I'm Sorry My Love Novel Alternative

Chapter 2658

This shows that they attach great importance to our company, and they are already sincere.

But what about us?

Galia, our plan and our data are all in your computer, and some data you typed out were locked by you.

You were an hour and a half late.

Originally, you went to work at nine o'clock, but you arrived at the company at half past ten.

You made people wait for us here for almost three hours.

Galia, we are an upstream company, we can't do this..."

Galia said with guilt: "I'm sorry, director, I'm sorry, it's all my fault this time..."
The

director said lightly He smiled lightly: "I shouldn't blame you Galia, I see your usual work in my eyes, you are a good employee, I shouldn't blame you like this.

But I don't know what happened to this Liao always?

I could see that he was very anxious to wait, but in order to get our batch of orders, Mr. Liao kept saying that it's okay, it's okay, during the more than two hours of waiting.

I could see that he was still very reserved.

After all, it is hard to come by a company as big as ours.

But all his waiting, all his forbearance, broke out the moment he saw you.

I don't think Mr. Liao has such a bad temperament and quality. Why is this?

Galia, between you and Mr. Liao, were you colleagues before? Did you have any unpleasantness?

I can't see that, with your character, the seriousness of your work, and your ability to work, you generally won't have unpleasantness with people? "What

is Galia going to explain?

She has no way to explain the relationship between her and Mr. Liao to the director.

If it wasn't because she was so late today, and let this person surnamed Liao play off the topic, she would be fine. Galia wouldn't blame herself for an embarrassing scene.

After all, she did nothing wrong this time.

But she was late today . She

was not a few minutes late, but an hour and a half

. Zhong rushed over, but she was an hour and a half late.

"Director! I'm going to chase her back now. go immediately! Galia ran out quickly.

She was familiar with all the intersections near the company.

Galia knew exactly which bus stop to take a taxi from from here to the train station. Galia believed that she would be able to catch up. If she can, as long as she can catch up, she will do everything possible to keep her.

She will not let her personal grievances and grievances affect the company's plan of placing orders.

Because it is very difficult to find another excellent factory company like this. That.

Galia quickly ran out of the company gate and was about to run towards the bus stop when someone stopped her.

"I'm here! The man's voice was cold and disgusting.

Behind the man, a bright red sports car was parked, and in the sports car sat a young and beautiful woman with jewels all over her body.

"Liao...Mr. Liao... .." Galia asked with some concluding words: "Can we... talk about it? "

"Galia! You are really the first stalker! It's been so many years, you can still be so obsessed with me. I have never seen a shameless woman like you. The company that I want to cooperate with is waiting for me!

How can you be so shameless, you dead woman!

So shameless!" At this moment, the man seemed to be going crazy.

"Liao Jie! I already have a boyfriend, and we are about to get married!" Galia suddenly said loudly to Liao Jie.

Chapter 2659

Liao Jie: "... " After

a while, he sneered: "There are more things you said. Is that sentence true?"

After Galia shouted this sentence, she lost her anger and calmed down.

She said sincerely again: "Mr. Liao, we haven't seen each other for five years, and I have never pestered you in these five years, don't worry, I won't pester you again, as I said, I already have a boyfriend.

Also...I apologize to you for my lateness today, I didn't mean it.

I hope you don't give up working with our company because of me.

For your third-tier cities, Yijing As for the main company, being able to take such a large order from us will be able to sustain your productivity for the next two years.

We should all consider the business volume, okay?

You give up such a large order for my own sake, What a pity."

"Galia!" Liao Jie roared, "Damn woman, are you threatening me! You are now working in my upstream company, and you are threatening me with the volume of orders. You mean, do you want me to follow you? When you cooperate, will our company drink the northwest wind for the next two years?"

If you are an hour and a half late today, just give me a slap in the face!

You are really as despicable and unreasonable as you were five years ago!

I think Try, if I don't cooperate with you, will I drink the northwest wind!

Also.

What is your position in your company?

Can you easily decide whether to cooperate or not for such a large order? "

Galia: "..."

She didn't know what to say. After taking a

deep breath, she said: "I'm sorry, Liao Jie, I said something wrong just now, you, don't talk to him. Am I generally knowledgeable? Today, today was indeed my fault.

I shouldn't be late, I apologize to you.

Also I shouldn't say this, I mainly think about us... Let's not let the two of us not be able to cooperate because of what happened before us and my late arrival today.

Isn't this a loss to me and to you? Galia became nervous again invisibly, and her speech was a little incoherent. All

she thought about was the scene when she entangled Liao Jie back then.

The fragments of the hole, even she had a head of lice, she wandered at the door of Liao Jie's house in that form, blocking Liao Jie.

Thinking of this, Galia wanted to die. She wanted to die

because of what she did in the past

. She used to feel guilty about Liao Jie's injury. She originally wanted to forget about it, but it backfired. Five years later, she saw Liao Jie here again.

Today's Liao Jie has retreated from the past. He is young and immature.

He was originally good-looking. He

is more than 1.8 meters tall, a little taller than Christopher. His

face is also long and square, with a righteous face, and the quality of his family and the quality of the whole person, as well as the quality of his life. All aspects of his family's influence can reflect his good temperament.

Such a man was extremely good when he was young.

Now five years have passed, and his temperament has been upgraded to a kind of capable and mature.

Before he came, when the director told him that the other party was President Liao, Galia never thought it was the same person. Now that he knew that Liao Jie was President Liao, Galia also knew that Liao Jie was already managing a fashion company with 2,000 people. the boss.

Galia is happy for him to have such an achievement.

He also felt guilty for the hurt he had done to him.

"I'm sorry, Mr. Liao, I hope you can think about it again. If you have any conditions, you can put it up, okay?" Galia bit her lip and said sincerely.
