Chapter 2548 – 2549

Chapter 2548

Darius: "Kuan, you..."

Christopher: "You have to stay and take care of you My parents and the Shu family have a huge property, and my uncles and aunts are not too young. I think about it and go out to find Galia, and it can only be me.

After all, my parents and uncles and aunts are the four of them . We can take care of each other.

You all have to live a good life, and I will do my best to find Galia for you."

"Brother Kuan, thank you... I originally planned to find it myself. Galia's, since you've gone, don't worry. The six elderly people in the family are all taken care of by me, and the youngest of them are all in their 60s.

My parents and your parents have already taken care of them. I'm in my seventies. They

all need to be taken care of.

As for Galia's parents, don't worry, Brother Kuan, I will definitely treat them as my biological parents.

But Brother Kuan, you... Can't I not come back?"

Christopher immediately smiled: "Of course, now that the traffic is so developed, I will definitely come back from time to time. Besides, I am still in charge of one-fifth of the field of the Fu Group, and I will definitely have to come back often. I'm back for a meeting."

Thinking that Christopher will be in charge of one-fifth of the Fu Group's field, a smile suddenly appeared on Darius's face: "I forgot to congratulate Brother Kuan, Brother Kuan is now a veritable entrepreneur. Since Fourth Brother Fu can give you one-fifth of

the field of the Fu Group, he must be optimistic about you.

He, that person, never does anything he is not sure about. What's more, you have been with Fourth Brother Fu for 20 years. His business acumen and business acumen must have been thoroughly learned by you. "

Christopher said implicitly, "I must be far from the fourth master. "

"Go wide brother, this is a happy thing, invite you to dinner, our brothers are also happy." "Since Galia disappeared, the Shu Yan family has always been covered by a cloudy sky. It is rare to have such a fortunate thing.

Christopher shook his head: "No Ming Zhen, I will hurry up to find Galia, and I will be able to find it one day earlier." If Galia is found, we can rest assured earlier. I think since Galia can call Mrs. Fu Shao, she must be near us.

It's just that he didn't want to come back because he was too sad.

I will first look for cities near our Nancheng.

You know, she's still pregnant with a baby. "

Darius nodded: "Well, okay, wait a minute, I'll get you a check, I'll give you 10 million first, and hello as an expense." "

" Stupid is not! Your uncle and I are now worth billions. Are you still short of your money? Christopher laughed.

Darius was so grateful that he didn't know what to say.

From this day on, after Christopher went out to find Galia alone, Darius's burden became even more important. Go to Yan's house to sit and talk and chat with the four old people.

Basically every week, I spend four days with Galia's parents and eat with them.

Seeing Galia's parents After he recovered a little, Darius would call Christopher who was out of town.

"Brother Kuan, where are you now? Any news? "Darius asked in an expectant tone.

Christopher said calmly: "Ming Zhen, there is no news for the time being, take your time, don't worry, I will not let go of a single city in the whole country, I want to find every inch of land in the country, and also Get my sister back."

"Thank you, Brother Kuan."

"Ming Zhen, my uncle, aunt, and my parents will trouble you to take care of me. I'll hang up here first, and I'll have a video meeting with the head office later. , I won't talk to you any more." Christopher said.

"Okay." Darius hung up the phone.

Christopher is very busy. The first thing he does when he wakes up every morning is to deal with the work of the Fu Group. When he usually drives the

streets and alleys to find his sister, his laptop and mobile phone are always in his hands.

Now Christopher is the right balance between work and looking for a sister.

Fortunately, he has been with Arron for 20 years. Arron is very proficient in some ways of working and handling affairs. He is also very intelligent and transparent, so he is not much worse than Arron in handling affairs. .

Chapter 2549

Moreover, because the affairs of management are four-fifths less than that of Arron.

Therefore, Christopher can also be considered at ease.

After more than a month, Christopher actually came back to Nancheng four or five times, basically once a week, but this did not prevent him from looking for Galia. However, after more than a month, some cities around Nancheng, Christopher, Kuan has searched almost every day when he drives, even the underground sewers.

But Galia's shadow was not seen.

Christopher decided to look for another half a month. If not, he would deploy people here and help pay attention. If there is someone who is similar to Galia, he will call him, and he will do it as soon as possible. Speed, come and identify for yourself.

After another half month, Christopher still couldn't find any trace of Galia.

He is not discouraged at all, what he has to do now is to expand the scope.

The next step is the high mountain area in southern Zhejiang.

Christopher stayed here for half a year. He climbed many valleys and valleys by himself, and even deep in the mountains, he would use a helicopter to search.

But still nothing. Remember that

sometimes, Christopher would squat in a deserted place by himself, crying sadly, even if he was a big man with iron bones, it was hard to describe the sourness in his heart.

But, after the sourness, he still has to look for it.

As long as he doesn't see his sister's body, even on the day he dies, he will not give up looking for her.

After searching all over the area in southern Zhejiang, he returned to northern Jiangsu, and the Ludong generation continued to spare no effort to find it.

In this way, day after day, in the blink of an eye, a year has passed.

one Year.

If the sister is still alive, the child should be born, right?

I heard they are twins?

Is it a boy or a girl?

Or, two boys?

two girls?

The most anticipated, of course, is the dragon and the phoenix.

Whenever such a fantasy occurs, Christopher will laugh involuntarily.

During the year of searching for his sister, Christopher's whole person has become rougher than ever.

In the past, although he was also stubborn, but after all, he followed Arron, and he was pampered. Now, in addition to handling a lot of company affairs every day, he is looking for his sister every inch of land. Such a windy meal is naturally incomparable. The pampering of the past.

In the past year, Christopher has basically been in the generation of Ludong, Luxi, southern Ji, northern Ji, and gradually, he no longer has the image of a rich company boss in a big southern city.

On the contrary, it is more like a man who is more common in the North China Plain.

However, Christopher didn't care about his appearance. Anyway, he never planned to find a famous girl in Nancheng.

One day, when Christopher was walking on a country road in Lunan again, he saw a group of people in the distance, as if they were arguing.

Among the group of people, a woman was sitting.

The woman was crying non-stop while holding her legs.

After Christopher walked in, the sound seemed to be...

After a while, he suddenly shouted excitedly: "Galia, Galia, brother finally found you!"
