really lives up to its reputation!

At this time, many people from the same village have come in to watch the fun, and the yard is actually crowded.

Seeing these people, the girl is even more excited.

Galia hangs out with him.

The troubled family is not the home, the wife and children are each father.

Who knows what she's doing in a big city Yeah.

Those of us right and left neighbors, you have to decide for my aunt.

You know what my aunt is like." When

the voice of the cousin of the aunt's house fell, the yard was full of talk.

"Yeah, this Galia's mother is usually such a fair person, no one says she's bad, and she never cares about her shortcomings when she does things. Take the treatment of children and relatives' children, she never said anything. I have been biased towards my own children, but they are always biased towards the children of relatives.

Such a good, selfless, and fair person, how could the daughter of such a poor quality be born!"

"Hey, the maiden's family from Galia's mother's house is here. It's good to teach this girl a lesson! Save her from cheating and destroying people's marriages in the future."

"That's right, big cousin, big cousin, you have to teach Galia a good lesson for your aunt!"

"Beat this man together, beat him to death, and then send him to the police station!"

"Yes! Beat him to death!"

"Let me teach you a lesson ! This man! He's so daring as to break in alone, he's outrageous!"

Are the

police here?

They haven't called the police yet, but this Dengzi actually called the police first?

Everyone was stunned.

Including the eldest cousin, the eldest cousin and the cousin of the aunt's house.

They all looked out the door.

Sure enough, two police cars had already parked outside the gate, and at the same time, a dozen police officers had descended from the police cars.

"What's the matter, how dare you call the police! Aren't you afraid that the police will take you away!" The first person to question Christopher was his aunt's cousin. Christopher shrugged

: "I'm not afraid, I'm just afraid that I will be beaten to death in this house. In order to save my life, I just need to call the police first."

cousin.

"You, you dare to call the police? Aren't you a thief calling to catch a thief?" The big cousin instantly didn't understand Christopher's intention.

At this time, the policeman walking in the front also asked, "What's the matter? Who called the police?"

"I called the police, I am a friend of the family, but for some reason this family is quarreling, and there are many people surrounded me, I was afraid that I would be in danger, so I called the police." Christopher replied politely.

The police saw that all the people in the yard were full of people, and they were all talking about it, and some people were pointing at Christopher fiercely just now, and they all saw it.

One of the policemen immediately spoke up: "So many people gathered in a yard, making noises, if it is serious, it is a gathering of people to cause trouble!

If it has nothing to do with this family, please leave immediately!

Otherwise, they will be arrested first according to gathering a crowd to cause trouble! "

The left and right neighbors who were still plausible heard this and left quickly in fright. Some people even trotted out of the courtyard, for fear of being detained. It's none of their

business.

Just follow along and mumble a few words. The real thing is coming, who dares to cause trouble.

"Hey, eh, don't go, don't go! "My aunt's cousin shouted from behind.

If there weren't so many people here to watch the fun, how could they publicize Galia's scandal and magnify the scandal as much as possible!

"This... "... The eldest cousin is extremely corrupt: "You people who have no seeds, don't go! What are you afraid of, you are all neighbors, and you are not really picking quarrels and provoking trouble, why did you run away! Come back..."

But no one listened to them. In just

a minute or two, there were no more villagers in the yard.

However, the curiosity and gossip of these people became stronger and stronger.

There was a dispute between relatives. Now that the police are here, it means that the matter is getting bigger. These people all want to see what happens. Although they ran out of the yard, they refused to leave.

One by one, they all stood outside the yard, The door frame, head to head to head to head to look in. It

is a lively.

Standing in the yard, Christopher thinks it is funny and amusing.

"What the hell is going on, who will tell first! The police asked sharply.

Christopher raised his eyebrows and glanced at the big cousin, the big cousin, and the little cousin, and asked lightly, "Do you speak first, or shall I speak first?" "

At this time, Galia, who was kneeling in the room, also came out: "Brother Christopher, you... how did you bring the police here? Didn't you cause trouble for yourself? Go away! Leave me alone! You are a lonely foreigner, you are very weak, do you know that! Hurry

up!" Christopher asked Galia calmly: "Are you afraid?"

Galia smiled helplessly: "I have reached this point. What do I have to be afraid of, but brother Christopher, you have seen me in such a dreadful state, I can't protect you.
