around, Galia looked at Lin Dazhou indifferently: "Mr. Lin, please make sure you pay us money, or we will see you in court. "

Lindazhou's face darkened.

He never thought that he would be in such an embarrassing situation in this life.

Just imagine, Galia made such a big contribution to the company back then, you can't blame her if you don't thank her, after all, she was paid, but why did you kill them all?

To put it bluntly, isn't it because I feel that the little girl is timid, fragile, and easy to bully?

Now, hit the steel plate, right?

Lin Dazhou came to tear Galia with confidence, but he was so embarrassed that he had nowhere to hide. The sweat on his face was dripping down, and the hair was sweaty in locks and locks, how ugly it was How ugly it is.

And he hasn't wiped anything yet.

He only opened his mouth, he must be embarrassed: "This...I...you, this..."

"Mr. Lin, is there anything else you need to expose me? If so, please tell me all, I'll wait." Galia looked at Lin Dazhou with a calm expression.

Although those eyes were peaceful, they were enough to kill Lindazhou.

Lin Dazhou's voice became very small: "No... no more."

"Then please convert the time you took us today into money as soon as possible and compensate us." Galia is business-like. said.

"Okay." It's okay not to give it.

You have indeed taken up other people's resources for the whole morning without talking about any serious business.

This is the biggest nonsense in the world.

It's ridiculous.

"Then don't send it away!" Galia has already started to order the eviction.

"Okay, I...I'll go right now." Lindazhou was eager to leave here and disappear quickly.

He got up and was about to go out in a daze, but a woman gambled at the door.

The woman raised her hand to hold the door frame, and said in a slow and soft voice: "Mr. Lin, don't rush to leave, you can't cure this woman, I can cure it, I ask you to stay and see what happens to this woman, so that I can give it to you. Let out a bad breath."

While speaking, Cui Yingying had already entered the reception room.

She went straight to Galia and slapped Galia in the face: "Galia! I will fire you now! Before you are fired, please apologize to my client, Mr. Lin Dazhou!"

Galia touched her cheek and looked at Cui Yingying calmly: "You...why are you? Hit me?"

She cannot be beaten.

Because she didn't want to lose face to Christopher.

She looked at Cui Yingying calmly: "Miss Cui, you are not an employee of the Fu Group, right? Since you are not an employee of the Fu Group, what qualifications do you have to fire me?"

Also!

You fight in front of the whole company. I slapped my hand, and everyone who was sitting saw it, you should be held legally responsible!”

“You dare!” Cui Yingying acted arrogantly: “Am I an employee of the company, but my father is the company’s employee? Director, one-fifth of this company belongs to my father!

it because I asked Mr. Lin to compensate our company millions today?”

“Not only?” Cui Yingying sarcastically She sneered: “How did you blackmail my boyfriend back then, have you forgotten? You have amnesia, you have amnesia?”

Galia: “I have never blackmailed your boyfriend!”

Cui Yingying suddenly laughed: “ Oh, by the way, I forgot, that’s not blackmail, it’s even more extreme than blackmail! You’re looking for life and death to rely on my boyfriend!
