Shangguan Heibai, that was so angry that he almost spat blood, left madly with Ouyang Xiujie. Those members of the association, however, gazed dumbfoundedly at Samuel.

" My god, that the hell is this man, Just how can he be so arrogant?"

" I have actually never seen such a person in the past. How risk he turn nose up at Shangguan Heibai?"

" He's not big-headed. It's not just any individual who can press Shangguan Heibai to such a phase."

" My God, there is in fact such a powerful individual in Cloud City. It is truly a fantastic honor for our Cloud City to border the chess globe."

Samuel took a look at those who aspired to speak to him. He quickly said to Wang Mao, "Grandpa Wang, I have something to do. I have to go currently."

" Just how did I benefit from you?" Wang Mao asked in confusion.

Tian Changsheng didn't want to inform any individual else about his Apprentice Strategy. Besides, he was old sufficient to state it aloud.

And now the scenario was various. Samuel compelled Shangguan Heibai to such a state and also lost the game with a small gap of ten objectives. It was not a shame for such a master to be his master.

" I'm his devotee, aren't you making the most of me? Am I becoming your adherent's adherent?" Tian Changsheng stated.
