

# Chapter 2620– 2621 of A Dish Best Served Cold Novel

## Chapter 2620

Just like at this moment, when Mark has decided to retaliate against the sneak attacker, this naturally means that this gray-robed man can't escape Mark's attack at all.

Bang~

There was a bang, and it exploded quietly.

Mark originally prepared Yundao Tianjue for Burning Heaven, but now all of them fell on this gray-robed man.

With a heavy and heavy kick, he stepped firmly on this person's chest.

There was no block at all, and under Mark's majestic majesty, this person's defense was instantly broken.

Ribs broke, and blood mixed with internal organ fragments was directly spit out.

In the screams, this person immediately looked like a waste dog, and was kicked out by Mark.

After smashing thousands of meters of vegetation along the way, it smashed to the ground severely.

However, at the same time, the ten-meter thunder snake that flew down suddenly smashed into Mark's body with a bang.

“Brother Mark~”

At that moment, everyone's heart trembled.

An Qi burst into tears and cried with tears.

However, all the voices at this time were all covered by the sound of rolling thunder.

The deafening sound trembled the whole world.

Before the cave, the injured boy was swallowed by thunder in an instant.

The billowing lightning, like a raging fire, burned Mark's body.

Looking from a distance, Mark fell into the thunder sea like a mortal.

Endured the pain of thunder splitting the body, suffering from the thunder of five thunders.

I don't know how long it took, the power of thunder finally dissipated.

Only a piece of scorched earth remained ahead.

And, a corpse with a full face fell in the black ruins.

"Finally, it's over~"

Looking at the scorched corpse, Fen Tian let out a long sigh of relief and grinned.

This smile is relaxed and from the heart.

In the end, Fen Tian couldn't help himself, and Yang Tian laughed.

"Hahaha~"

"ended."

"Hahaha~"

Over the years, Burning Heaven has killed countless people.

But never once, let him be so relieved, so excited, and so fulfilled as he is now.

Human nature is like this, and you don't care about what you can get.

And only what you get after going through hardships is the most precious and the most exciting.

For example, the current Burning Heaven.

"Ahem~"

However, as the saying goes, happiness leads to sadness.

Perhaps the momentary mood swings were too great, and smiling, Fen Tian suddenly coughed violently. He covered it with his hand, but when he looked down, the palm of his hand was actually full of blood.

"It seems that you are not hurt."

I don't know when, the gray-robed man who attacked Mark before has already returned here.

However, at this time, he looked extremely embarrassed.

One of his clothes was stained with blood, his hair was messy, he had many bruises and scars on his old face, and he even staggered when he walked.

Obviously, the blow of Mark just now caused him some injuries.

"It's careless."

"I didn't expect that Huaxia would have such a monster."

"Just now, if it wasn't for your sword that hit him hard, I guess it would be difficult for Lei Fa to solve him so simply and neatly.

Fen Tian said in a low voice with a gloomy expression.

Thinking back to the previous battle, he couldn't calm down until now.

"Yeah, careless."

"I thought that my sword should be able to completely abolish him."

"Unexpectedly, I was hurt by this young man instead."

"We all underestimated him."

The gray-robed man also shook his head and sighed. As soon as he finished speaking, he coughed violently, and he vomited out the last bit of congestion.

## Chapter 2621

"Gaia, are you okay?"

"Can you hold it up."

Fen Tian has experienced Mark's ability.

I know how terrifying the strength of this guy is.

Previously, only Mark's fist attacks had knocked Fen Tian into a circle.

Just now, this Gaia received a heavy blow from Mark from the extreme distance.

Maybe Gaia only had a momentary fight with Mark, but Fen Tian estimated that this guy was definitely not hurt less than himself.

Gaia wiped the blood from the corner of his mouth and gave a wry smile: "It's okay, it's okay."

"Just, pity my inner armor."

"It took me more than ten years to gather the materials and asked the European foundry master to tailor it to me. I didn't expect that this time I was hit by the kid and scrapped it."

"If you want to put together another set, I'm afraid it will be difficult."

Gaia shook his head and said, the meat hurts, but it makes people feel distressed.

"You fellow, please be lucky."

"If it weren't for the inner armor, I don't think you can stand up now."

"You are too close to him, that guy is a lunatic again."

"With a desperate blow, even me will have to suffer heavy losses."

Fen Tian also sighed from the side and laughed at himself.

Gaia nodded and continued: "You are too right, that guy is a lunatic."

"I thought that even if the sneak attack failed, I would be able to retreat."

"After all, you are holding him in the front battlefield."

"It's so awkward, this guy is desperately trying to turn around to deal with me."

"Hey~"

"I didn't expect that our two top ranking titles would work together to deal with an unknown boy. In the end, it was a tragic victory."

Before the cave, the two difficult brothers, Fen Tian and Gaia, sighed again and again.

As for the people next to them, after hearing their conversation, their eyes went straight, and they were so scared that they did not dare to gasp.

"Two... Two top ranking titles?"

"Difficult... can it be said that this... this later person is also... the titled Grandmaster?"

When everyone was startled and suspicious, some of the crowd seemed to recognize him, and suddenly yelled out in surprise.

“Gaia?”

“Title Grand Master?”

“Is it...Is he... he is the martial arts leader in West Asia, the king of Persia, Gaia?”

what?

King of Persia?

As the so-called one stone fell into the sea, it caused a thousand layers of waves.

At the moment when these words fell, everyone present trembled.

Everyone’s eyes immediately glanced over, all falling on the gray-robed man in front of him.

“King of Persia, Gaia?”

“He... is he really the King of Persia?”

Among the crowd, some people trembled, and naturally others were puzzled. They didn’t seem to know who this Persian king was.

“Grandpa, who is the King of Persia?”

“Is he strong?”

“With this kind of sneak attack, I guess the strength is not very strong.”

“After all, the real powerhouse should be disdainful of using these and other indiscriminate methods.”

.....

“shut up!”

“You brat, what are you talking about?”

“Do u wanna die?”

Hearing what his grandson said, an old man in the crowd almost started to urinate in fright, and hurriedly stopped sternly.

“Who told you that the king of Persia is not strong?”

“He is also a titled master.”

“The top ten most powerful people in Asia, the top fifty in the top ten.”

“He can blow you to death.”

“You bastard, how dare you say something rude to this waiting?”

“You really want to kill us!”
