

## Chapter 265

At this moment, Elsa was struck by lightning.

She looked at Charlie, who was full of murderous air, and her heart was terrified. At the same time, she immediately pushed him into an extremely contradictory situation.

And where did Charlie know that he had been recognized by Elsa?

After solving Oliver Vincent, the corner of his mouth still sneered.

The Oliver Vincent, the name is like martial arts, but in fact, they are just two dead dogs.

However, in Ervin Jones's eyes, he was already looking terrified.

Oliver Vincent has been rampant on the road for many years, killing countless people with both hands, and had never suffered a defeat.

The whole Aurous Hill was frightened.

However, they so strong that the two actually died under Charlie's two moves, which really made him unable to believe.

That being said, isn't Mr. Wade's strength able to top Aurous Hill?!

At this moment, Charlie glanced at the two corpses that had gradually become cold, then turned her head and saw Elsa's expression in a trance, she seriously reminded: "Elsa, your cousin cannot hire them to kill you this time. Secondly, I suggest you be more careful these days, and it is better to hire a bodyguard to be prepared."

Elsa looked at Charlie with an extremely complicated expression, adjusted her breathing after a while, bit her lip, and whispered: "But I will not find a suitable bodyguard for a while."

Now Elsa is struggling with conflicting thoughts in her heart.

First, the people in her family and her cousin wanted to kill her, and then the mysterious man she fell in love with turned out to be the husband of a good girlfriend.

These two things were tortures for her, making her feel very miserable and helpless.

How did Claire know that a good girlfriend is in love with her husband?

She stepped forward and hugged her gently, patted her shoulder gently, and comforted: "Elsa, don't worry too much. Since Charlie can fight so well, even the famous Oliver Vincent are not his opponent. You can ask him to protect you in the future. Pay attention to it at ordinary times. If you are not at ease when you go out, you can call him at any time and let him protect you!"

What Claire thought was that since her husband has this ability, it is only natural for him to protect her girlfriends.

But what she didn't know was that a good girlfriend fell in love with her husband.

Elsa, who was on the side, was still very disappointed, but when she heard this, she burst into joy and her heart throbbed.

She did not feel depressed because the lover in her dream was Charlie or even lost her feeling for him.

On the contrary, because Charlie rescued her again today, in her mind, Charlie became the superhero who saved her twice. If it weren't for Charlie, she would probably not escape the calamity twice!

This is also the reason why her feelings for Charlie suddenly increased much more than when she had for the mysterious person before.

Although she also knew that to fall in love with a good girlfriend's husband was too immoral.

However, she also knew that the two were not really husband and wife. The two got married because of the insistence of Claire's grandfather, and the two had never had any emotional foundation.

Even when she was chatting with Claire the other day, she heard from her that she and Charlie had never been married to each other, and they still slept separately. Claire slept in bed and Charlie slept on the ground.

## **Chapter 266**

So, does this mean that she can like Charlie and not feel sorry for her good girlfriends?

Maybe if she could get together with Charlie, it would be a relief for her good girlfriend!

Thinking of this, she hurriedly said to Charlie with joy: "Then I will trouble you, Charlie."

Charlie smiled faintly and said, "It's not troublesome at all."

His smile made Elsa's heart tremble again.

Reason tells her that Charlie is a best friend's husband and there is no chance, but Elsa can't help but have strange thoughts because of the emotional impulse.

Charlie didn't know Elsa's thoughts and left his phone number to Elsa.

At this moment, Ervin Jones leaned forward and said with a flattering expression: "Mr. Wade, you are so amazing. The evil stars like Oliver Vincent can't do a single trick in front of you. I Ervin Jones reveres you. Admire you by throwing five-body throwing on the ground, you are like a god among the gods!"

With that said, Ervin Jones knelt directly on the ground without hesitation.

Charlie looked at him in a solitary manner, and deliberately asked him: "I said Ervin Jones, what did you run just now? Are you afraid I can't beat Oliver Vincent?"

"No, no!" Ervin Jones was pale and hurriedly explained: "Mr. Wade, you have misunderstood, how could I doubt your strength? I just got confused just now, so please don't take it to your heart."

After finishing talking, Ervin Jones banged his head and tremblingly said: "Mr. Wade, you are the real dragon on earth! From now on, I will not worship the sky or the earth, I will only worship Mr. Wade. !"

Claire looked at Ervin Jones's dog-licking gesture, shook his head, and said to Charlie, "What do you do now? I killed both Oliver and Vincent, should we call the police?"

Charlie thought for a while, and said lightly: "You get in the car first, I will solve it."

Claire nodded and got into the car with Elsa and Ervin Jones.

When they all got in the car, Charlie took out his mobile phone from his pocket and called Issac, the spokesperson of the Wade family in Aurous Hill, the owner of Shangri-La Hotel.

Soon the call was connected, and Issac's respectful voice rang: "Mr. Wade?"

Charlie said calmly: "I met Oliver Vincent. These two dogs barked at me. Now they have become two dead dogs. The corpses are on the side of the road. I don't want to leave any trouble. You send someone right now and deal with it."

Hearing this, Issac was shocked and said: "Mr. Wade you solved the Oliver Vincent? God, that's a famous thief duo in Aurous Hill! The methods are cruel and ruthless, and the strength is also number one in Eastcliff!"

Issac couldn't help but said excitedly: "Mr. Wade you are so amazing. If the Wade Family knows your strength, it would definitely cause a huge sensation."

Charlie said calmly: "It's enough for you to know this, don't pass it back to the Wade family, or I will never forgive you!"

Issac respected Charlie's orders, and said respectfully: "It's the young master, I must be tight-lipped, and I will send someone to deal with it right now."

Charlie gave a satisfied hum, then hung up the phone and walked to the car.

Opening the car door, Charlie sat in the driver's seat and started the car calmly, as if what he had killed just now was really just two dogs.

Elsa sat in the back row, her beautiful eyes staring at Charlie's profile.

In her eyes, two shining lusters flickered in them, carefully tasted, there was actually a color of love and admiration!
