

Catch Me If You Love Me

Chapter 27

Anna Yun looked at her quietly, still calmly.

“The most important thing is that Liam is a public figure. His card fell into the hands of the person who caused the accident, and he was invited by the police station for questioning. Do you know how much this affects his reputation?”

“I didn’t!” Zoey Gu yelled at Anna Yun regardless.

She looked up at Liam Lu with tearful eyes, choked and said.

“He is not my other man, except you, I have no one, he is, he is...”

How can she tell him the truth? How dare to tell him the truth?

“Who is he? Why didn’t he say it?”

Liam Lu leaned over, lowered his voice in a voice that only two people could hear, Liam Lu said, “Zoey Gu, you really make me feel sicker than before.”

She grabbed her heart, and subconsciously wanted to pull his hand, but she was thrown away instantly.

“Don’t touch me, dirty.”

Liam Lu gave her a cold look, then turned to Anna Yun beside him, “Let’s go.”

Anna Yun nodded, and she naturally snuggled into Liam Lu’s arms, before leaving, he took a deep look at Zoey Gu.

“Miss Gu, the person involved is covered in blood and is still being rescued. We are not interested in his identity. But I hope you will stop doing things that are detrimental to Liam.”

Zoey Gu watched as the two walked away, heart-piercing pain in her heart.

God seems to be joking with her all the time, every time she feels that she is closest to her hope, she always gives him a head!

However, Lydia Lin only gave her half a month, and there is no more opportunity...

She was like a drowning person who was forced to the deepest point, eager to catch the last straw. The words of Lu's mother and younger brother Chase kept flashing in my mind repeatedly.

"Zoey, tell Liam the truth and he will help you. Trust me."

"Sister, Brother Liam will help you, go find him, find him..."

As if something exploded in his mind, Zoey Gu almost crawled to his feet from the ground, and chased him in the direction Liam Lu had left.

After leaving the hospital, seeing Liam Lu had crossed the road, Zoey Gu rushed up without thinking.

"Liam Lu!"

Zoey Gu's familiar shout sounded behind him.

Liam Lu turned her head subconsciously, and saw that she was rushing across the road regardless, and did not notice that a fast-moving car was crashing toward her...

"No!"

Liam Lu roared in an instant, and pushed Anna Yun away from his arms, and the wind rushed towards Zoey Gu. Before the car hit her, he pulled her into his arms.

The moment the two fell to the ground, a powerful hand subconsciously covered the back of her head, leading her to roll to the side of the road in embarrassment.

After a while, Liam Lu grabbed her arm and dragged her up mercilessly.

"Zoey Gu, you don't want to die?! Even if you want to die, you must stay away from me!"

The man made an abnormal sound of anger and smashed his head and face.

Zoey Gu raised his head in a daze and looked at Liam Lu. He clearly saw the blue veins on his forehead, his tight face, and the faint trace of... fear?

Her nose sore, "I'm dead, shouldn't you be very happy?"

"...roll!"

Realizing his gaffe, Liam Lu pushed away Zoey Gu and turned around.

But Zoey Gu firmly grasped the sleeve of his shirt.

"Liam, I had difficulties back then, things are not what you see."

“Nowadays, no one can help me except you. Give me some time and I will keep all the truth...”

“Ah—” a scream not far away interrupted her in an instant.

“Miss Gu.” Anna Yun beside Liam Lu opened his mouth.

It is still that elegant and calm face.

“Liam is a man with a successful career. I don’t mind playing outside before getting married. But you can’t take the money he gave you to another man. If something happens today, you How many do you plan to raise outside?”

Zoey Gu’s eyes widened suddenly, he stood up from the bench and looked at Anna Yun inconceivably.

“what are you talking about?!”
