

Chapter 259

Seeing Ervin Jones doing this, Charlie nodded in satisfaction.

Ervin Jones is a very clever man, he has a good brain, and he has many ways to do things for himself in the future, which is indeed useful.

So he said to Ervin Jones, "I will definitely not treat you badly for not doing things well in the future."

Ervin Jones hurriedly clasped his fists: "Mr. Wade, don't worry, Ervin will only look forward to your head!"

Seeing his flattering appearance, Charlie shook his head and smiled: "You shamelessly look like you really don't want to be beaten."

Ervin Jones smiled and said: "Mr. Wade, my face is a bit ugly, but money is not ugly!"

As he said, he took out a black box from under the booth seat, handed it to Charlie, and said, "Mr. Wade, this is 300,000 cash, look at it."

Charlie waved his hand and said, "Don't look at it, I'm leaving."

Ervin Jones asked: "Aren't you going around in Antique Street?"

"No more." Charlie said: "10,000 things, 9,999 fakes, what's better, not going."

Ervin Jones nodded and said, "Then you go slowly, and I will close the stall."

Charlie asked curiously: "Why are you going to close the stall?"

Ervin Jones said: "I buy some goods in the commodity market. Nobody buys fake jade now. They all like to buy fake copper coins. The fake Kangxi Tongbao sold in the small commodity market is a dime at the wholesale price. Can sell for one or two thousand."

When Claire heard this, he was surprised and said: "A dime for one or two thousand? Is this not too cruel?"

Ervin Jones scratched his head: "You don't know anything. Antique Street sells this way. If I sell it for a, my counterparts in Antique Street will kill me."

Charlie said helplessly: "Can't you do something that doesn't deceive people?"

Ervin Jones said with a bitter face, "Mr. Wade, if I don't deceive in Antique Street, I will really starve to death!"

Charlie said helplessly: "Forget it, you can control it yourself."

After that, thinking that the small commodity market was on his way home, he said to him: "You follow me, I will give you a ride."

Ervin Jones didn't expect that Mr. Charlie Wade would be willing to pick him up, and immediately said excitedly: "Mr. Wade, you really give the little disciple face, thank you, thank you!"

Charlie waved his hand: "Okay, stop talking nonsense, get in the car!"

When the car left the Antique Street, the sky suddenly became gloomy. After a thunderstorm, there was a sudden heavy rain.

The summer itself is rainy, and it rains at every turn in these two days, and the urban area has even been waterlogged at some places.

The rain was heavy, and the traffic station on the radio reminded the car owner that the underpasses of several arterial roads had serious water accumulation and were closed.

Therefore, Charlie could only choose to detour from the outskirts of the city.

On the way, Ervin Jones was excited and nervous. He sat in the back row and secretly took a picture of Charlie's side face while driving, and posted a circle of friends pretending to be forceful, saying, "Your brother is fortunate to be able to get a ride in Mr. Wade's car. "

A lot of people commented immediately below, and the content is nothing more than your kid! Mr. Wade, you can get in touch with each other, and don't forget to bring brothers when you become more developed.

Ervin Jones suddenly burst into vanity.

Charlie was not driving fast, and when he passed a secluded street, his eyes suddenly caught a car parked on the side of the road.

This car was an old black Mercedes-Benz, parked crookedly on the side of the road, and a woman in the car hurriedly walked down.

Seeing that the two front tires of Mercedes-Benz are flat, it is estimated that the tires had to be replaced.

Charlie didn't intend to be nosy, and drove directly. Unexpectedly, at this moment, Claire accidentally saw the Mercedes Benz outside the window and the woman walking down the Mercedes Benz, she was taken aback for a moment, and then she shouted: " Charlie, isn't that Elsa? Stop now."

Charlie then stopped the car.

Chapter 260

Claire hurriedly took the umbrella and pushed the door to get off.

Seeing this, Charlie hurriedly ran after her.

"Elsa, what happened?"

Claire ran to ask when she got out of the car.

"Claire? Why are you here?" Elsa shivered under the rain, suddenly raised her head, just to see Claire.

She looked surprised and extremely embarrassed, as if she didn't want to be seen by her girlfriends in such embarrassed manner.

Claire held an umbrella for Elsa and said at the same time: "I happened to pass by with Charlie. I saw you. What's wrong with you?"

Elsa said annoyedly: “Don’t mention it, the company asked me to run sales and gave me a car. I came out to see the customer today. Before I could meet the customer, the tire got punctured! And I just looked at it and it seems that the other got punctured too, I’m so angry!”

Charlie was a little puzzled.

It is normal to drive with one tire out of function to some distance.

However, under normal circumstances, sharp objects such as nails or iron wires are accidentally pressed, so in general, only one tire must be punctured.

If both tires are punctured at the same time, it feels a bit wrong.

So he said to Elsa: “The rain is getting heavier, and it is not safe for you to stay here alone. It is better to go back to the city with our car first, and leave your car here, wait for the rain to stop and call for help to drag it back.”

Elsa nodded, sighed and said, “It can only be this way.”

Charlie was taking her back to the car. At this moment, she heard a sound of breaking through the sky very keenly!

She immediately saw a silver light bursting through the air in the heavy rain!

Moreover, this silver light came straight to Elsa!

Charlie didn’t even think about it, and instantly stretched out his hand and pulled Elsa into his arms.

At the same time, just hearing the sound of “dang”, a sharp flying knife was pierced on the front cover of the Mercedes-Benz!

The blade is as thin as a willow leaf, sharp and shiny, and it is still “buzzing”!

The front cover of the car is made of hard metal, but this extremely thin throwing knife is cut in half like tofu!

There was silence all around, and the eyes of several people were fixed on the flying knife.

Fortunately, Charlie was able to save her in time. The flying knife that came straight to Elsa’s temple brushed Elsa’s cheeks. The sharp blade cut off a few hairs of her. It was really thrilling!

Even if Elsa came from a famous family and had experienced many storms, she couldn’t help screaming when she saw this suddenly.

Immediately afterwards, another cold light attacked by two knives, Charlie frowned, held Elsa and turned around, flashing the two life-threatening knives in an instant.

This flying knife is full of vigor, if it weren’t for the protection of the exercises in the Nine Profound Heaven Scriptures, it would be impossible to save Elsa at this time, or to protect himself even!

Elsa was also stunned!

Unexpectedly, in Aurous Hill, someone wanted her life!

What she didn't expect was that it was Charlie who rescued her twice!

At this moment, Charlie hugged Elsa, raised his head coldly, and looked into the rain curtain.

He saw an off-road vehicle parked not far away. A person in the vehicle was looking at him dumbfounded, as if he did not expect to rescue Elsa from his throwing knife.

"Who is the kid, dare to spoil the good things of my brothers!"

In the off-road vehicle, two figures came down.

The two men were full of murderous aura and walked towards Charlie.
