

## Chapter 269

Early the next morning, Claire hurried to the studio.

Charlie rode his electric bike to buy vegetables at the vegetable market.

Claire has been busy working on the work of the studio recently. It has been very hard. He bought some high-nutrition dishes to supplement his wife.

When he finished buying vegetables, Charlie just came out of the vegetable market and saw Elsa in there.

“Charlie!” Elsa called him, her face full of excitement.

Charlie looked at her and said in surprise: “Elsa, what a coincidence, you are here too!”

Elsa looked at Charlie and said falteringly: “Yes, no, no, I am.”

Charlie was a little confused, and said, “Speak slowly, have you encountered something?”

Elsa couldn’t help her cheeks getting embarrassed. In fact, she had been waiting outside Claire’s home early in the morning and had been following Charlie all the way.

Elsa plucked up the courage, but her red lip lightly, and said, “I came here to thank you specially. Thank you for saving me yesterday.”

Charlie couldn’t laugh or cry and said, “I saved you because you are Claire’s best friend. You don’t have to be so polite with me for that.”

What did he think it was because of this.

Elsa shook her head and summoned the courage to continue: “Charlie, in fact, I still know that not only did you save me yesterday, but you were also the one who saved me last time at the Aurous Hill Hotel.”

Charlie snorted, how could Elsa know what happened last time? He masked himself last time, she shouldn’t have known it!

He hurriedly denied it and said: “You must have admitted the wrong person? I have never been to an Aurous Hill restaurant. There must be someone else who saved you.”

Elsa looked at Charlie with incomparably complex eyes, with unwillingness, admiration, and unspeakable resentment in it.

Why didn’t he even have the idea of confessing? Isn’t he so worthless in his own eyes? He didn’t even admit to saving her?

Thinking of this, she said with tears in her eyes: “When I was in the Aurous Hill Hotel, Harold invited me to dinner. I was accosted by the rich second generation. As a result, Harold provoked others and was surrounded by people at the door of the restaurant. At the critical juncture, Harold left me and escaped. At that time, there was a masked hero, like a world-famous hero, who defeated everyone and saved me, and you also saved me.”

Speaking of this, Elsa's complexion instantly turned red, and that day she had a skin-to-skin relationship with Charlie, and her pants were taken off by him.

Of course, she also knew very well that Charlie took off her pants, in fact, to save her, and did not have any unruly intentions.

Charlie's face turned green after hearing this, this lady, who really doesn't open the pot, can she admit this kind of thing?

Of course not!

If he let Claire know that something like this happened to him and her girlfriend, she can't blow up the pot!

"Elsa, you really misunderstood. I can fight very well, but I am really not your savior."

After speaking, he hurriedly changed his words: "Even if it was me, it was only the one time I saved you yesterday!"

Seeing that Charlie didn't admit it at this time, Elsa sighed faintly and took out the safe and wealthy stone from her pocket.

"What about this stone? How do you explain it?"

Charlie's eyes widened, isn't this his own stone that has been lost for a long time? He couldn't find it all the time. Why was it in Elsa's hands? Could it be that he rescued her at the Aurous Hill Hotel and it was picked up by her?

## **Chapter 270**

No wonder he couldn't find this stone after that day, it turned out to be lost that day! And it happened to be picked up by Elsa

"I really can't explain it now, let me go", he said in his heart.

Thinking of this, Charlie could only bite the bullet and pretended to be stupid, and said, "What do you mean, isn't this just a broken stone?"

Elsa looked at Charlie's eyes seriously and said, "Don't lie to me, Ervin Jones has already told me that this stone is yours. It is called the Ping An Wealth Stone, and it is unique in the world."

When Charlie heard this, he secretly scolded Ervin Jones bloody, how could this Ervin speak out.

Seeing that Elsa had grasped the conclusive evidence at this time, Charlie could only nod and confessed: "Well, I admit that I was the one who rescued you at the Aurous Hill Hotel at the time, and I saw you by accident that day. Tell Claire!"

As Charlie admitted, the atmosphere between the two became silent for a while.

Charlie was embarrassed that he had concealed his identity for so long, but Elsa directly pierced him, not knowing how to face her.

But Elsa's thoughts are surging like waves, and her mind is extremely complicated.

Elsa looked at Charlie, wanted to speak a few times, but she wanted to stop. Finally, she mustered up the courage and took a step forward, only half a slap away from Charlie's body.

"Charlie, I like you!"

The corner of Charlie's mouth twitched, and he took a step back without a trace, and said: "Elsa, I am your girlfriend's husband"

Elsa gritted her teeth and said: "So what? I know that you and Claire have no relationship basis. You were married at the time because of Mr. Willson. If so, then you not a husband who snatches a girlfriend, you are my girlfriend's fake husband."

With that, Elsa grabbed Charlie's hand and placed it on her heart, and said in a loving tone: "Charlie, I am not an inferior beginning, and I am not inferior to her in any sense. I am still the eldest daughter of the Dong family. And I love you more than her, I am willing to do anything for you."

Charlie felt the plumpness on Elsa's chest, quickly withdrew his hand, and refused: "Elsa, there is absolutely no possibility for the two of us. I cannot betray Claire, and I believe that you are just having a momentary impulse. Don't put your mind on me, it's not worth it."

Elsa was rejected by Charlie, her pretty face said stubbornly: "No, I went back yesterday and thought about it all night, Charlie, since you saved me for the first time, I have fallen in love with you, the second time you saved me, I have fallen in love with you hopelessly!"

As she said, she said loudly and emotionally: "I just like you! I just love you! You believe me, if you are willing to be with me, I will not let anyone look down on you! I can be the silent one next to you forever a woman who supports you!"

Charlie couldn't help smiling wryly.

Elsa only knew that he was her lifesaver, but she didn't know he was also the chairman of the Emgrand Group and the eldest master of the Wade family. If he wanted not to be looked down upon by others, she could immediately disclose his identity and receive worship from countless people from then on.

However, that kind of life is not rare at all.

But Charlie definitely couldn't say that, otherwise it would hurt Elsa too much.

Moreover, it will reveal his true identity.

Elsa looked at Charlie and said stubbornly: "It doesn't matter if you reject me now, but I will definitely not back down. I will use my practical actions to let you know that I love you more and suit you better than ever. I can only be your underground lover in the future, and I am willing to follow you forever!"

Charlie said helplessly: "Elsa, you are just a little impulsive now. I advise you to think about it carefully. Then, I go home to cook, you can think about it yourself."

After finishing speaking, Charlie rode away on the tram like escaping.

Charlie felt that Elsa must have been hot for three minutes, and after two days of hiding, she would definitely have no such thoughts.

However, at this moment, Elsa looked at Charlie's leaving figure, but her eyes were still very firm. She said to herself: "Elsa, don't be discouraged, you can definitely do it!"
