What should she do?

she does not know.

She may be very sad, very sad, but she can only hide it in her heart, she really cares about Christopher too much, she can't blaspheme Christopher at all.

The only thing that can be done is to bless Christopher.

Then helping him take care of the four old people is the biggest reward for Christopher.

"Don't worry, Brother Christopher, I will have a good life in the future, you don't have to worry about me." Galia forced a smile.

"Silly girl!" Christopher hugged Galia in his arms.

Galia couldn't break free even if she tried to struggle: "Brother Christopher, let me go..."

"Don't let me go! Brother has identified you in this life. If you don't like me, I will never force you. , but you like me. Since you like me, of course I can't let you go.

You said that you didn't graduate from junior high school.

The brother told you that brother is also a scumbag. He never went to college, and he didn't know anything in high school. Not

only that, my brother's mind is not as flexible as yours. In

this way, my brother is still high on you.

From now on, you are not allowed to say that you are not worthy of me!

We are a match made in heaven, yes Perfect match!"

Galia: "..."

Christopher added again domineeringly: "No refutation is allowed, refutation is invalid!"

Galia: "..."

is this real?

After doing so many wrong things, she actually met such an unattainable Prince Charming?

"I... am I dreaming?" Galia asked while crying in Christopher's arms.

"You're not dreaming, on the contrary, do I think I'm dreaming? A rough guy like me who has been fighting and killing all my life, I thought I would never get married in my life, but I didn't expect to meet a person with such a kind heart and a heart like you. An extremely smart and independent Tianluo girl.

Tell me, did I see something cheap?"

Galia cried and laughed in Christopher's arms: "Pfft...you...you It's very good to me, Brother Christopher."

"In the future, during the festivals, you can go back to your hometown with you, so that the fact that I am the old man you hooked up with outside will be more real."

"You.Why are you so bad, brother!" Galia was both angry and funny.

After laughing, she said: "In the future, I will never be so vain, always thinking of taking my boyfriend home and fighting for me, I will not be like this, brother Christopher.

I am still working in the company, and I also want to do such a job well.

Brother Christopher, we can try to fall in love, but can we not make it public in the company? I am afraid that once it is made public, the people in the company will treat me differently. Most importantly ,

I don't want to affect your image in the company.

If one day...

I mean, if one day if we get married, I will resign from the company and try not to let the company know I'm your girlfriend.

Don't worry, even if I quit my job, I'm not afraid of not finding a job.

Anyway, I can bear all kinds of hardships now, and I'm willing to do any job.

"Christopher put his arms around Galia and said gently, "Okay, I'll listen to you. As long as you are happy, I will do whatever I want. Even if we go back to your hometown together one day, I will make you look beautiful. "

Beautiful and proud, who in this world doesn't want to do this?

As long as it doesn't hurt people, it is necessary to be proud and proud!

"No, I don't want anything, I just want to live a normal life, it doesn't matter if I don't have money, I As long as I can be with you plainly, I will never be thinking about raising my eyebrows in this life. "Galiayan said very firmly. What about raising her

Chapter 2655

Meeting

the man who has not seen him for five years is half a year after Christopher confessed to Galia.

Since Christopher and Galia confessed, both of them have become more positive in their lives, which means that they have both found support and support for each other.

However, the relationship between the two was not disclosed to the company as Galia requested.

Christopher doesn't care.

Even if it is made public, it doesn't matter to him that Galia is transferred to be his secretary.

In Arron's body, Christopher has not learned other skills, but he is very proficient in the characteristics of being resolute and decisive.

He wasn't afraid of being told that he Christopher had found a girl from another place, she was still a bum who didn't graduate from junior high school, she was still a girl who sat up from the bottom to handle groceries.

He is not afraid.

Because of his boss, the Fourth Master Fu, who he had protected for 20 years, married a woman who had never graduated from college and had been in prison. Fourth Master Fu and his wife have always been very loving.

This is love.

This is the responsibility of a man.

However, Christopher had to consider Galia's feelings.

Her work in the Fu Group is very stable and thriving. She does a very good job. Galia likes this job very much, and she almost forgets to eat and sleep.

These orders that Galia is responsible for have also brought a lot of profits to the company.

The director of the fashion department likes Galia very much.

This is where Galia feels that she is valuable.

Since Galia wanted to continue working in the company and she didn't want to be treated differently, Christopher absolutely supported Galia.

Their relationship was not made public. No one in the company knew that Galia was the girlfriend of the boss Christopher. Galia still worked diligently and never asked for special treatment.

Not only did no one in the company let others know that she was Christopher's girlfriend, but she also seldom participated in some contacts with Suzi and Rayna.

She knew that what Suzi and Rayna wanted was that Galia.

Not her Galia.

She can't replace Galia.

It can't be replaced here in Suzi, nor can it be replaced in Yan's house.

However, she was able to give some comfort to the two elderly Yan family, and it was these comforts that Galia felt that if she could do her best, she would do her best.

Every weekend, she still goes to Yan's house to take care of the second elder.

During the time she went to Galia's house, she saw that woman again.

Just a long time ago, a woman suddenly asked her outside the gate of Galia's house, "Are they okay?"

At that time, Galia thought that the woman was the wrong person.

But once again, when she saw that woman wandering at the gate of the community, and her eyes were always mowing at her, Galia became more attentive.

There are so many liars in society these days.

And those scammers are especially used to patronizing empty nesters.

Because it's so deceiving.

Many reports have disclosed that the hard-earned money of some empty nesters and the money they have saved for retirement have been deceived by those ruthless liars.

In the end, the old man died desolately.

And the woman in front of her always felt that something was wrong with her.

When Galia saw this woman for the second time, she suddenly remembered that this woman seems to be very similar to the female N number in a new movie released in Nancheng recently.

That girl N is an ugly girl.

No matter how ugly she is, she still makes a lot of mistakes. In the movie, I feel that her acting is extremely hateful, and her face also looks demonic and stinky. People who have seen that movie want to call this female No. N. Slap to death.
