I beg you. "

Liao Jie dreams of seeing Galia like this.

Therefore, he pressed Galia step by step, but Galia always took the tricks calmly and easily dismantled them. Even Galia said that even if they It doesn't matter if the company doesn't cooperate with him, Liao Jie.

This is obviously a kind of expelling him.

The poor little guy who was low in the dust in the past dares to expel him head-on now. He even

dares to reject him.

At that time, The anger in Liao Jie's heart was like a turbulent tsunami.

He almost didn't think about anything else . He

just wanted to defeat Galia, and then conquer Galia, just to make Galia a pug at his feet.

Therefore, he not only has to cooperate with the Fu Group with a thick skin, but also insists that Galia leave the company by calling or interviewing directly again and again.

He bluntly slandered Galia because he still likes him, so he is unwilling to let go.

Even if Galia Over and over again, she emphasized to him that she already had a boyfriend. But

he never believed it!

Even if she did have a boyfriend, she must be a small wage earner in the market!

Compared with him, Liao Jie, how could she be? Can he fight against him Liao Jie? What

's more, he himself has the help of Chairman Cui of Fu Group and his girlfriend Cui Yingying. It is too easy to get rid of

Galia . After clearing it, he will block Galia's escape route.

He just wants to stage a large-scale social death scene about Galia's workplace, so that Galia doesn't know how to end it, and then obediently obey him Liao Jie.

He wants Galia to know that he, Liao Jie, can live in her Galia's life and death power.

But, Liao Jie had no way out, even thinking about it, she never thought that Galia really had a boyfriend. Not only did Galia have a boyfriend, but the boyfriend she was looking for was even better than his Liao Jie.

More aura, more power.

Galia's boyfriend wants to run over Liao Jie to death.

That's a matter of minutes.

"What's the matter, Mr. Liao, answer my question, have you thought about it for so long?" Christophersi didn't let Liao Jie off.

Liao Jie: "No, Mr. Yan, no, in fact, I used to be... very good, I am excellent in all aspects, and everything I have now is due to my own hard work.

I'm not that bad. Maybe

I was too painful to be entangled by Galia at the time, and I hated it in my heart.

I... I'm sorry.

I shouldn't be like this, everything is my fault.

Mr. Yan "..."

Seeing that Christopher was unmoved, Liao Jie turned his eyes to Galia again: "Galia, that... For the sake of our relationship, and We..."

"I should have known earlier that you are such a vicious and insidious person with a very dark heart. I will never fall in love with you, Liao Jie. I regret now why I chose you back then.

I think my current husband is 100,000 times stronger than you. Mr.

Liao, you don't need to say anything about apology. It's useless to say it.

Lin Dazhou was recruited by you.

He must treat our company Compensation, and you? What

are you going to do?

Is it possible that you would think that your girlfriend's father is one of the directors of our company, so you can be forgiven?

By the way, when I mentioned your girlfriend, I suddenly remembered. At

this time, Galia glanced at Cui Yingying innocently: "I'm sorry, Miss Cui, although your father is a director of the company, my husband is also a director of the company. From the perspective of family members, I seem to be more Your level is even higher.

Neither you, nor your father, should have the right to fire me. After a pause, she added: "

I have something to tell you, your boyfriend was dumped by me. I'm sorry. "

## Chapter 2725

Liao Jie and Cui Yingying blushed at the same time and looked at Galia with thick necks.

Cui Yingying: "Galia...Miss Yan, no... Mrs. President..."

Galia smiled peacefully: "I know what you meant before, Liao Jie is your boyfriend, you don't allow your boyfriend to have a mediocre ex-girlfriend like me, and you even feel jealous when you see me. meaning.

Even if I'm already an ex.

It's past tense.

You still don't want to let me go.

It's also because you think stepping on me is as easy as stepping on an ant, so you don't care.

You just can't see any of Liao Jie's predecessors anyway. You are disgusting, you are disgusting!

So, even if you know from the beginning that I work hard and that I have never cheated the company, you don't care!

You are the chairman's daughter, Miss!

You are capricious!

You can dominate the life and death of others!

isn't it? "

Cui Yingying: "..."

"Miss Cui, have you ever thought about it, are you wronging, slandering, slandering, or throwing dirty water on my head? I have no grudges with you, it's just that my former boyfriend is your current boyfriend, You put me to death?

Why are you!

I'm sorry Miss Cui, but you will receive the lawyer's letter from me.

You wait for the court subpoena!

and also! "

Galia looked at Chairman Cui again: "Director Cui, I have contributed to the Fu Group, so you fired me for no reason and no reason, are you going to give me a high compensation?"

If you say what you say, do what you say.

Please pay me the high compensation first!

Then!

Then I will still come to the company to work.

Because I am Mrs. Yan.

Because ten percent of my husband's twenty percent shares are mine.

No one can stop me!

I also want to tell you, there is one thing I have never said!

From the first day I just got off the plane and came to this city, the person who came to pick me up at the airport was the real head of the Fu Group, Arron's wife Suzi who came to pick me up! "

As soon as these words came out, the audience was shocked.

Who is Suzi?

Everyone sitting here knows Suzi, but very few people really see Suzi.

Not to mention Suzi, even Arron was rarely seen by anyone.

But Galia was able to tell Suzi to pick her up in front of so many people.

Galia didn't have the guts to speak nonsense.

Galia looked at everyone present coldly: "I know I have missed things before, I know I am not perfect, I know I have cheated, I know! I have pestered my ex-boyfriend!"

I have 10,000 flaws!

But I still don't have the point of breaking the law with bad sectors, right?

The law has not punished me!

And I have worked very hard to change it!

I know that my life and death is Christopher, and I know that even the real president's wife of the Fu Group has come to pick me up in person, but I never thought about entering the Fu Group through their relationship and enjoying the way you treat me. look up!

I have never had one!

I sat up from a bottom grocer.

When I came in, I came in as a junior high school student. I have never deceived anyone in the Fu Group!

After I met Liao Jie for the first time, I had already confessed everything to the company very frankly.

All in all!

At that time, the senior management of the Fu Group had discussed it at a meeting!

The company unanimously felt that it was not harmful to me, but I was brave, and my work efficiency was very high. The company decided not to fire me!

Mr. Liao!

Mr. Liao!
