'clock in the afternoon, Zynn's private plane began to descend over the suburbs of Suzhou.

Seeing that he was about to land at Suzhou-Hangzhou Airport, he called his son Zhifei on his cell phone.

Zhifei, who was involved in this matter, had already driven the car to Suzhou-Hangzhou Airport. He parked the car in the parking lot and stayed in the car waiting for his father's message.

Seeing his father's call, he hurriedly connected and asked, "Dad, where are you?"

Zynn said, "In another twenty minutes or so, I should almost land. Are you there yet?"

"I'm here." Zhifei said, "Tell me after you leave the customs, I will pick you up."

"Okay!" Zynn told him: "Don't forget to wear a mask and sunglasses. Our Su family is too sensitive now. Don't let others notice that we are here in Suzhou."

"I know Dad."

After hanging up the phone, Zhifei quickly put on a mask and sunglasses and drove the car to the main entrance of the airport arrival passage. After waiting for about 20 minutes, Zynn's figure appeared at the exit of the airport arrival hall.

Like Zhifei, Zynn wears a pair of black sunglasses and a disposable black mask.

However, Zhifei recognized him at a glance, and then quickly got out of the car, beckoned to him, and shouted, "Dad, here!"

When Zynn saw Zhifei, his spirit was shaken, and he ran over two steps quickly.

Zhifei also accumulated a lot of negative energy in the past two days. Seeing his father finally came back, he felt a sense of finding support in his heart. He hurriedly greeted him and hugged him.

At this moment, Zhifei could not help but choked up and whispered: "Dad...you finally came back..."

Zynn patted him on the back and sighed, "Hey! Zhifei, Dad is sorry to you, to your mother and Zhiyu. When you needed me the most, I couldn't protect you and be by your side."

Zhifei said sadly: "Dad...Mom and Zhiyu, there is no idea of their whereabouts yet, you must find a way to find them..."

Zynn nodded solemnly: "Don't worry, I will go all out to find your mother and your sister."

After speaking, he looked around, and said hurriedly, "Let's get in the car first, there are too many people here, so as not to attract attention."

"Okay..." Zhifei nodded hurriedly, turned to help Zynn open the passenger car door, and let Zynn sit in first.

When Zhifei returned to the car, Zynn confessed to him: "Drive directly to the West Lake. Your grandfather has a villa on the edge of the West Lake. He lives there now."

Zhifei nodded and said, "Then I will navigate to West Lake first. Give me instructions."

The Su family's real estate in all parts of the country and even all over the world are too many. Almost any larger city will have Su family properties. How many villas the father has, even the father himself does not know. Even Zhifei has never been to the villa in Suzhou.

Driving into the airport expressway, Zynn said to Zhifei next to him, "You'll see your grandpa later, don't wait for your grandpa to apologize to you, you must take the initiative to apologize to him, it's best to be more solemn. Kneel down and apologize, do you understand?"

Zhifei knew that this time when his father came back from Australia, it was the key to his father and his own right to regain inheritance. He couldn't mess it up anyway, so he solemnly said: "I know Dad, don't worry. As soon as I see Grandpa. I will immediately kneel down and apologize to him..."

Originally, Zhifei was considered a man of spine, but in the face of huge benefits, his bones became much softer unconsciously.

Zynn told him again: "This time your grandpa has encountered the biggest Waterloo in his life. Judging from the influence of video, it is impossible for your grandpa to turn over in this life, so this time it is our good opportunity. If we can grasp this opportunity, on the one hand, let your grandpa see our abilities, and on the other hand, let him see our absolute obedience to him, then we have the opportunity to inherit the entire Su family."

With that said, Zynn's words turned and he said, "But if we can't do it, your grandfather will definitely hand over the entire Su family's property to the overseas trust fund before he dies. At that time, we can only lead the living expenses per capita."

Zhifei hurriedly asked, "Dad, how can we make Grandpa recognize our ability?"

Chapter 2538

Zynn said earnestly: "This time your mother and Zhiyu encountered an excellent opportunity. Anyone with a discerning eye can see it. This shows that someone wants to attack our family, and the opponent is extremely capable. It may have been planned for a long time. If we can help your grandfather, catch the black hands behind the scenes, and eliminate all the threats for the family, then we will definitely make your grandfather admire us!"

Immediately afterward, Zynn added: "You have to know that your grandfather has been nailed to the pillar of shame now, and it will be impossible to wash him until he dies!"

"So as long as he can be satisfied with us, and during the period before his death, we have been obedient to him, and while respecting him, we will never challenge his majesty as the head of the family!"

"Then before he dies, he will definitely pass on the position of Su Family Patriarch to me! And as long as we survive until he dies, the entire Su Family will be ours!"

Zhifei nodded quickly, and said excitedly: "Dad, I listen to your everything!"

At around five o'clock in the afternoon, Zhiyu drove the car into a huge manor by the West Lake under the guidance of Zynn.

West Lake is a well-known tourist attraction in the country, and more than half of the area is open to all people, so there are very few lakeside villas here, and the prices are extremely high.

According to rumors, a famous domestic e-commerce boss, a boss named Jag, has a luxurious villa here, which is said to be worth several hundred million.

However, his villa was even worse than Chengfeng's.

The manor Chengfeng spent 800 million when he started it ten years ago, and another 500 million was spent on renovation and reconstruction. After it was completed, he only came to live for a few days in the spring and autumn of each year.

Zhifei drove into the manor. Butler Anson was already waiting at the entrance of the manor's main hall.

As soon as he saw the father and son get out of the car, he hurried up to greet them and respectfully said, "Master, Young Master! I didn't expect you two to come together!"

Zynn hurriedly asked, "Butler, where is father now?"

Anson hurriedly said: "Master has been looking forward to the two, so he told me to wait here early, and said that when you arrive, I must take you to see him immediately."

Zynn hurriedly said, "Then take us there quickly!"

"it is good!"

Anson took the father and son to the main hall of the manor.

In the main hall at this time, Chengfeng, who was somewhat depressed, was sitting in front of the burning fireplace and resting. When he saw his son and grandson coming, hurriedly got up from the recliner, and walked in front, in two steps. The old tearfully said, "Zynn... my son... I... I'm sorry about your family!"

Upon hearing this, Zhifei recalled his father's explanation. Without a second word, he knelt in front of Chengfeng and confessed: "Grandpa...I didn't understand the rules and bumped into you. Please punish your culprit!"

Chengfeng's expression flashed with a look of satisfaction, and he quickly reached out to help Zhifei up, choked up, and said, "Good boy, you're right, it's grandpa..."

"It's grandpa who was so confused that he made such an impulsive decision for the family's face..."

"Furthermore, I was wronged by the gangster again, and was charged with many unreasonable charges..."

Zynn hurriedly stepped forward, helped Chengfeng, and said seriously: "Dad, don't say that. I know well to know that everything you do is for this family!"

Chengfeng nodded with satisfaction: "You two can understand my difficulties, I can really look down upon death!"

Zynn nodded solemnly: "Dad, don't worry, Zhifei and I can understand you very well..."

With tears in Chengfeng's eyes, he solemnly said: "Zynn, I promise you that I will do my best to find Liona and Zhiyu. If Liona is still alive, I will face her and plead for the crime, even if She wants my old life, I am willing to pay it to her!"

Zynn hurriedly said, "Dad, our top priority now is not to find Liona and Zhiyu, nor to find Shoude, but to work together to pull out the enemy hidden in the dark!"

Chapter 2539

Zynn's words came to Chengfeng's heart.

Although Chengfeng took the initiative to apologize to Zynn and Zhifei about Liona and Zhiyu's affairs as soon as he came up, deep down in his heart, he did not want Zynn. The father and son were troubled by this issue.

So Zynn took the initiative to change the topic now, just to cater to Chengfeng's inner thoughts.

So, he hurriedly said, "You are right Zynn, we must work together to find out who is behind the scenes!"

With that said, he asked Zynn: "Who do you think is behind us?"

Zynn subconsciously said, "Dad, I don't think this matter has anything to do with the Wade Family, but I don't have any evidence to prove that this matter is what the Wade Family did. I can only speculate through the short video platform. It should be part of it to a certain extent, and Aurous Hill is in the Wade Family's sphere of influence, which is their home court."

Chengfeng nodded and said seriously: "My previous thoughts were similar to yours, but now I feel that the Wade family seems unlikely to have such strength, otherwise, they will not wait until today to start with us."

Zynn fell into deep thought.

He had considered his father's point of view, and he didn't understand it.

At this moment, Chengfeng looked at Zhifei on the side, pretending to be casual, and asked: "By the way, do you have any ideas? In your mind, are there any clues that are more suitable?"

Zhifei hurriedly said, "Grandpa...I...I really can't think of any clues."

Chengfeng nodded, and then pretended to remember something, and said, "Oh, right! You and Zhiyu were in Japan when you met a master? Who is that person? Have you found a clue?"

"No." Zhifei said earnestly: "Zhiyu has always wanted to find her benefactor, but we have tried many methods without any substantial progress."

Chengfeng felt nervous and asked hurriedly, "You met him at that time, could you describe his characteristics, including looks and temperament, to me?"

Zhifei thought for a while, and said, "My benefactor should be about the same age as me, very young, and he must be a Chinese or Japanese Chinese. As for his looks, to be honest, he is very handsome. They are very tough, but still very characteristic."

Chengfeng asked him, "Can you find a professional in criminal investigation to help you make a portrait of a character?"

Zhifei hesitated for a moment, and said, "Grandpa, I thought about the portrait of him, but to be honest, we only had a passing intersection with him, and we were too nervous about what happened that day. So we really don't clearly remember the appearance, if we do it is a little vague...Unless we meet again, we can recognize him at a glance..."

Speaking of this, Zhifei couldn't help asking: "Grandpa, why did you suddenly ask about the matter of this Master? Do you suspect that he is behind it this time?"

Chengfeng sighed, pretending to say with emotion: "I am not suspicious, I am hopeful! I hope that this benefactor will control everything behind the back this time. In this case, I believe that Zhiyu and your mother will survive."

Zhifei nodded lightly and said sincerely: "This Master is a person with great supernatural powers. If it is really like what you said, I believe that it is much more likely that Mom and Zhiyu will be alive, but we have wanted to find him for so long but since we haven't found him, the probability of him appearing in Aurous Hill is very low."

Chengfeng smiled slightly: "Even if the possibility is very low, there is still a possibility. We have to think on the bright side of everything. If it is really him, then this incident is actually a misunderstanding. As long as the misunderstanding is resolved, this person may also be used by our Su family!"

After speaking, Chengfeng immediately ordered: "Zhifei, except Zhiyu, you are the only one who has seen the benefactor. He has saved you and will certainly not be malicious to you, so you follow my instructions and go immediately with a high profile to Aurous Hill! See if you can bring out the benefactor!"

Chapter 2540

When Zynn heard this, he subconsciously said, "Dad, Aurous Hill is very wicked! Young brother disappeared there. If Zhifei passes by with a high profile, I am afraid..."

Chengfeng waved his hand: "Don't be afraid! My guess is generally not wrong! What we have to do now is to lead the snake out of the cave."

Zynn's expression couldn't help being a little tangled.

Zhiyu's whereabouts are still unknown and her life or death is still unknown, so he is really reluctant to let Zhifei go to Aurous Hill to take a big risk.

Shoude was so high-profile that he was tied up as soon as he arrived in Aurous Hill.

If Zhifei also goes very high-profile, then 80% chance is the repeat of the mistakes of Shoude.

The only possibility of exemption is that the old man is imprisoned. The mysterious man who turned his hands in the clouds and covered his hands in the rain behind Aurous Hill is the benefactor who saved his son and daughter in Japan.

Just when he was hesitant, Zhifei mustered up the courage and said seriously: "Grandpa, I am willing to go to Aurous Hill!"

Chengfeng nodded in satisfaction and smiled: "As expected of my Su family's eldest grandson! Courage is extraordinary!"

After speaking, he asked, "By the way, Zhifei, I heard that you sponsored a concert before, and it seems to be held in Aurous Hill?"

Zhifei nodded: "Yes, grandpa, I sponsored Qiuyi, Miss Gu's global tour, She is well known as Sara in the entertainment Industry. Aurous Hill is her first stop this year."

Chengfeng smiled and said, "It turned out to be the girl from the Gu family! That girl is also very well-known now, so if you go to Aurous Hill this time, you will be able to show up in the public eye in the name of sponsoring the concert."

Zhifei hurriedly said, "Okay grandpa, I understand!"

Chengfeng suddenly had a thought in his mind at this time: "Knowing that this kid, he is definitely not doing nothing idle, and he is not a dude who is not doing his job. Why do you want to do something like sponsoring a concert?"

"Things in the entertainment industry are indeed tall for ordinary people, but for super-class families, it's not even a f@rt."

"How many top stars in the entertainment industry have sharpened their heads and want to marry into these super-class families, but the offspring of these top families are a little bit compelling, and they won't even look at them."

"Knowing that it is Su's grandson if he beckons in the entertainment industry, I don't know how many top female stars will rush forward desperately, but he ran to sponsor the concert of the girl from the Gu family. This is obviously a bit of a drunkard. It's not about wine!"

Thinking of this, Chengfeng's eyes turned, and he planned to give Zhifei a choice.

Therefore, he deliberately pretended to be very sincere and sighed: "Oh, let me just say something from my heart. The girl in the Gu family is still very good overall. Although the strength of the family is a little worse, it is better than the image of other girls. Good, and dignified!"

After speaking, he looked at Zhifei and said earnestly: "Zhifei, you are now at the age of marrying and getting a wife. If you can catch the girl of the Gu family, it would be a good thing for the Su family! "

Zhifei suddenly became excited when he heard this, and blurted out, "Grandpa...you...you support me in pursuing Sara?!"

Chapter 2541

Zhifei had a crush on Sara for many years but only told his sister Zhiyu about this.

The reason why he didn't dare to say it was because he knew that the Su family could not allow him to be with Sara.

Elder Su has always been above the top, and he has never looked down upon these families in China.

Moreover, he has always been eager to make major breakthroughs in overseas markets.

Therefore, he especially hoped that Zhifei, as the eldest son of the Su family, could marry a daughter of a top European or American family, or a European royal princess.

In this way, the Su family can exchange resources with them.

Otherwise, if you only find a family with a weaker overall strength than the Su family to marry in the country, then it is clear that others will take advantage of the Su family.

Because of this, Zhifei dare not make any relevant disclosures.

However, he never dreamed that his visionary grandfather would take the initiative to encourage him to pursue Sara. This was simply great news for him.

However, Zhifei didn't know that Elder Su easily analyzed his true purpose from his sponsorship of Sara's concert.

Saying that now, it's just a matter of doing what he wants.

Chengfeng deeply understands a truth, this truth is only three words: D*ck drives everything.

If you want to make the best use of a person, that is, you must master where his s3xual interest is.

Chengfeng understood Zhifei's deep inner sexual interest, so he chose to do what he liked, support him in pursuing Sara, and directly tied him firmly in his camp in one step.

Therefore, when Zhifei expressed absolute shock at what he said, Chengfeng said in a serious manner: "Zhifei, the most important thing about choosing a spouse is the price-effectiveness ratio. Ability and character are good. Although Gu's strength is a bit inferior, she is better than others. If you really marry her, it will be a very cost-effective thing! So if you really want to pursue her, of course, I agree with you with both hands."

Zhifei immediately said excitedly: "Thank you, grandpa! With your words, I am relieved!"

Zynn on the side, this was the first time he knew that what his son liked in his heart turned out to be Sara of the Gu family.

He frowned and said earnestly, "Zhifei, you like Gu's girl, and Dad doesn't object to it, but you have to know that Gu's family has always had prejudices against Su's family, especially Philip Gu and Changying back then. It's his elder brother to worship. Since I set up the Anti-Wade Alliance, he has completely drawn a line from the Su family. If you pursue Sara, the first thing you have to pass is his level."

Zhifei nodded and said, "Dad, I have considered all of what you said. The old accounts between my parents are indeed a relatively large influence, but I still believe that feelings are the first. Yes, if I can really make Sara like me, then I believe I can also make Sara's father accept me."

Zynn sighed sincerely, "I'm afraid it won't be that easy!"

Chengfeng couldn't help but slapped his lips. He racked his brains to make suggestions for his grandson. He said, "Oh! I don't think there is any need to make a conclusion on this matter so early. I know that he is only 26 this year, even if he is married at 36. It's not too late, so he has time for Gu's family to change their attitude towards him."

As he said, he couldn't help but said with a little regret: "I heard that Philip had pancreatic cancer and he was about to die. If that's the case, he would lose one stumbling block if he wanted to pursue Gu's girl, but who knew this? Why did the guy heal suddenly inexplicably? He is alive, and the difficulty will indeed be much greater."

Zhifei said at this time, "Grandpa since you support me, I will definitely pursue Sara. As long as she is willing to be with me, I believe her father can't stop us from being together."

"Yes." Chengfeng said with a smile: "You can rest assured and boldly pursue her. Grandpa will give you one hundred or one thousand times support!"

As he said, he said very seriously: "If Philip is unwilling to forgive the Su family for the "Anti-Wade Alliance" things back then, then let your father come to the door personally and beg him to plead for the crime."

"If it still doesn't work, then my old bone will personally apologize to him! For the life-long happiness of my grandson, what is such a trivial matter?"

Old Man's attitude immediately moved Zhifei.

Comparing this with the unquestionable personality that Grandpa said before, it was a radical change.

Chapter 2542

He thought it was impossible for his grandfather to allow him to pursue Sara, but he did not expect that he would support him so much.

This instantly increased his confidence in pursuing Sara countless times.

So he immediately stated: "Grandpa, if that's the case, then I will go to Aurous Hill now to see if I can bring out the black hand by preparing for the concert!"

Chengfeng nodded in satisfaction and smiled: "I asked Anson to invite the head of the Suzhou first family, Regnar Wu from the Wu family. It is estimated that he should be here in a while. Don't leave in a hurry. It's not too late to leave after dinner."

"it is good!"

.....

At this moment, Aurous Hill Shagri-La.

Zhiyu was bored in the hotel room for a day, feeling anxious and impatient.

At six o'clock, Issac's men knocked on the door on time, and two female bodyguards walked in with a food delivery tray. One of them respectfully said, "Ms. Su, Ms. Du, dinner is ready, please take a second step. Dining in the restaurant."

Zhiyu couldn't help asking, "When on earth your young master would like to see me? I have been waiting all day..."

The female bodyguard said very politely: "Sorry Miss Su, our young master did not come today."

Zhiyu asked, "Then did he say when he would come?"

The female bodyguard shook her head: "Master never said it."

Zhiyu didn't give up, and asked, "Well, can you please call your young master and say I want to talk to him."

The female bodyguard smiled slightly: "You tell me, I am not qualified to talk to the young master directly, so I don't have the young master's contact information."

"This..." Zhiyu's eyes flashed red and choked up, "Then what does your master mean? It took so much work to save us and settle us here, but he kept hiding. If he doesn't show up...If he really doesn't plan to show up, let my mother and I leave here!"

The female bodyguard said apologetically: "Ms. Su, the young master really didn't mean that, it is just I servant dared to speculate. As for what you said to leave here, I can't do this. The young master has ordered us to make sure you two Please forgive me for staying in this suite and keeping every step of the way."

Zhiyu suddenly felt a strong grievance in her heart, and tears flowed out.

Seeing this, the female bodyguard said apologetically: "Miss Su, the food is ready, please help yourself and Ms. Du, we will go out first."

Liona hurried forward, holding Zhiyu in her arms and gently comforting her, while saying to the two female bodyguards, "Thank you so much!"

The two made a polite statement and hurriedly left the room.

As soon as they left the room, the two of them came to Issac's office. After knocking on the door and entering, facing Issac and Charlie sitting on the sofa, they respectfully said: "Young Master, President, Miss Su is a little excited. "

Issac hurriedly said, "Tell me, what exactly is the excitement method?"

The female bodyguard recounted the situation from just now.

After listening, Issac nodded and said: "Okay, you have worked hard, go and rest."

The female bodyguard bowed and resigned.

At this moment, Issac looked at Charlie and couldn't help asking: "Master, are you really not going to see her?"

Chapter 2543

Issac's words made Charlie hesitate slightly.

Whether he wants to meet Zhiyu and Liona, he hasn't decided yet.

The main reason is that he doesn't want to understand what mentality he should use to face an enemy's daughter and a woman who has loved his father for many years.

But he knew it in his heart.

Things have reached the point where they are today. Sooner or later, he has to meet the mother and daughter.

Therefore, he has not yet determined whether it is the right time to meet them right now.

At this time, Issac saw Charlie's hesitation, and hurriedly persuaded him: "Master, to be honest, since you will see them sooner or later, it is better to see them earlier."

As he said, he said again: "Look, now Miss Su's status is almost equal to house arrest here. If you don't meet her, I am afraid she will be uncomfortable. This is also torture for her. It's better to meet her and let her feel at ease so that she can continue to stay here without causing any trouble."

Charlie said indifferently, "I definitely want to see her, but it's not the time yet."

Issac asked hurriedly, "Master, are you waiting for an opportunity?"

"Opportunity?" Charlie shook his head: "I'm waiting for Zynn Su."

Issac exclaimed, "Master, you...you want to wait for Zynn?"

"Yes." Charlie said coldly, "I'll wait for him to come to Aurous Hill. If he doesn't come, I will personally "please" him over!"

"The day Zynn comes to Aurous Hill, I would naturally take him to meet Zhiyu and Liona!"

Speaking of this, Charlie stood up and said blankly, "After he comes here, I will personally take him to my parents' grave and bow down!"

"If he is not directly related to the death of my parents, let him give my parents a kowtow;"

"If he is directly related to the death of my parents, I will let him pay for his life at my parents' grave!"

.....

At 6:30 in the evening, Regnar Wu drove to Su's manor.

He also came with his eldest son Roger.

The father and son arrived in the manor in their car, and the housekeeper Anson personally greeted them. As soon as they met, he said politely: "Mr. Wu, Master Wu, our master is already waiting in the banquet hall, please come with me."

Regnar couldn't help but feel a little nervous.

He didn't come to have dinner with Chengfeng this time. He came to Chengfeng as an undercover agent at Charlie's request.

Charlie is a person 10,000 people can't afford to offend him, not to mention Charlie's background, his ability alone is far from what he dares to offend.

Killing the eight heavenly kings of the Wu family by one person really annoyed him, maybe he could kill all the Wu family by himself.

However, Chengfeng here can't afford to offend him at all.

Who is Chengfeng? The person in charge of the first family in the country is simply the strongest person in the financial field, and if he provokes him, he may not end well.

Therefore, Regnar was nervous and afraid in his heart.

However, he was also very clear in his heart that, no matter what, he must act as one who couldn't offend Charlie the most.

Since Charlie asked him to be an undercover agent, he could only bite the bullet.

Chapter 2544

Later, he and Roger followed Anson to the banquet hall of the manor.

At this time, in the banquet hall, three generations of the Su family, Chengfeng, Zynn, and Zhifei were sitting at the front of the dining table.

Seeing Regnar and his son coming in, Chengfeng took the initiative to stand up and said with a smile: "Mr. Wu, I have heard of the name for a long time, and I finally meet you today!"

Regnar hurriedly said a little flattered: "Mr. Su, you are so polite. Compared with you, I am just a small business person who does a little bit of innocent business. I can't get on the table..."

Chengfeng waved his hand and said with a smile: "Where is this, your Wu family is the number one family in Suzhou, even in the whole province, so why to belittle yourself."

After speaking, he hurriedly said again: "Come here, Mr. Wu, let me introduce to you, this is my son, Zynn Su, and the other is my grandson, Zhifei Su."

Regnar couldn't help but feel a little surprised, and he thought to himself: "Unexpectedly, this Zynn also came to Suhang. Didn't this guy ran to Australia because of a scandal some time ago? Also, Chengfeng murdered Zynn's wife and daughter. , Why is this guy standing in front of Chengfeng so respectfully? Isn't it necessary for him to avenge his wife and child?"

Seeing Regnar stunned, Zynn suddenly guessed Regnar's psychological activities. He couldn't help but feel a little embarrassed.

So he first stretched out his hand and said, "Hello, Mr. Wu, I'm Zynn, I'm lucky enough to meet."

Only then did Regnar came back to his senses, and hurriedly clasped his fists and said, "Mr. Su, look up for a long time! I'm Regnar, this is the son Roger!"

Chengfeng said at this time: "Mr. Wu, please sit down, let's eat and talk."

Regnar quickly agreed.

Five people were seated in front of the huge dining table. Chengfeng took the initiative to hold up the wine glass and toast Regnar. After three rounds of wine, he smiled and said, "Mr. Wu, this time I come to Suzhou. It is considered to be on your site, so Please take care of us in Suzhou in the future."

Regnar said nervously, "Mr. Su, you are so polite. It is absolutely my honor you think of Regnar when you come to Suzhou. In the future, you can use me for anything."

Chengfeng smiled and said, "Since Mr. Wu has said so, then I won't be polite to you, but Mr. Wu, please rest assured. If you have any help from our Su family, please do not hesitate to speak."

Regnar clasped his fists and said, "Then I would like to thank Mr. Su in advance!"

Chengfeng nodded, put down the wine glass, and said: "By the way, Mr. Wu, I want to ask you something, I don't know if it is convenient for you."

Regnar hurriedly said, "Sir, please tell me!"

Chengfeng said: "That's it. I want to know Mr. Wu, how much do you know about Aurous Hill?"

"This..." Regnar thought for a while, and said, "Actually, I don't know much about Aurous Hill. It's just that my son went to university in Aurous Hill."

In fact, Regnar didn't want to be a last resort and didn't want to talk to anyone about his second son Wu Qi.

Because Wu Qi had already been harassed by all the people all over the country at the time when Wu Qi was involved. When he mentioned it, it was tantamount to hitting him in the face.

However, Chengfeng asked about his understanding of Aurous Hill's situation at this time. Regnar didn't dare to conceal Wu Qi's schooling in Aurous Hill, because no one knew about this matter in the whole country. If he deliberately concealed it, it will definitely arouse Chengfeng's suspicion.

When Chengfeng heard him talk about Wu Qi, he nodded slightly and said apologetically: "I'm sorry, Mr. Wu, I know there are some things I shouldn't say here."

Regnar knew what he wanted to say next, so he could only smile awkwardly, and said, "Mr. Su, if you have any questions, just ask, don't be so polite."

Chengfeng nodded and said: "Mr. Wu, frankly speaking, I have heard about your little son. What I want to ask is. Have you checked, why he has this kind of behavior, what is wrong with him? Why it is happening?"

"Why?" Regnar cursed secretly in his heart: "Of course it's because of Charlie's b@stard! He has already admitted this in front of me, but I can't provoke him and dare not fight him. ..."

However, Regnar did not dare to say what he was thinking.

Therefore, he could only deliberately said in shrouded mist: "This...to be honest, after his accident, Xiaoxin and I went to Aurous Hill as soon as possible. We also wanted to find out what caused the community. There has been such a big change, but after a lot of investigation, no valuable clues have been found."

Chengfeng was a little disappointed, and then asked: "Mr. Wu, then, do you think the incident with your youngest son is a natural disaster, or is it an unnatural disaster?"

Chapter 2545

Hearing Chengfeng's question, Charlie's image reappeared in Regnar's mind. He couldn't help feeling a deep cold deep in his heart. Then he replied: "Mr. Su, let me tell you, about my son. I also suspected that it might be man-made, but after investigating a lot, no relevant clues were found, so the possibility of a natural cause may be greater, or the children himself stimulated something beyond our comprehension.

Chengfeng asked him, "Have you ever asked your son what unusual memories or impressions he had before and after the incident?"

Regnar said truthfully: "I asked him about this, but he told me that there was a memory gap before the incident, and he couldn't remember it at all."

Chengfeng nodded thoughtfully, and said in a deep voice, "If this is the case, then I guess it is more likely to have mental nature!"

Regnar pretended to be shocked and asked, "Mr. Su, do you mean someone deliberately harmed my son?"

"Yes!" Chengfeng said seriously: "Generally speaking, even if someone has a mental problem, they don't have such a strange behavior as your son."

After speaking, he asked again: "And I heard that your son's condition seems to occur every hour, right?"

Regnar said awkwardly, "Yes, it is true."

Chengfeng hummed, and said solemnly, "Then this is even more problematic! Normally, even if a person has intermittent psychosis, intermittent epilepsy, or even intermittent convulsions, this is relatively random. There are absolutely no rules at all, so some people will fall asleep, suddenly get up and sleepwalk, or suddenly have a goat's seizure and convulsions, but when you've heard of someone, it's like this every hour frequency? This is obviously not right!"

Regnar said, "Of course I knew something was wrong, and I also knew that all this was done by that bastard Charlie! But what can I do? Our eight heavenly kings were all taken care of by him. If I still confront him, maybe I will be like my son someday, becoming a hapless guy who eats that thing every hour..."

Thinking of this, he was depressed, and on the surface, he pretended to be extremely shocked and asked: "Mr. Su...do you think anyone has such an ability to make my son suffer from this disease?"

Chengfeng said: "There are too many possibilities for this kind of thing. Whether it is the mystery of Feng Shui in our country or the puppets in Southeast Asia, there are methods that cannot be explained by science. I think you should find a metaphysical master for your son. If your son takes a good look, he may be able to see where the problem is!"

"Master of Metaphysics?!" Regnar said earnestly, "To be honest, our family really doesn't know any master of metaphysics, but I have heard that some people in Hong Kong seem to be engaged in Feng Shui metaphysics. I don't know if there are any experts there. "

Chengfeng said: "Hong Kong has probably the most developed metaphysics in the three regions of the Taiwan Strait, but if you want to really talk about the top metaphysics masters, you still have to go to the United States to find them.

"America?!" Regnar was even more surprised, and asked, "Mr. Su, I don't quite understand. Isn't Feng Shui metaphysics the thing of our Chinese ancestors? Why do the top academic masters look at America?"

Chengfeng smiled indifferently and said earnestly: "As long as the masters of metaphysics are very powerful, they are basically from their ancestors for several generations, even dozens of generations, who have been studying metaphysics assiduously. In times of turbulence, some really capable older generations of metaphysical masters will figure out clues in advance and then avoid them in advance."

Chapter 2546

After speaking, he explained: "Anyone who has studied history knows that in 37 years, we have experienced a huge ordeal in China. At that time, many top metaphysical families had already calculated the disaster of China Land one or two years in advance. Many have fled overseas in advance. Those who have not escaped are either those masters who serve the country and the people, or those who have the insufficient ability and limited skills, and cannot be counted as two swords of disaster."

"And those top masters who stayed devoted their efforts to Jiangshan Sheji. In addition to the Eight Years' War, there were deaths and injuries, and a large number of domestic metaphysical masters withered, but the ones who fled overseas were intact. Survived."

Regnar couldn't help asking, "Mr. Su, there is still something unclear below. Why did these escaped metaphysical masters go to the United States?"

Chengfeng smiled and said: "Recall the history of World War II you learned in junior high school. At that time, the whole world was swamped. Europe, known as the birthplace of modern civilization, was also turned into a puddle of mud. Even Britain was blown to ruins. Needless to say. Continental Europe."

"Looking at the whole world, there was only the United States that year. Except for a small attack on Pearl Harbor, the mainland was almost out of the war. The true masters

of metaphysics have long been there for the peace and peace of the United States, so almost all of them have a brain. Fleeing to the United States, other people's World War II was a raging war. These people's World War II was to survive in America.

After all, Chengfeng said again: "If you need it, I can help you find a top metaphysical master from the United States and let him see your son's situation."

Regnar asked a little excitedly, "Mr. Su, is what you said is true?"

"Of course!" Chengfeng smiled slightly and said seriously: "Since we are all interested in being tied together to do something big, then I must show something, so let's arrange for someone to contact and let the master sit as soon as possible. The plane is coming. If the speed is fast, the master may be there tomorrow night."

Although Regnar didn't dare to betray Charlie, he couldn't help getting excited when he thought that the master of metaphysics that Chengfeng had found might really be able to heal his son.

This also made him feel the feeling of having the right and the right. If he could cleverly mediate between Charlie and Su's family, wouldn't he be able to please both sides and obtain benefits from both sides?

Thinking of this, Regnar hurriedly stood up, clasped his fists in his hands, bowed, and said, "I'm taking the place of the dog, thank you, Mr. Su! If you need to be here in the future, just give a command, and don't let it go!"

Chengfeng waved his hand and said casually, "Mr. Wu, between you and me, you are welcome."

After speaking, he looked at Zynn and told him: "Zynn, you turn back to talk to Mr. Mai in Los Angeles. It is best to ask him to come out and visit Suzhou."

Zynn nodded and hurriedly said, "I know Dad. It is estimated that the time in Los Angeles is not bright yet. Should I wait an hour or two before contacting?"

"Okay." Chengfeng smiled and said with emotion: "I haven't seen Mr. Mai in years. If he is willing to show his face and come here in person, I will also ask him to do the

calculations for me. I have encountered various blows, maybe it has a lot to do with Feng Shui luck!”

Chapter 2547

In fact, Chengfeng himself is not very faithful.

His long-dead old father believed in Feng Shui fate, but he didn't buy it.

Chengfeng's acting style is very harsh, so he always believes that man can conquer the sky. When he is young, he will act vigorously and resolutely when he is young.

However, Chengfeng now has more or less murmurs in his heart.

It's a damn reciting words, if it's a coincidence, it's really a bit unreasonable. How can such bad luck and bad things happen to him?

If it is not a coincidence, it is estimated that something happened in the fortune, otherwise, it should not be unlucky.

Therefore, he wanted to take this opportunity to let the authoritative Feng Shui take a look.

Mr. Mai, whom he asked Zynn to contact, followed his father and fled to the United States from Eastcliff in early 37.

At the time, the five great feng shui families in China were the Lai family, the Zeng family, the Liao family, the Yang family, and the Mai family.

These five people, without exception, have all settled overseas.

The old generation of the Mai family had a good personal relationship with Chengfeng's father, so when Chengfeng's father was alive, he often asked them to come back and give advice.

However, since the death of his father, Chengfeng has not been interested in this aspect, so he drifted away from them.

But having said that, although there hasn't been any contact in recent years, the foundation of the relationship between the two families is still there.

Regnar is also not very faithful.

However, he is now holding the attitude of trying and not asking for money, and he has accomplished it. If he fails, he has no loss.

It is precisely with this feeling of having a source of both ends, Regnar's psychological pressure is suddenly relieved a lot.

Coupled with Chengfeng's very polite attitude, Regnar really felt at home.

After dinner, Chengfeng asked Zynn to send the father and son out. On the way back, Regnar still had a smug smile on his face.

In any case, it is a good thing to be able to establish contact with a top-notch family like the Su family. It may indeed open up a little commercial cooperation. As long as the Su family gives some resources at hand, the Wu family will be able to improve.

Roger saw his father's excitement, but he felt a little unhappy.

Ten thousand in his heart didn't want his brother Wu Qi to heal, because once his brother healed, he would rob him of property.

Chengfeng suddenly threw such an olive branch, which made him feel very angry.

But he didn't dare to show his feelings in front of his father, so he could only ask: "Dad, the Su family wants to help us find a Feng Shui master, do you want to report to Charlie?"

Regnar said without hesitation: "Of course this kind of thing can't be reported, otherwise, if Charlie makes a little action behind his back, wouldn't your brother have no chance of healing?"

Roger said with some worry: "But the task that Charlie assigned us is to be his dual spy! If we deliberately conceal the clues and don't tell him, will he not blame us if he knows?"

Chapter 2548

Regnar hesitated for a moment and then said: "The situation must be partially reported, but it is still necessary to have reservations. It is best to avoid the serious and keep it light."

As he said, he took out his mobile phone and sent Charlie a voice message: "Mr. Wade, you really have a brilliant plan. Chengfeng invited me to dinner tonight. At the dinner table, he said that he would work closely with us. I have agreed. I will report to you in time if he has any movements next!"

After receiving this information, Charlie replied with the word "OK" in the text.

When Regnar received the word "OK", he smiled slightly and said, "Look, isn't this solved? What we have to do now is to make Charlie feel that we are doing our best for him, and make Chengfeng feel that we are indeed an object worthy of his careful cultivation. As long as we can do this well, we will be able to meet the two top families of the Wade Family and the Su Family!"

.....

This night, Zhifei returned to Aurous Hill alone.

The task that Chengfeng gave him, in addition to continuing to try to find his mother and sister, also required him to actively prepare for Sara's concert in Aurous Hill soon, and try to take this opportunity to catch Sara.

When Zhifei arrived in Aurous Hill, he went directly to his grandfather's old house in the city.

What he didn't expect was that his grandfather, uncle, and second uncle had already put aside the things at hand and came to Aurous Hill. At the same time, they had begun to mobilize all resources to search for the whereabouts of his mother and sister.

When his grandfather Mr. Du saw him, he was surprised and asked: "I know, you suddenly disappeared inexplicably, where did you go?"

Zhifei hurriedly drove himself from Eastcliff to Aurous Hill, and then went to Suhang to meet with his father and grandfather.

However, he did not say anything about the selection of the Su family's successor.

As soon as Mr. Du heard that he was almost beaten by Chengfeng's messenger, he fled all the way to Aurous Hill. Naturally, he felt very distressed for this grandson.

Thinking of the missing daughter and granddaughter, he choked with tears in his eyes: "Boy, you have suffered! Don't worry, grandpa will not let you suffer this kind of grievance again! Also! Your two uncles, and myself, this time will stay in Aurous Hill, and go all out to find the whereabouts of your mother and sister! If they are still alive, everything is easy to say, but if they encounter unexpected events, I will definitely not let your bastard grandfather go!"

Hearing what Grandpa said, Zhifei's eyes were red, and he nodded heavily.

However, even he himself did not expect that at this moment, he suddenly felt a trace of pride in his heart.

He also had Ragnar's experience of being both right and left.

"The always strong grandfather, for the sake of fame and family, wants to come over to please him, and grandpa's side, because of these things I have encountered, especially loves me..."

"If in the future I really become the heir of the Su family, with the huge business empire of the entire family on the one hand, and the strong relationship background of the Du family on the other, I can even take the Su family to a higher level in the future!"

"If I can successfully collect Sara in my bag, it would be equivalent to harvesting half of the Gu family. By then, I will combine the assets of the Su family, the background of the Du family, and half of the Gu family's industry, then I will be the richest man in the world. ! Under the whole world, who else can compete with me?"

"Now it seems that my next top priority is to win Sara!"

Thinking of this, Zhifei had a strong urge to turn Sara into his own woman immediately!

The dream of the world's richest man, like a curse, quickly changed Zhifei's heart.

Now he no longer cares about the life and death of his mother and sister.

All he wants in his head is the supreme title of "the world's richest man"!

Chapter 2549

Video about the Su scandal has been constantly fermenting on the Internet.

While the Su family's reputation is notorious on the street, the Su Group has not given any official explanation.

The enthusiastic netizens came to Su Group's official website and the official Weibo to denounce it, making the Su Group's public relations team helpless.

When Liona and Zhiyu the mother and daughter were still missing in the eyes of the outside world, the Su Group announced in a high profile that Zynn would temporarily take over as the acting chairman of the Su Group.

This is also equivalent to officially announcing the return of Zynn to the public.

Interestingly, the return of Zynn has aroused the sympathy of many people.

Many people think that master Zynn is too miserable.

His illegitimate daughter was sold by his father, and he himself was sent to Australia by him.

This was unlucky enough, but his father still didn't want to let him go, and gave him a big black pot of "betraying his daughter".

Worse still, when he was alone with all the infamy, his father murdered his eldest daughter and his wife.

Now, his eldest daughter and wife are still missing, and he has only one son left.

In the eyes of netizens, in the world, there may not be a second person as miserable as him.

Therefore, he suddenly came back to preside over the Su family, and to a certain extent, aroused the sympathy of the public and made the public's impression of the Su Group a little better.

But Chengfeng was even more uncomfortable.

Because he knows that the more Zynn can make the public feel compassionate, the less likely he is to step onto the stage and take charge of the Su family again.

But he has no good solution now, he can only go through the difficulties before speaking.

Zynn cares about Zhiyu, so after he was promoted to acting chairman, he immediately invested a lot of manpower and material resources to find the whereabouts of the mother and daughter in Aurous Hill and surrounding areas.

To this end, he even offered a cash reward of more than 100 million.

Many private detectives and bounty hunters flocked to Aurous Hill in order to earn this huge reward.

Unfortunately, no one can find the slightest clue about the mother and daughter.

Charlie didn't go to Shangri-La for two consecutive days. Zhiyu, who was confined here, had become more impatient. She was not dissatisfied with the state of being confined but was always looking forward to the figure of the benefactor.

With the warming of these two kinds of weather, the famous singer Sara's concert is getting closer.

This concert is her first concert this year.

Therefore, both she and her agency paid great attention to this concert.

Not to mention Sara herself. As planned, her first concert this year was on the 20th of the first month of the lunar calendar, and her first concert was held in Eastcliff.

However, because of the reunion with Charlie, it happened to be Charlie's birthday on February 2 of the lunar calendar, so she deliberately changed the concert from Eastcliff to Aurous Hill and postponed it to the second day of February of the lunar calendar.

In fact, for Sara, this concert was performed for Charlie alone.

Chapter 2550

Since it is dedicated to the beloved, it naturally takes a little more thought.

Therefore, although there is still a period of time before the performance, the preliminary work team has arrived in Aurous Hill and began to make very detailed preparations for the scene.

Sara herself is a top singer and actress in the country, so the overall specifications of her concerts have always been very high.

This time the concert, because of Charlie's sake, the specifications were especially surprisingly high.

The first is the opening of Aurous Hill's largest Olympic Center stadium, which can accommodate more than 50,000 people;

Second is the stage hardware, which uses all the world's top devices, such as lighting, sound, stage and background, these devices;

In addition, the chief director, tuner, lighting engineer, and dancer team are all the largest production teams in Europe and America.

After all, Europe and the United States have more experience in concerts, and these teams have even managed super-large concerts with over 100,000 audiences.

In fact, from a financial point of view, holding such a very costly concert is basically not profitable, and it may even lose money.

But she didn't care at all.

What she was looking forward to was to show her perfect self in front of Charlie.

Because Sara's concert is getting closer, the whole of Aurous Hill is excited about it.

Charlie also found that there are more and more publicity advertisements about Sara around. Background advertisements at bus stations, electronic streaming media advertisements in elevators, giant billboards on the roadside, and display spaces on the floors of high-rise buildings are almost all Promotional materials for Sara's concert.

This made Charlie couldn't help wondering: "Hasn't the tickets for Sara's concert been robbed early? What is the point of investing in such big publicity at this time?"

What he didn't know was that Zhifei did all these publicity campaigns without exception.

Zhifei is thinking about how to use the opportunity of the concert to get closer to Sara.

Therefore, he decided to spend tens of millions first, talk about the entire Aurous Hill advertising space, and replace it with Sara's concert promotional materials to help her make the concert's momentum strong enough so that when she comes to Aurous Hill After that, she must be more or less moved.

The next day, when Charlie had breakfast and sent his wife Claire out of the house, he received a call from Issac. As soon as the call was made, Issac reported: "Master, there is something, I have to report to you."

Charlie asked him, "What's the matter?"

Issac said: "That's right, Miss Sara's agent has already booked a presidential suite with me for a week before and after the concert. Early this morning, Zhifei from the Su family suddenly ran over to rent the hotel for that week. He bought all the advertising spaces,

even the right to use the giant LED screen in that building, right across the terrace of the presidential suite."

When Charlie heard this, he asked in amazement, "What is Zhifei doing? You can't just want to advertise to his mother and his sister, right?"

"No!" Issac hurriedly said, "This guy wants to display the promotional posters of Miss Sara's concert on these advertising spaces and the giant LED screen!"

Charlie frowned and couldn't help but smack his lips: "This Zhifei is really interesting. At this time, he didn't quickly find a way to find his mother and his sister. Instead, he spent such a lot of thoughts on the nanny. "

Issac blurted out, "Master, I think Zhifei, this guy, must want to pursue Miss Sara!"

"Yeah." Charlie said with a smile: "He has been so obvious, it is simply the lover's heart that everyone knows."

Issac said anxiously, "Master, you must take it seriously!"

Charlie couldn't help but said awkwardly: "How can I take this kind of thing seriously..."

Chapter 2551

Seeing that Charlie seemed indifferent, Issac said anxiously, "Master, this Zhifei, his mother and sister are still missing. He is still in the mood to pursue Miss Sara so hard. This proves that this kid is ruthless. Such an injustice, Miss Sara is such a good girl, if she is really deceived by him, it is not just Miss Sara who suffers the loss, wouldn't you also lose a lot?"

Charlie coughed twice: "Don't worry about it. I am a married person. It is her freedom to choose the other half. It is not our turn to worry about her."

After speaking, Charlie suddenly felt something uncomfortable in his heart.

At the same time, he was surprised that his heart at this moment really agreed with what Issac said just now.

Just as Issac said, Zhifei still had the heart to chase Sara at this time, which proved to some extent that this person was a little unjust.

More importantly, Charlie involuntarily assumed in his heart that Sara and Zhifei were together. Although it was only an assumption, it still made him feel bad!

Charlie really understood at this moment that Sara had already taken a place in her heart.

Seeing Charlie keeping silent, Issac couldn't help but think: "Master, you must pay attention to this matter. You must not let Zhifei this b@stard succeed!"

Charlie was silent for a moment, and said, "So, I don't care about everything else. You must not sell all the advertising resources in your hand to him, and no amount of money shall work!"

When Issac heard this, he was pleasantly surprised and said: "OK young master! What is waiting for you! As long as you express this attitude, I will never sell even a single advertising space to Zhifei!"

Charlie gave a satisfied hum, and exhorted: "Please help me find out what other tricks Zhifei has, and tell me as soon as you find it."

Issac hurriedly said, "Oh yes, master, there is one more thing, I haven't had time to report to you.

"Say it."

"Master, this Zhifei has a group company specializing in cosmetics. This company also has many well-known cosmetics brands. This time he reached cooperation with Miss Sara, and his cosmetics company named Gu. Miss Sara's concert tour and this title sponsorship are for charity purposes. The content of the cooperation he reached with Miss Sara is that every time she starts a concert, he will donate 10 million to charity."

Charlie couldn't help touching his chin, and said with a serious expression: "This Zhifei is really going to find an entry point! She is not short of money, so she can't look down on any form of advertising sponsorship at all, but he prefers to use charity The way touched

the girl, this kid seems to be a master with a sharp vision! Otherwise, there is a master pointing behind!"

Issac hurriedly said, "Master, then you have to quickly think of a countermeasure!"

Charlie said: "I see, Zhifei, you help me observe, if he has any new actions, tell me in time."

"OK, young master."

.....

At this moment.

Zynn came to Chengfeng's study early in the morning and reported to him: "Dad! Our shipping license has been revoked!"

"What!" When Chengfeng heard this, he immediately blurted out: "What's the matter? How can the qualification certificate be revoked?"

Chapter 2552

Zynn said: "According to the shipping department, it's because the Su Group's overseas reputation has recently declined too sharply, and the overall score has failed. Therefore, we are required to make rectification first. Before the rectification is over, they won't allow us to operate the ocean shipping business again."

Chengfeng was shocked: "How could this be? Did they tell us how long we need to rectify it? "

Zynn shook his head and said, "There is no time limit for rectification. They said that we should make rectification as soon as possible. After the rectification is completed, they will arrange a review according to their time. If the review is okay, the license can be restored."

Chengfeng yelled, "Isn't this going to be a disaster? Our Su Group has developed the fastest ocean shipping business in the past two years, and after entering this year, the shipping price of ocean shipping is getting higher and higher. Now the freight of a container is more expensive than before Three or four times, this is a rare opportunity in the shipping industry in a century. If we stop our business at this time, doesn't it mean that we have cut half of our money?"

Zynn sighed: "Dad, I also told them about this, and even pleaded with them, hoping to get a chance of probation, but the other party just didn't let go, so I asked someone to inquire about the above. If we cannot resolve this reputational crisis and give a satisfactory account of Shred's intrusion into Treasure Pavilion, this business will not be open to us in the future."

Chengfeng gritted his teeth and said, "No one has been fighting thunder this time. They are trying to force me to stand up and be a target!"

Zynn said helplessly: "In fact, this matter requires an explanation that can be explained above, but we have not given any solution until now."

Chengfeng snorted coldly, and said, "What can be done? All the spearheads are directed at me. Unless I stand out and get beaten, I will never explain the matter..."

As he said, Chengfeng remembered something and hurriedly said: "By the way, you quickly prepare a sum of cash to send to the families of the victims who Shred killed in that Pavilion. In any case, let them come forward and record a video of understanding. Then edit the video that everyone understands into one piece and post it online!"

Zynn said, "Dad, the families of these victims may not be able to cooperate with us in this way..."

Chengfeng said coldly: "Huh! They don't cooperate? If they don't cooperate, give them money! If five million doesn't work, then give 10 million! If 10 million doesn't work, then give them 20 million! I still don't believe it can stop them!"

Zynn nodded: "Dad, then I will arrange someone to go to Aurous Hill to talk with the victim's family today!"

Chengfeng said blankly, "Be sure to talk to me!"

"OK, dad!"

Chengfeng frowned and said in a cold voice: "The biggest thing the domestic ocean shipping industry does is our Su family, followed by the Wade family."

"Now, if our transportation is stopped, wouldn't it give the Wade Family a great opportunity? As long as this stopped state lasts for more than three months, the Su Family will be overtaken by the Wade's!"

"Yes!" Zynn said with a sad face: "This family is now actively working hard. I heard that they just ordered three container ships with the shipyard two days ago, and even went to South Korea to talk to the South Korean shipping group. The chartering business has been negotiated because the family's current business volume has surged and its capacity is insufficient."

Chengfeng slapped the table angrily: "It's unreasonable! Let the Wade family pick up a bargain for nothing!"

After speaking, he said sternly: "This matter must not just wait passively, we must find a way to meditate! Since our qualification has been temporarily suspended, then we will find a qualified shell to hang in! At least! Don't let our business stand still!"

Zynn said hurriedly, "Dad, I have already contacted this matter, but other domestic shipping companies dare not call us because they are also worried about being punished..."

Chengfeng cursed with embarrassment and anger: "Damn, these dogs used to come to the Su family to cheat on our family, and now all of them are damned! Since the domestic can't handle it, then go to a foreign company!"

Zynn thought for a while and said, "Korea's companies have been listed first by the Wade family. Now our best choice is Japan's Ito family, the Matsumoto family, and the Takahashi family fall. Now Japan's shipping is almost all In the hands of the Ito family..."

Chapter 2553

"The Ito family?"

When Chengfeng heard these four words, he immediately cursed coldly: "Damn, Ito Yuhiko, that dog thing, is not on the road at all. When we first chose between him and the Takahashi family, he was like a licking dog, he fawned on us all day long; now the Takahashi and Matsumoto clan are finished, he is so powerful, and now he is really unreasonable!"

Ocean transportation is one of the most profitable industries at the moment. If a large container ship runs on European and American routes with a full load, a container freight of 20,000 to 30,000, a single trip can earn at least tens of millions in freight.

The Su family has the largest transportation fleet in China. As long as these ships run, they can create extremely high profits. They are definitely the core and most important source of revenue for the Su family.

However, now that none of these ships can get route approval due to their license being revoked.

Without approval, these ships can only be docked at the port, not only can not make a penny back but also incur a lot of money for maintenance every day.

In addition, although the entire shipping company's transportation and support team have nothing to do, the Su family absolutely dare not lay off staff and can only continue to spend money to support it.

Therefore, Chengfeng felt very anxious about this, and said in a deep voice, "Hey, I blame it. The impact of this incident is really bad. I don't know when it will pass. It is very likely that we will not have a chance to get it back before things turn around.!"

Zynn thought for a moment, and said, "Dad, or else I will go to Japan again and have a chat with Yuhiko! If he is willing to cooperate with us, we will use a shell company to work with him. Let's register a new company, then takes the Japanese license and temporarily change all of our ships to that Japanese company name, so that we can solve the urgent need."

Chengfeng nodded, sighed, and said, "The method is indeed a good way, but I don't know what attitude Takehiko will have. This guy definitely thinks that the Ito family has a unique opportunity now and may not be able to agree to cooperate with us."

Zynn said: "The Ito family has been held by Takehiko's daughter for some time recently. Nanako Ito is at the helm. Although this girl is young, her style of doing things is still very radical. In a very short time, she has integrated Japan's shipping resources, and her overall strength has improved rapidly."

Chengfeng frowned, "Nanako, is she Yuhiko's only daughter?"

"Yes." Zynn said, "She is now the heir and helm of the Ito family."

Chengfeng sighed thoughtfully, "Ito Yuuhiko and Philip Gu, how come these two have only given birth to one daughter? Wouldn't it mean that others will be freed up for nothing?"

Zynn shrugged his shoulders: "Who knows what they think, and the big entrepreneurs who only have one daughter are more than the two of them."?

Chengfeng sighed, "Hey! Looking at it this way, Nanako's price-performance ratio is much better than Sara's!"

As he said, he couldn't help but figure it out, and said, "Look, the Ito family has now seized the unique opportunity, and its strength has skyrocketed. Not only is it the first family in Japan, but it also leaves the second and third places far behind. In the back of my head, the Gu family is indeed a little less interesting in comparison, and Sara has not yet taken over the family. The real strength in her hands is much worse than that of Nanako."

"That's true." Zynn nodded in agreement, and said: "This Nanako has always had the title of Yamato Nadeshiko. Now the Japanese media simply call her "the richest woman in Japan in the future". There are probably many men who want to marry her.!"

Chengfeng asked tentatively, "Hey, you said, can you give it a try?"

Zynn said hurriedly, "Dad, don't you agree that Zhifei pursues Sara?"

Chengfeng said very seriously: "But now it seems that Sara is far less cost-effective than Nanako!"

Chapter 2554

Zynn said awkwardly, "Dad, knowing that he just went to the city this time, and we changed our minds, it will definitely have a big blow to his enthusiasm. After all, he really likes Sara."

"Um..." Chengfeng smacked his lips, and said, "If you know it, let him continue to try to pursue that Sara. You will find another chance to make an appointment with Ito Yuihiko, or simply make an appointment with that Nanako, let's see if we can make another appointment for a face-to-face meeting. The big deal is that we can give them more profit. As long as they are willing to establish a joint venture with us and help us revitalize this business, we can spend 20% of the total share and the profit with her."

Zynn nodded and agreed, and said, "Dad, I will talk to the Ito family. If possible, I will make an appointment with them as soon as possible."

"It is good!"

.....

At this moment, Tokyo, Japan.

Inside the Ito Mansion, it was a busy scene.

Nanako Ito ran around the room constantly, packing all kinds of clothes and daily necessities into the suitcase.

Her assistant Kawana, at this time, was in a hurry, scratching in the backyard kennel.

After finally letting her grab a very naughty little Akita, she hurriedly hugged the Akita tightly in her arms and hurried to the door of Nanako's room.

"Miss, can you see this puppy?"

Nanako just put a cherry blossom pink jacket with a strong girlish breath into the box, looked up at the puppy in her arms, smiled, and said, "It turns out to be Momotaro. To be honest, I really don't want to put it. It is given away..."

Kawana said hurriedly, "Miss, then I'll change to another one."

Nanako hurriedly stopped her and said, "No Kaana, just it. After all, the other party is Charlie's friend. Since she likes Akita dogs, I will naturally give her one with the best appearance."

Kawana shook her head and sighed: "Miss, you are so hard on that Charlie, not only with him but even with his friends..."

Nanako said with some shame: "Charlie is right, our Ito family is kind, of course, I have to do my best for small things."

Kawana blurted out subconsciously, "But he is already married..."

Nanako said with an embarrassed expression: "...Charlie is my benefactor...I just want to repay his kindness, and it has nothing to do with whether he's married or not."

Kawana put the Akita dog named Momotaro on the ground, grabbed Nanako's right hand, pointed to the ring on her right middle finger, and said, "Miss, if you really just want to repay him, Why would you keep wearing this ring on your hand?"

Nanako hurriedly concealed: "This ring...this ring is a gift...it has nothing to do with Charlie..."

Chapter 2555

Seeing Nanako's desire to cover up, Kawana sighed and said helplessly, "Miss, if I have a mirror in front of you now, you will know that you are the least lying woman in this world!"

Nanako Ito flushed with shame immediately, and said falteringly, "I don't have any...I really...I..."

"Okay..." Kawana said helplessly, "Miss, I'm just your assistant. You don't have to bother to lie to me, but when you face Charlie, isn't the performance is so cramped..."

Nanako couldn't hide her embarrassment and said, "I'm sorry Kaana, I actually..."

At this point, Nanako Ito suddenly got a little speechless, and sighed helplessly, and said, "Hey, let's not say, thank you for your reminder. Please help me put Momotaro into the airbox, and give him some water. Yes, we are going to the airport by helicopter."

Kawana nodded, "Okay eldest lady, is there anything else you need me to help you with? I'll come back later."

Nanako waved her hand and said, "No, you can help me set up Momotaro, and then pack your own luggage. We will go to Aurous Hill this time. It will take a long time."

Kawana hurriedly asked, "Miss, you don't plan to come back until the end of the concert?!"

"Yes." Nanako said seriously, "I plan to stay in Aurous Hill until the concert ends."

Kawana asked again, "What about the job? The family still has so many things to deal with..."

"It doesn't matter." Nanako smiled slightly and said: "I will set aside eight hours a day to deal with work problems. All work will be solved online through computer and mobile phone. During this time, I have been promoting the online office reform of the entire Ito Group. Just take a look at the actual results."

As she said, she smiled and comforted: "Kawana, don't worry, I am not the kind of woman who is playful or irresponsible for work. Even if I go to Aurous Hill, I will not be sloppy about the work I should do."

Kawana nodded gently.

She also has to admit that Nanako is a very hard-working woman. She took over the position of family leader for a short time, but she did it very seriously and responsibly, and many innovative measures she took were quite effective.

Her father, Takehiko Ito, is a very traditional Japanese businessman. This old generation of Japanese entrepreneurs usually pays much attention to the sense of ritual. As long as

they leave home every day, they must be in suits and shoes. They are also meticulous in the company. The process is also very rigid.

After Nanako took over the Ito Group, the first thing she did was to gradually transform the Ito Group into a more modern company.

The first is to implement a paperless office in the company as much as possible. Paperless is only one aspect, but the larger purpose is to put most of the work, files, and files online.

In this way, not only the timeliness is fast, the privacy is strong, but also the safety is high, and it is more convenient to read and inspect.

In the beginning, many old employees were still a little unacceptable. They still followed the older generation's working methods, and they had to be careful and take it step-by-step.

However, under the impetus of Nanako, everyone not only accepted the new office style but also actually felt that the overall work efficiency has been greatly improved.

Now, Nanako continues to promote the company's online interaction, and even specifically enables real-time video conferencing solutions, in order to ensure that she and other executives, no matter where in the world, as long as there is an Internet, Even if the work is separated by thousands of miles, the work can be guaranteed not to be affected.

This is a very simple thing for many emerging Internet companies, and it has even become the basic way of their daily work, but for established traditional companies, this is still a very new thing. Changing their work habits is by no means an easy task.

Fortunately, Nanako's management skills are unambiguous, so these innovations can be promoted steadily.

During this period of time, while reforming the Ito Group, Nanako also went all out to integrate many other resources. The market released by the Takahashi family and the Matsumoto family was fully collected and the Ito family took another step up. This also made Kawana very admired.

Therefore, she is not worried that Nanako will leave her work behind when she goes to Aurous Hill.

Chapter 2556

However, she also has her own concerns.

She worries that Nanako will become reluctant after she goes to Aurous Hill and meets her beloved man.

Sometimes, many people who are particularly capable and promising will lose their morale and pursuit for the one they love.

Therefore, she was also afraid that after Nanako goes to Aurous Hill, she would not want to return to Japan.

However, Kawana did not dare to express her worry, because she was afraid that after she said it, she would leave a psychological hint to Nanako, so she said, "Miss, then I will settle down with Momotaro. I'll meet you after I'm ready for a while."

Nanako checked the time and said, "You don't need to come to me again. The helicopter will take off in 20 minutes. Then we will meet on the tarmac."

"OK, eldest lady, then I'll pass first!"

After Kawana left, Nanako was packing her things. Her father Takehiko Ito steered an electric wheelchair into the house slowly. Seeing that she was packing her luggage, he asked, "Nanako, you are going to Aurous Hill this time. How long would you be gone?"

Nanako hurriedly put down the clothes in her hand, and said shyly, "Father, I will go there for about ten days this time."

"Ten days?" Ito Yuhiko couldn't help but exclaimed, and asked, "How can it be so long?"

Nanako blushed and said, "Father, I want to stay in Aurous Hill for a few more days. It can be considered rest. During this time, I have been busy with work, and I am really tired."

Ito Yuihiko smiled slightly and said, "A little tired? I think it's fake that you are tired. Is it true that you want to see Charlie earlier?"

"Father..." Nanako said shyly, "Since you understand everything, don't ask knowingly..."

Looking at his daughter's shy response, Ito said in distress, "Nanako, I do not object that you like Charlie, but you have to promise me that you must not sink too deep, at least, don't put your own future is delayed because you cannot be with him."

Nanako hurriedly said, "I know Father, don't worry."

Ito Yuihiko nodded, stretched his waist, and smiled: "Oh, I'm bored at home these days. If you don't dislike it, I will come to Aurous Hill with you, OK? ?"

"Huh?" Nanako exclaimed, "Father, you also want to go to Aurous Hill?"

"Yeah." Ito said with a smile: "With You gone. I will be too deserted here. I just want to go to Aurous Hill to meet Mr. Wade. I have never had the opportunity to thank him. I have to drink two glasses with him for whatever he wants. I have a few bottles of 50-year-old whiskey in my collection, which happened to be brought to Mr. Wade to taste."

Nanako nodded hurriedly and said, "Great Father, then we will go together!"

As she said, she suddenly remembered something, and said embarrassingly, "But...father, I told Miss Song this time to live in her house. If you live with me in her house, I am afraid that will not be suitable..."

Ito said with a smile: "It doesn't matter, you and Kawana live in Miss Song's house, and I will stay in the hotel with Tanaka, so your aunt will come with you."

Nanako hurriedly asked, "Tanaka-san is with you too?"

"Yes." Ito sighed and said, "Since his amputation, Tanaka has been a little frustrated. After all, he is still young and can't accept such a severe blow, so I plan to let him go out

with me. He had been to Aurous Hill before, and this time I will take him to the old place to revisit and see if I can cheer him up again!”

Nanako couldn't help feeling sighed. The relationship between her father and Koichi Tanaka, the master, and servant, is indeed very deep. They have always supported each other and never abandoned, which is really moving.

So she hurriedly said, “If this is the case, please get ready as soon as possible!”

Chapter 2557

As Ito Yuhiko wanted to take his loyal subordinate Koichi Tanaka and his sister, Emi Ito, to Aurous Hill, Nanako hurriedly delayed the flight's departure time and canceled her plan to take a helicopter to the airport.

For Ito Yuhiko and Tanaka, who had both legs amputated, the experience of taking a helicopter was not friendly and convenient. So Nanako re-arranged a fleet of assistants and servants who needed to go to Aurous Hill. More than ten people traveled to Tokyo Narita Airport by car.

In order to take care of her father, Nanako and Ito Takehiko shared a commercial vehicle. When the vehicle was driving on the way to the airport, Nanako was already excited.

Thinking of arriving in Aurous Hill where Charlie lives in a few hours, Nanako wanted to call him now and tell him the message.

However, she didn't want to go to Aurous Hill for his purpose, which was too obvious.

She went to Aurous Hill this time for several high-sounding reasons.

The first reason is that she wants to see Warnia and the Akita dog she gave to Warnia;

The second reason is that she can also go to see Sara's concert. She really likes Sara, and has always wanted to find a chance to watch her live performance;

The third reason is to send Momotaro to Aoxue, because Aoxue also likes Akita dogs, and through Warnia, she promised Aoxue that she would give her one.

However, these three reasons are just superficial rhetoric.

The core motivation that really drove Nanako and allowed her to travel thousands of miles to Aurous Hill was because she missed Charlie day and night and wanted to find a chance to meet him.

Moreover, she did not want to make her true motives too obvious.

Because she was worried that that would bring some psychological pressure to Charlie.

That's why she used these three reasonable reasons to get herself to Aurous Hill first and then contact Charlie after she arrived there.

In this way, she can conceal her core motivation to meet Charlie.

At this time, Emi Ito, who was sitting in the co-pilot, opened her mouth and said to Takehiko Ito: "I have already booked a hotel in Aurous Hill. This time I stayed at the Shangri-La Hotel. I have already booked a presidential suite. , And several luxurious suites next to it."

Ito Yuhiko nodded lightly, and said, "Emi, you can decide these things by yourself. You don't need to report to me."

Emi Ito hurriedly said, "OK, I know."

While talking, Nanako suddenly received a call from Kawan, who was sitting in a Mercedes in front of her.

Nanako answered the phone and asked, "Kaana, what's the matter?"

Kawan said hurriedly: "Lady, Zynn from Su family. He called me just now and he said on the phone that he hopes to talk to us about a framework for cooperation."

"Su's family?" Nanako frowned, and said without hesitation: "Aren't we stopped cooperating with overseas companies for the time being? Just refuse him directly."

Kawan explained: "Miss, this cooperation of the Su family is very different from the past. The overall conditions are very friendly to our Ito Group."

"Very friendly?" Nanako asked curiously? "How friendly is it?"

Chapter 2558

Kawan said in detail: "Miss, the Su family had their shipping license revoked because they had a catastrophe in China. Now they have a large number of transport ships that can only be anchored at ports. They cannot make profits. It means that they set up a joint venture company with us, and then put all the ships under the name of the joint venture company. We don't need anything, we just need to get a qualification in Japan, and they will operate the rest. They can give us 20% of the profit."

Nanako couldn't help but said in surprise: "Is the Su family so generous if it directly divides the 20% profit?"

Kawan said: "Mr. Zynn really said that, and also said that in terms of specific proportions, there is still some room for discussion. I personally feel that even if it is 30%, the Su family will not have any opinions."

Nanako was silent for a moment and then said, "Kaana, don't reply to him about this matter. I always feel that the Su family really lacks a basic moral limit to do things. If it is not the last resort, it is better not to cooperate with this kind of family."

"Okay!" Kawan did not persuade much, and immediately replied, "Then I will let him dry first."

After hanging up the phone, Ito Takehiko on the side asked, "What? The Su family came to work with us?"

"Yes, father." As soon as Nanako came to talk about business, she became like a subordinate in front of Ito Takehiko, and said respectfully, "The Su family's shipping license has been revoked, so they now want to talk to us. Cooperation requires a solution."

After speaking, she gave a brief introduction to the conditions offered by the Su family.

Emi Ito, who was sitting in the co-pilot, exclaimed: "If the Su family can really give up 30% of the profits, it will definitely be a huge additional income for us!"

Yuhiko Ito shook his head and said lightly: "The essence of the Su family is an extremely selfish family. In their logic, only he makes other people's money, and no one else makes his money. At this time, they are willing to make money. Taking out such a large profit can only prove that the problems they are facing are very serious. Once we help them tide over the difficulties, they will definitely turn their attention to the part of the profit that is transferred to us. Then they will definitely think to Do whatever it takes to get the money back with interest."

"Yes." Nanako nodded in agreement, "My father and I have the same opinion. For a family like the Su family, we must stay away!"

.....

After half an hour.

A Gulfstream G650 aircraft took off from Tokyo Narita Airport.

Nanako took the opportunity to go to Aurous Hill with her father and aunt.

At the same time, Chengfeng stood on the terrace of the lakeside villa, overlooking the calm lake, with a cold expression.

He looked at Zynn beside him and asked in a cold voice, "Why, the Ito family hasn't responded yet?"

"Not yet." Zynn answered truthfully, "I contacted Nanako's assistant. She said that she would feed back the situation to Nanako. Maybe Nanako needs to think about it again."

Chengfeng shook his head: "There is nothing to consider about this kind of thing. If Nanako is really interested, of course, she will contact us immediately to discuss the details of the follow-up cooperation. If she is not interested, naturally it will be just like now. Do not respond again."

Zynn said hurriedly, "Or maybe they just wanted to hang us on purpose, and then take the opportunity to speak to our lion?"

"Impossible." Chengfeng said coldly: "Even if you want to get caught, you will at least accept it on the surface, first establish a smooth communication channel between each other, like this one who doesn't respond directly to it. , The probability is that the other party is not interested at all."

As he was talking, the butler Anson walked over and whispered: "Master, Mr. Mai's plane will arrive in Suhang in one hour."

"Oh?" Chengfeng suddenly beamed his eyebrows and blurted out: "Quickly, tell the kitchen, press the prepared menu, and immediately set up a banquet for Mr. Mai to pick up the dust, and also notify Regnar to come over!"

Chapter 2559

When Regnar received Anson's notice, he was extremely excited.

The problem with his younger son Wu Qi has always made him very worried, but he knew very well that Charlie would not be able to cure his younger son in a short while, and now the Su family invited a master of Feng Shui metaphysics, he naturally looked forward to this The master can help him resolve this knot.

So he immediately said to Anson, "Thank you, butler Su, for telling me that. I will bring my son over here! Let Master Mai take a look for the at him!"

When Anson heard this, he hurriedly said, "Don't don't don't don't! Doesn't your son ask for something every hour? If this is for Mr. Mai to watch, I don't know what Mr. Mai will do. What do you think, you'd better come by yourself first, and after you come, introduce your youngest son's situation to Mr. Mai in detail, and let Mr. Mai be mentally prepared first."

Regnar suddenly felt hot on his face.

He only thought of a chance to heal his youngest son, but he ignored how much the youngest son is now being rejected.

So he had no choice but to respectfully say: "Thank you for the reminder, butler Su, then I will come by myself first!"

When Regnar set off for the lakeside villa of Chengfeng, Issac received a report from his subordinates that the presidential suite, which was vacant for half of the year, was booked by the Japanese Ito family!

Moreover, the list of residents sent by the Ito family actually included Ito Yuhiko's name!

Issac was surprised and immediately called Charlie to report.

Charlie was also quite shocked by this.

In the list sent to him by Issac, he saw not only Ito Yuhiko's name, but also Ito Yuhiko's sister Ito Emi, and Ito Yuhiko's subordinate, Koichi Tanaka.

Charlie wondered, he didn't understand why Ito Yuhiko suddenly came to Aurous Hill, and also took Tanaka Koichi.

You know, both of them have undergone amputation, and now they are both disabled with no legs.

Charlie didn't have any thoughts of despising the disabled or discriminating against the disabled. He just didn't understand why these two people were already in this situation, and they came all the way to Aurous Hill.

Thinking about it again, Warnia said at the beginning that Nanako would also come to Aurous Hill to enjoy Sara's concert. In that case, it is estimated that Nanako will also be here this time.

The reason why he can't see Nanako's name on the hotel's occupant list is that Nanako plans to live in Warnia's house this time.

But Charlie was also a little surprised, wondering why Nanako came to Aurous Hill, why didn't she say hello to him in advance.

On the other side, Regnar hurried to the lakeside villa of the Su family.

After arriving, he did not see Chengfeng and Zynn, but the butler Anson received him.

Anson arranged him in a lounge and warned him: "Mr. Mai will be there in a while. You will wait here first. He left this room without authorization. Just sit here and wait for my message. You understand. ?"

Regnar was a little unhappy with Anson's superior, pretentious attitude.

After all, Anson is not the Su family, he is just a dog of Old Su's.

Moreover, it is rumored that this person was not originally named Su, but his real name is said to be Dong Anson. After staying in the Su family for a long time, he licked his face and went to see Mr. Su, asking Mr. Su to give him a surname.

Throughout the ages, only the emperor of that year would give his ministers and military generals surnames. I have never heard of any wealthy family that gave surnames to their subordinates, let alone any subordinates who asked their masters to give them surnames. , Anson is the first time, so he is also rejected by outsiders.

But Anson himself didn't care. What he really wanted to do was to become the confidant of Old Su and make Old Su absolutely trust him. As long as he could make his future bright, his surname didn't really matter.

Although Regnar looked down on Anson by 10,000 people, he didn't dare to show any dissatisfaction in front of Anson. He could only say respectfully: "Don't worry, butler, I'll just wait here honestly."

Anson nodded in satisfaction, and dropped word: "Wait."

After speaking, he turned and left the lounge.

Chapter 2560

Regnar sat on the sofa a little annoyed and muttered to himself: "Fcuk, it's just a dog. He dared to pretend to me like this. He talked so much, he didn't even pour a glass of water. What a fu*king b@stard!"

After half an hour.

A convoy of several Rolls-Royce drove into the gate of the lakeside villa with great strength.

Chengfeng, Zynn, and Anson were all waiting at the door. As soon as the convoy stopped, Zynn personally stepped forward and opened the rear door of the second Leslie.

Inside the car door, there was an old man with silver hair wearing a black embroidered Tang suit.

At that time, he had to be over 80 years old, but the whole person was very strong and he couldn't see how old he was.

Zynn, who is over fifty years old, looked at the old man in front of him and said respectfully, "Hello, Grandpa! You have been gone for many years!"

The old man smiled slightly, twisted his beard, and said happily, "Are you guarding the way? When I saw you last time, you were a young man, and now it's a good year, right?"

Zynn respectfully said: "Grandpa, I am now fifty-fifty to know the destiny. Unlike me, you can still look so energetic in my old age!"

The old man smiled and said: "I can't talk about the spirit, the loess has already reached my forehead, and the sky is gone by the sight of it."

Chengfeng hurriedly said at this time: "Zynn, please get your Grandpa down first, don't let him sit in the car for a long time, it is not good for his health!"

Zynn came back to his senses and hurriedly reached out and said, "Grandpa, please!"

This old man is the thirty-first generation of the Mai family, Dan Mai.

Dan is well-known in the American Chinese circle. Although he is not as good as the most famous one, he can definitely be regarded as a relatively top group of Chinese American Fengshui masters.

Since the real top master has been relatively low-key over the years and has not been to China for several years, he just gave Dan a chance to rise.

Ninety-three-year-old Dan has never retired and is still active in the field of Feng Shui. He often goes around to watch Feng Shui and fortune-telling for some top rich people. Because his strength is indeed extraordinary, he has the reputation of the great master.

This time, in order to invite him out of the mountain, the Su family spent 15 million U.S. dollars, and at the same time paid for his charter flights to and from Aurous Hill, as well as all other expenses for food, clothing, housing, and transportation, which brought him over from the United States.

At this time, Dan stretched out his hand and tapped Zynn's arm, and the person came out of the car dexterously. Chengfeng hurriedly stepped forward, bowed, and said, "Uncle Mai, it's so hard for you to run so far. I'm sorry!"

Dan smiled and said, "Shengfeng, your father and I are good brothers. If you have something, how can I help."

As he was talking, the door of the co-pilot was also pushed open, and a 27-year-old young man stepped down, paced to the old man, and said respectfully: "Grandpa."

Dan stretched out his hand to bring him to his side, and said with a smile, "Shengfeng, Shoudao, let me introduce to you, this is my long-time great-grandson, Mike."

"Mike?" Zynn asked subconsciously, "Is it the English name or the Chinese name?"

The young man smiled and said, "Uncle Su, Mike is my Chinese name, but my English name is also Mike, and the two Chinese characters are also transliterated."

Dan smiled and said: "Young people are more fashionable. When Mike's father named him, he deliberately named him such a combination of Chinese and Western names."

Chengfeng hurriedly said: "This name is very interesting, and it happens to be Mai. It is a pun intended to kill two birds with one stone. It is really wonderful!"

Dan waved his hand: "Shengfeng, don't brag about his dad here. Mike's name is a bit playful. It's not wonderful."

Chengfeng smiled awkwardly and said, "Uncle Mai, I don't have my educational level as high as you, as far as I am concerned, this name is really great!"

Dan patted him on the shoulder and said with a smile: "Okay, let's sit down and talk about your family's affairs!"
