## **I'm Sorry My Love Novel Aternative**

### **Chapter 2630 – 2631**

#### **Chapter 2630**

Tens of millions or even hundreds of millions, he dare not ask.

In the end, he couldn't beat the fourth master. He chose this one as the most low-key one. Usually, he didn't recognize it at all. Anyone who saw this car thought it was a Poussin car, but it was actually the most high-end car of Volkswagen, the Volkswagen Phaeton.

worth 2.6 million.

As Galia saw now, she thought it was a scooter that cost less than 100,000 yuan.

Let her think so, that's fine.

Otherwise it will scare her.

However, when she arrives in Nancheng, she may still be scared.

Thinking of this, Christopher murmured in his stomach: "Girl, just like you, with all your shortcomings, you always feel that the story of Cinderella only exists in fairy tales, and good luck will never fall on your head. Would you be stunned if good luck came to you?"

I hope your help will make you move forward more positively!

I hope!"

Christopher's heart was full of mixed feelings.

I don't know if this kind of help to her will be good or bad for her in the future.

But at this moment, he really wanted to help her.

"First I'll take you to the city to buy a plane ticket. I'll go back to Nancheng today. After I've settled in, I have to come back as soon as possible and continue to go north to find my sister." Christopher said while driving.

Galia: "Also... still buy me a plane ticket?" She is

so old, she has never been on a plane.

I'm so looking forward to it, so happy.

but

Galia looked at Christopher with a firm look: "Brother Christopher, no need, I already know that your long-term work place is in Nancheng, I can go to Nancheng myself, I really can't accept your help, from now on I must Rely on my own strength and keep my feet on the ground.

I can no longer be as vain as I used to be. It

will hurt myself.

I have now understood that those who rely on the help of others in this world are far from relying on themselves. When I get up, I can get more respect from others, and I can make myself feel more at ease.

I will not rely on anyone in the future.

I just have to rely on myself, step by step, even if I am just a manure digger in Nancheng, I will not feel ashamed.

Brother Christopher, thank you, I... reject your help."

Christopher suddenly smiled: "I am very relieved that you can be so firm."

Galia also smiled: "Well, I am confident that I will be down-to-earth in the future."

"Listen to me, Galia, I bought you a plane ticket because I want to send you to Nancheng as soon as possible, and your time to find a job can be shortened, otherwise you will go to the county first to take a taxi. Go to the city, buy a bus ticket in the city, and then take the bus to Nancheng to find a house. It will take you at least half a month to find a job, which is already the shortest time.

If I send you a direct ticket to Nancheng, you can save money. In the second half of the month, the salary you get from finding a job during this time should be enough to buy a plane ticket, right?" Christopher analyzed.

Galia nodded: "Well, that's right! Brother Christopher, your time management is very good, that's right! I accept your opinion, and I will pay you back the ticket money in the future."

"That's right." Christopher nodded.

At 6:30 that night, Galia, who was originally in a small village in her home county, arrived at Nancheng, an international metropolis.

Nancheng is a place she yearns for but dares not come.

As soon as she left the airport, she was stunned.

A fashionable, noble, elegant, reserved and beautiful woman stood at the exit of the station with a smile: "Hello Galia, I'm here to pick you up."

Galia: "Ma'am, you are... ."

"I'm Suzi." Suzi smiled peacefully.

## **Chapter 2631**

Galia: "..."

She was so stunned that she couldn't even speak.

Suzi smiled indifferently: "What's the matter, little girl?"

Galia shook her head, nodded, shook her head again, nodded again.

For several minutes she didn't know what to say.

It's as if an amateur sees a top-notch fan that he has never seen before.

No, no, Galia was more excited than seeing top-notch fans, and there was a sense of saying no.

"You...you mean...your name is Suzi? Nancheng...the richest man in Nancheng, Fu...the wife of Mr. Fu, that... ..Suzi?" Galia swallowed several times in a row when she said a word.

She still couldn't believe it.

"You still know me? It seems that I'm very famous? Haha." Suzi laughed heartily.

Galia burst into tears: "It's actually...it's really you, you...the wife of Mr. Fu of Nancheng, you're really standing in front of me, you can't imagine, you are heaven in my heart, you are a height that cannot be reached. I have never thought in my life that I can meet Mrs. Fu Shao Zong in Nancheng.

I, I, I have met... I am now I found out, Brother Christopher, is he...is he a foreman, is he...what is he doing?"

At this moment, Galia seemed to be dreaming.

Not only this moment, but the previous week is a dream.

Christopher's situation at home this morning was also a dream.

She covered her eyes and confirmed again and again: "Are you really that Suzi?"

Suzi looked at the girl in front of her, she was really cute.

It's the kind of cuteness that is simple, undisguised, and genuinely responsive.

There was a feeling in this girl that Suzi had not seen for a long time.

It felt like, when she was very young, she also went to school with a group of children in a mountain village. Everyone dressed very dirty, all they ate was stick noodles, and occasionally they ate chocolate or cream cake. Those children felt that As unreal as entering a wonderland.

However, that feeling is extremely happy.

The girl in front of her is.

The girl looks average, if she dresses up a little, she might look better. But right now, it does look normal.

I didn't see anything special about her.

Suzi didn't quite understand why Christopher would personally call her and beg her to take a girl.

Christopher is a very important friend in Suzi's heart. When she was just retrieved by Arron from the remote mountainous area, the first person who gave her warmth was Christopher.

How warm was Christopher at that time.

Even earlier, when she first met Christopher, all the people in Nancheng called Suzi like a stagnant dog, but Christopher never felt sorry for Suzi.

These feelings, Suzi kept in his heart.

Not only that, Christopher has always been very self-disciplined. After knowing Suzi for so many years, Christopher has never asked Suzi for anything.

After so many years, Christopher has also changed from a young man to a middle-aged uncle. All his thoughts are devoted to protecting Arron, and now he doesn't even have a family.

For such a friend, he begged Suzi for the first time, hoping that Suzi could help this girl.

How could Suzi refuse?

The most important thing is that this girl has the same name as her life-and-death friend Galia.

When Galia was mentioned, Suzi burst into tears.

There is indescribable excitement and intimacy.

When Christopher begged her on the phone to let her help a girl named Galia, Suzi agreed without thinking.

Christopher told her about Galia's situation on the phone, and Suzi already had a preliminary understanding of Galia in his heart.

So when facing Galia, she would feel like facing an acquaintance, she was very calm, looked at Galia with a calm smile: "What's the matter, girl, haven't recovered yet? Stupid? Right

? Girl, let me ask you something, I am not on TV, and I am not a celebrity, I think Christopher didn't tell you who I am beforehand, how did you know that I was the wife of Fourth Master Fu?"
