

## Chapter 2701

As the son of the Su family, Zynn has definitely seen many big scenes for so many years, but the whole person is in an unprecedented panic towards Charlie, who is in his twenties.

He didn't understand why the Wade family descendant in front of him was so fierce that he attacked the Su family one after another without any scruples.

In the beginning, even when the competition between Su and Wade was the fiercest, no one dared to play such a fierce tactic. After all, both sides are very strong, which is equivalent to two countries with nuclear weapons. Desperately at balance with each other.

However, Changying's son didn't care about it at all.

He directly tied Shoude, which in itself was not enough to put the Su family in his eyes.

Now, instead of converging, he aimed at himself. This kind of person is simply a disruptor of the rules of the game!

Seeing Charlie's aggressiveness unabated, Zynn's heart was tense, and his mouth softened somewhat. He said seriously: "Although the Eastcliff families have been fighting for so many decades, everyone still retains some basic respect. Although I formed the Anti-Wade Alliance back then, I have never done anything to your parents' personal safety, or threaten them. Why are you here to ambush me and kidnap me?"

Charlie asked coldly: "Are you dead?"

Zynn's expression was startled: "What do you mean?"

Charlie asked again: "I'm asking you, you are dead No?"

Zynn coldly snorted: "Joke, if I die, is the one standing in front of you a ghost?"

Charlie nodded: Yes, you are not dead, but my parents are dead! You keep saying you have never threatened the personal safety of my parents, but my parents have passed away for nearly 20 years. You now casually say that it has nothing to do with you. Do you think I will believe it?

Zynn said nervously: "You can disbelieve it, but you have to know that even in the law, it is a presumption of innocence. If you have evidence that your parents' death is related to me, then you have to kill me. , But if you have no evidence, you can only prove that the death of your parents has something to do with me!"

Charlie smiled: "Mr. Zynn, you are a little too naive, since you're here, you think you will tell me the truth about these rules? If you fall into my hands, you have to play according to my rules and see what happens to your brother. You should be able to know. "

Zynn was shocked, blurted out: "I am the eldest son of Su and I am the future heir my family will not let you!!!"

Charlie curled his lip: "Since I am not afraid that the Su family retaliates, and I tell you, this matter is far from over with you. Your father Chengfeng is also on my list. In addition, if your Su family is found out by

me, who else is with my parents? There is a connection between his death, or whoever is not convinced, I will solve them all one by one!”

Zynn questioned in a panic: “You don’t have any actual evidence right now, so you will attack my family again and again. Is there any morality or justification?”

“The morality or justification?” Charlie sneered: “Your family is not worthy to mention these two words!”

Zynn frowned: “What do you mean?”

Charlie smiled: “What do I mean, you are not clear in your heart? I ask you, Ruoli is your illegitimate daughter?! Zynn heard these words, the expression was a bit embarrassing, and the voice was a little emboldened and said: “Ruoli is indeed my illegitimate daughter, but I am not the one who harmed her!”

Charlie nodded: “I know, your father is the one who harmed her.

Right ?” Zynn dodges Charlie’s aggressive eyes, hesitatingly excuses: “I haven’t got any definitive proof of this matter until now, so whether it is my father or not has yet to be confirmed.

Charlie smiled shamefully: “What a trash!”

Zynn blurted out and asked, “What do you mean?!”

Charlie yelled, “I said you are really a trash! A total trash!”

## **Chapter 2702**

Having said that, Charlie pointed to Zynn’s face that was swollen into a pig’s head, and said coldly: “Ruoli is your illegitimate daughter, and instead of giving her the care and love of her father, you use her as a tool of murder and instigation. She wantonly kills innocents, and all the evil deeds she killed Matsumoto Mansions in Japan are all under your indictment! You are unkind, shameless, cruel and unjust, and in vain as a father!

‘Also! Ruoli’s biological mother was by your side for so many years, she had done her best to protect you, she broke an arm for you, and then gave birth to Ruoli for you, but how did you treat her? Have you openly acknowledged her identity? Have you paid for her? Say a word of thanks? You not only failed your own flesh and blood, but you also failed the person who loved you most in the world!’

Zynn’s expression suddenly became very ugly, but anger is not overwhelming, but what is overwhelming is the shame.

Charlie looked at him and continued: “That’s all, but when Ruoli was arrested, instead of saving your own bones and blood, your family colluded with the Self-Defense Forces inside and out, using Ruoli’s life to give The Self-Defense Forces in exchange for military exploits, although this is not what you did, it is the insidious handwriting of your father Chengfeng. You have no affection, shamelessly, and cruel, and your father Chengfeng is your enhanced version! A nest of rats, I am talking about!

Zynn’s eyes were a little dodge, and his face became flushed.

Charlie said coldly: “Ms. Liona is your wife, who will give birth to you; Zhiyu is your eldest daughter, supposed to be your jewel in your palm, but your family laid a net to kill the mother and daughter in Aurous Hill. This is more than unkindness, shamelessness, cruelty, and injustice? This is simply a disregard of human relations. The scum of society and the dregs of the world, punishable in the worst possible way!

Zynn blurted out subconsciously: “I never wanted to kill Ruoli, let alone kill Zhiyu and her mother! These are all my father did!

Charlie coldly Said: “Even if these are your father’s actions, as a husband, as a father, you don’t need to protect your wife and daughter? After the accident of your wife and daughter did you avenge your wife and daughter? But instead, you ran to him from Australia. With a flattering face beside your father, you knelt and licked the murderer and helped the gang to abuse your blood. This proves that you are not only disregarding human relations, unkindness, and shameless undertakings but also selling daughter for glory and wife for glory!

“You sell personality, character, dignity, and flesh and blood, just to be able to inherit the Su family’s property in the future. In your eyes, money is more important than anything else, and you are just a damn pile of sh!t!”

Charlie was already extremely strong, coupled with being a top expert and aura, so when his emotions became stronger and stronger, every word he said made Zynn feel like he was hammering his heart.

Zynn’s heart, under Charlie’s repeated rebuke, repeatedly suffered heavy hammers, and the whole person’s mind became extremely fragile.

Charlie looked at him and asked, “Zynn, have you ever thought that if your two daughters are already dead, how will you face them after death? When you see them, how do you kneel and confess to them?!”

“Or you won’t confess at all, because you are an inhuman beast at the end of the day! You don’t care about anyone’s life and death, you only care about your own prosperity and wealth!”

“Maybe Ruoli’s death, give What you exchanged is Chengfeng’s guilt, perhaps Zhiyu’s death gave you Chengfeng’s trust!”

“And the deaths of the two of them were combined, and the one exchanged for you was as the heir of the Su family. The supreme glory!”

‘If your son Zhifei dies and can change you back to the position of the richest man in the world, will you agree to it without hesitation?!

“I guess you will definitely agree because you want only the glory, the coronation crown, you do not care about your body yellow robe, sewn with the flesh of your sons and daughters, but do care about your head crown, with their man-made bone! “

“In my opinion, even if you make two Ascend to the throne with only the heads of your one son, two daughters, and three people in your hand, and you will never hesitate!”

“Take you as a person, you will even cut off the heads of the three of them with your own hands.”

## Chapter 2703

In Charlie's words, every word hit Zynn's heart.

At this moment, when he imagined that he walked on the bloody throne with the heads of Zhifei, Zhiyu, and Ruoli in both hands, the dam in his heart burst instantly.

His tears gushing about blurted shouted: "!!!! No not like that I never thought to use their lives in exchange for wealth and status, I have been forced to be like that ah"

Speaking of which Zynn was even more emotional, and continued: "All this is my father's work! And every time he makes this kind of decision, even when he issued this kind of order, he never told me, I am also very painful. , But I can't help it!

Charlie asked coldly: "Are you really unable to do it, or open one eye and close one eye?!"

Zynn thumped and knelt on the ground, crying bitterly: "Ruoli was caught and the Japanese wanted her life. I told my father that I said that I would try my best to save her back. He agreed. I even let Ruoli's biological mother go to Japan and tell her the good news. But I don't know, all of this is my father's strategy! When I knew it, Ruoli's whereabouts were missing."

At this point, Zynn grabbed his hair and said in tears, "There are also Liona and Zhiyu. I know that Liona has always loved your father. She told me when she married me, but I didn't expect that after so many years of marriage and two children, she still can't forget your father!

"I admit, I really hate her, I hate her for not having me in her eyes, but I never thought of killing her. It was my father who thought she was insulting the Su family, so he planned all that. But how do I know Zhiyu was in the same car as her.

"Liona is dead, I don't care. I loved her so much, she hurt me so much, I'm tired, Zhiyu is my flesh and blood, my most beloved daughter, how can I not feel sorry for her? But I don't have the ability to save all of this.

Charlie saw that he was extremely emotional, and asked in a cold voice: "If you are given a chance to save the lives of your two daughters, what price are you willing to pay?"

Zynn said without hesitation: "I am willing to pay any price! Even if it is for me to die immediately, as long as the two of them are safe, I am willing!

Charlie nodded: "This is what you said, you remember and don't go back on what you say."

Zynn thought that Charlie was mocking him, he got angry and roared: "?! What do you mean you really think I'm a heartless beast you really think I would be willing to use my two daughter's life for wealth and status? ?!"

"I tell you, the reason why I chose to succumb to my father is entirely because a done deal is done. I have no other way! I can only try to reduce the loss as much as possible. Both daughters are gone. I must guarantee that I can get the position of the heir to the family!"

This is like a business, I have invested a huge cost, no matter what, I will win to the end!

Charlie sneered: "Don't be so excited, I don't want to mock you, I just let you remember what you just said."

After speaking, Charlie took out the mobile phone placed in the pocket of his chest jacket, and the finger camera was just exposed out of the pocket.

After taking out the phone, Charlie clicked on the red area where the video was stopped, and the video has been recorded.

Afterwards, he shook his cell phone and said to Zynn: "Everything you said just now is here."

Zynn was confused: "What are you going to do?"

After speaking, he looked nervous. Questioning: "Are you going to publish this video?!"

Charlie asked him back: "What? Are you afraid that the old dog Chengfeng will break with you after seeing it?" Zynn swallowed his saliva and said nervously. "You have already controlled my second brother. If you abolish me, what good will it do to you?"

After saying that, he hurriedly said respectfully: "If you let me go today, I can give you a fortune. How about 10 billion compensation? If it's not enough, I can add more!"

#### **Chapter 2704**

Charlie waved his hand: "Zynn, you think too much, other things may be solved with money, but today's matter, even if you hand over the entire Su family to me, it is useless."

After speaking, he sneered and said again: "But you can rest assured that I will not release this video."

Zynn was in disbelief and asked: "Are you sure it will not be released?!"

Charlie nodded, smiled, and said: "At least I'm not going to announce."

Then he looked at the time, smiled, and said: "It is almost time. No? Let's go, I'll take you to meet some old friends."

Zynn thought Charlie would take him to see his younger brother Shoude. He trembled nervously and blurted out, "Where are you taking me?!" Charlie smiled slightly. "You guess."

Zynn said nervously: "I can't guess what to say, and he said again: "Aren't you going to take me to see Shoude?!"

Charlie smiled and said, "Don't worry, I will make arrangements for you. The package is completely different from your second brother's. You two can't meet each other. After that, he grabbed Zynn's collar and said coldly: "The person you want to meet lives in this hotel. You will know later."

Zynn was terrified in his heart, but he could only be dragged forward by Charlie.

After leaving the door of the room, he was shocked to find that several people in black were standing at the door of several rooms next door.

Including the room where his four subordinates lived, it was also closely guarded by men in black at this time.

Zynn knew very well in his heart that looking at this posture, his own people are probably too ill-fortune. But he didn't die, at least it was controlled by Charlie's men.

At this moment, Issac walked up to him, took a look at Zynn, and respectfully said to Charlie: "Master, what do you do with Zynn? Do you want to take him to Orvel's dog farm by helicopter now?"

When Zynn heard this, his whole body shuddered, and his heart jumped wildly with fright.

Charlie smiled slightly: "Mr. Issac, don't send everyone to the kennel. After all, the main purpose of the kennel is to raise dogs. If we catch people, we will send them inside. There are more people than dogs. Do you think it will be called a kennel farm or a human farm in the future?" Issac said with both hands and respectfully: "Master is right! Since he is not sent to the kennel farm, where should he be given? , Sent to Changbai Mountain, and digging ginseng with the Wei family father and son, it is also a good choice.

After that, Issac sighed and said: "It's just a pity that the weather is already warming up in the spring. Extremely cold winter is gone: It's a pity, it's a big deal.

Charlie smiled and said, "These people are even more filthy than the Wei family and his sons together. If they were sent to Changbai Mountain, that would be dumping non-recyclable and harmful garbage to Changbai Mountain." After that, he wiped a sneer on the corner of his mouth and said sharply. : "Take him to the executive floor first. After meeting the person he should meet, he'll be self-confident!

## **Chapter 2705**

Charlie and Issac questioned and answered, leaving the scared soul of Zynn beside them in an uncertain state.

He really didn't expect that Charlie's hand was so dark, and he was angrily cursing in his heart: "Send people to the kennel, is this the fcking human? Sending people to Changbai Mountain to dig ginseng?! This fcking filth is done by humans. What's the matter? In fact, whether it is a dog farm, Changbai Mountain, or Black Coal Kiln and Sierra Leone, these people who know Charlie have long been familiar with Charlie.

However, Charlie's words are been compared by Zynn. He lives in the dark, so Zynn knew nothing about Charlie's methods.

It was also because he didn't know anything about it, so when he heard some clues at first, he was immediately frightened. And when he heard Charlie He said that when he wanted to take him to the executive floor, he was even more puzzled.

He didn't know why Charlie wants to take him to the executive floor. According to his words, he is being taken to meet a few old friends, but the old friend? Who would the friend be?

Suspiciously, Zynn was dragged into the elevator by Charlie.

Then, the elevator came to the top floor.

At this time, the passage from the elevator door to the executive floor was completely sealed by Issac's men.

Charlie took the flustered Zynn and went straight to the room where Liona and Zhiyu lived. At this moment, Liona and Zhiyu didn't know anything about this.

It was only twenty minutes. Earlier, Issac's men had just delivered breakfast to the mother and daughter.

These days, the mother and daughter have become accustomed to this kind of life under house arrest.

Although they cannot go out, communicate with the outside world, or even have any way to obtain information from the outside world, it was difficult for the mother and daughter to adapt in the initial time, but after a little longer, the two fell in love with this simple life in isolation.

There is no WeChat, no phone, no visitors, no news, variety shows, and TV series. What the mother and daughter do the most every day is to snuggle together and chat and read books. Over time, the relationship between the mother and daughter has a new kind of flavor. The sublimation.

After all, in modern society, it is not easy to think about a few days of isolation from the world, modern technology, communications, and entertainment.

Sometimes Zhiyu would complain, saying that living here is not as good as a prison. At least there is still time to relax in the prison. You can also watch TV and learn about the current affairs news of the outside world. But here, she doesn't know the world at all. What happened.

After dinner, Liona was packing up the dinner plates and said: "Zhiyu, you will help me speak to the guard at the door in a moment, and let them buy some books.

Zhiyu nodded and asked her: "Mom, what book do you want to read?"

Liona smiled and said, "Suddenly miss our youth when the most popular literary works in China at that time were a batch of classic masterpieces from the former Soviet Union, such as "How Steel is Made", "The Dawn is Quiet Here" and "The Quiet Don River". At that time, most of the films in the theaters were films from the former Soviet Union period. The most famous one was "Lenin in 1918".

Zhiyu said blankly: "Mom, what you said, I don't seem to have any impression.

Liona smiled slightly: "These are some very old works. You young people may not like to watch them, but they still have a deep impact on our generation.

Zhiyu nodded: "Then I will talk to the guard at the door in a while."

After that, she couldn't help sighing helplessly and said: "I don't know when my Grace is going to see us. I dreamed of him last night.

Liona asked curiously: "What did you dream of him?"

Zhiyu smiled bitterly: "I dreamed that he was fighting with Dad. Dad was beaten with a bruised nose and swollen nose, and he called me to help."

Liona smiled and asked her, "So did you help?"

"No." Zhiyu stuck out her tongue and said, "Not only did I fail to help him, but I kicked his shoes into the river.

## Chapter 2706

Liona couldn't help laughing a few times: "Haha, what kind of dream are you having recently?"

Zhiyu smiled: "In my dream, it seems to be on the bank of the Yongding River, which is where I liked to fly kites when I was a kid.

Then, Zhiyu said again: "You said it's strange to dream. I seem to be a little girl in my dream, but when I dreamed, I didn't feel at all against it.

Liona nodded: "What's weird about this, most of the dreams that violate peace are incomparably invested when you are in the dream, and you only feel absurd when you wake up.

She said, she sighed softly and continued:" In my life, I don't know how many absurd and weird dreams I have had. I dreamed that the dead person was still alive and that I had changed a life."

Zhiyu looked at Liona and saw that her face was always indelible. Regrettably, she couldn't help asking: "Mom, do you regret marrying dad?"

Liona was slightly ashamed, and immediately gave a wry smile, and said: "If I were the girl who was as old as you back then, knowing that marrying that man would be accompanied by a lifetime of unwillingness, Then she will definitely not marry, but when that girl has a daughter the same size as she used to be, if you ask her again, she will definitely not regret it.

After Zhiyu listened, her eyes couldn't help but a reddish color.

She knows the meaning of her mother's words.

If it is only for herself, marrying her father is regrettable; but if she also counts herself, marrying her father and having herself and a brother, she does not regret it.

It's just that she doesn't regret this sentence, but the true love of her mother's life is buried.

Zhiyu couldn't help but said, "Thank you

Liona with a smile: "Silly girl, thank me for what?"

After that, she gently wiped away the teardrops from the corners of Zhiyu's eyes, and said seriously: "So, you are not me, you are the same as the girl who was the same age as you back then, so you must be careful when choosing the other half in the future. , Don't take the mother's old path, there are countless kinds of men in this world, tall, short, fat, thin, white, black, poor, and rich. All these are not important, only The right one is the most important, so in the future, you must choose the right one. Remember what mom said, don't forget."

Zhiyu nodded and said earnestly: "Mom, I will."

At this moment, the doorbell suddenly rang.

Zhiyu hurriedly said: "It should be the aunt who comes to collect the tableware. I will open the door.

After that, she got up and went to the door of the room, stretched out her hand, and opened the door.

But she never dreamed that at the moment when the door was opened, it was a man.

Charlie who she had been dreaming about and dreaming for a long time!

At this time, he was tall and thin with a cold expression. Charlie stood at the door of Zhiyu's room. When his face was close at hand, Zhiyu was struck by lightning, and the excitement in his heart could not be restrained.

She looked at Charlie with ecstasy and blurted out: "Benevolence! It's really you!"

Charlie looked at Zhiyu, and said blankly: "Miss Su, please give me a favor."

Zhiyu is not clear, but she still obediently stepped back and asked subconsciously: "Benevolence, do you want to come in?"

Charlie didn't say a word. He pulled Zynn out from the wall on the outside of the door. He drew in front of him.

Zhiyu didn't have time to see Zynn's face in an instant, only to see Charlie pulling out a person from the blind spot next to him, and then there was a bang!

Charlie actually raised his foot, kicked the man into the room with one foot!

### **Chapter 2707**

Seeing a figure roll directly into the room from his feet, Zhiyu was also taken aback.

However, she didn't care to see who the man rolling by her feet was, instead, she focused all her attention on Charlie's face.

Seeing him really standing in front of her, Zhiyu's whole body seemed to be completely captured by him in an instant. The longing for many days at this moment is like a spring, from her heart, straight into her eye sockets, immediately afterwards, turned into bean-sized teardrops and rolled down.

She knelt on the ground almost without thinking, and said with a choking voice, "Thank you benefactor for saving my life twice! Thank benefactor for saving my brother, and thank benefactor for saving my mother.

Charlie, pointing blankly at the swollen nose on the ground not far away. Zynn, coldly said: "Don't rush to thank me, you see who he is!"

Hearing this, Zhiyu subconsciously turned around and looked around, and the whole person was struck by lightning!

"Dad?!"

Zhiyu couldn't even dream of it. The person who was kicked in by Charlie turned out to be her own father, Zynn!

At this time, Zynn was also completely confused! Zhiyu has been missing, although the old man guessed that it might be by the Japanese master, but Zynn didn't understand this layer of mystery. His judgment about Zhiyu's life and death was originally half information, but he didn't expect that she was really alive!

Moreover, it was in the Wade family hotel!

Zynn was tortured several times by Charlie's soul just now, and the whole person was in extreme guilt towards his two daughters. Now that Zhiyu is still alive, he burst into tears: "Zhiyu, Zhiyu, you really are still alive. I'm sorry!

At this time, Liona with a shocked look had already come to Zynn's side. She looked down at Zynn and then looked up at Charlie at the door. The whole person suddenly felt like a world away.

Charlie really looks a lot like Changying.

Standing in front of Liona made her feel as if she was back thirty years ago.

All of a sudden, she returned to the time when she loved Changying and dreamed of marrying him.

At this time, Zynn saw Liona walking out, and the whole person was even more struck by lightning.

He looked at Liona, and subconsciously blurted out: "Liona, you are also alive.

Liona was awakened by this sound. She recovered from the memory. Then she looked down at Zynn and saw Zynn's fifty-something face.

She returned to reality from the dream. She looked at him, her expression and eyes were so calm that Zynn's heart was inexplicably flustered.

Then, she said in the same calm tone: "Zynn, after so many things, the divorce agreement can you sign it?"

Zynn was ashamed and choked: I signed it and waited for you to return, so I immediately signed it.

Liona counted and nodded, and said, "When you finish signing, there will be nothing between me and you." Cleared up, I will not pursue all the things that happened before."

Zynn said with tears on his face: "Liona, the kidnappings and car accidents were arranged by father alone, and it has nothing to do with me!"

I know." Liona smiled slightly: "If you are married, I know you will hate me." He may not really be able to kill.

## **Chapter 2708**

Zhiyu rushed to Zynn at this time and blurted out: "Dad, why did Grandpa do this?! Why would he kill my mother?!"

Zynn said with great shame: "Your grandpa, his style of behavior is like this. He was only aimed at your mother, not at you, but he didn't expect that you were also at the same place.

Zhiyu blurted out anger: What is the difference between targeting my mother and targeting me?! He made people kill my mother, didn't he think about it? After that, will I not find him for revenge in the future?!"

Zynn was speechless. After hesitating for a while, he sighed and said, "What can I do? Your grandpa said, I'm going to Australia overnight; He said another word, I rolled back from Australia overnight. He has all the resources of the Su family under his control, and everyone in the Su family has been played by him.

Zhiyu questioned angrily: "Ruoli is also your daughter. Her unfound body is now a gift from grandpa. My mother and I almost died in Aurous Hill. It was also his instigation behind the scenes. Three people and three lives. Isn't it enough for you to avenge us?!"

Zynn was ashamed and embarrassed. He covered his face with both hands and cried bitterly: "I, I think too! But what can I do? Leave the Su family and break with your grandfather. The resources I can mobilize are probably less than 1% of the Su family. It is difficult for me to take revenge, even if you protect yourself, so I can only bear the humiliation, and after I get the position of Su Family Patriarch..."

Zhiyu shook her head, and said with an extremely disappointed expression: "Dad, I understand. You, even if you get the Su Family Patriarch, you will not avenge us, you will only be your Su Family Patriarch, and everything else is just a passing flick.

Zynn waved his hand: "No, no. How could I be like this?"

Charlie said coldly at this time: "You said you are not such a person. What are you doing when your two daughters are unclear about life and death? In front of your wife and children, talk about watching you. Why are you doing in Aurous Hill?"

Zynn blurted out: "I came to Aurous Hill to find the whereabouts of wife and daughter!

Did you find?" Charlie sneered: Aurous Hill is full of my informers. I never heard that you are really looking for the wife and daughter. I only know that you came to Aurous Hill and stayed in Shangri-La quietly. Find a chance to get closer to Ito Yuuhiko from Japan!"

As for why you are looking for him, it is because your family's shipping permit has been revoked and you are losing heavily every day, so you want to cooperate with the Ito family to quietly transition the blocked shipping business. When he arrived in Japan, am I right?!"

"I, I" Zynn was speechless for a while, and said: "This is the task my father gave me. I dare not disobey.

Charlie sneered: "Come on, Zynn. What Zhiyu said just now is right. What you really value in your eyes is the position of the head of the Su family. It is not a love for children at all. For this position, you can sacrifice anything, including your close relatives!

Zynn Strongly denied: "No! It's not what you said! I am willing to do anything for my daughter, but I was really incapable before! I am incapable!

" "Oh? Is it?" Charlie looked at him and sneered. He asked: "Zynn, you said you are willing to do anything for your daughter, do you take this seriously?"

Zynn said without hesitation: "I swear to heaven!

Charlie nodded and smiled: "I remember you just now also said that you're willing to use your life to replace the lives of your two daughters. Now is the time to test whether you are sincere."

After speaking, he turned around and said to Issac outside the room: "Go, bring the other guest here!"

Issac naturally knew that the other guest he was talking about was Ruoli!

So he didn't hesitate to say: "OK master, wait a minute!"

## **Chapter 2709**

Ruoli's room was not far from the rooms of Liona and Zhiyu. They were all in the same area of the executive floor, but there were a dozen rooms in between.

At this time, she naturally didn't know anything about what happened in Zhiyu's room.

Recently, she has been seizing the time to practice martial arts.

Charlie had directly increased her Ren Vessel patency, which made her whole person's strength and foundation go through earth-shaking changes, so she couldn't wait to take advantage of the good foundation Charlie laid for herself and improve her strength quickly.

At this time, Ruoli was wearing sports underwear in the room for morning exercises, and suddenly heard the doorbell, subconsciously it must be Charlie, and ran to the door with excitement.

When she was about to open the door, she heard Issac's voice outside the door: "Ms. Su is awake?"

Ruoli's hand that was about to touch the doorknob suddenly stopped, and asked a little disappointedly: "Is there anything wrong with Mr. Issac?"

Issac said politely: "That's right, our young master is here, and has a few acquaintances in another room. He would like to invite you to come there too. I don't know if it is convenient for you."

Ruoli heard that Charlie was looking for her, and she was a little disappointed just now. She is now excited to the extreme, like a little girl who just fell in love, so she hurriedly said: "Mr. Issac wait a minute, I will change my clothes. Come out right away!"

After speaking, she hurried back to the bedroom. Although she was covered with fragrant sweat, she didn't care about taking a shower. She wiped it quickly and changed her clothes.

Before she went out, she went to the mirror and looked at the mirror carefully. After looking at it for a moment, she saw that although her face in the mirror was radiant, her lips were red and her teeth were white, but she still lacked the sense of sophistication after applying pink and white, she couldn't help but felt a little lost, and said to herself, "Hey, I didn't learn to apply makeup before, and there was never even a lipstick around me. There are no eyebrow pencils, or else I could dress up a little."

In desperation, she could only dispel this idea and hurried out. When she arrived at the door, Issac was waiting for her.

Seeing Ruoli coming out, he made a gesture of inviting and said, "Miss Su, please come with me."

Ruoli nodded and followed Issac to the room where Charlie was.

At this time, except for Charlie. Besides Issac, Zynn, Zhiyu, and Liona didn't know who Charlie was talking about as the 'other guest'.

Therefore, the three of them were very curious.

Soon, the doorbell rang outside, and Issac was outside with someone. He opened his mouth and said, "Master, please come here.

Charlie gave a hum, and said, "Let her come in. Issac immediately opened the door and said to Ruoli beside him: "Miss Su, please.

Ruoli stepped forward and saw Charlie standing inside the door. She felt extremely happy in her heart, but after she saw the other people around Charlie clearly, her whole body was dumbfounded.

She never dreamed that her father Zynn, half-sister Zhiyu, and Zhiyu's biological mother Liona were all here!

Zynn, Zhiyu, and Liona saw Ruoli enter. When she entered, she was shocked to add!

No one thought that Ruoli, who disappeared in Japan, was still alive!

The whole of Japan was struggling to find her, and the Metropolitan Police Department carried out a carpet search across the country. The soldiers of the Self-Defense Force also searched every city in the mainland, and conspired with Chengfeng to do meritorious service, but accidentally played with the Maritime Self-Defense Force. , But no one found Ruoli's whereabouts.

They once believed that Ruoli should have been killed at sea. After all, it was really difficult to find someone in the sea.

The Su family also felt that Ruoli 90% was dead, and there was a high probability that she would be buried on the bottom of the sea. Otherwise, how could she escape from the net of security forces which encompassed heaven and earth?!

But now, she appeared to them alive. before!

Moreover, this is not Japan!

This is Aurous Hill!

Moreover, since she is Charlie's guest, it must be Charlie who rescued her.

From this point of view, this man simply has the ability to reach the sky!

If he does not have the ability to reach the sky, how could he bring Ruoli back quietly from the tiger and wolf's mouth?!

This is simply incredible! The one who is most excited is naturally Zynn.

Seeing that Ruoli was still alive, he was even more emotional, and cried and said, "Ruoli! Ruoli is that really you! It's so hard for Dad to find you!

## **Chapter 2710**

Charlie rolled his eyes and looked at him, raising his hand just to slap him.

"Pop!

This slap made Zhiyu and Ruoli both surprised!

Zynn was also completely stunned, and asked with anger in his heart: "What's the matter with you? What the hell is wrong with you? Why are you hitting me again? Me? And hit me in front of my wife and daughters!"

Charlie asked coldly at this time: "Zynn, you are so shameless. After Ruoli disappeared, did you really look for her?"

Zynn said. Startled.

"Yes, did you look for her?"

"Of course not."

"That's because you really couldn't find her."

"She disappeared in the vast ocean, and the power of the whole country could not find her. How can I, Zynn, have this ability?"

"Because I knew that the chance was slim. It was negligible, so I didn't really think of looking for her at all."

"Besides, I've been pressed by the old man all the time, and I couldn't mobilize any resources. The old man just sold Ruoli on the front foot. If I went to find her on the back foot, why don't I confront the old man? So, I really haven't looked for her."

"In other words, this leaves the slap in the face, in the right place. Thinking of this, he hung his head in shame, mouth choking." If away, you get caught in Japan, I really want to save you, your grandfather kept saying that he would help me save you, but I didn't expect that he would talk to the Self-Defense Force about those nasty conditions on my back.

Ruoli's eyes burst into tears. She also guessed that she really wanted to. Grandpa Chengfeng must be the one who betrayed her.

However, her heart felt a little cold when she thought that her father had not made any substantial efforts to save her.

She felt that even if she was an illegitimate daughter, she was always the flesh and blood of Zynn.

His own flesh and blood were betrayed in this way, and even her life and death were unknown. He did nothing, and it was indeed too impersonal.

Seeing her crying, Charlie smiled slightly, and comforted: "If you are away, don't be sad, don't say you are an illegitimate daughter, even the eldest daughter Zhiyu, she is still helpless and has never done anything. This person has no humanity at all. All he wants is the position of Su Family Patriarch. No matter whose head is used to change it, he will not hesitate."

Ruoli heard Charlie's words, lightheartedly.

She nodded lightly. The last time she followed Charlie to catch Shoude, the second child of the Su family, so after that time, she knew what happened to Liona and Zhiyu. When she thought of this and then of herself, her expression suddenly changed. She was even more disappointed.

In her opinion, the Su family is indeed the tomb of family love and humanity. For the family, there is nothing in this world that cannot be sacrificed or given up.

Zynn saw the eyes of his two daughters looking at him, which are full of deep disappointment and indifference, and then his heart collapsed.

He knelt on the ground, crying and wailing: Zhiyu, Ruoli, it is me who has not fulfilled his obligations as a father, it is me Without protecting you properly, I was wrong, I was guilty. I am guilty.

Ruoli turned her face directly and turned her back to Zynn to wipe the tears, while Zhiyu, the tears have long been flowing like a spring.

At this time, Charlie looked at Zynn and yelled coldly: “Zynn! You antagonized my parents and established the Anti-Wade Alliance, and there is a high probability that you will be responsible for the death of my parents, but I have repeatedly saved your family bloodline four times!

In Kyoto, I saved your son Zhifei and daughter Zhiyu! “

In Tokyo, I saved your illegitimate daughter Ruoli!

“In Aurous Hill, I saved your wife Liona, and saved your daughter Zhiyu one again!

“Leave Aunt Liona aside, I have saved three of you from the Su family and four lives!

“Zynn! You just said that you are willing to use your life for the lives of your two daughters. Now both of your daughters are intact. Standing here without loss, it’s time for you to fulfill your promise!!!
