Chapter 2532 – 2533

Chapter 2532

Suzi's heart suddenly twitched: "Galia, Galia, where are you, and what number are you calling from? What?"

Darius next to him heard Suzi calling Galia, and immediately stood up, he grabbed the phone from Suzi's hand, and shouted into the receiver: "Galia, where are you Galia, Galia, I am Husband..."

The other end of the phone hung up instantly.

Darius: "...Galia, Galia!"

There was a desperately busy voice over there.

Suzi looked at Darius with heartache: "Azhen, you...you shouldn't be in such a hurry just now. What a great opportunity for Galia to call me."

Darius sat on the chair and hugged his head. Weeping bitterly: "Wuwuwu, it's all me, it's all my fault..."

Such a tough guy with a strong and stubborn body, crying in front of everyone.

Next to Suzi, Dalia, Rayna, Shang Hongmei, Pan Mingsai, Yingzi, all followed with tears.

At the dinner table, so many people comforted Darius. Remember that

Darius is also a man who knows how to restrain himself.

After crying for a while, he wiped his tears and forced a smile to look at the people present: "In general, Galia's life is a good thing, as long as Galia is alive, I only want her to be alive."

Suzi nodded: " Yes, Mingzhen, as long as Galia is alive, it is a good thing. You must live well, don't let outsiders take advantage of us. Mingzhen, our Fu family, Shu family, and subsequent generations, no one can ensure.

But Shaoqin and I, as long as the two of us live, we will never fight against the Shu family.

Our Fu Shu family will always be close relatives!

Dearest, do you understand?

The Shu family is my grandfather's family and my mother's family. We must always be together! "

Darius said moved: "I understand Suzi, this incident is enough to wake me up for the rest of my life. In the future, such provocation will never happen again."

Do not worry. "

Speaking, Darius looked at Arron again: "Fourth brother, this time you are right, otherwise our Shu family's property will be lost. "

Arron never had a smile on his face.

He was different from what they thought.

"Ming Zhen, maybe... I'm getting old." "Arron said quietly. "Fourth

brother, what are you talking about?" "Darius

was puzzled. Others looked at Arron in confusion.

Arron lowered his head slightly, chuckled lightly, then raised his head and said, "Ming Zhen, A Ling, I feel very sorry for the two of you.

Galia's whereabouts are still unknown, and although Sai Sai's fingers are connected, she has also been intimidated.

Originally, I wanted to kill the initiator.

But in the end I gave up.

I think it must be because I am getting old, and I will never see the scene of fighting and killing again.

I'm sorry..."

Arron openly apologized at the dinner table.

This really shocked Darius and Joan.

Especially Darius, he looked carefully and found that Arron had faint white hair on both temples .

"Fourth brother, don't say anything, you have done your best, you can't bear everything, you are the flesh and blood, if you still kill like that at this age, it really scares us even more. Fourth

brother, you did nothing wrong, don't blame yourself." Fu

Shaoqin smiled: "Thank you."

Chapter 2533

Suzi sitting on the side greets everyone: "Hey, don't thank me, I thank you, this is I have experienced too many things for a while, and now they are all over. Although Galia was not present, it is good news that Galia is still alive.

People living in this world are inherently unsatisfactory.

Therefore, we can gather together . It's not easy here, don't think about it so much, we are reunited today, we are happy."

"Yes, happy!" Shu Ming shook his head and shouted.

No one knew how bitter his heart was.

However, it is sweet.

Just because Galia didn't die.

Galia is still alive, this is the hope that can make him feel the sweetest.

After this dinner, everyone returned to their peaceful lives.

Rayna and Jun Ruian reconciled. Through this incident, both of them have matured a lot. They apologized to each other, and they were very sincere to each other. Their family of four took their children back to Jun Ruian's private villa.

When Pan Youming and Yingzi left the banquet, they also secretly revealed a piece of news to Suzi.

"Tell you, Suzi, you may not believe it, I thought I couldn't get pregnant, but I have a child." Yingzi looked at Suzi with a smile on her face.

Suzi was stunned: "You, what did you say?"

Yingzi nodded heavily: "It's true, but I didn't dare to announce it at the dinner party just now, because everyone just survived the disaster, YouQi Mingzhen still So sad, so I didn't say it.

With my body, I don't know if I can do it, so I'll tell you first. "

Suzi was still very excited when he heard it: "It's a good thing, this is a good thing, Yingzi, congratulations to you and Youming, you two should have children, and you will be happier with children. So good, so good. "

"Secret first. "Yingzi said.

Suzi nodded: "Well. I will keep it a secret. "

After saying goodbye to Yingzi and Pan Youming, Suzi looked at Sanford and monk Hongmei again.

"Brother, sister-in-law. "Suzi shouted: "How have you been recently?" It's either the death of the old man busy Shu, or the three brothers of the busy Shu family. After this incident happened, I didn't have time to visit you. "

"Hi! Shang Hongmei looked at Suzi with a warm expression: "Sister, I also blame my sister-in-law. I have opened a fashion store these days, and I'm busy buying goods every day, so I don't have time to look at you." "

"Why, you opened a clothing store?" There is some guilt in Suzi's tone. My

sister-in-law opened a clothing store, and it stands to reason that she went to congratulate her instead.

Send some opening gifts or something. But

she didn't know.

"I didn't plan to open it . , I don't want to rely on your brother. When I was shopping with my children that day, I saw a fashion store for sale. I saw that the location was good, and all aspects were good. The owner of the fashion store was only transferred when the family was in a hurry. , I just made a temporary decision and put it down.

I do something myself.

I don't want to make much money, but I want to be self-sufficient and secure. In the future, I can be a role model for my children. "

I don't want to make much money, but I want to support myself.

This sentence really touched Suzi and Arron.

After hearing Shang Hongmei's words, they both thought for a long time.

After sending off Sanford and Shang Hongmei and comforting the match, the final payment was Suzi and Arron.

After the two finished packing up and sat in the car, Suzicai leaned his head on Arron's shoulder: "Husband, after experiencing all kinds of dangers during this period, I suddenly want to understand one thing, husband, have you ever thought about it?"

Arron touched Suzi's forehead with his chin, and said to her gently: "I know what you want to say, what you want to say is, we... the tree is big, right? "Is it?"

Suzi immediately looked up at Arron: "Husband, you also... think so?"

Arron nodded solemnly: "Yes!"
