She never said.

Even when the director of the fashion department asked her to transfer her to the fashion department, Galia didn't dare to agree at first.

Because she was afraid of discrediting Christopher.

She felt that she had no education, and she didn't want to do that deceitful thing again.

Christopher saw all of these.

He knew that this girl had really changed her mind.

This girl is very down-to-earth now, she is down-to-earth and works hard, and she looks cute when she forgets to eat and sleep.

Especially at this moment, she was shy and didn't know what to do, but she still said very humbly: "No no no, Brother Christopher, I really can't, I...you have to say that I like you, I can't say it so against my heart.

You don't believe me when I say it, so I might as well just admit it.

In fact, Brother Christopher, when you were in our hometown and helped me resist my relatives, I...

I already... already liked it.

You know how lonely and helpless I was at that time, how I wished that God would send a heavenly soldier to help me and help me through this difficult time.

all my relatives and made them disgraced.

Most importantly, you helped me save my mother.

Brother Christopher, do you know how much I admired you at that time?

Brother Christopher, I can't accept you, I really can't. "

Christopher looked at Galia gently, looked at it for a while, and then suddenly smiled: "You like me, I like you too, we are in love with each other, isn't this the best start?" " When it comes

to real love, this sturdy man is really not very good at it.

Facing Galia, his face was also a little shy: "Galia, brother... brother doesn't know how to speak love, brother is sincere to you... . "

This sentence is very earthy.

Very stuttering.

But Galia's eyes turned red in an instant.

Perhaps, this is the most sincere and sincere love story she has heard in this world, right?

She looked at her with tears in her eyes . Christopher: "Brother..."

Christopher smiled.

It seems that his pursuit today was successful?

Haha!

"You promised to be my girlfriend, yes! He hugged Galia and said with great excitement.

But Galia pushed him away firmly, looked at him with firm eyes, and said in a very firm tone: "Brother, I'm sorry, I... .I can't promise you! "

Hearing Christopher's self-blame, Galia cried even more.

What a man!

very nice! Remember

that if anyone in this life is lucky enough to marry Christopher, that girl will surely die happily.

Really envious.

Galia threw herself into Christopher's arms: "No, not Christopher, as I said, you are the best man I have ever seen in my life, I have fallen in love with you for a long time, but I can't promise you Ah bro.

I'm just a girl who didn't graduate from junior high school.

My family is in the countryside.

I've done so many jerk things, I really, I've despised myself all my life.

Brother Christopher, you know, I once pestered my ex-boyfriend for nearly a year for my own selfishness. I pestered my ex-boyfriend's parents and I was very helpless.

My ex-boyfriend, went out to hide from me for a year.

I think about it, I was really hurting people back then.

I am so bad, I owe the bank money, and I make a fake resume. All the relatives in my family have offended the woman.

The most important thing is that my age is not too young. I am thirty-one this year.

Also, I don't look good at all.

Brother Christopher, I counted 100 characteristics of my body.

I found that all of my 100 characteristics are shortcomings.

I'm not worthy of you at all, not a little, not in general.

It's me and you, separated by 108,000 miles, Brother Christopher.

I don't want to hurt you. I don't want to pull you back.

If I promise you, I am really shameless. After crying ,

she got up from Christopher's arms, then raised her head and smiled at Christopher: "Brother, don't worry, I work in your company, and I will never tell people in the company that I know you."

I will continue to work diligently in the company, and I will do better and better.

And your parents, uncles and aunts, I will help you take care of them all the time, you can go to your sister Galia with confidence.

I believe that one day, you will find a girl who is in love with you and is very suitable.

By then, I think I'll be able to save enough to owe.

When you get married, I will give you a big red envelope of 10,000 yuan!

elder brother!

I recognize you as my brother! "

She was talking to Christopher with a very positive expression while smiling.

Christopher was extremely distressed to hear it.

However, his heart was also happy.

At least Galia didn't have any other boys in her heart. Christopher thought that with Galia's hard work and her good relationship with the company, many boys would definitely pursue her.

She must be dizzy, right?

Who knows that Galia is still thinking about him, but she has low self-esteem and feels that she is not worthy of her.

Christopher smiled again in his heart.

She asked with a gentle smile, "Then tell me, what are you going to do? I'm married, what are you going to do?"

Galia's eyes dimmed immediately: "Me?"
