

Chapter 263

In the next second, everyone felt that there was a flower in front of them, and the figure of the white-clothed man turned into a phantom and punched Charlie at the door.

As the white-clothed man punched, a wave of air was set off around him, forcing the rain around him to disperse backward involuntarily.

Wherever his fist wind passed, all the rain turned into steam.

“This is killing people!”

Ervin Jones was horrified and turned around to go under the car.

Elsa, who had just been pulled into the car by Claire, was so scared that she held her breath and was extremely nervous, for fear that her savior would die here because of her.

Although Claire was also very nervous, she felt that Charlie would surely be able to turn the bad into the good.

At this moment, Charlie looked at the white-clothed man with a cold face.

He did not see the white-clothed man’s offensive in his eyes at all, but when he got close in front of him, he grasped the white-clothed man’s fist and twisted it one hundred and eighty degrees!

There was a crackling of joints, accompanied by the violent howl of the white-clothed man, the entire palm was completely dislocated and deformed, the bones and veins were all broken, and the entire wrist was limply drooping.

“Big Brother!”

The big man on the ground screamed suddenly.

Charlie didn’t look at it and stepped on him again with one foot.

“Snapped!”

The sturdy man’s chest suddenly collapsed deeply, swallowing a few mouthfuls of muddy water, followed by a few mouthfuls of blood, and then, his body shook a few times, and there is no movement.

“Second brother!” The white-clothed man was about to collapse at this time, his eyes were splitting, revealed fierce light, and a burst of energy broke out all over his body.

The white-clothed man squeezed his right hand into an eagle’s claw, and an afterimage swayed in the air. There were dozens of hand shadows in the air, and the crowd couldn’t distinguish between the real and the false.

Charlie didn’t move.

The white-clothed man’s eyes showed a glare, and he suddenly pointed to Charlie’s eyeball!

This finger condenses his whole body’s energy, be sure to kill the enemy with one blow!

Poke in Charlie's eye socket, directly pierced the eyeball, pierced his finger deep into the eye socket, and pierced his brain!

And the inner strength on the fingers can directly shatter Charlie's head like a watermelon!

Charlie stood coldly and suddenly laughed.

"Unbearable!"

He casually slapped it. No one knew, he had an aura in his palm. This slap was more fierce than a car crash!

Boom!

With a movement of his hands, Charlie slapped the white-clothed man to the ground with a slap like a dog!

There was silence all around!

Claire rubbed her eyes vigorously, almost unable to believe it.

Ervin Jones was also stunned.

These two are really "Oliver Vincent"?

This strength is a bit inconsistent with rumors!

In the legend, the most powerful boss was slapped to the ground by Charlie?

How is this possible?

The white-clothed man collapsed to the ground, unable to get up anymore, his heart was terribly shocked.

Chapter 264

This slap seemed to be an understatement, but when the slap fell, a few strong internal breaths penetrated into his head, rushing around the body along the meridians, like a fuse, letting several important veins in his body. All burst.

All the important veins in his body burst and all his skills have been lost!

The white-clothed man was extremely shocked and screamed with great pain.

Being able to possess such a hidden inner strength is simply unfathomable, and he can't see the details of Charlie at all!

Even the first person in the Wu League already dominates the Nanguang area, it is impossible to have such a strong skill!

And Charlie's skill is probably still above it.

Where did this guy come from?!

He and his brother, this time are not here to kill, but to die!

At this moment, Charlie slammed his groin with a punch, and his groin burst in his abdomen with a punch, and his whole person instantly became useless with his hands and feet unconscious, only one step away from death.

With one punch down, Charlie looked down at the man in white condescendingly, his eyes were full of irresistible coldness, and the cold voice asked: "Say, who is going to kill Elsa?"

The white man's face was as gray as death. At this moment, he has been abolished. For the warrior, life is worse than death, and his spirit is completely destroyed. He desperately said: "You kill me, let me die with dignity!"

Charlie said coldly: "Dignity? You're not worthy! If you don't tell Master Wade behind the scenes, I will break all the meridians in your body, so that you can't even blink your eyelids for the rest of your life! Then I will send you to the police station, you seem to be a wanted criminal, and I can exchange a lot of money. Then I will let you lie down and go to prison for the rest of your life!"

The white-clothed man said in amazement: "I am inferior to others in his skills, and I am guilty of death. I just ask you to give me a happy ending here!"

Charlie nodded: "Say it, say it, I'll give you a happy one!"

The white-clothed man hesitated for a moment and blurted out: "The employer is a cousin of Elsa. We must kill Elsa in Aurous Hill to prevent her from living."

Charlie nodded faintly: "If that's the case, then you can taste the death"

With that said, Charlie used the technique to directly stun the white man to death!

Elsa was shocked when she heard the words of the two of them. Is it her cousin who wants to kill her?

Could it be that what happened at home? He didn't want to let her go back to Eastcliff alive. Isn't this too cruel?

At this moment, Ervin Jones got out from under the car and noticed the white stone that Elsa had dropped earlier on the ground.

He quickly picked it up, and when he was about to hand it to her, he was taken aback.

"Miss, isn't this the stone of peace and wealth? Why is it in your hands?"

Elsa was shocked and asked in surprise: "Do you know it?"

Ervin Jones scratched his head and smirked: "I sold this stone to Mr. Wade. Later, he didn't know where he lost it. He ran up and asked me if I have the same stone. Unfortunately, there is only one stone in the world. , Where is the second one, I didn't know it at this moment."

Elsa couldn't believe it, her chest was like something bursting open, and Ervin Jones's words kept echoing in her ears.

She murmured: "Is this stone the only one in the world?"

“Only this one!” Ervin Jones said affirmatively: “There are no two identical leaves in this world, nor can there be two identical stones. I recognize that this stone is definitely this one and only this one!”

Speaking of this, Ervin Jones sighed: “Hey, it’s a pity, I have never been able to find a similar stone for Mr. Wade since then.”

“Mr. Wade?!”

“He kept it from me for so long”

The savior whom she has longed for, the lover of her dream for a long time, turned out to be him!

She actually fell in love with the good girlfriend’s husband, Charlie!!

She was so desperate that she burst into tears.

She couldn’t help asking God: Is there anything more ironic than this in the world?!
