

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative...

Chapter 2546

Hearing the three words marrying a daughter-in-law, Arron's heart suddenly became sour.

After Christopher followed him for so many years, Arron reminded Christopher a lot that he had changed into a family. Every time Christopher said that he was not interested in marrying a wife.

Christopher has never shown affection to a woman.

Always been lonely.

For so many years, Arron has never asked Christopher why he didn't want to get married because he was too busy, busy with the company, and busy with all kinds of things.

But at this moment, when Christopher was so ecstatic to ask him if he could marry a wife, Arron suddenly understood.

The reason why Christopher didn't have a family for so many years and didn't want to start a family was because he didn't want to be dragged down.

Because he is his report, he is always on call 24 hours a day.

His personal safety, Arron, has always been the priority.

Therefore, Christopher cannot think about marriage. Once he has a marriage, a daughter-in-law and children, he will have a lot of ties.

"Good brother, tell me what kind of daughter-in-law do you want? Noble ladies in Nancheng, who do you like? I will let Suzi...I will let your sister-in-law help you, tell me?" At this moment , Arron regarded Christopher as his own brother.

Christopher was simply flattered: "No no no, fourth master, no, no need, ladies and nobles, I think... forget it, I... I can't afford to be high, I will marry in the future. When I go home, I can't even serve you."

Christopher actually wanted to say that he wanted to marry someone like Suzi.

Good to support, good-natured, self-improvement, self-reliance, not hypocritical.

However, Christopher was afraid to say that Fourth Master Fu killed him with one palm.

Unexpectedly, what he didn't say, Arron said it: "Do you want to marry someone like your sister-in-law?"

Christopher: "..."

His legs trembled in fright: "That, four Lord..."

"In the future, you will be like Tianling, Mingzhen, and Youming, call me brother!"

Christopher: "..."

"Call me brother!"

"Brother... ..."

"Tell me, do you want to marry someone like your sister-in-law? Smart, IQ online, not pretentious, and will never drag me down, woman?" Arron asked again.

Only then did Christopher slowly stabilize his mind: "Madam... Mrs. Sister-in-law, I... want to, but I don't even dare to think about it. To be honest, brother, you... ..You are so good, you have waited in Nancheng for four years, among so many women, among thousands of women, didn't you meet such a woman as Mrs. Sister-in-law?"

I...just a fantasy.

But I never dared to think about it, because it was too rare.

I just thought, if there is fate, I don't have to miss it again.

As long as this girl is gentle and kind, and can support herself, it will be fine.

Besides, I am so old I'm already thirty-five or six years old this year. Where can I find a little girl?

I don't have high requirements, as long as I look good, divorced, and children, I want.

My main thing is, two It's all right."

It's a child from a poor family.

From childhood to adulthood, I have never enjoyed the treatment of thousands of people like Joan, Darius, Sanford, not to mention Darius, Joan and Sanford, even the treatment like Arron, Christopher has never enjoyed it. .

At that time, he was still in primary school, and his parents came to Nancheng because of his uncle and aunt. The family conditions were really poor.

Especially that year, my mother had a serious illness. My father earned some money, and my uncles and aunts earned some money. Except for a part of the money to buy milk powder for my sister, all the family money was used to treat my mother. That year, Christopher didn't even wear a new pair of shoes for a whole year.

In the winter, his feet grew so fast that he broke his sneakers.

I spent the whole winter with bare toes.

People who have lived through such hard times have been frugal since childhood and learned how to restrain themselves. Since I was a child, I have not developed the habit of being pampered and being picky everywhere.

Including choosing a girlfriend.

Chapter 2547

Even though Christopher has several billions of Shen family, the first reaction in his mind is to choose a simple one. An ordinary good girl is the best.

As for the famous Shuyuan, he never dared to think about it.

Also never interested.

In addition, now that he is getting older, he will soon be forty, his first reaction is, a girl in her twenties, who wants him?

Most women in their thirties are married and have children.

Therefore, Christopher took it for granted that divorced women with children, as long as they looked right, were also his consideration.

It seems that he has forgotten that now he is also a big boss with a net worth of several billions.

However, his mate choice mentality. It coincides with Arron.

Arron didn't like those famous Shuyuan either.

He also hoped that Christopher could find a good girl who was in harmony with him and was considerate and could spend a lifetime with Christopher. Remember the website

"Okay, as long as you are happy. When you get married, I will give you a big gift." Arron said.

Christopher was very grateful: "Thank you, thank you Fourth Master."

"My brother!" Arron said.

"Thank you, brother."

"Well, let's go." Arron said.

"Okay!"

Arron had a big thought when this matter was completed.

Next is the urgent meeting of the five business directors.

The purpose of the meeting is that the five business directors should compete with each other, restrain each other, and support each other.

Because the chief sponsor is still Arron, he just went from the front desk to the backstage.

He needs five business directors to develop and make progress together, but they cannot compete viciously with each other. To form a chain structure, once one of the chains is broken, it means that the other chains cannot be connected.

Such a model will only make the Fu Group more stable in the future.

The business directors present and the senior management of the Fu Group all admire Arron's decision.

After the meeting was over, Arron took over, and from then on, he could enjoy the rest of his family.

At this moment, the entire Fu Group also saw it, and after following Arron's strictness for 20 years, it finally succeeded.

All the old people in Fu's group envy Christopher's luck, but they are not jealous, because everyone knows that Christopher has always protected Arron with one's life.

Therefore, Christopher's income is worth it.

They all congratulated Christopher.

Christopher said apologetically: "My colleagues, elders, and leaders, Christopher is really in a hurry today. If it wasn't for the urgent matter, I should have invited everyone to dinner today.

When I'm done, I'll come back and invite you to dinner, okay?"

"Mr. Yan, go and do your business, it's a long time in Japan, you can have dinner anytime." Many people said in unison.

Christopher sent off these people who came to congratulate him with grateful eyes, and then he came out of the company and drove away.

Instead of going home, he drove all the way to Shu's house.

The moment he saw Darius, Christopher's eyes turned red.

Once upon a time, Darius was a very elegant and handsome man, and his clothes were always brand new and spotless.

Today, Darius, who has lost Galia, looks much older and does not shave his beard all day.

"Ming Zhen..." Christopher called out bleakly.

"Brother Kuan, are you looking for me... is there anything?" Shu Ming asked dumbly.

Christopher hugged Darius's shoulder: "I'll go and get Galia back for you."
