## **I'm Sorry My Love Novel Alternative...**

### Chapter 2534

Arron sighed and continued: "I didn't think about these things before, and I never thought about these things, I only know one mind. As long as someone commits a crime, I will punish him. I never think about it.

Looking around, there is no one who is my Arron's opponent. But it is different now.

Now I have three children.

I have you.

These are It's all my concern, it's my concern. It's also the most tender part of my heart.

Not only your four mothers.

There are also these relatives, Suzi, you may not be able to imagine that a ruthless man like me who doesn't recognize six relatives, I also I will care about these relatives."

Thinking of this, Arron suddenly smiled gently.

"Take Sai Sai for example, she and I are not related by blood, but when I heard that she was kidnapped, I had all the people I killed.

And Zeyan, and Zeyan's children.

And Ming Zhen And Galia,

Tian Ling.

These are all relatives. I

have to think about them.

And..."

Arron couldn't help thinking of the fifteen or sixteen-year-old boy.

That clear, unyielding look.

When he saw the boy's eyes, he thought of his daughter.

The reason why he chose to let Cheng Feng go is because 90% of the reason is that if Cheng Feng is really torn to pieces, the child will lose his father.

He couldn't bear to watch his daughter's peers lose their father when they were still adults.

They are all fathers.

But what Arron never expected was that Cheng Feng was still dead.

Died at the hands of Qin Shuang.

Suzi looked at her husband and said, "Who else?"

"That child." Arron said, "about the same age as our child, but he was thinking of dying for his father. How much did he love his father? If my father can give me such a fatherly love, I will not be called a murderer without blinking an eye.

They are all fathers..."

"Husband..." At this moment, Suzi didn't know what to say.

She could only hug Arron and give him the most personal comfort.

Arron put one arm around Suzi for a while before driving back.

On the way, he called Christopher while driving: "Christopher, send that woman to the correctional center where Lanita is located."

"Fourth Master! Is this damned woman so cheap?" Christopher was very puzzled. asked.

"Do you think it's cheap for her?" Arron asked.

Christopher: "Of course!"

Arron comforted Christopher and said, "The detention center in the suburbs is full of mentally disturbed people. If a good person lives in it, he can't come out all year round and lose his freedom. Guess what will happen to her? You are surrounded by a group of lunatics."

Christopher immediately turned his anger into joy: "Okay Fourth Master! Don't worry! I will definitely deliver her!"

Qin Shuang was sent to the detention center three days later, after all the formalities were completed.

"Can I still go out?" Qin Shuang asked Christopher stupidly.

Christopher shook his head: "Miss Qin, you and our fourth master are cousins who care about you. Our fourth master is out of concern for you. This place

has no worries about food and clothing for the rest of your life, and someone will take care of you. Why do you want to go out?"

Qin Shuang heard this. , both legs were weak with fright: "Then... I'm still young, I want to get married, I also want to get married and have children, the person I want to marry the most is Arron, he should have been me. Yes .

My aunt has promised me to marry Arron.

Although my aunt died later, I never gave up and wanted to marry Arron."

## Chapter 2535

Christopher: "..."

is simply stunned.

"Do you know how old you are?" Christopher asked coldly.

"I... I'm thirty-four years old this year."

"Thirty-four!" Christopher pursed his lips and smiled: "At thirty-four, you still want to marry our fourth master, it seems that you are really sick. It's not wrong at all to send you here for treatment."

"No no no! No! Christopher, listen to me, Christopher, I am the most suitable for your Fourth Master Fu, his My mother-in-law is my aunt, how well do we match? Is

that Suzi?

She is so dirty and a prisoner, how can she be worthy of my fourth brother Fu?

And that Lanita.

A fake! Remember the website

I have long known that she is a counterfeit. She is as vulgar as she is, and she is not worthy of my fourth brother Fu.

Only me!

Our Qin family has been online for more than 100 years. Our Qin family was the king of aliens in the late Qing Dynasty. The existence of the Qin family has a great career.

I, Qin Shuang, are not weak women.

As soon as I got the baby from our family, I immediately started my business.

I did all this to be on an equal footing with Fourth Brother Fu . , I worked so hard for fourth brother Fu..."

Hearing Qin Shuang say this, Christopher was so angry that he wanted to slap this old lady to death.

"In order to be on an equal footing with the fourth master, you did not hesitate to make my sister a scapegoat! For your own selfishness, you almost killed my sister, and her whereabouts are still unknown!

Qin Shuang!

Just stay here . , this place is specially for your old age!"

Christopher turned around and left.

"Christopher! Christopher, wait!" Qin Shuang dragged Christopher behind him: "It was Cheng Feng who killed your sister, I have already avenged your sister, I have killed Cheng Feng!

I , I'm all for your Yan family's revenge.

I'm also trying to save fourth brother Fu's troubles."

Christopher sneered: "It is said that the most poisonous thing is the heart of a woman, you are a viper woman, you really are! Cheng Feng For you, for your Qin family, he did everything he could to protect you before he died.

But you killed him in a single turn.

Qin Shuang, a woman with a heart like a scorpion, this is you. The best home."

After speaking, Christopher left the small house that closed Qin Shuang without looking back.

"Christopher, listen to me... listen to me." Qin Shuang shouted heartbreakingly behind him.

Christopher didn't look back.

He went straight to the office of the person in charge of the detention center and said to the person in charge: "Don't let Miss Qin die, let her have more contact with those mentally ill people, just a little bit, we must not let her die.

Let her Live well!" The

person in charge said with sincerity: "Yan Tei, don't worry."

After explaining this, Christopher came out of the detention center. It was getting late, and Christopher's mood was very complicated. Although Qin Shuang gave her sister a bad breath, her whereabouts are still unknown after all.

His mood was extremely low.

When Arron returned to his life, he was still sluggish.

"What's the matter?" Arron asked him: "It's Qin Shuang's business, has something changed?"

Christopher shook his head: "No Fourth Master! I have already given all my orders, I can't let Qin Shuang die, let her have more peace with her. Those patients contacted."

"Then who are you?" Arron was a little confused.

Christopher's eyes suddenly turned a little red: "Fourth Master... If things can be repeated, I... I am willing to throw away all my wealth, the ones you have given me over the years. The total value of the shares is several hundred million.

I would rather not have any of these. I only want my sister to be able to appear in front of our Yan family alive.

Fourth Master, you said, if people are gone. What is the use of asking for money? What?"

Arron was startled suddenly.

Christopher is right, what's the use of asking for money if people are gone?
