## **I'm Sorry My Love Novel Alternative**

### Chapter 2612

The

door is a tall, thin and tall man who is beautiful, clean, and looks and temperament are not very similar to rural people girl.

The girl is dressed in a white dress and has long hair.

There is a fairy-like feeling.

The girl's eyes are also very cold, and there is a lot of unparalleled disgust in the cold: "Who are you? How can you lie to us that you are a policeman? Where are the policemen? Could it be that you want to tell me that you are a plainclothes policeman?"

Excuse me . Where 's your police card?

Show it to me.

Otherwise, I'll call the police!"

Christopher looked at the girl in front of him calmly: "Who are you?"

"Are you qualified to ask me?" The girl sneered.

"Excuse me, is this your house?" Christopher raised his foot to block the door and asked the girl calmly.

In fact, his eyes were already searching the courtyard.

He didn't see Galia, but he didn't hear Galia's scream.

"This is my aunt's house! My aunt's house! After today, this is my uncle's house. Are you satisfied with this answer? Then I'll ask you again, who are you! If you

can't say it, you are so bright Under this circumstance, if you break into a private house, you will go to jail!

You migrant worker!

Do you know that the overall quality of migrant workers is also improving, so I have no obligation to teach you the law here!

Please leave immediately!

If you don't leave, I'll call the police! "

Migrant worker?

Christopher was stunned for a moment.

He suddenly realized something and glanced at

himself. He was in the hospital these days, and the clothes he wore were the same clothes he wore before entering the hospital. Like a migrant worker, and in addition to being in the hospital these few days, he does not show his face when going in and out, so his beard has not been shaved, and his hair has grown a little longer, without any shape

at all. He really looks like a bandit. When I smelled the clothes from a few days ago, they smelled like sweat.

Haha!

No wonder he called him a migrant worker.

This image is undoubtedly a migrant worker.

But!

Is it wrong for a

migrant worker ! Is it being used by others in a bad way to be described by others?

It's ridiculous!

"Yo! Christopher took a breath and calmly asked the beautiful woman in front of him: "That is to say, you are not the owner of this family, but a relative of this family. Is it right? "

"That's right! You have no problem with your brain, and the relationship between the characters is not wrong. The beauty smiled contemptuously.

Christopher smiled gently: "That's right, please let me in, I want to go in." "

"You! "The beautiful eyes are all rounded. Who is

this person, can't you understand what he is talking about!

"You are a relative of this family. If you can come in, then I am a friend of this family. "Christopher shrugged and said.

"Whose friend are you!" "The beauty asked sharply, no one in my family knows you!

"Why didn't your cousin and your cousin Galia tell you?" I'm your cousin Galia's friend! "Christopher raised his eyebrows and continued to introduce.

The beauty was furious: "Who is the cousin! Who is the cousin! How can that rotten woman be my cousin, she has lost my aunt's face! She is an unsatisfactory businessman!

She is not my cousin!"

"Oh, Galia Not your cousin? That means you have nothing to do with this family, someone who has nothing to do with this family, and is not a neighbor of this family. Excuse me, are you standing here waiting for the police to arrest you?" Christopher asked calmly.

Beauty: "..."

"Who is it, who's outside? I want to see who dares to break into the house, don't you want to live!" A loud voice came from behind the beauty, followed by The voice had come to the beauty and Christopher.

## Chapter 2613

"It's me!" Christopher short two words.

"Yo, it's you, I've seen it!" Galia's eldest cousin raised his eyebrows and looked at Christopher, asking in a strange tone.

Christopher's tone was still calm: "Don't come here, eldest cousin, right? I came to look for Galia, but this woman who is not cousin to Galia won't let me in."

"Cousin, this dead migrant worker sophistry . It's really unreasonable!" The beauty's tone was about to explode.

The older cousin smiled: "He's really Galia's friend, the old man's boyfriend of Galia."

"It's you!" The old man who is going to hook up with Galia and come to her?

You dare to come to her door!

You are so ignorant of life and death!

Cousin, let him in, today we are going to close the door and beat the dog !"  
Close the door and beat the

dog? Remember the URL

Christopher is funny.

The woman who was called her cousin laughed immediately: "Okay, come in! Galia's man!"

Christopher shrugged: "Okay.

" followed in.

I have to say that the courtyard of Galia's house is more beautiful than the outside.

The yard is not too big, but it is dazzling and has a fresh farmhouse feel, giving people a very comfortable feeling everywhere.

Living in such a small yard is simply a pleasure.

In the middle is a small road for grabbing, the left side of the road is the vegetable garden, and the right side of the road is the flowerbed.

From the small courtyard to the main room, it was only ten meters away, a few steps away, and when he entered the door, Christopher saw Galia kneeling on the ground.

"Galia!" He rushed up quickly, trying to help Galia up.

Galia didn't move, she just looked up at Christopher, tears streaming down instantly: "Brother Christopher, why are you following me again, so disobedient, what are you doing with our family's affairs?"

Brother Christopher, if you After being beaten, I can't protect you at all, why are you wading into this muddy water, Brother Christopher!

Eh!"

Galia's tone was very angry.

Christopher was very calm and determined: "Galia, get up! Don't kneel, I will help you solve anything!"

Galia shook her head: "Brother Christopher! For the sake of helping you clean up the snake venom, Why do n't you leave? Don't go into this muddy water, I can't protect you. You've seen it all, I can't even protect myself!"

How can I protect you?

You are a foreigner, a foreigner, if you are here If someone wants to beat you, find a reason, even a rough person can beat you to death.

You must understand the seriousness of the matter, Christopher!

You are the only one in this world who is willing to listen to me, the only one A person who doesn't dislike me, I don't want you to have any trouble.

Brother Christopher, you go! Go

now!"

"Since you're here, do you want him to run away? Galia, your wishful thinking is very good. Come on! But it's too late, the door is already closed! He can't run away, you're right, I'm shouting here, a foreigner came to the village and tried to break into other people's houses. Half dead.

Take him to the police station!"

"No, no cousin! What do you want me to do? You want our house or anything. Don't do this to my friend. Let him go. He is innocent. He doesn't know me at all. He just bumped into me that day. That's all.

He has nothing to do with our family or me at all. If

you really beat him up for good or bad, you can't escape the relationship. Let

her go, let him go, and we don't make things bigger, okay?

Say, you want a house, I'll give it to you, give it to you! As long as you let him go." Galia knelt on the ground, originally kneeling next to her mother, but at this moment, she turned around and knelt on her father's side. In front of my cousin, I was about to kowtow to my big cousin.

"Galia! The wild men have found their homes. Do you want him to disappear, and then come to restore your lost reputation? I tell you, your reputation is already stinky! You drive him away, don't drive him away, yours The reputation is already stinky!

You still want to hide it!" The elder cousin pointed at Galia's name and cursed.

Immediately afterwards, the cousin who had just opened the door for Christopher also came to Christopher and said to Galia's mother, "Auntie, don't let this wild man run away, let everyone see, we didn't wrong you. Girl.

This is the wild man she hooked up with outside. Since she dares to bring it back, why are we afraid of her?
