

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2550

Christopher ran into the crowd madly.

Everyone present was stunned.

He was so excited that a lot of hometown dialects came out of his mouth when he was excited, that is, the words of the Yan family's former hometown.

It is also a local dialect in the mountains.

In this place thousands of miles away, no one could understand what Christopher said.

Coupled with Christopher's unshaven beard, his clothes are also stained with sweat, especially his hair, which is messy.

With that appearance, no one could have imagined that he was a person with extraordinary skills and a net worth of billions.

It's like a homeless migrant worker.

The migrant worker looked forward with anticipation and looked at the woman sitting on the ground with tears on his face.

The woman is holding her legs in her hands, her head is buried in her knees, and she is weeping.

When Christopher walked in, he found that there were several places on the woman's head where blood was bleeding. There was not much blood, but there were several places. When he looked closely, Christopher realized that the girl's hair had been pulled out by someone. .

"Galia!" That distressed feeling, as if someone's heart was torn in two.

"Galia! Brother is late, Galia, who is it! Who beat you up like this! Who is it, Galia!" Christopher rushed forward and hugged the girl.

The girl holding her head didn't care who was calling her at first.

After all, the scene was noisy, and she didn't look up.

It wasn't until Christopher hugged her that the girl suddenly raised her head and looked at Christopher in horror.

Christopher hugged the girl and cried: "Galia, brother finally found you, finally found you, do you know how hard it was for me to find you, more than a year, almost two years, why are you so cruel My heart, you are suffering so much outside, and you are not willing to go home. Why are

you so cruel?

You tell my brother, why are you here, this village looks so poor.

Why are you here?

Who is it? , who abducted you here?"

Christopher hugged the girl and didn't let go of anything.

He just wailed and muttered.

Everyone present was stunned.

In the scene, there are as many as hundreds of people.

There are men and women, old and young.

Most of them were watching the fun, and some were looking at Christopher and the girl in Christopher's arms.

"Who are you!" Not far away, a middle-aged and elderly woman dressed in a rural village was the first to ask Christopher.

Christopher didn't hear it.

He was still crying with the girl in his arms.

Not far away, another young man with five or three thick looks spoke up:
"Second aunt, this man must be a man from outside Galia! He is so arrogant that he can run over alone, this is not to find fault, what to do!

Second aunt !

You and my uncle, I will definitely support you! You
can rest assured!"

After speaking, the five-year-old and three-thick men shouted to the men behind them who also had their akimbo and eyebrows raised, "Brothers, This out-of-town man must be Galia's best friend! In

a while, I asked my two younger sisters to beat Galia. Several of
our brothers broke this man's legs!

After breaking this man's leg, I see who would dare to support this unfilial woman who doesn't want her mother!

Today, I am a cousin, or I will beat this unscrupulous white-eyed wolf woman.

Make her kneel to me!

Write my name upside down! " After the

five-year-old man shouted, the people behind him didn't move. The

man was a little unhappy: "What do you mean, brother?" One

of the young men said: "Brother Hu, first ask what this person does. I listened to his foreign accent. You see him crying like this, I don't think he is here to help Galia."

How do I look at it, he seems to be here to collect debts?

A debt collection?

If it's to collect debts, maybe it's our help.

Chapter 2551

How can we beat him? "

Hey, I also looked at this man, and it seemed like he had been looking for Galia for a long time, several years.

Galia was never found.

I said Brother Huzi, your cousin is not an ordinary person.

Why is everyone hooking up?

She is also really weird.

My mother doesn't support her, but she has a way of hooking up with wild men outside. "

There was a person behind him who started to coax: "It doesn't matter if she hooks up with wild men outside. She hooked up with her cousin's husband in the department. This woman deserves to be killed!

Brother Huzi, first ask this man if he is here to collect debts from Galia. If so, let this man stay out of the way.

No matter how people are outsiders, we can't treat innocent people. Remember the URL

otherwise, isn't it illegal?

right? After some words, the

man named Huzi became thoughtful.

He nodded: "That's right. I'll go ask. "

The man named Huzi came behind Christopher's quilt, and Christopher was still crying with the girl in

his arms. "Brother finally found you, sister, brother finally found you, why are you so stupid, so stupid!" Even if you hide from Darius, you can't be without your parents, uncles and aunts, or me.

Stupid not stupid!

Later, it will be fine later, go home with my brother.

In the future, no one in your family will force you to do anything you don't want to do. Even if you stay in Yan's house for the rest of your life, my brother will still be able to support you.

Galia, woo woo..."

A big man was crying, tears streaming down his cheeks.

He always hugged Galia, the tighter he was, he was afraid that if he let go, Galia would run away. It seems like, after all, it was because he found his sister too hard.

Every time he returned home without success, he would face the expectant uncle and aunt,

as well as the expectant Darius.

Every time, Christopher could not ask. They confessed.

That kind of expectation, that kind of four years, tormenting the Yan family and the Shu family every day.

So until this moment, when Christopher hugged Galia, he was still reluctant to let go.

"I say, stranger, where are you calling? What is your relationship with Galia?"
"Someone asked Christopher from behind.

"Ask you!" Outlander! "

"Speak!" "

"Outlander, you talk, and if you don't talk, you will be beaten to death. Believe it or not, you don't want to be a foreigner here!" "

"I see that you are dirty and dirty. Eighty percent of you are a migrant worker, and you have no ability. You should explain it honestly, and don't cause trouble." "

"Outlander!"

Christopher heard it. He was

even more pleasantly surprised, because he really heard someone calling Galia's name.

He leaned into Galia's ear and said very gently: "Galia, don't be afraid, brother come." Now, even if there are thousands of troops, they can't stop me, brother will definitely take you away!

With your brother here, you don't have to be afraid of anything. At

this time, Christopher could feel Galia pushing him.

Christopher let go of Galia.

Although there were tears on his face, he also looked at Galia with a smile on his face, Christopher was stunned at this sight.

"You..." Christopher didn't know what to say.

And the girl who was hugged by him and cried for a while also looked at Christopher with tears on her face: "You...Are you going to take me away? Well, I'll go with you, even if you are a wanderer. Han is fine too.

I can endure hardship.

Take me away and beg for food for the rest of your life."

After speaking, the girl burst into tears.

Christopher: "You... who are you?"
